6.1 Eligibility, Selection and Admissions Policies, including Deconcentration and Wait List Procedures

PUBLIC HOUSING

Eligibility

Eligibility for admission is verified two weeks prior to offer of unit. The following non-income screening factors are used to establish eligibility for admission to public housing:

- Criminal or drug-related activity
- Rental history
- Housekeeping
- Credit history

Waiting List

Harriman Housing Authority (HHA) has a community-wide waiting list. Interested persons may apply for admission at the main administrative office or by U.S. Mail.

Admissions Preferences

HHA plans not to exceed the federal targeting requirements by targeting more than 40% of all new admission to public housing to families at or below 30% of median area income.

The following preferences are used:

- Natural Disaster or Fire
- Date and Time

Occupancy

The following reference materials can be used to obtain information about the rules of occupancy of public housing:

- The PHA-resident lease
- The PHA's Admissions and Continued Occupancy Policy
- PHA briefing seminars or written materials and documents

Deconcentration and Income Mixing

The Harriman Housing Authority's policy to provide for deconcentration of poverty will consist of the following:

- A. Targeting: The income levels of families on the waiting list will be analyzed so that not less than 40% of admissions in any fiscal year will be families whose income does not exceed 30% of median income for the area.
- B. Income Mixing: Prior to the beginning of each fiscal year the HHA will analyze the income levels of families residing in each development to bring higher income families into lower income developments and lower income families into higher income developments.

The HHA will strive to insure that no individual development has a concentration of higher or lower income families. The HHA may skip families on the waiting list to reach other families with a lower or higher income. This will be accomplished in a uniform and non-discriminatory manner.

The HHA will affirmatively market public housing to all eligible income groups. If necessary, the HHA will determine the level of additional marketing strategies and deconcentration incentives to implement the objective of this policy.

6.2 Financial Resources

The HHA expects to expend approximately \$2,079,577 in the year 2011 for operations, capital improvements and administrative costs.

6.3 Rent Determination

PUBLIC HOUSING

HHA employs discretionary policies for determining income-based rent by having a minimum rent of \$25.00.

HHA uses HUD's required minimum rent hardship exemptions.

Ceiling Rents

The HHA does not have ceiling rents

Rent Re-Determinations

If the family elected income-based rent, they must report any time the family experiences a change with the exception of present circumstances (example – getting a raise from current employer).

Flat Rents

HHA established flat rents by using:

- Survey of rents listed in local newspapers
- Survey of similar unassisted units in the neighborhood

6.4 Operation and Management

Executive Director	Shelia Smith
Chief Administrative Officer	Julia Clark
Property Manager	Phylliss Pryor
Receptionist/Clerk	Damita Eskridge
Maintenance Supervisor	Mike Lawson
Maintenance Technician I	Terry Lawson
Maintenance Technician II	Billy Smith
Maintenance Aide	Marvin Siltizer
Maintenance Aide	Larry Tinner
Maintenance Aide	Shawn Tapp

6.5 Grievance Procedures

The HHA has revised its Grievance Procedure to comply with the QHWRA and will continue to make revisions as additional issues are addressed by HUD regulations.

6.6 Designated Housing for Elderly and Disabled Families

The HHA plans to maintain the current elderly/disabled designation that applies to a portion of their units. The HHA has no plans to designate additional units at this time.

6.7 Community Service and Self-Sufficiency

The HHA has developed a Community Service Program that is in compliance with HUD requirements.

The HHA has adopted policy changes necessary to be in compliance with QHWRA and will update as information dictates.

6.8 Safety and Crime Prevention

The HHA will work closely with the police in all communities to take care of any problem, as it arises.

6.9 Pet Policy

The HHA has a policy related to tenant-owned pets. This policy permits all HHA residents to own pets as mandated by the QHWRA through regulations published in the Federal Register on July 10, 2000 and is subject to compliance with specific requirements of HHA's pet lease, which is available at the PHA Main Administrative Office.

6.10 Civil Rights Certification

HUD-50077 (Attached).

6.11 Fiscal Year Audit

The HHA's most recent audit is on file at the HUD Field Office in Knoxville, Tennessee and is available for review at the main office during normal business hours.

6.12 Asset Management

It is the goal of the HHA to manage our assets (physical property, financial resources and manpower) as efficiently as possible.

6.13 Violence Against Women Act (VAWA)

A Public Housing Agency (PHA), owner or landlord may not deny admission to an applicant (male or female) who has been a victim of domestic violence, dating violence or stalking if the applicant otherwise qualifies for assistance or admission.

To qualify for public housing, all applicants, including victims of domestic violence, dating violence or stalking, must, at a minimum:

- meet the local PHA's definition of "family";
- be income eligible;
- have a least one family member who is a U.S. Citizen or has eligible immigration status;
- pass criminal background screening;
- have no outstanding debt to the PHA; and
- meet all other local PHA screening criteria.

Reporting incidents of domestic violence, dating violence or stalking to law enforcement, victim's rights advocates, and the PHA may help preserve your housing rights. The PHA may not deny, remove or terminate assistance to a victim of domestic violence, dating violence or stalking based solely on such an incident or threat.

The PHA, may deny, remove, or terminate assistance to an individual perpetrator of such actions and continue to allow the victim or other household members to remain in the dwelling unit or receive housing assistance. This does not limit the authority of the PHA to terminate your assistance for other criminal activity or good cause.

In processing a request by a victim for continued assistance, the PHA may request that you certify that you are a victim of domestic violence, dating violence or stalking, and that the actual or threatened abuse meet the requirements set forth in the VAWA. Such certification must include the name of the perpetrator. If you do not provide the requested information within 14 business days, your assistance may be terminated.

Any information provided pursuant to the Violence Against Women Act shall neither be entered into any shared database nor provided to any related entity,

except to the extent that disclosure is requested or consented to by the individual in writing; required for use in an eviction proceeding of an abuser, stalker or perpetrator of domestic violence; or is otherwise required by applicable law.

It is in the best interest of any victim of domestic violence, dating violence or stalking to report the incident to the PHA and complete form HUD-50066 Certification of Domestic Violence, Dating Violence, or Stalking or provide approved documentation in lieu of the certification.

**PHA Certifications of Compliance with the PHA Plans and Related Regulations:
Board Resolution to Accompany the PHA 5-Year and Annual PHA Plan**

*Acting on behalf of the Board of Commissioners of the Public Housing Agency (PHA) listed below, as its Chairman or other authorized PHA official if there is no Board of Commissioners, I approve the submission of the **Annual PHA Plan** for the PHA fiscal year beginning **07/2011**, hereinafter referred to as "the Plan", of which this document is a part and make the following certifications and agreements with the Department of Housing and Urban Development (HUD) in connection with the submission of the Plan and implementation thereof:*

1. The Plan is consistent with the applicable comprehensive housing affordability strategy (or any plan incorporating such strategy) for the jurisdiction in which the PHA is located.
2. The Plan contains a certification by the appropriate State or local officials that the Plan is consistent with the applicable Consolidated Plan, which includes a certification that requires the preparation of an Analysis of Impediments to Fair Housing Choice, for the PHA's jurisdiction and a description of the manner in which the PHA Plan is consistent with the applicable Consolidated Plan.
3. The PHA certifies that there has been no change, significant or otherwise, to the Capital Fund Program (and Capital Fund Program/Replacement Housing Factor) Annual Statement(s), since submission of its last approved Annual Plan. The Capital Fund Program Annual Statement/Annual Statement/Performance and Evaluation Report must be submitted annually even if there is no change.
4. The PHA has established a Resident Advisory Board or Boards, the membership of which represents the residents assisted by the PHA, consulted with this Board or Boards in developing the Plan, and considered the recommendations of the Board or Boards (24 CFR 903.13). The PHA has included in the Plan submission a copy of the recommendations made by the Resident Advisory Board or Boards and a description of the manner in which the Plan addresses these recommendations.
5. The PHA made the proposed Plan and all information relevant to the public hearing available for public inspection at least 45 days before the hearing, published a notice that a hearing would be held and conducted a hearing to discuss the Plan and invited public comment.
6. The PHA certifies that it will carry out the Plan in conformity with Title VI of the Civil Rights Act of 1964, the Fair Housing Act, section 504 of the Rehabilitation Act of 1973, and title II of the Americans with Disabilities Act of 1990.
7. The PHA will affirmatively further fair housing by examining their programs or proposed programs, identify any impediments to fair housing choice within those programs, address those impediments in a reasonable fashion in view of the resources available and work with local jurisdictions to implement any of the jurisdiction's initiatives to affirmatively further fair housing that require the PHA's involvement and maintain records reflecting these analyses and actions.
8. For PHA Plan that includes a policy for site based waiting lists:
 - The PHA regularly submits required data to HUD's 50058 PIC/IMS Module in an accurate, complete and timely manner (as specified in PIH Notice 2006-24);
 - The system of site-based waiting lists provides for full disclosure to each applicant in the selection of the development in which to reside, including basic information about available sites; and an estimate of the period of time the applicant would likely have to wait to be admitted to units of different sizes and types at each site;
 - Adoption of site-based waiting list would not violate any court order or settlement agreement or be inconsistent with a pending complaint brought by HUD;
 - The PHA shall take reasonable measures to assure that such waiting list is consistent with affirmatively furthering fair housing;
 - The PHA provides for review of its site-based waiting list policy to determine if it is consistent with civil rights laws and certifications, as specified in 24 CFR part 903.7(c)(1).
9. The PHA will comply with the prohibitions against discrimination on the basis of age pursuant to the Age Discrimination Act of 1975.
10. The PHA will comply with the Architectural Barriers Act of 1968 and 24 CFR Part 41, Policies and Procedures for the Enforcement of Standards and Requirements for Accessibility by the Physically Handicapped.
11. The PHA will comply with the requirements of section 3 of the Housing and Urban Development Act of 1968, Employment Opportunities for Low-or Very-Low Income Persons, and with its implementing regulation at 24 CFR Part 135.

12. The PHA will comply with acquisition and relocation requirements of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 and implementing regulations at 49 CFR Part 24 as applicable.
13. The PHA will take appropriate affirmative action to award contracts to minority and women's business enterprises under 24 CFR 5.105(a).
14. The PHA will provide the responsible entity or HUD any documentation that the responsible entity or HUD needs to carry out its review under the National Environmental Policy Act and other related authorities in accordance with 24 CFR Part 58 or Part 50, respectively.
15. With respect to public housing the PHA will comply with Davis-Bacon or HUD determined wage rate requirements under Section 12 of the United States Housing Act of 1937 and the Contract Work Hours and Safety Standards Act.
16. The PHA will keep records in accordance with 24 CFR 85.20 and facilitate an effective audit to determine compliance with program requirements.
17. The PHA will comply with the Lead-Based Paint Poisoning Prevention Act, the Residential Lead-Based Paint Hazard Reduction Act of 1992, and 24 CFR Part 35.
18. The PHA will comply with the policies, guidelines, and requirements of OMB Circular No. A-87 (Cost Principles for State, Local and Indian Tribal Governments), 2 CFR Part 225, and 24 CFR Part 85 (Administrative Requirements for Grants and Cooperative Agreements to State, Local and Federally Recognized Indian Tribal Governments).
19. The PHA will undertake only activities and programs covered by the Plan in a manner consistent with its Plan and will utilize covered grant funds only for activities that are approvable under the regulations and included in its Plan.
20. All attachments to the Plan have been and will continue to be available at all times and all locations that the PHA Plan is available for public inspection. All required supporting documents have been made available for public inspection along with the Plan and additional requirements at the primary business office of the PHA and at all other times and locations identified by the PHA in its PHA Plan and will continue to be made available at least at the primary business office of the PHA.
21. The PHA provides assurance as part of this certification that:
 - (i) The Resident Advisory Board had an opportunity to review and comment on the changes to the policies and programs before implementation by the PHA;
 - (ii) The changes were duly approved by the PHA Board of Directors (or similar governing body); and
 - (iii) The revised policies and programs are available for review and inspection, at the principal office of the PHA during normal business hours.
22. The PHA certifies that it is in compliance with all applicable Federal statutory and regulatory requirements.
