5.1	Mission. State the PHA's Mission for serving the needs of low-income, very low-income, and extremely low income families in the PHA's jurisdiction for the next five years: NOHA's mission is to assist eligible residents of Columbia, Clatsop and Tillamook Counties to obtain and maintain suitable and affordable housing. NOHA will accomplish this mission through programs designed to provide families, the elderly and disabled individuals with long term rental assistance, and/or to provide affordable housing through development.					

5.2	<p>Goals and Objectives. Identify the PHA's quantifiable goals and objectives that will enable the PHA to serve the needs of low-income and very low-income, and extremely low-income families for the next five years. Include a report on the progress the PHA has made in meeting the goals and objectives described in the previous 5-Year Plan.</p> <p>NOHA is currently working on changes to its Administrative Plan. The changes are being considered to better meet the needs of the community. The intension of the changes will be to stabilize program funding to ensure continuity of rental assistance dollars for those families on the rental program and to ensure the greatest use of those available dollars.</p> <p>They include: NOHA's occupancy standards; Waiting list administration; and Establishing preferences for rental assistance.</p> <p>Goals and objectives identified in the previous 5-Year Plan:</p> <p>Goal: Expand the supply of assisted housing: Objectives: NOHA was not able to apply for additional rental vouchers as most HUD s voucher went to areas with homeless veterans or to residence of demolished public housing units. NOHA plans to project-base eight (8) Housing Choice Vouchers (HCV) along with a community partner that leveraged dollars for a Housing Plus Program for homeless families. The housing authority did acquire, with help from the State of Oregon, Sandhill Apartments in Seaside, Oregon (32-units) to keep as affordable housing.</p> <p>Goal: Improve the quality of assisted housing: Objectives: 1. Improve voucher management: NOHA has been able to maintain a Standard or better score on its SEMAP Certification for the last 5 years. 2. Increase customer satisfaction: Complaints that were being received regarding staff have slowed down. NOHA has implemented a new phone system and policy to address customer service. 3. Efforts to improve specific management functions: NOHA has replaced our Accounting Supervisor and is doing an update and review of our accounting systems. This will improve efficiency and accuracy of financial reporting allowing for better voucher management.</p> <p>Goal: Increase assisted housing choices: Objectives: 1. Provide voucher mobility counseling: NOHA provides input, when requested, to participants who wish to port out of our jurisdiction. Portability is discussed at each initial and annual orientation. 2. NOHA's Section 8 Supervisor attends local landlord meetings to discuss the rental assistance program. We mail on request landlord handbooks.</p> <p>Goal: Improve community quality of life and economic vitality: Objective: 1. The housing authority allows portability to access better jobs, education and medical services. 2. Program units are maintained at HUDs minimum HQS. 3. Referrals are made to agencies when staff feels a participant is distressed.</p> <p>Goal: Promote self-sufficiency and asset development: Objectives: NOHA maintains a Family Self-Sufficiency Program (FSS). The housing authority has annual orientation for all its participants and the FSS program is discussed at each orientation. Our current program has 37 participants and 20 escrow accounts totaling \$ 93,564.00. We have graduated 20 participants since January 1, 2005, with escrows totaling \$ 98,888.00. Our current waiting list is 36.</p> <p>NOHA has begun to administer a home ownership program and saw our first tenant become a home buyer in Columbia county.</p> <p>NOHA, along with the Clatsop Community Action, work in partnership with our current program participants to provide Individual Development Accounts (IDA) for education and homeownership.</p> <p>Goal: Equal Opportunity in Housing for all Americans. Objectives: NOHA assists applicants and participants to file discrimination claims with the appropriate offices and makes referrals to local legal aid offices. NOHA continues to make referrals and follows up with community agencies regarding the health and safety of our participants.</p> <p>Goal: Develop housing for families with mental illness: Objective: NOHA received funding to provide housing for families with mental illness in Clatsop County. The process of working through the local development process has been long, difficult and on going. The staff and board are determined to continue working to find a way to provide this special need housing.</p>

6.0	<p>PHA Plan Update</p> <p>(a) Identify all PHA Plan elements that have been revised by the PHA since its last Annual Plan submission:</p> <p>NOHA will begin the process of project–basing eight vouchers in coordination with the Clatsop County Housing Authority to administer the Housing Plus Program.</p> <p>NOHA is once again administering the Tenant Based Assistance (TBA) program through the State of Oregon HOME funds. This program was taken from the housing authority and given to the CAT agency in St. Helens. CAT recently approached NWOHA stating they were not capable of administering the program any longer and asked if NWOHA would take over administration of the program. As in previous years, the program will be administered by NWOHA and case management will be provided by CAT agencies in the three counties. NWOHA will begin administering the program July 1, 2011.</p> <p>NWOHA is in the process of revising our Administrative Plan, which will be published this year pending board approval.</p> <p>(b) Identify the specific location(s) where the public may obtain copies of the 5-Year and Annual PHA Plan. 9.0	<p>Housing Needs. Based on information provided by the applicable Consolidated Plan, information provided by HUD, and other generally available data, make a reasonable effort to identify the housing needs of the low-income, very low-income, and extremely low-income families who reside in the jurisdiction served by the PHA, including elderly families, families with disabilities, and households of various races and ethnic groups, and other families who are on the public housing and Section 8 tenant-based assistance waiting lists. The identification of housing needs must address issues of affordability, supply, quality, accessibility, size of units, and location.</p> <p>The following information was obtained from the State of Oregon’s Consolidated Plan FY 2011-2015. The Plan was completed by Oregon Housing and Community Services (OHCS) and is a comprehensive planning document identifying the State’s needs in housing, community and economic development:</p> <p>23% of Oregon’s population lives in non-metro areas. PSU’s estimate for 2008-2009 shows population growth at less than 1%. Since 1960 only four years showed a smaller growth rate. This growth follows the existing trends of: greater net in-migration; growth in racial and ethnic demographics; increase in median age 36 in 2000 and an increase in household size 2.57 in 2000.</p> <p>The unemployment rate in Oregon is still well above 10 percent and has been there for the last sixteen months. Oregon’s unemployment rate is higher than the national average and one of the higher rates in the country. Oregon homelessness was up 12% in the 2010 "Point in Time" survey. Among the ranks of homeless, 52 % were families with children. One fourth of those surveyed reported homelessness as a result of unemployment.</p> <p>3.6% of Oregon households receive public assistance and rural poverty is approximately 30% higher than urban rates. The Oregon housing supply is growing dramatically, but shortages of affordable owner and renter housing are increasingly.</p> <p>The National Housing Trust reports that from 2011 through 2014, fifty six projects have 1,467 units of project based Section 8 which will expire. The same site reports that 213 projects with 4,552 of project based assistance from USDA Rural Development in Oregon will also expire.</p> <p>There are a total of 17,463 public housing and Section 8 units in the non-entitlement areas with a 1.8% vacancy rate. A review of waiting lists for the Section 8 program and public housing units is 1280.3% of the existing supply. Of the 17,463 units 1,458 are expected to go “off-line during the period covered 2006-2010.</p> <p>Obstacles to meeting underserved affordable housing needs include: Lack of capacity & operating or predevelopment funds for non-profits; and Cost of land, “down-zoning” may free up more land for development; and Lack of coordinated response to problems and effective partnerships; and Lack of and high cost of rural infrastructure; and Lack of economic development/low wages; and Community attitudes “Not in my backyard (NIMBY); and Exclusionary zoning ordinances; and Lack of local government interest in low and moderate income housing; and Rural areas are considered high risk for private financing; and Lack of incentives for private development of affordable housing; and Public funding too competitive and hard to obtain; and Lack of public transportation.</p> <p>Housing in NOHA’s jurisdiction is a mix of single family units from the World War II era to subsidized Farm Home projects built in the late 79’s to more current projects built with tax credit dollars in the 90s and 2000s. Tillamook County has mostly older single family units. There was considerable development of Farm Homes units in and around the City of Tillamook. Later tax credit projects were development for families and seniors. There are very few multi-family projects out side of Tillamook. Clatsop County has a large 300 unit old navy housing in Astoria and several tax credit properties in Seaside and Astoria. Again the housing is older. Columbia County seems to have experienced the greatest growth in new construction with a lot of duplexes being built in the last several years. Columbia County also has Farm Home and tax credit projects. Rents are the highest in Columbia County.</p>
9.1	<p>Strategy for Addressing Housing Needs. Provide a brief description of the PHA’s strategy for addressing the housing needs of families in the jurisdiction and on the waiting list in the upcoming year. Note: Small, Section 8 only, and High Performing PHAs complete only for Annual Plan submission with the 5-Year Plan.</p> <p>NOHA will continue to work with its local community partners to develop affordable special needs housing when appropriate. NOHA is revising our administrative plan to better meet the needs of our jurisdiction i.e. HPS, occupancy standards, preferences (elderly/disabled, homeless students, working poor, victims of domestic violence, single head of households with children, homeless veterans, etc).</p>

<p>10.0</p>	<p>Additional Information. Describe the following, as well as any additional information HUD has requested.</p> <p>(a) Progress in Meeting Mission and Goals. Provide a brief statement of the PHA’s progress in meeting the mission and goals described in the 5-Year Plan.</p> <p>Our Annual Plan is based on the premise that if we accomplish our goals and objectives we will achieve our mission.</p> <p>(b) Significant Amendment and Substantial Deviation/Modification. Provide the PHA’s definition of “significant amendment” and “substantial deviation/modification”</p> <p>Significant Amendment: Changes that affect rents; Changes in admissions or organization of the waiting list Additions of new activities not included in the current plan;</p>
	<p>Substantial Deviation:</p> <ul style="list-style-type: none"> • A substantial change in a goal(s) identified in the Five-Year Plan.

<p>11.0</p>	<p>Required Submission for HUD Field Office Review. In addition to the PHA Plan template (HUD-50075), PHAs must submit the following documents. Items (a) through (g) may be submitted with signature by mail or electronically with scanned signatures, but electronic submission is encouraged. Items (h) through (i) must be attached electronically with the PHA Plan. Note: Faxed copies of these documents will not be accepted by the Field Office.</p> <p>NOHA held a public meeting on Thursday, May 5th, 2011, regarding its PHA Plan. The meeting was open at 1:00 PM, three tenants were present, asking for an update on the completion of dry-rot repair at Alder Court apartments. They expressed concern that a tarp was placed over the area being worked on and stated they felt the project was taking too long. They did not have any specific comments on the PHA plan. It was explained that the work would resume once the weather permits, and the tarp had to be placed over the area to keep rain from entering the siding being worked on. These repairs are part of the ongoing maintenance and upkeep of the property and may continue for several more months.</p> <p>(a) Form HUD-50077, <i>PHA Certifications of Compliance with the PHA Plans and Related Regulations</i> (which includes all certifications relating to Civil Rights)</p> <p>(b) Form HUD-50070, <i>Certification for a Drug-Free Workplace</i> (PHAs receiving CFP grants only)</p> <p>(c) Form HUD-50071, <i>Certification of Payments to Influence Federal Transactions</i> (PHAs receiving CFP grants only)</p> <p>(d) Form SF-LLL, <i>Disclosure of Lobbying Activities</i> (PHAs receiving CFP grants only)</p> <p>(e) Form SF-LLL-A, <i>Disclosure of Lobbying Activities Continuation Sheet</i> (PHAs receiving CFP grants only)</p> <p>(f) Resident Advisory Board (RAB) comments. Comments received from the RAB must be submitted by the PHA as an attachment to the PHA Plan. PHAs must also include a narrative describing their analysis of the recommendations and the decisions made on these recommendations.</p> <p>(g) Challenged Elements</p> <p>(h) Form HUD-50075.1, <i>Capital Fund Program Annual Statement/Performance and Evaluation Report</i> (PHAs receiving CFP grants only)</p> <p>(i) Form HUD-50075.2, <i>Capital Fund Program Five-Year Action Plan</i> (PHAs receiving CFP grants only)</p>

Board Resolution to Accompany the PHA 5-Year and Annual PHA Plan**

Acting on behalf of the Board of Commissioners of the Public Housing Agency (PHA) listed below, as its Chairman or other authorized PHA official if there is no Board of Commissioners, I approve the submission of the ___ 5-Year and/or Annual PHA Plan for the PHA fiscal year beginning July 1st, 2011 ___, hereinafter referred to as "the Plan", of which this document is a part and make the following certifications and agreements with the Department of Housing and Urban Development (HUD) in connection with the submission of the Plan and implementation thereof:

1. The Plan is consistent with the applicable comprehensive housing affordability strategy (or any plan incorporating such strategy) for the jurisdiction in which the PHA is located.
2. The Plan contains a certification by the appropriate State or local officials that the Plan is consistent with the applicable Consolidated Plan, which includes a certification that requires the preparation of an Analysis of Impediments to Fair Housing Choice, for the PHA's jurisdiction and a description of the manner in which the PHA Plan is consistent with the applicable Consolidated Plan.
3. The PHA certifies that there has been no change, significant or otherwise, to the Capital Fund Program (and Capital Fund Program/Replacement Housing Factor) Annual Statement(s), since submission of its last approved Annual Plan. The Capital Fund Program Annual Statement/Annual Statement/Performance and Evaluation Report must be submitted annually even if there is no change.
4. The PHA has established a Resident Advisory Board or Boards, the membership of which represents the residents assisted by the PHA, consulted with this Board or Boards in developing the Plan, and considered the recommendations of the Board or Boards (24 CFR 903.13). The PHA has included in the Plan submission a copy of the recommendations made by the Resident Advisory Board or Boards and a description of the manner in which the Plan addresses these recommendations.
5. The PHA made the proposed Plan and all information relevant to the public hearing available for public inspection at least 45 days before the hearing, published a notice that a hearing would be held and conducted a hearing to discuss the Plan and invited public comment.
6. The PHA certifies that it will carry out the Plan in conformity with Title VI of the Civil Rights Act of 1964, the Fair Housing Act, section 504 of the Rehabilitation Act of 1973, and title II of the Americans with Disabilities Act of 1990.
7. The PHA will affirmatively further fair housing by examining their programs or proposed programs, identify any impediments to fair housing choice within those programs, address those impediments in a reasonable fashion in view of the resources available and work with local jurisdictions to implement any of the jurisdiction's initiatives to affirmatively further fair housing that require the PHA's involvement and maintain records reflecting these analyses and actions.
8. For PHA Plan that includes a policy for site based waiting lists:
 - The PHA regularly submits required data to HUD's 50058 PIC/IMS Module in an accurate, complete and timely manner (as specified in PIH Notice 2006-24);
 - The system of site-based waiting lists provides for full disclosure to each applicant in the selection of the development in which to reside, including basic information about available sites; and an estimate of the period of time the applicant would likely have to wait to be admitted to units of different sizes and types at each site;
 - Adoption of site-based waiting list would not violate any court order or settlement agreement or be inconsistent with a pending complaint brought by HUD;
 - The PHA shall take reasonable measures to assure that such waiting list is consistent with affirmatively furthering fair housing;
 - The PHA provides for review of its site-based waiting list policy to determine if it is consistent with civil rights laws and certifications, as specified in 24 CFR part 903.7(c)(1).
9. The PHA will comply with the prohibitions against discrimination on the basis of age pursuant to the Age Discrimination Act of 1975.
10. The PHA will comply with the Architectural Barriers Act of 1968 and 24 CFR Part 41, Policies and Procedures for the Enforcement of Standards and Requirements for Accessibility by the Physically Handicapped.
11. The PHA will comply with the requirements of section 3 of the Housing and Urban Development Act of 1968, Employment Opportunities for Low-or Very-Low Income Persons, and with its implementing regulation at 24 CFR Part 135.
12. The PHA will comply with acquisition and relocation requirements of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 and implementing regulations at 49 CFR Part 24 as applicable.

13. The PHA will take appropriate affirmative action to award contracts to minority and women's business enterprises under 24 CFR 5.105(a).
14. The PHA will provide the responsible entity or HUD any documentation that the responsible entity or HUD needs to carry out its review under the National Environmental Policy Act and other related authorities in accordance with 24 CFR Part 58 or Part 50, respectively.
15. With respect to public housing the PHA will comply with Davis-Bacon or HUD determined wage rate requirements under Section 12 of the United States Housing Act of 1937 and the Contract Work Hours and Safety Standards Act.
16. The PHA will keep records in accordance with 24 CFR 85.20 and facilitate an effective audit to determine compliance with program requirements.
17. The PHA will comply with the Lead-Based Paint Poisoning Prevention Act, the Residential Lead-Based Paint Hazard Reduction Act of 1992, and 24 CFR Part 35.
18. The PHA will comply with the policies, guidelines, and requirements of OMB Circular No. A-87 (Cost Principles for State, Local and Indian Tribal Governments), 2 CFR Part 225, and 24 CFR Part 85 (Administrative Requirements for Grants and Cooperative Agreements to State, Local and Federally Recognized Indian Tribal Governments).
19. The PHA will undertake only activities and programs covered by the Plan in a manner consistent with its Plan and will utilize covered grant funds only for activities that are approvable under the regulations and included in its Plan.
20. All attachments to the Plan have been and will continue to be available at all times and all locations that the PHA Plan is available for public inspection. All required supporting documents have been made available for public inspection along with the Plan and additional requirements at the primary business office of the PHA and at all other times and locations identified by the PHA in its PHA Plan and will continue to be made available at least at the primary business office of the PHA.

 - (ii) The changes were duly approved by the PHA Board of Directors (or similar governing body); and
