Disposition of Public Housing Units Except for Millwood Estates:

HASCO would like to dispose of its Public Housing units, convert the family Public Housing to tenant-based vouchers and senior Public Housing to project-based vouchers in the future. HASCO is planning to submit a disposition application to HUD for all of its Public Housing units except for the 43 units at Millwood Estates, along with an application for tenant-based vouchers for those 210 units. The properties, other than Millwood Estates, would be owned by an entity or entities related to HASCO and would continue to be operated as affordable housing for low-income households. The properties that will be included in the disposition application are as follows:

Alderwood, WA39-007, 5600 186th Pl SW, Lynnwood 98037 (25 units)
Cedar Grove, WA39-020, 7401 84th St NE, Marysville 98270 (28 units)
Centerwood, WA39-010, 712 Center Road, Everett 98204 (20 units)
East Terrace I and II, WA39-017 and WA39-020, 4201 214th St SW, Mountlake Terrace 98043 (26 units)
Maplewood, WA39-011, 1015 McDonald, Snohomish 98290 (15 units)
North Terrace, WA39-005, 21401 52nd Ave W, Mountlake Terrace 98043 (12 units)
Pinewood, WA39-003 and WA39-008, 5720 200th Ave W, Lynnwood 98036 (25 units)
Robin Park, WA39-004, 19701 48th Ave W, Lynnwood 98036 (30 units)
Stevens Circle, WA39-006, 12326 24th Pl NE, Lake Stevens 98258 (19 units)
Scattered Sites, WA39-014 and WA39-015, 1020 120th St SW and 12102 11th Pl W, Everett 98204; 4306 92nd St NE and 7503 67th Ave NE, Marysville 98270; 15630 34th Pl W, Lynnwood 98037 (10 units)

HASCO plans to provide tenant-based vouchers to all residents of the Public Housing projects listed above with the exception of Robin Park, where all 30 of the vouchers will be project-based (see "Project-Based Vouchers" section below).

HASCO received HUD approval in 1999 to discontinue operating the 43 Millwood Estates units as Public Housing in the future if HASCO first provided residents of the Public Housing units with tenant-based vouchers. Based on that approval, it appears that HASCO may now fulfill that condition and apply for replacement vouchers rather than seek approval for disposition of those units. HASCO would continue to own Millwood Estates. Information about Millwood Estates is as follows:

Millwood Estates, WA39-021, 16605 6th Ave W, Lynnwood 98036 (43 units)

Homeownership:

HASCO currently administers a Section 8 Homeownership program. This program allows families to receive a second mortgage that is paid with their voucher. Voucher recipients must meet the following criteria to participate:

1. Family must have sufficient income to pay homeownership and other family expenses.
2. Only 30-year fixed-rate mortgages are allowed.
3. Homebuyers must contribute \$2,500 or 2% of the purchase price, whichever is greater. Additional funds may be received in a gift.
4. Family must be a first-time homebuyer, i.e. has not owned a home in the last 3 years or is a displaced homemaker.
5. Family must be able to document at least 2 years of employment in current line of work, unless elderly or disabled.
6. Family must have 12 months of clean credit with no late payments, delinquencies, judgments, claims or bankruptcies. Any bankruptcy must have been discharged for at least 2 years. Any previous foreclosure must have a "SOLD" justification.
7. Family must have a reasonable expectation of future income growth, unless elderly or disabled.

This year, HASCO will undertake the following actions to implement the program:

1. Continued referrals to HomeSight.
2. Continued information to Section 8 participants of homeownership opportunities.
3. Continued participation in the United Way Individual Development Account Collaborative and the homeownership option.
4. Continued work with the remaining Family Self-Sufficiency clients on homeownership.

In addition to Section 8 Homeownership, HASCO provides affordable homeownership opportunities at 3 manufactured housing communities in Snohomish County: Thomas Place, Alpine Ridge South and Alpine Ridge East. HASCO has partnered with BECU to provide financing and HomeSight to provide purchase assistance and homeownership counseling. At Alpine Ridge, HASCO has implemented the Manufactured Home Replacement Program to replace existing pre-HUD code homes in the communities with new, energy-efficient homes as existing residents choose to move out of the communities.

Project-Based Vouchers:

HASCO plans to consider project-basing tenant-based Section 8 vouchers in the coming year at the following projects:

1. Center House: Project-base up to 10 vouchers for the existing set-aside units with supportive services.
2. Robin Park: Project-base up to 30 units serving elderly and disabled residents.
3. Public Housing: Project-base up to 180 units serving families (see "Disposition of Public Housing Units Except for Millwood Estates" above for a list of properties)
4. East Terrace II AIDS Duplex: Project base 2 units to replace expiring Project-Based Certificates.
5. Sound Families Initiative: HASCO continues to support the Sound Families Initiative with project-based vouchers but will be evaluating how many of the existing HAP contracts should remain long-term.
6. Glenwood Apartments: Project base 4 units to make the property fully subsidized if HASCO is able to acquire the property but does not get any additional rental assistance from USDA Rural Development.

In addition, HASCO may consider project basing vouchers at other developments if it is necessary for the feasibility of financing project operations.

	<p>Violence Against Women Act Statement In accordance with the Violence Against Women Act of 2005 (VAWA), HASCO began to formulate a VAWA policy and implementation plan in 2006. In 2007, HASCO's Board of Commissioners passed a resolution to revise the Section 8 Administrative Plan to add HASCO's VAWA policy. HASCO also updated its Public Housing Admissions and Continued Occupancy Policy to include HASCO's VAWA policy. HASCO created a notice about VAWA that was printed in the HASCO Section 8 Times. The notice was also immediately sent to any Section 8 clients that were in imminent danger of being evicted or if their assistance was being terminated due to domestic violence. All landlords received the notice at the beginning of the year and Section 8 clients received it with their annual review paperwork. All Section 8 clients have now received the notice. All new Section 8 clients receive the notice in their briefing packet.</p> <p>HASCO continues to inform clients and landlords of the Violence Against Women Act (VAWA) on a regular basis. HASCO periodically provides information about VAWA in the Section 8 Times Newsletter that is sent to landlords and participants 3-4 times per year. In this newsletter we provide the local Domestic Violence Advocate's contact information for clients to refer to. Our sample Owner Packet (accessible by mail and on our website) includes the Section 8 HAP Contract that explains the VAWA in further detail for a prospective landlord. The Tenant-Based Assistance department has a VAWA notice that is placed in the briefing packet for new participants. The notice is also sent to any Section 8 clients that are in imminent danger of being evicted or if their assistance is being terminated due to domestic violence. More extensive information on landlord/tenant issues for survivors of domestic violence, sexual assault and/or stalking is available to landlords and tenants upon request.</p> <p>HASCO provides information about applicant and participant rights under VAWA to all Public Housing applicants as part of its screening packet. This information is also provided to current Public Housing tenants at time of annual reexamination and when they are in danger of having their lease terminated or being evicted. If HASCO denies any Public Housing applicant family, it will provide as part of the notice of denial a statement about the protection against denial due to domestic violence provided by VAWA, a description of HASCO's confidentiality requirements, and a request that any applicant wishing to claim protection under VAWA submit documentation to HASCO in accordance with HUD requirements along with their request for an informal hearing to review the denial.</p> <p>Brochures for the local Domestic Violence Advocate's contact information as well as a brochure on Elder Abuse are placed in our lobby in several languages.</p>

HOUSING AUTHORITY OF SNOHOMISH COUNTY
2010-2014 PUBLIC HOUSING AGENCY PLAN; 2011 UPDATE
PROGRESS TOWARD MEETING 5-YEAR GOALS AND OBJECTIVES

In previous 5-year plans, HASCO has set goals for new housing units and vouchers that are well below what is needed in Snohomish County based on the fact that we did not expect new resources to be available at the federal level. However, in this 5-year plan, the goals reflect the fact that we have higher expectations that federal resources will be available under the current federal administration than we had in previous years.

HUD Strategic Goal: Increase the availability of decent, safe, affordable housing.

PHA Goal 1: Expand the supply of assisted housing

Objective 1-1: Increase the supply of Section 8 vouchers by an average of 200 per year for a total of 1,000 over the 5-year period, to meet the growing needs of the wait list and the community.

Progress 2010: Congress has not authorized any additional vouchers, other than for the Family Unification Program and Non-Elderly Disabled vouchers (see below). HASCO continues to work with the Housing Consortium of Everett and Snohomish County and local elected officials to make the case that additional general-purpose vouchers are needed in Snohomish County to serve the growing need.

Objective 1-2: Work with HUD and the VA to receive at least 35 additional Veterans Administration Supportive Housing (VASH) vouchers per year for a total of 175 over the next 5 years.

Progress 2010: In June 2010 HASCO learned that it had been awarded 25 additional VASH vouchers. This number was reduced from the previous award due to the VA's emphasis on serving veterans with greater service needs, which required a reduced ratio of 25 veterans per case manager rather than 35.

Objective 1-3: Receive awards from HUD of at least 50 Family Unification Program and 400 Non-Elderly Disabled vouchers over the next 5 years.

Progress 2010: HASCO applied for 50 Family Unification Program (FUP) vouchers in December 2009, but was not successful in receiving an award from HUD. HASCO submitted another application for 50 FUP vouchers in November 2010. HASCO also applied for 200 Non-Elderly Disabled vouchers in July 2010, including 150 Category 1 vouchers for persons currently on the HASCO wait list and 50 for persons exiting institutions. HASCO did not receive an award of 150 Category 1 vouchers but did receive all 50 Category 2 vouchers that we applied for.

Objective 1-4: Explore opportunities for rental assistance programs through local sources.

Progress 2010: HASCO continues to administer the Ending Homelessness Program local vouchers for Snohomish County Government; however, in January 2011 the County notified HASCO of the County's decision to terminate the program as of June 30, 2011. In the current environment of reduced funding at the state and local levels for housing and services, HASCO has not had any other opportunities to provide rental assistance with local funding.

Objective 1-5: Continue to support existing commitments to the Sound Families program and other service-enriched housing programs with project-based vouchers.

Progress 2010: HASCO continues to support its commitments to 317 Sound Families units with project-based vouchers; however, the availability of exit vouchers had been delayed from 7/15/09 until they became available 8/9/10 because we had fully utilized our vouchers and fewer participants were going off of the program.

Objective 1-6: Work with our local congressional delegation and HUD to secure at least 1,000 additional vouchers to replace the vouchers that are being used for the Sound Families Initiative units.

Progress 2010: HASCO continues to make the case for additional vouchers to replace the voucher being used by the Sound Families program; however, in this tight funding environment there has not been any additional voucher funding.

Objective 1-7: Work with HUD to construct 19 units of new Public Housing for families in Marysville and bring additional housing subsidy to Snohomish County.

Progress 2010: HASCO was able to secure funding from HUD (\$3.3 million) and Snohomish County (\$992,000) to construct the Marysville Pointe development. However, HASCO's application to the Washington State Housing Finance Commission for 9% tax credits was unsuccessful. As a result, HASCO was not able to go forward with this project and after determining that there were no other feasible financing strategies, had to return the funding to HUD and Snohomish County in early 2010. *[This goal will be removed after 2011.]*

Objective 1-8: Provide vouchers for at least 60 families from the voucher wait list per year.

Progress 2010: HASCO pulled 343 families from the voucher wait list that resulted in housing 149 of those families for the Section 8 and Non Elderly Disabled program during calendar year 2010. (This does not include PBV, EHP or VASH vouchers since those are handled through referrals from partner agencies.)

Objective 1-9: Work with Snohomish County and local service providers to apply for additional units of Shelter Plus Care assistance from HUD if it is available.

Progress 2010: No additional assistance was available this year. HASCO will apply for assistance if it becomes available.

Objective 1-10: Explore replacing special program set-aside vouchers with project-based vouchers or other vouchers from HUD, to more efficiently serve families with existing resources.

Progress 2010: In 2010 HASCO replaced the 12 set-aside vouchers at the Stanwood Senior Center with project-based vouchers. HASCO has decided not to renew the remaining set-asides.

PHA Goal 2: Increase assisted housing choices

Objective 2-1: Explore voucherizing out Family Public Housing and project basing senior Public Housing if HUD provides the option.

Progress 2010: HUD has not made the option available to voucher out public housing. Instead, HASCO is exploring a disposition, where all of the current public housing tenants would receive a voucher and the public housing units would be leased to a non-profit entity created by HASCO and converted to affordable housing, except for Robin Park, where vouchers would be project-based. No tenants would be displaced.

Objective 2-2: Enroll 10 voucher households into homeownership program every year, assist 5 households in purchasing a home using their voucher, and assist 5 households in purchasing a home without voucher assistance over the 5 year period.

Progress 2010: In 2010 HASCO referred over 20 voucher families to the HomeSight homeownership program. 2 families closed on home purchases with their voucher, and 3 completed the HomeSight counseling program and may be proceeding soon with their home purchase, using their Section 8 vouchers.

Objective 2-3: Complete 35 single family rehabilitation loans per year subject to availability of resources from Snohomish County.

Progress 2010: During the period from July 2009 to June 2010 (the program year), HASCO signed 35 loans, meeting its goal for the year.

Objective 2-4: In partnership with HomeSight, continue to implement the Manufactured Home Replacement Program (MHRP) at the Alpine Ridge South and Alpine Ridge East communities, to replace outdated pre-HUD code homes with HUD-code, energy efficient manufactured homes.

Progress 2010: HASCO has continued to operate the Manufactured Home Replacement Program. During 2010, HASCO replaced 5 outdated pre-HUD code homes at Alpine Ridge with new, energy-efficient manufactured homes. HASCO also resold 6 existing homes at Alpine Ridge.

Objective 2-5: Explore transferring the Millwood Estates public housing units to another property or properties.

Progress 2010: HASCO explored the possibility of transferring the Millwood public housing units to another property, but has decided instead to move forward with a disposition of its entire public housing portfolio, including the 43 Millwood units, along with replacement vouchers for all tenants.

Objective 2-6: Cooperate with Everett Housing Authority (EHA) to expand our respective Section 8 Housing Choice Voucher service areas to allow voucher clients with each housing authority to locate anywhere within Snohomish County.

Progress 2010: The new joint service area was implemented starting in July 2010. Implementation has gone smoothly.

Objective 2-7 [added 2011]: Opt out of Section 8 HAP contracts at HASCO properties and convert the assistance to project-based vouchers to streamline project operations.

Progress 2010: HASCO has provided one-year notice to HUD and the residents of Woodlake Manor III that it will be opting out of the current HAP contract in order to receive replacement vouchers that can be project-based at Woodlake. This will result in no net loss of housing assistance to Snohomish County.

HUD Strategic Goal: Improve community quality of life and economic vitality.

PHA Goal 3: Provide an improved living environment

Objective 3-1: Maintain or decrease the currently low level of criminal activity at Public Housing developments through the continued use of the roving property manager and relationships with local law enforcement agencies.

Progress 2010: HASCO has continued to successfully use the roving property manager to manage its Public Housing properties. Criminal activity at the Public Housing complexes remains low. HASCO maintains good working relationships with local law enforcement agencies.

Objective 3-2 [added 2011]: Implement a smoke-free policy at some of HASCO's assisted properties to improve air quality, resident safety and health.

Progress 2010: HASCO has decided to move forward with implementing a smoke-free policy at some of its properties that have HUD Section 8 and Rural Development subsidy. Possible sites are: Hilltop I & II, River Vista I & II, Willow Run, Wrobliski Manor, Craigmont, Fairview and Woodlake Manor III. The implementation process will begin in early 2011 with tenant meetings at all of these sites. The new policy is expected to be fully implemented before the end of 2011.

HUD Strategic Goal: Promote self-sufficiency and asset development of families and individuals.

PHA Goal 4: Promote self-sufficiency and asset development of assisted households.

Objective 4-1: Provide self-sufficiency planning support services to the required number of Family Self Sufficiency (FSS) participants.

Progress 2010: HASCO maintains planning support services for the 4 FSS Clients. Our mandatory program size has been waived by HUD and our mandatory number now is zero. HASCO will maintain and honor FSS program services and requirements for the remaining clients.

Objective 4-2: Make 4 program referrals per month and provide at least 8 supportive services programs per year for both Public Housing and Section 8 clients.

Progress 2010: HASCO makes on average 10 program referrals per month and continues to provide at least 8 support services programs for both Public Housing and Section 8 clients. Beginning in 2010 HASCO was able to refer participants in danger of being evicted to the Salvation Army for case management and financing assistance to help them maintain their housing.

Objective 4-3: Enroll new clients in the IDA program when funds are available.

Progress 2010: HASCO is currently seeking participants for the new Fuel Your Future IDA program which provides an opportunity for clients to save and receive matching funds for purchase of a reliable vehicle. This program is targeted at participants living in the more rural areas of the county where transportation options are limited. HASCO staff are currently working with nine clients engaged in the application process. Participants will be selected by the IDA Collaborative in January 2011.

Objective 4-4: Continue to make the Housing Social Services Program available to senior and disabled residents of assisted housing.

Progress 2010: HASCO continues to make the Housing Social Services program available at all of its senior/disabled assisted properties. In 2009 HASCO did a Request for Proposals and selected Senior Services of Snohomish County, who was the current provider, to continue providing the program in 2010.

Objective 4-5: Apply to HUD for the Moving to Work designation.

Progress 2010: In July 2010 HUD notified public housing authorities that it was accepting applications for 3 new Moving to Work slots. However, HUD placed conditions on the slots which would require HASCO to participate in the proposed Transforming Rental Assistance initiative and implement a rent structure study if selected. Based on these conditions, HASCO decided not to apply for Moving to Work designation this time. HASCO will continue to inform elected officials of the need for regulatory relief, either through an expansion of the Moving to Work designation or through passage of legislation such as the Section Eight Voucher Reform Act (SEVRA).

HUD Strategic Goal: Ensure Equal Opportunity in Housing for all Americans.

PHA Goal 5: Ensure equal opportunity and affirmatively further fair housing

Objective 5-1: Maintain the structural integrity and appearance of HASCO properties, install energy efficient light fixtures based on the 2008 Energy Audit, make accessibility improvements to community buildings, repair tripping hazards identified in the Physical Needs Assessment, repair or replace building envelope materials to prevent further water intrusion, and complete interior unit improvements at all public housing properties.

Progress 2010: A modernization schedule was created for 210 Public Housing units (not including the 43 units at Millwood Estates) by collecting data from a Physical Needs Assessment (PNA) completed in 2009. Deficiencies have been identified in the areas of Structural Elements, Energy Conservation and Life-Cycle Performance Standards. This schedule was used to develop a HASCO Five-Year Action Plan. A modernization request of \$390,443 has been made to HUD for each year of the Five-Year Plan.

Progress to date has included community room renovations which have provided additional space for our partner agencies such as Campfire, as well as provided ADA-compliant space for our handicapped residents. Roofing, Gutters, Siding and Exterior Painting have also been completed at several sites, which will help maintain structural integrity of our buildings.

Objective 5-2: Continue to comply with the Violence Against Women Act policy, to protect tenants and family members of tenants who are victims of domestic violence, dating violence, or stalking from being evicted or terminated from housing assistance based on acts of such violence against them.

Progress 2010: HASCO formulated a VAWA policy and made the information available to all Section 8/TBA clients and landlords, starting with those who were in danger of being evicted due to domestic violence. HASCO provides resources, including the local Domestic Violence Advocate's contact information, in the quarterly Section 8 newsletter, and makes brochures available in several languages and in multiple formats. HASCO continues to provide all public housing applicants and residents with information about their rights under VAWA

All Section 8 staff including SPC staff have been informed of a new Domestic Violence Housing Manual created by the National Housing Law Project in August 2010. The manual provides valuable resources for subjects like: Determining survivors' eligibility for federally subsidized housing, screening and denials; addressing negative credit and tenancy history; fair housing protections; accessible housing and VAWA rights of applicants.

Objective 5-3: Continue the Limited English Proficiency (LEP) Program to enable HASCO to assist clients regardless of their primary language.

Progress 2010: Every HASCO employee receives LEP training annually so that they can work with interpreters and use the language line cordless phone. HASCO tracks the most commonly used languages and translates important documents into these other languages, to be included with client information packets. HASCO is also in the process of redesigning its agency website and is exploring ways to make the website more accessible for LEP persons.

Objective 5-4: Continue using a formal process to review reasonable accommodation requests made by our clients.

Progress 2010: HASCO continues to use a formal process to address reasonable accommodation requests that cannot be handled at the staff level. In 2010, the committee received 8 requests. 7 of the requests were approved and one request was withdrawn. The committee also began to handle requests to reinstate Section 8 clients who have been off of the program.

Other PHA Goals and Objectives

PHA Goal 6: Support local housing policy efforts and initiatives and assist in their analysis and implementation

Objective 6-1: Continue to support the Housing Consortium as the housing umbrella organization in Snohomish County.

Progress 2010: HASCO continues to be a member of the Housing Consortium and a HASCO staff member sits on the Consortium's board. HASCO has agreed to cooperate with the Housing Consortium on the new Landlord Liaison Project as part of the Gates Foundation's Family Homelessness Planning Initiative.

Objective 6-2: Support the Office of Housing, Homelessness and Community Development as they implement housing policies set by the County Executive and County Council.

Progress 2010: HASCO provided data and comments to the County on its most recent Consolidated Plan during 2010. The County Consolidated Plan includes information about affordable and assisted housing in Snohomish County, including housing and assistance provided by HASCO.

Objective 6-3: Assist the community in implementing the 10-Year Plan to End Homelessness.

Progress 2010: HASCO staff continued to participate in homeless planning efforts in Snohomish County, including participating in the process to update the 10-Year Plan to End Homelessness, Project Homeless Connect and the Point in Time Count.

Objective 6-4: Through HASCO's Single-Family Rehab Loan Program, work with Snohomish County Weatherization and the Senior Services of Snohomish County Minor Home Repair Program (MHR) to serve low-income Snohomish County residents.

Progress 2010: Rehab Loan Program staff continued to coordinate with the other repair programs in the County during 2010, by participating in the Minor Home Repair Advisory Group and in the Hoarding Task Force.

Objective 6-5: Support the Gates Foundation's Family Homelessness planning initiative around systems change for services and housing in Snohomish County.

Progress 2010: HASCO's Executive Director participated in planning initiative meetings. HASCO has also agreed to cooperate with the Housing Consortium of Everett and Snohomish County on the Landlord Liaison Program, which is being funded initially by the Gates Foundation as part of the initiative's implementation. The initiative will be implemented beginning in 2011.

Objective 6-6: Participate in County Council efforts to preserve mobile home parks.

Progress 2010: HASCO staff made a presentation to the Marysville City Council on mobile home park preservation, in response to a request from the City Council.

Objective 6-7: Assist the City of Oak Harbor at their request with the development of a senior manufactured housing community.

Progress 2010: During the 2010 State legislative session, staff from the City of Oak Harbor advocated for funding for this project. However, no funding was found in the State budget for this project. The City has decided they will not go forward with the project.

Objective 6-8: Initiate discussions with Snohomish County about whether the County is interested in taking over the programs that HASCO has previously administered on behalf of the County, now that it has expanded its role beyond funding to administration of programs

Progress 2010: HASCO will continue to administer Shelter Plus Care. The agency will no longer commit set-aside vouchers for the County's Project Self-Sufficiency program. HASCO has proposed downsizing the Single Family Rehab Loan Program. Snohomish County has decided to end the Ending Homelessness Voucher Program which the County funds and HASCO administers on June 30, 2011.

PHA Goal 7: Preserve affordable housing in Snohomish County

Objective 7-1: Seek to acquire existing multifamily rental apartment buildings including buildings with building-based Section 8 HAP contracts and USDA rental assistance.

Progress 2010: HASCO entered into a purchase and sale agreement to acquire the 46-unit Glenwood Apartments in Lake Stevens, which currently has 41 units of USDA rental assistance. HASCO also entered into a purchase and sale agreement to acquire the 120-unit Pacific Crest Apartments in Everett, a tax credit property serving seniors and disabled persons.

Objective 7-2: Seek to preserve existing manufactured housing communities when approached by the owner, tenants, or local government.

Progress 2010: HASCO submitted a proposal to acquire the debt on the Mariner Village manufactured housing community, in advance of a foreclosure sale, but the proposal was not accepted.

Objective 7-3: Acquire 60 additional affordable units per year (300 units total) over the next 5 years.

Progress 2010: HASCO has continued to explore affordable housing opportunities as we have been made aware of them. HASCO is under purchase and sale to acquire the 46-unit Glenwood Apartments in Lake Stevens and the 120-unit Pacific Crest Apartments in Everett. Both serve seniors and disabled persons.

PHA Goal 8: Work with financial institutions to bring in private financing as a funding source for affordable housing

Objective 8-1: Obtain interim and permanent financing from financial institutions to fund acquisition and rehabilitation of housing.

Progress 2010: HASCO selected a lender to provide financing to complete renovations at Bristol Square, a 96-unit property that HASCO owns.

Objective 8-2: Work with financial institutions to provide conventional mortgage financing to low-income homebuyers in HASCO's manufactured housing communities.

Progress 2010: HASCO continues to partner with BECU to provide first mortgage financing at its Alpine Ridge and Thomas Place manufactured housing communities, at comparable rates to conventional mortgages. Out of 12 buyers at our communities in 2010, 9 received BECU financing and 3 also received HomeSight purchase assistance loans.

2011 to 2015 Capital Fund Mission Statement and Progress

Capital Fund Mission

To maintain the structural integrity and appearance of our properties that will continue to provide many years of housing for our community.

Public Housing Goals

Emphasis through 2015 will be to replace energy efficient light fixtures based on a 2008 Energy Audit, make 504 accessibility improvements to our community buildings, repair tripping hazards identified in the PNA, repair or replace building envelope materials to prevent future water intrusion. More immediate needs in 2011 will be to focus on interior unit improvements at all public housing properties. These interior unit improvements will include appliance replacement, cabinetry, doors/millwork and interior painting.

Public Housing Progress

Modernization schedule was created for 210 public housing units by collecting data from a Physical Needs Assessment (PNA) completed in 2009. Deficiencies have been identified in Structural Elements, Energy Conservation and Life-cycle Performance Standards which has been used to establish a HASCO Five-Year Action Plan. Modernization request for \$390,443 has been requested from HUD for each year of the Housing Authority Five-Year Plan. Progress to date has included community room renovations which have provided additional space for our partner agencies such as Campfire as well as provided ADA-compliant space for our handicapped residents. Roofing, Gutters, Siding and Exterior Painting at several sites have also been completed which will help maintain structural integrity of our buildings.

**PHA Certifications of Compliance with the PHA Plans and Related Regulations:
Board Resolution to Accompany the PHA 5-Year and Annual PHA Plan**

Acting on behalf of the Board of Commissioners of the Public Housing Agency (PHA) listed below, as its Chairman or other authorized PHA official if there is no Board of Commissioners, I approve the submission of the ___ 5-Year and/or X Annual PHA Plan for the PHA fiscal year beginning 2011, hereinafter referred to as "the Plan", of which this document is a part and make the following certifications and agreements with the Department of Housing and Urban Development (HUD) in connection with the submission of the Plan and implementation thereof:

1. The Plan is consistent with the applicable comprehensive housing affordability strategy (or any plan incorporating such strategy) for the jurisdiction in which the PHA is located.
2. The Plan contains a certification by the appropriate State or local officials that the Plan is consistent with the applicable Consolidated Plan, which includes a certification that requires the preparation of an Analysis of Impediments to Fair Housing Choice, for the PHA's jurisdiction and a description of the manner in which the PHA Plan is consistent with the applicable Consolidated Plan.
3. The PHA certifies that there has been no change, significant or otherwise, to the Capital Fund Program (and Capital Fund Program/Replacement Housing Factor) Annual Statement(s), since submission of its last approved Annual Plan. The Capital Fund Program Annual Statement/Annual Statement/Performance and Evaluation Report must be submitted annually even if there is no change.
4. The PHA has established a Resident Advisory Board or Boards, the membership of which represents the residents assisted by the PHA, consulted with this Board or Boards in developing the Plan, and considered the recommendations of the Board or Boards (24 CFR 903.13). The PHA has included in the Plan submission a copy of the recommendations made by the Resident Advisory Board or Boards and a description of the manner in which the Plan addresses these recommendations.
5. The PHA made the proposed Plan and all information relevant to the public hearing available for public inspection at least 45 days before the hearing, published a notice that a hearing would be held and conducted a hearing to discuss the Plan and invited public comment.
6. The PHA certifies that it will carry out the Plan in conformity with Title VI of the Civil Rights Act of 1964, the Fair Housing Act, section 504 of the Rehabilitation Act of 1973, and title II of the Americans with Disabilities Act of 1990.
7. The PHA will affirmatively further fair housing by examining their programs or proposed programs, identify any impediments to fair housing choice within those programs, address those impediments in a reasonable fashion in view of the resources available and work with local jurisdictions to implement any of the jurisdiction's initiatives to affirmatively further fair housing that require the PHA's involvement and maintain records reflecting these analyses and actions.
8. For PHA Plan that includes a policy for site based waiting lists:
 - The PHA regularly submits required data to HUD's 50058 PIC/IMS Module in an accurate, complete and timely manner (as specified in PIH Notice 2006-24);
 - The system of site-based waiting lists provides for full disclosure to each applicant in the selection of the development in which to reside, including basic information about available sites; and an estimate of the period of time the applicant would likely have to wait to be admitted to units of different sizes and types at each site;
 - Adoption of site-based waiting list would not violate any court order or settlement agreement or be inconsistent with a pending complaint brought by HUD;
 - The PHA shall take reasonable measures to assure that such waiting list is consistent with affirmatively furthering fair housing;
 - The PHA provides for review of its site-based waiting list policy to determine if it is consistent with civil rights laws and certifications, as specified in 24 CFR part 903.7(c)(1).
9. The PHA will comply with the prohibitions against discrimination on the basis of age pursuant to the Age Discrimination Act of 1975.
10. The PHA will comply with the Architectural Barriers Act of 1968 and 24 CFR Part 41, Policies and Procedures for the Enforcement of Standards and Requirements for Accessibility by the Physically Handicapped.
11. The PHA will comply with the requirements of section 3 of the Housing and Urban Development Act of 1968, Employment Opportunities for Low-or Very-Low Income Persons, and with its implementing regulation at 24 CFR Part 135.

12. The PHA will comply with acquisition and relocation requirements of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 and implementing regulations at 49 CFR Part 24 as applicable.
13. The PHA will take appropriate affirmative action to award contracts to minority and women's business enterprises under 24 CFR 5.105(a).
14. The PHA will provide the responsible entity or HUD any documentation that the responsible entity or HUD needs to carry out its review under the National Environmental Policy Act and other related authorities in accordance with 24 CFR Part 58 or Part 50, respectively.
15. With respect to public housing the PHA will comply with Davis-Bacon or HUD determined wage rate requirements under Section 12 of the United States Housing Act of 1937 and the Contract Work Hours and Safety Standards Act.
16. The PHA will keep records in accordance with 24 CFR 85.20 and facilitate an effective audit to determine compliance with program requirements.
17. The PHA will comply with the Lead-Based Paint Poisoning Prevention Act, the Residential Lead-Based Paint Hazard Reduction Act of 1992, and 24 CFR Part 35.
18. The PHA will comply with the policies, guidelines, and requirements of OMB Circular No. A-87 (Cost Principles for State, Local and Indian Tribal Governments), 2 CFR Part 225, and 24 CFR Part 85 (Administrative Requirements for Grants and Cooperative Agreements to State, Local and Federally Recognized Indian Tribal Governments).
19. The PHA will undertake only activities and programs covered by the Plan in a manner consistent with its Plan and will utilize covered grant funds only for activities that are approvable under the regulations and included in its Plan.
20. All attachments to the Plan have been and will continue to be available at all times and all locations that the PHA Plan is available for public inspection. All required supporting documents have been made available for public inspection along with the Plan and additional requirements at the primary business office of the PHA and at all other times and locations identified by the PHA in its PHA Plan and will continue to be made available at least at the primary business office of the PHA.
21. The PHA provides assurance as part of this certification that:
 - (i) The Resident Advisory Board had an opportunity to review and comment on the changes to the policies and programs before implementation by the PHA;
 - (ii) The changes were duly approved by the PHA Board of Directors (or similar governing body); and
 - (iii) The revised policies and programs are available for review and inspection, at the principal office of the PHA during normal business hours.
22. The PHA certifies that it is in compliance with all applicable Federal statutory and regulatory requirements.

Housing Authority of Snohomish County
2011 Public Housing Agency Plan Resident Advisory Board and Public Comments

Two Resident Advisory Board (RAB) meetings were held on December 13, 2010 and January 5, 2011. At the meetings, the Housing Authority of Snohomish County's (HASCO) Public Housing Agency Plan Update was presented and RAB members had the opportunity to discuss and comment on the Plan. Although RAB members asked questions about the Plan and HASCO's programs, no RAB members provided any written comments on the Plan.

The 45-day public comment period was held from January 19, 2011 to March 4, 2011. The only comment received was from staff at the Snohomish County Office of Housing, Homelessness, and Community Development, suggesting that discussion of a homelessness prevention effort now available to HASCO clients be added to HASCO's 2010 progress toward meeting the 5-year goals and objectives. The comment was addressed in the Plan, under Objective 4-2. The public hearing was held on March 4, 2011. No other public comments were received and no members of the public appeared at the public hearing. Therefore, no elements of the Plan were challenged.
