WINOOSKI HOUSING AUTHORITY'S POLICY RELATING TO
THE VIOLENCE AGAINST WOMEN ACT ("VAWA")
&
NOTIFICATION OF TENANT RIGHTS

In response to the signing of the Violence Against Women Act by President George W. Bush in 2006, WHA hereby amends its policies and procedures to comply with this law. VAWA impacts the following WHA housing programs: Public Housing, Section 8 Project-Based housing and the Section 8 Housing Choice Voucher Program in the areas of admissions, transfers, terminations and evictions.

WHA will not reject the application of a person who WHA determines is or who is perceived to be or has been or has been perceived to be a victim of domestic violence as defined by VAWA. WHA will not tolerate domestic violence on its properties at its owned or managed properties or through WHA's Section 8 Housing Choice Voucher Program. WHA has the right to deny admission, terminate assistance or evict all perpetrators of domestic violence, dating violence, sexual assault or stalking from the household, while the victim and other household members not involved in such violence will be allowed to remain in the unit/receive continued program assistance in accordance with eligibility and legal requirements.

REPORTING REQUIREMENT: Until such time as a formal HUD Certification form is developed and issued, WHA will require the following information of all alleged victims of domestic violence who face termination of assistance, termination of tenancy or eviction on these grounds:

- (1) A victim must certify to WHA in writing that s/he is a victim of domestic violence, dating violence, sexual assault or stalking;
- (2) that the incident(s) of violence were bona fide incidents of actual or threatened abuse;
- (3) Victim shall name the perpetrator; and
- (4) Victim shall provide the certification to WHA within fourteen (14) business days or a longer period at WHA's discretion.
- (5) In the alternative, the victim can have a third party provide certification of domestic violence by providing WHA with documentation signed by an employee, agent or volunteer of a victim service provider, an attorney, or a medical professional from whom the victim has sought assistance in addressing the domestic violence, dating violence, sexual assault or stalking or the effects of the abuse in which the professional attests under penalty of perjury to the professional's belief that the incident or incidents in question are bona fide incidents of abuse and the victim of domestic violence, dating violence, sexual assault or stalking has signed or attested to the documentation; or the victim may produce a Federal, State or local police or court record as to the domestic violence. WHA will honor court orders that are issued to protect the victim of domestic violence.

If the victim fails to provide the required certification within the allotted time, the protections afforded by VAWA are voided.

WHA, based upon the facts presented by a victim shall determine who the victim is and whether or not the incident is deemed or not deemed domestic violence, dating violence, sexual assault or stalking. WHA retains the authority to terminate the tenancy, occupancy, or program assistance of a victim if the termination is for a lease violation based upon a reason other than domestic violence, dating violence, sexual assault or stalking. The victim shall be held to the same standard as other tenants are held.

Criminal activity directly relating to an incident or incidents of actual or threatened domestic violence, dating violence, sexual assault or stalking engaged in by a member of a Tenant's household or any guest or other person under the Tenant's control shall not be considered good cause for termination of assistance, occupancy rights or eviction for the Tenant or immediate family member of the Tenant's household who is a victim of domestic violence, dating violence, sexual assault or stalking and as a result Tenant victim could not control or prevent the criminal activity. This exception for victims of domestic violence does not apply to the eviction of a family member who is the perpetrator of the domestic violence or if there is an actual or imminent threat to other residents, the larger community, employees/agents of WHA or persons providing service to the property, if the Tenant/Victim is not evicted or terminated from assistance.

CONFIDENTIALITY: WHA shall keep all information received involving domestic violence, dating violence, sexual assault or stalking confidential, unless the victim requests or consents in writing to disclosure; the information is required in an eviction proceeding or disclosure is otherwise allowed by law.

This information collection is authorized by Section 511 of the Quality Housing and Work Responsibility Act, which added a new section 5A to the U.S. Housing Act of 1937, as amended, which introduced 5-Year and Annual PHA Plans. The 5-Year and Annual PHA plans provide a ready source for interested parties to locate basic PHA policies, rules, and requirements concerning the PHA's operations, programs, and services, and informs HUD, families served by the PHA, and members of the public of the PHA's mission and strategies for serving the needs of low-income and very low-income families. This form is to be used by all PHA types for submission of the 5-Year and Annual Plans to HUD. Public reporting burden for this information collection is estimated to average 12.68 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. HUD may not collect this information, and respondents are not required to complete this form, unless it displays a currently valid OMB Control Number.

Privacy Act Notice. The United States Department of Housing and Urban Development is authorized to solicit the information requested in this form by virtue of Title 12, U.S. Code, Section 1701 et seq., and regulations promulgated thereunder at Title 12, Code of Federal Regulations. Responses to the collection of information are required to obtain a benefit or to retain a benefit. The information requested does not lend itself to confidentiality
