5.1	Mission. State the PHA's Mission for serving the needs of low-income, very low-income, and extremely low income families in the PHA's jurisdiction for the next five years: <i>It is the mission of the Housing Authority of the County of Lawrence to be a fiscally sound and responsible agency that provides safe quality housing opportunities to eligible residents. We will develop a quality living environment; improve community quality of life and economic vitality. We will provide a positive work environment for our employees who in turn will provide a positive customer service experience to our residents. We will offer value added supportive services to our residents using all our resources and community social services partnerships. We are committed to this mission and vow to carry it out with the highest ethical business practices in a non political environment that will reflect positively on all residents of Lawrence County.</i>					

Goals and Objectives. Identify the PHA's quantifiable goals and objectives that will enable the PHA to serve the needs of low-income and very low-income, and extremely low-income families for the next five years. Include a report on the progress the PHA has made in meeting the goals and objectives described in the previous 5-Year Plan.

1. *Increase the availability of decent, safe, and affordable housing:
Reduce public housing vacancies by 2% yearly, 10% over 5 years*

2. *Improve the quality of assisted housing:
Our 2007 PHAS score was 67 which put the Authority into troubled status designation. We have completed a Memorandum of Agreement with HUD and have had the troubled status designation removed. The 2008 score was advisory and the 2009 score has not yet been released. Our goal is to achieve and maintain high performer status (90).*

Extended vacancies in the family developments, Grant Street, Harbor Heights and Lincoln Terrace, and the elderly development, Lawrence Manor, have adversely affected the Authority's PHAS scores. The HA CL has completed a second conversion of zero-bedroom units to one-bedroom units at Lawrence Manor and is currently reviewing the possibility of a six more.

The Housing Authority continues to be contracted with the New Castle Police Department to provide additional security patrols to increase security at Grant Street and Lincoln Terrace. We have completed the installation of security cameras at our Harbor Heights and Grant Street communities and have begun the process at our Lincoln Terrace community. The cameras have been successful in reducing some illegal activity.

Also contributing to the lower score was a loss of points due to increased tenant receivables. The Authority has implemented a new policy in order to reduce these receivables.

In addition, the initial conversion to an asset management system resulted in the furlough of three staff members. The Authority is working on replenishing the needed staff.

The Authority believes that, with these plans, the PHAS scores will again continue to increase.

3. *Improve voucher management (SEMAP score):
Achieved High Performer score of 100 in 2009.*

4. *Renovate or modernize public housing units:
In accordance with modernization plan.*

5. *Provide an improved living environment:
Implement measures to deconcentrate poverty by bringing higher income public housing households into lower income developments and lower income public housing households into higher income developments using our current economic deconcentration policy*

6. *Designate developments or buildings for particular resident groups (elderly, persons with disabilities):
The Housing Authority has designated Crescent Place and Lawrence Manor as elderly-only buildings, Skyview Towers for aged 50 and over and disabled of any age, and has made McGrath Manor available to all eligible applicants in order to help fill the vacant units.*

7. *Promote self-sufficiency and asset development of assisted households:
Increase the number and percentage of employed persons in assisted families by providing or attracting supportive services to improve assistance recipients' employability by exploring additional job readiness contracts with local social service providers.*

8. *Ensure equal opportunity and affirmatively further fair housing:
Undertake affirmative measures to ensure access to assisted housing regardless of race, color, religion national origin, sex, familial status, and disability; Undertake affirmative measures to provide a suitable living environment for families living in assisted housing, regardless of race, color, religion national origin, sex, familial status, and disability; Undertake affirmative measures to ensure accessible housing to persons with all varieties of disabilities regardless of unit size required.*

- Seek replacement of public housing units lost to the inventory through mixed finance development
- Seek replacement of public housing units lost to the inventory through section 8 replacement housing resources
- X Maintain or increase section 8 lease-up rates by establishing payment standards that will enable families to rent throughout the jurisdiction
- X Undertake measures to ensure access to affordable housing among families assisted by the PHA, regardless of unit size required
- X Maintain or increase section 8 lease-up rates by marketing the program to owners, particularly those outside of areas of minority and poverty concentration
- X Maintain or increase section 8 lease-up rates by effectively screening Section 8 applicants to increase owner acceptance of program
- Participate in the Consolidated Plan development process to ensure coordination with broader community strategies
- X Other (list below)
The Authority has closed the following waiting lists until further notice as the current wait time for a unit is between one and two years:

Harbor Heights – 1-BR list

VIOLENCE AGAINST WOMEN ACT POLICY

HOUSING AUTHORITY OF THE COUNTY OF LAWRENCE VIOLENCE AGAINST WOMEN ACT (VAWA) POLICY

I. PURPOSE AND APPLICABILITY

THE PURPOSE OF THIS POLICY (HEREIN CALLED "POLICY") IS TO IMPLEMENT THE APPLICABLE PROVISIONS OF THE VIOLENCE AGAINST WOMEN AND DEPARTMENT OF JUSTICE REAUTHORIZATION ACT OF 2005 (PUB. L. 109-162) AND MORE GENERALLY TO SET FORTH HACL'S POLICIES AND PROCEDURES REGARDING DOMESTIC VIOLENCE, DATING VIOLENCE, AND STALKING, AS HEREINAFTER DEFINED.

This Policy shall be applicable to the administration by HACL of all federally subsidized public housing and Section 8 rental assistance under the United States Housing Act of 1937 (42 U.S.C. §1437 et seq.). Notwithstanding its title, this policy is gender-neutral, and its protections are available to males who are victims of domestic violence, dating violence, or stalking as well as female victims of such violence.

II. GOALS AND OBJECTIVES

This Policy has the following principal goals and objectives:

- A. Maintaining compliance with all applicable legal requirements imposed by VAWA;
- B. Ensuring the physical safety of victims of actual or threatened domestic violence, dating violence, or stalking who are assisted by HACL;
- C. Providing and maintaining housing opportunities for victims of domestic violence dating violence, or stalking;
- D. Creating and maintaining collaborative arrangements between HACL, law enforcement authorities, victim service providers, and others to promote the safety and well-being of victims of actual and threatened domestic violence, dating violence and stalking, who are assisted by HACL; and
- E. Taking appropriate action in response to an incident or incidents of domestic violence, dating violence, or stalking, affecting individuals assisted by HACL.

III. Other HACL Policies and Procedures

This Policy shall be referenced in and attached to HACL's Five-Year Public Housing Agency Plan and shall be incorporated in and made a part of HACL's Admissions and Continued Occupancy Policy.

HACL's annual public housing agency plan shall also contain information concerning HACL's activities, services or programs relating to domestic violence, dating violence, and stalking. To the extent any provision of this policy shall vary or contradict any previously adopted policy or procedure of HACL, the provisions of this Policy shall prevail.

IV. DEFINITIONS

As used in this Policy:

A. *Domestic Violence* – The term ‘domestic violence’ includes felony or misdemeanor crimes of violence committed by a current or former spouse of the victim, by a person with whom the victim shares a child in common, by a person who is cohabiting with or has cohabited with the victim as a spouse, by a person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction receiving grant monies, or by any other person against an adult or youth victim who is protected from that person’s acts under the domestic or family violence laws of the jurisdiction.”

B. *Dating Violence* – means violence committed by a person—

(A) who is or has been in a social relationship of a romantic or intimate nature with the victim; and

(B) where the existence of such a relationship shall be determined based on a consideration of the following factors:

(i) The length of the relationship.

(ii) The type of relationship.

(iii) The frequency of interaction between the persons involved in the relationship.

(A) (i) to follow, pursue, or repeatedly commit acts with the intent to kill, injure, harass, or intimidate another person; and (ii) to place under surveillance with the intent to kill, injure, harass or intimidate another person; and

(B) in the course of, or as a result of, such following, pursuit, surveillance or repeatedly committed acts, to place a person in reasonable fear of the death of, or serious bodily injury to, or to cause substantial emotional harm to –

(i) that person;

(ii) a member of the immediate family of that person; or

(iii) the spouse or intimate partner of that person;

D. *Immediate Family Member* - means, with respect to a person –

(A) a spouse, parent, brother, sister, or child of that person, or an individual to whom that person stands in loco parentis; or

(B) any other person living in the household of that person and related to that person by blood or marriage.

E. *Perpetrator* – means person who commits an act of domestic violence, dating violence or stalking against a victim.

V. ADMISSIONS AND SCREENING

A. *Non-Denial of Assistance*. HACL will not deny admission to public housing or to the Section 8 rental assistance program to any person because that person is or has been a victim of domestic violence, dating violence, or stalking, provided that such person is otherwise qualified for such admission.

[Optional preference provision: Note that VAWA does not require an admissions preference, and, therefore, if such a preference is adopted it need not be applicable to victims of dating violence and stalking as well as to domestic violence]

B. *Admissions Preference.* Applicants for housing assistance from HACL will receive a preference in admissions by virtue of their status as victims of domestic violence [dating violence, stalking]. This preference is particularly described as follows: [insert description including any requirements with respect to evidence of past domestic violence incidents, etc.]

[Optional adverse information provision: Note that VAWA does not require such a provision]

A. *Mitigation of Disqualifying Information.* When so requested in writing by an applicant for assistance whose history includes incidents in which the applicant was a victim of domestic violence, HACL, may but shall not be obligated to, take such information into account in mitigation of potentially disqualifying information, such as poor credit history or previous damage to a dwelling. If requested by an applicant to take such mitigating information into account, HACL shall be entitled to conduct such inquiries as are reasonably necessary to verify the claimed history of domestic violence and its probable relevance to the potentially disqualifying information. HACL will not disregard or mitigate potentially disqualifying information if the applicant household includes a perpetrator of a previous incident or incidents of domestic violence.

VI. TERMINATION OF TENANCY OR ASSISTANCE

A. *VAWA Protections.* Under VAWA, public housing residents and persons assisted under the Section 8 rental assistance program have the following specific protections, which will be observed by HACL:

1. An incident or incidents of actual or threatened domestic violence, dating violence, or stalking will not be considered to be a “serious or repeated” violation of the lease by the victim or threatened victim of that violence and will not be good cause for terminating the tenancy or occupancy rights of or assistance to the victim of that violence.
2. In addition to the foregoing, tenancy or assistance will not be terminated by HACL as a result of criminal activity, if that criminal activity is directly related to domestic violence, dating violence or stalking engaged in by a member of the assisted household, a guest or another person under the tenant’s control, and the tenant or an immediate family member is the victim or threatened victim of this criminal activity. However, the protection against termination of tenancy or assistance described in this paragraph is subject to the following limitations:

- (a) Nothing contained in this paragraph shall limit any otherwise available authority of HACL’ or a Section 8 owner or manager to terminate tenancy, evict, or to terminate assistance, as the case may be, for any violation of a lease or program requirement not premised on the act or acts of domestic violence, dating violence, or stalking in question against the tenant or a member of the tenant’s household. However, in taking any such action, neither HACL nor a Section 8 manager or owner may apply a more demanding standard to the victim of domestic violence dating violence or stalking than that applied to other tenants.
- (b) Nothing contained in this paragraph shall be construed to limit the authority of HACL or a Section 8 owner or manager to evict or terminate from assistance any tenant or lawful applicant if the owner, manager or HACL, as the case may be, can demonstrate an actual and imminent threat to other tenants or to those employed at or providing service to the property, if the tenant is not evicted or terminated from assistance.

B. *Removal of Perpetrator.* Further, notwithstanding anything in paragraph VI.A.2. or Federal, State or local law to the contrary, HACL or a Section 8 owner or manager, as the case may be, may bifurcate a lease, or remove a household member from a lease, without regard to whether a household member is a signatory to a lease, in order to evict, remove, terminate occupancy rights, or terminate assistance to any individual who is a tenant or lawful occupant and who engages in acts of physical violence against family members or others. Such action against the perpetrator of such physical violence may be taken without evicting, removing, terminating assistance to, or otherwise penalizing the victim of such violence who is also the tenant or a lawful occupant. Such eviction, removal, termination of occupancy rights, or termination of assistance shall be effected in accordance with the procedures prescribed by law applicable to terminations of tenancy and evictions by HACL. Leases used for all public housing operated by HACL and, at the option of Section 8 owners or managers, leases for dwelling units occupied by families assisted with Section 8 rental assistance administered by HACL, shall contain provisions setting forth the substance of this paragraph.

VII. Verification of Domestic Violence, Dating Violence or Stalking

A. *Requirement for Verification.* The law allows, but does not require, HACL or a section 8 owner or manager to verify that an incident or incidents of actual or threatened domestic violence, dating violence, or stalking claimed by a tenant or other lawful occupant is bona fide and meets the requirements of the applicable definitions set forth in this policy. Subject only to waiver as provided in paragraph VII. C., HACL shall require verification in all cases where an individual claims protection against an action involving such individual proposed to be taken by HACL. Section 8 owners or managers receiving rental assistance administered by HACL may elect to require verification, or not to require it as permitted under applicable law.

Verification of a claimed incident or incidents of actual or threatened domestic violence, dating violence or stalking may be accomplished in one of the following three ways:

1. *HUD-approved form* - by providing to HACL or to the requesting Section 8 owner or manager a written certification, on a form approved by the U.S. Department of Housing and Urban Development (HUD), that the individual is a victim of domestic violence, dating violence or stalking that the incident or incidents in question are bona fide incidents of actual or threatened abuse meeting the requirements of the applicable definition(s) set forth in this policy. The incident or incidents in question must be described in reasonable detail as required in the HUD-approved form, and the completed certification must include the name of the perpetrator.
2. *Other documentation* - by providing to HACL or to the requesting Section 8 owner or manager documentation signed by an employee, agent, or volunteer of a victim service provider, an attorney, or a medical professional, from whom the victim has sought assistance in addressing the domestic violence, dating violence or stalking, or the effects of the abuse, described in such documentation. The professional providing the documentation must sign and attest under penalty of perjury (28 U.S.C. 1746) to the professional's belief that the incident or incidents in question are bona fide incidents of abuse meeting the requirements of the applicable definition(s) set forth in this policy. The victim of the incident or incidents of domestic violence, dating violence or stalking described in the documentation must also sign and attest to the documentation under penalty of perjury.
3. *Police or court record* – by providing to HACL or to the requesting Section 8 owner or manager a Federal, State, tribal, territorial, or local police or court record describing the incident or incidents in question.

B. *Time allowed to provide verification/ failure to provide.* An individual who claims protection against adverse action based on an incident or incidents of actual or threatened domestic violence, dating violence or stalking, and who is requested by HACL, or a Section 8 owner or manager to provide verification, must provide such verification within 14 business days (i.e., 14 calendar days, excluding Saturdays, Sundays, and federally-recognized holidays) after receipt of the request for verification. Failure to provide verification, in proper form within such time will result in loss of protection under VAWA and this policy against a proposed adverse action.

C. *Waiver of verification requirement.* The Executive Director of HACL, or a Section 8 owner or manager, may, with respect to any specific case, waive the above-stated requirements for verification and provide the benefits of this policy based on the victim's statement or other corroborating evidence. Such waiver may be granted in the sole discretion of the Executive Director, owner or manager. Any such waiver must be in writing. Waiver in a particular instance or instances shall not operate as precedent for, or create any right to, waiver in any other case or cases, regardless of similarity in circumstances.

VIII. Confidentiality

A. *Right of confidentiality.* All information (including the fact that an individual is a victim of domestic violence, dating violence or stalking) provided to HACL or to a Section 8 owner or manager in connection with a verification required under section VII of this policy or provided in lieu of such verification where a waiver of verification is granted, shall be retained by the receiving party in confidence and shall neither be entered in any shared database nor provided to any related entity, except where disclosure is:

1. requested or consented to by the individual in writing, or
2. required for use in a public housing eviction proceeding or in connection with termination of Section 8 assistance, as permitted in VAWA, or
3. otherwise required by applicable law.

B. *Notification of rights.* All tenants of public housing and tenants participating in the Section 8 rental assistance program administered by HACL shall be notified in writing concerning their right to confidentiality and the limits on such rights to confidentiality.

[Optional provisions – paragraphs A through D]

VIII. Transfer to New Residence

A. *Application for transfer.* In situations that involve significant risk of violent harm to an individual as a result of previous incidents or threats of domestic violence, dating violence, or stalking, HACL will, if an approved unit size is available at a location that may reduce the risk of harm, approve transfer by a public housing or Section 8 tenant to a different unit in order to reduce the level of risk to the individual. A tenant who requests transfer must attest in such application that the requested transfer is necessary to protect the health or safety of the tenant or another member of the household who is or was the victim of domestic violence dating violence or stalking and who reasonably believes that the tenant or other household member will be imminently threatened by harm from further violence if the individual remains in the present dwelling unit.

B. *Action on applications.* HACL will act upon such an application promptly [alternatively, insert a number of business days].

C. *No right to transfer.* HACL will make every effort to accommodate requests for transfer when suitable alternative vacant units are available and the circumstances warrant such action.

However, except with respect to portability of Section 8 assistance as provided in paragraph IX. E. below the decision to grant or refuse to grant a transfer shall lie within the sole discretion of HACL, and this policy does not create any right on the part of any applicant to be granted a transfer.

- D. *Family rent obligations.* If a family occupying HACL public housing moves before the expiration of the lease term in order to protect the health or safety of a household member, the family will remain liable for the rent during the remainder of the lease term unless released by HACL. In cases where HACL determines that the family's decision to move was reasonable under the circumstances, HACL may wholly or partially waive rent payments and any rent owed shall be reduced by the amounts of rent collected for the remaining lease term from a tenant subsequently occupying the unit.

- E. *Portability.* Notwithstanding the foregoing, a Section 8-assisted tenant will not be denied portability to a unit located in another jurisdiction (notwithstanding the term of the tenant's existing lease has not expired, or the family has not occupied the unit for 12 months) so long as the tenant has complied with all other requirements of the Section 8 program and has moved from the unit in order to protect a health or safety of an individual member of the household who is or has been the victim of domestic violence dating violence or stalking and who reasonably believes that the tenant or other household member will be imminently threatened by harm from further violence if the individual remains in the present dwelling unit.

[Optional Provision]

X. COURT ORDERS/FAMILY BREAK-UP

A. *Court orders.* It is HACL's policy to honor orders entered by courts of competent jurisdiction affecting individuals assisted by HACL and their property. This includes cooperating with law enforcement authorities to enforce civil protection orders issued for the protection of victims and addressing the distribution of personal property among household members in cases where a family breaks up.

B. *Family break-up.* Other HACL policies regarding family break-up are contained in HACL's Public Housing Admissions and Continuing Occupancy Plan (ACOP) and its Section 8 Administrative Plan.
[Optional provision]

XI. RELATIONSHIPS WITH SERVICE PROVIDERS

It is the policy of HACL to cooperate with organizations and entities, both private and governmental, that provide shelter and/or services to victims of domestic violence. If HACL staff become aware that an individual assisted by HACL is a victim of domestic violence, dating violence or stalking, HACL will refer the victim to such providers of shelter or services as appropriate. Notwithstanding the foregoing, this Policy does not create any legal obligation requiring HACL either to maintain a relationship with any particular provider of shelter or services to victims or domestic violence or to make a referral in any particular case. HACL's annual public housing agency plan shall describe providers of shelter or services to victims of domestic violence with which HACL has referral or other cooperative relationships.

XII. NOTIFICATION

HACL shall provide written notification to applicants, tenants, and Section 8 owners and managers, concerning the rights and obligations created under VAWA relating to confidentiality, denial of assistance and, termination of tenancy or assistance.

XIII. RELATIONSHIP WITH OTHER APPLICABLE LAWS

Neither VAWA nor this Policy implementing it shall preempt or supersede any provision of Federal, State or local law that provides greater protection than that provided under VAWA for victims of domestic violence, dating violence or stalking.

XIV. AMENDMENT

This policy may be amended from time to time by HACL as approved by the HACL Board of Commissioners.

Admissions Policy for Deconcentration

Economic Deconcentration of Very Low Income Families and Income Mixing in Public Housing.

A. Background and Overview of HUD Policy Objectives.

The Quality Housing and Work Responsibility Act (QHWRA) became law in October 1998. Many of the provisions of this Act are revisions to the United States Housing Act of 1937 (USHA) which has guided public housing policy for over 60 years.

One of the purposes of the QHWRA is to facilitate mixed income communities and decrease the concentration of poverty in public housing. Section 513 of the QHWRA establishes, among other things, “annual requirements for admitting families with incomes below 30% of area median income, and related income targeting requirements.”

In as much as the concentration of low income families is now prohibited in public housing, PHA’s must submit with their Public Housing Agency Annual Plans an Admission policy designed to provide for deconcentration of poverty and income mixing by bringing higher income tenants into lower income public housing projects and bringing lower income tenants into higher income public housing projects.

To further this objective the following rule has been established:

With respect to income targeting, the general rule is that in each fiscal year, at least 40% of families admitted to public housing by a PHA must have incomes that do not exceed 30% of area median. The “fungibility” provisions allow a PHA to admit less than 40% of families with incomes below 30% of median (very poor families) in a fiscal year, to the extent the PHA has provided more than 75% of newly available (Section 8) vouchers and certificates (including those resulting from turnover) to very poor families. HUD has also imposed 3 limitations on the use of fungibility.

PHAs are permitted to consider a number of approaches in designing an Admission Policy to achieve the goals of deconcentration and income mixing, included are the use of skipping over certain families on the waiting lists based on incomes; the establishment of certain preferences such as worker preferences; appropriate affirmative marketing efforts; additional applicant consultation and information; provision of additional supportive services and amenities; and rent incentives

authorized by the QHWRA. Site based waiting lists may also be used as an integral part of the Admissions Policy to promote deconcentration.

To implement these new requirements, which are applicable to public housing, PHAs must:

- 1. Determine and compare the relative tenant incomes of each development, as well as the household incomes of census tracts in which the developments are located; and*
- 2. Consider what Admission Policy measures or incentives, if any, will be needed to bring higher income families into lower income developments (or if appropriate to achieve deconcentration of poverty, into developments in lower income census tracts) and lower income families into higher income developments (or if appropriate to achieve deconcentration of poverty, into developments in higher income census tracts). PHA policies must devote appropriate attention to both of these goals. PHA policies must affirmatively further fair housing.*

B. The Housing Authority of the County of Lawrence operates under an Admission and Occupancy Policy approved by the Authority Board of Directors on July 5, 1988. The Policy has been amended numerous times; the latest amendment to add this policy was made in August 2006 to provide for economic deconcentration and income mixing. Admission to public housing will include at least 40% of eligible applicants having incomes which do not exceed 30% of median income of the area. (Subject to “fungibility” provisions cited above).

The Housing Authority will strive for economic deconcentration and income mixing in all of its communities by doing the following:

- 1. The Authority will skip over a lower income applicant on the waiting list to a higher income applicant if the higher income applicant is needed to deconcentrate a lower income development. The reverse will also apply; the Housing Authority will skip over a higher income applicant if a lower income applicant is needed to deconcentrate a higher income community.*
- 2. The Housing Authority of the County of Lawrence has established a preference for employed persons. The employment preference will also be used to further economic deconcentration.*
- 3. The Housing Authority will employ positive and affirmative advertising methods in local newspapers.*

4. *Applicants who are interested will be supplied with appropriate information regarding income and areas that may be available because of deconcentration efforts.*
5. *Under the current regulations, the Housing Authority has determined that PA 26-2, Harbor Heights, PA26-4, Grant Street, and PA26-12, McGrath Manor, located in the City of New Castle, have the lowest average tenant income and have been targeted for higher income applicants. PA26-5A, Brinton Hill, PA26-5B, Big Run, and PA26-9, Neshannock Village, located in the City of New Castle, and PA26-3, Walnut Ridge, located in the Borough of Ellwood City, have the highest average tenant incomes and are targeted for lower income applicants.*

Revised Template Questions:

Component 3, (6) Deconcentration and Income Mixing

- a. *X Yes No: Does the PHA have any general occupancy (family) public housing developments covered by the deconcentration rule? If no, this section is complete. If yes, continue to the next question.*
- b. *X Yes No: Do any of these covered developments have average incomes above or below 85% to 115% of the average incomes of all such developments? If no, this section is complete.*

If yes, list these developments as follows:

ATTACHMENT 16

Implementation of Public Housing Resident Community Service Requirements

The Lawrence County Housing Authority has established a community service policy and program to meet the eight hour community service/self-sufficiency requirements of the QHWRA. The program became re-operational on July 31, 2003.

The Authority has undertaken an assessment of the number of persons preliminarily believed to be nonexempt from the community service/self-sufficiency requirement. Since these number are relatively small the PHA has constructed a program which they will initially administer. The Authority is reserving the option to contract with a third party, including the Resident Advisory Board, if after gaining some experience this becomes necessary.

The Authority communicated the requirements (including the complete list of exempt categories) to all public housing households and identified those individuals within the household, who according to the most recent PHA resident recertification, are required (non-exempt) and those not required (exempt) to participate in an eight hour community service program. Persons incorrectly identified are instructed to contact the PHA site office with documentation supporting their correct status.

The lease had been amended as of January 1, 2001 to require community service for all non-exempt persons and noncompliance (following proper appeal) will result in lease non-renewal.

The Housing Authority will be an active partner in assisting residents to meet the community service requirement. The Community Service Program is built around a combination of self-sufficiency and community service opportunities. The Authority has entered into a formal agreement with the Lawrence County Team PA CareerLink program to provide employment and training services to public housing residents including identifying employment opportunities, job readiness counseling, job placement assistance, information regarding training opportunities, and eligibility determination for specialized programs and services. CareerLink also does employment recruitment for Lawrence County employers and has access to current employment opportunities. Although community service opportunities, within the guidelines of the QHWRA, including service in and around Housing Authority property, will be identified and offered, the nonexempt residents will be directed toward the PA CareerLink Program. Whatever option is chosen it is the responsibility of the resident to meet the eight hour monthly service/self-sufficiency requirement as a provision of the lease and continued occupancy in public housing.

Residents participating in the CareerLink program (self-sufficiency) will be required to use the type of sign in-sign out process developed by that organization. The agency or organization for which the community service is provided by the resident will be responsible to document that service in a manner acceptable to the Authority.
