Charleston-Kanawha Housing Authority Annual Plan (Year 2011)

5.1 Mission

Charleston-Kanawha Housing Authority, by adhering to our guiding principles, will become a successful leader in providing and supporting quality affordable housing desired by individuals and families in our market area. (Also, please see Guiding Principles cited herein.)

Charleston-Kanawha Housing Authority Guiding Principles:

We will endeavor to ...

- Deliver a mix of housing products that are desirable, dependable, decent, and safe.
- Work as a team with highly skilled and engaged staff that are caring, responsive, and practice integrity by doing what they say they will do.
- Take seriously our role in filling gaps in housing for those less fortunate due to low income or other circumstances.
- Foster quality of family life by helping to meet social needs through appropriate avenues.
- Champion assisted housing for those with various forms of housing needs and foster mobility for self-sufficient living circumstances.
- Strive for low-density housing that blends with existing neighborhoods and communities rather than stand-alone, isolated, high density projects.
- Be fiscally sound in all we do and operate efficiently with an empowered continuously-trying-to-improve organizational culture.
- Become desired housing by putting the customer first through excellent customer service that fully and fairly meets the needs of residents.
- Encourage residents to become economically independent and socially responsible to the community.
- Build entrepreneurial spirit and cultivate innovation in our business plans and in all our work.

In pursuing the guiding principles we will be working towards accomplishing our vision. The plans, goals and objectives, statements, budget summary, policies, etc. set forth in our plan are all geared towards this mission and, when taken as a whole, outline a comprehensive approach with our Guiding Principles that are also consistent with the Consolidated Plan. Here are some highlights of our plan:

- Provide for Section 8 and Public Housing Family Self-Sufficiency and Homeownership programs.
- Continue to review and implement comprehensive and concerted efforts in improving security, providing prevention programs, and working closely with law enforcement to improve the living environments of our communities.
- Continue to promote, foster, and monitor a plan to achieve a self-sustaining financial condition for the agency.
- Work closely with supportive and job development organizations to encourage and support employment for residents/participants.
- Implement and maintain a minimum rent.
- Upgrade older developments (i.e., Orchard Manor, Washington Manor, and Littlepage Terrace) via tax credits, volume-cap bonds, bond financing, public housing conversions to Sec. 8, borrowing, and/or capital funds to provide improved density, more marketable units, better living conditions, etc.

In summary, our plan is to continue to improve the condition of affordable housing and to help to provide opportunities for better living for lower to moderate income residents in the Charleston metropolitan area.

5.2 Goals and Objectives

HUD Strategic Goal: Increase the availability of decent, safe, and affordable housing.

- Expand the supply of assisted housing:
 - Apply for additional rental vouchers: up to 100 additional vouchers if funding is available.
 - Reduce public housing vacancies: goal is to have 97%+ adjusted occupancy rate at each fiscal year's end.
 - Leverage private or other public funds to create additional housing opportunities: Explore bond financing, volume-cap bonds, tax credits, public housing conversions to Sec. 8, and/or borrowing to upgrade, renovate, reduce density, and/or remodel Orchard Manor, Washington Manor, and Littlepage Terrace.
 - Acquire or build units or developments: Look to Low-Income Housing Tax Credits to build additional low-income housing/affordable units. Secure grants and other funds to rehabilitate six units acquired from the Charleston Urban Renewal Authority in the East End of Charleston to provide additional low-income housing opportunities.
 - Provide project-based vouchers. Assign PBV assistance to four (4) renovated units in CKHA's Administrative Building for persons with disabilities.
 - Increase homeownership opportunities: 30 homeownership units (P/H and Sec. 8) in 5 years contingent upon interest, funds, and resources.
 - Enter into partnerships with other housing agencies to maximize resources in the management of housing stock. Redirect and/or leverage funds as needs dictate (and as funds permit) from the Capital Fund Program via the provisions of fungibility and HUD's leverage rules for the development of new public housing/affordable housing units.

- PHA Goal: Improve the quality of assisted housing:
 - Improve public housing management: (PHAS score): Maintain 90%+ for end of each fiscal year.
 - Improve voucher management: (SEMAP score): Maintain 90%+ for end of each fiscal year.
 - Increase customer satisfaction: by 5%.
 - Concentrate on efforts to improve specific management functions such as public housing finance; voucher unit inspections, etc.
 - Continue to automate the property inspection process to improve efficiency.
 - Renovate or modernize public housing units: Via CGP, Replacement Housing Funds, tax credits, bond-financing, HOPE VI, public housing conversions to Sec. 8, and/or other forms of borrowing, etc.
 - Demolish or dispose of obsolete public housing: Via HOPE VI, bond-financing, public housing conversions to Sec. 8, and/or other forms of borrowing, etc.
 - Provide replacement public housing: 20 new units via 1st 5-year Replacement Housing Funds. Leverage 2nd 5-year Replacement Housing Funds allotment to build additional new units.
 - Provide replacement vouchers, especially in the event of any demolition.
 - Revitalize Orchard Manor, Littlepage Terrace, and Washington Manor.

- PHA Goal: Increase assisted housing choices:
 - Provide voucher mobility counseling: To encourage location in higher income areas.
 - Conduct outreach efforts to potential voucher landlords: To secure additional landlords to participate in voucher program and to provide additional affordable housing stock.
 - Increase voucher payment standards: As needed to reflect market conditions.
 - Implement voucher homeownership program: 20+ units in 5 years.
 - Implement public housing or other homeownership programs: 10+ units in 5 years.
 - Continue with public housing site-based waiting lists (for public housing and for LIHTC projects).
 - Convert public housing to vouchers: In view of new HUD requirements to go to site-based accounting, this may become a consideration depending on cash flow and viability on a project-by-project basis (i.e., Washington Manor, Littlepage Terrace, and/or Orchard Manor)
 - Continue to make improvements relative to the reorganization of Charleston Housing and Kanawha County Housing as one PHA known as Charleston-Kanawha Housing Authority (see Agreement dated 12/12/05).

HUD Strategic Goal: Improve community quality of life and economic vitality

- PHA Goal: Provide an improved living environment:
 - Implement measures to de-concentrate poverty by bringing higher income public housing households into lower income developments: Marketing, modernization, reducing density, new units, HOPE VI, bond-financing, public housing conversions to Sec. 8, other forms of borrowing, etc.
 - Implement measures to promote income mixing in public housing by assuring access for lower income families into higher income developments: Assigning units as available.
 - Implement public housing security improvements: Continue to implement security, safety, and prevention improvements (i.e., upgrade security cameras, police focus patrols, fencing, density considerations, tenant screening, etc.).
 - Designate developments or buildings for particular resident groups (elderly, persons with disabilities).
 - Currently have Lippert Terrace and Jarrett Terrace designated for elderly only; continue to request from HUD renewals of these designations. Give consideration for requesting elderly designations for Carroll Terrace and Lippert Terrace if interest and demand supports it based on aging-in-place considerations.
 - Convert/combine efficiencies to 1-BR units at Jarrett Terrace, Carroll Terrace, and Lee Terrace..
 - Develop/implement a menu of amenities and services to enhance the quality of life.
 - Develop incentives for more working families.
 - Convert from PHA-paid utilities to tenant-paid utilities.

HUD Strategic Goal: Promote self-sufficiency and asset development of families and individuals.

- PHA Goal: Promote self-sufficiency and asset development of assisted households:
 - Increase the number and percentage of employed persons in assisted families: by 5%.
 - Provide or attract supportive services to improve assistance for recipients' employability: Create FSS programs with linkages to supportive services.
 - Provide or attract supportive services to increase independence for the elderly or families with disabilities: Continue Senior Coordinator for Public Housing (SCPH) program which provides support and linkages to related services.

HUD Strategic Goal: Ensure Equal Opportunity in Housing for all Americans

- PHA Goal: Ensure equal opportunity and affirmatively further fair housing:
 - Undertake affirmative measures to ensure access to assisted housing regardless of race, color, religion, national origin, sex, familial status, and/or disability.
 - Undertake affirmative measures to provide a suitable living environment for families living in assisted housing, regardless of race, color, religion, national origin, sex, familial status, and/or disability.
 - Undertake affirmative measures to ensure accessible housing to persons with all varieties of disabilities regardless of unit size required.
 - To continue affirmative measures to meet Fair Housing objectives.

Other PHA Goals and Objectives:

- Pursue future funding opportunities. Objective: Obtain at least \$50,000 in actual grant dollars per year.
- Develop a plan to achieve a self-sustaining financial condition by FYE 03/2014.
- Continue with the conversion to Project- Based Accounting and Project-Based Management.
 - Asset Management Projects (AMPs) have been categorized as follows:
 1. AMP 001 Washington Manor
 2. AMP 002 Littlepage Terrace
 3. AMP 003 Orchard Manor, Orchard Phase I, Orchard Phase II, and Orchard Phase III
 4. AMP 004 Lee Terrace
 5. AMP 005 Jarrett Terrace
 6. AMP 007 Hillcrest Village, Oakhurst Village, Wertz, Coal Branch and Scattered Sites
 7. AMP 008 South Park Village
 8. AMP 011 Carroll Terrace
 9. AMP 012 Lippert Terrace
 10. AMP 027 Charleston Replacement Housing # 1
 11. AMP 028 Charleston Replacement Housing # 2
 12. AMP 029 Albert Harris Apts. and Douglas Anderson Apts.
 13. AMP 031 Charleston Replacement Housing # 3
 14. AMP 030 CRH # 4 (Orchard Elderly)

Note: As part of conversion process to AMPs, it will be necessary (for HUD purposes) to transition to new project numbers and possibly new building numbers.

PHA Goal: Follow Uniform Relocation Act (URA) guidelines for relocating residents affected by demolition and redevelopment activities.

PHA Goal: Develop and utilize commercial property space purchased along with CKHA's new administrative building.

PHA Goal: Redirect funds as needs dictate (and as funding permits) from the "Reserve Funds" for development of new affordable housing.

PHA Goal: Completely revitalize the 3 oldest Charleston-Kanawha Housing Authority developments; disposition to Charleston-Kanawha Housing Authority related “development entity (ies)” (i.e., Housing Innovations Corporation); demolition of units; and, construct new affordable housing units.

PHA Goal: In consideration of the Violence Against Women Act (VAWA): do not deny access to or evict from public housing victims of domestic violence solely related to their being abused – encourage property owners renting to families with Section 8 Housing Vouchers to do the same; bifurcate (to divide) the lease to remove a lawful occupant or tenant who engages in criminal acts of violence to family members or others without evicting victimized lawful occupants; honor court orders regarding rights of access or control of the property; maintain victim confidentiality; place offenders on No Trespassing List; and, refer victims to Agencies related to domestic violence. However, this is not to prohibit eviction or termination for other good cause or for an actual and/or imminent threat to other tenants or those employed if the tenant remains.

PHA Goal: Adjust tenant-paid maintenance charges for labor based upon actual costs (presently this is \$22.00 per hour).

PHA Goal: Where determined prudent, feasible, and/or necessary, convert developments to tenant-paid utilities.

PHA Goal: For both Public Housing and Section 8 programs, require that the resident and/or participant agree to participate in “Financial Literacy” training as part of any repayment agreement.

PHA Goal: If and when determined prudent and/or necessary, the practice of providing free garbage bags to residents will be terminated.

PHA Goal: Explore the possibility of purchasing cable services at bulk prices and re-selling cable services to residents at a discount. Suddenlink (a provider of cable, internet, and phone services) has approached CKHA about purchasing their services in bulk for the various developments and then re-selling such services to residents at a discount. The initial service being considered in this regard is tv cable. If determined to be economically and administratively feasible, CKHA will implement at selected development(s) as a pilot program – and will extend to other developments if successful. CKHA may look at other services in the future.

PHA Goal: Revise the Public Housing lease agreement to limit the number of days a guest may visit a resident to fourteen days in a twelve month period.

Eligibility, Selection & Admissions Policy, Deconcentration

Public Housing

Eligibility: When does the PHA verify eligibility for admission to public housing?

- Once application is filed, the process of verification relative to eligibility for admission begins. Applicants are generally offered housing unit(s) within a short time from verification being completed provided such verifications are acceptable.

Which non-income (screening) factors does the PHA use to establish eligibility for admission to public housing?

- Criminal or Drug-related activity.
- Rental history.
- Housekeeping.
- Credit Bureau reports.
- Inquiry of amounts owed to PHA.
- PHA requests criminal records from local law enforcement agencies for screening purposes.
- PHA accesses criminal records from the FBI for screening purposes.

Waiting List Organization

Which methods does the PHA plan to use to organize its public housing waiting list?

- Sub-jurisdictional lists (site-based for LIHTC developments)
- Site-based waiting lists (Applications at Main Office - 1525 Washington Street West).
- Pre-applications at all other sites.

NOTE: Site-based Waiting List attached as an example (See Att. A)

Where may interested persons apply for admission to public housing?

- PHA main administrative office (1525 Washington Street West).
- Pre-applications available at all development sites and via Internet; applications for LIHTC developments at Main Office.

May families be on more than one list simultaneously?

- Yes, families may be on as many waiting lists as they wish; however, once they select a unit at a particular development, they come off the other waiting lists unless they wish to re-apply for a development(s).

Where can interested persons obtain more information about and sign up to be on the site-based waiting lists ?

- PHA main administrative office (1525 Washington Street West).
- PHA development management offices (Pre-applications).
- At the development to which they would like to apply (Pre-applications).
- Internet (Pre-applications).

Assignment

How many vacant unit choices are applicants ordinarily given before they fall to the bottom of the list or are removed from the waiting list?

- One (per development site).

Admissions Preferences

In what circumstances will transfers take precedence over new admissions?

- Emergencies.
- Underhoused.
- Medical justification.
- Administrative reasons determined by the PHA (e.g., to permit modernization work, unit conversions, etc.).
- To accommodate relocation of residents relative to HUD-approved demo/dispo application(s).

Preferences

- Date and time of application.
- Involuntary Displacement (Natural Disaster) (**N/A for LIHTC developments**)
- Working families and those unable to work because of age or disability
 - The Working Preference is provided when, at the date of application, at least one adult in the household is employed for at least 20 hours per week for the past six months and who is employed at the date of admission; the Working Preference is equally extended to elderly families (62 years or older) and to families whose head or spouse are receiving income based on their inability to work (i.e., SSI, Workers Comp.).

Occupancy

What reference materials can applicants and residents use to obtain information about the rules of occupancy of public housing?

- The PHA-resident lease.
- The PHA's Admissions and Continued Occupancy (ACOP) policy.
- PHA briefing seminars or written materials.
- Resident Handbooks.

How often must residents notify the PHA of changes in family composition?

- At annual reexaminations and lease renewals.
- Any time family composition changes.
- At family request for revision.

Attachment D is provided which reflects eight (8) family developments subject to the Deconcentration Policy as per HUD Notice PIH 2001-4 (HA) dated January 19, 2001. As permitted by Notice PIH 2001-4, a bedroom adjustment factor was utilized to provide for a unit-weighted average of the unit distribution at each development and for the total average. Notice PIH 2001-4 also prescribes an Established Income Range of 85% to 115% for each development when compared to the project-wide average.

30% of Area Median Income is \$15,780 (which is the Extremely Low Income limit). Based upon Federal Register dated 08/06/02 "Public Housing Agency Plans: Deconcentration – Amendments to Established Income Range Definition; Final Rule", HUD agrees that in all practicality deconcentration would not be fostered through efforts to place lower income families in developments categorized as higher income in which the average family income is in fact at the extremely low-income level. Therefore, since the average income for all family developments is less than the Extremely Low Income Limit, the deconcentration requirement does not seem to apply.

NOTE: See Attachment D for a complete calculation of the percentages.

Section 8 Eligibility

What is the extent of screening conducted by the PHA?

- Criminal or drug-related activity only to the extent required by law or regulation.
- In FY 2006, start doing credit & criminal checks for all Sec. 8 approved applicants.
- PHA requests criminal records from local law enforcement agencies for screening purposes.
- PHA accesses criminal records from the FBI for screening purposes.
- Name and address of previous landlord if requested.

Waiting List Organization

Where may interested persons apply for admission to section 8 tenant-based assistance?

- PHA main administrative office (1525 Washington Street West)
- Internet (Pre-applications)

Does the PHA give extensions on standard 60-day period to search for a unit?

- Yes; however, PHA issues the voucher for 120 days which includes the standard 60-day period and the two 30-day extensions.

Admissions Preferences

Preferences

- Date and time of application.
- Working families and those unable to work because of age or disability
 - The Working preference is provided when, at the date of application, at least one adult in the household is employed for at least 20 hours per week for the past six months and who is employed at the date of admission; the Working Preference is equally extended to elderly families (62 years or older) and to families whose head or spouse are receiving income based on their inability to work (i.e. SSI, Workers Comp.) Also, Sec. 8 vouchers to be utilized (set-aside) as a resource for relocation of public housing tenants where their unit is being demolished as part of an overall revitalization effort or in the case of unit conversions.

Rent Determinations

Public Housing

Minimum Rent: What amount is the PHA's minimum rent?

- The minimum rent is \$50.00

Rents set at less than 30% than adjusted income: Does the PHA plan to charge rents at a fixed amount or percentage less than 30% of adjusted income?

- Flat Rents will be charged to residents who choose this rent over the income-based rent (note: as a general rule, only residents who have income-based rents that would be greater than the flat rents choose this option).

Which discretionary (optional) deductions and/or exclusions policies does the PHA plan to employ?

- For the earned income of a previously unemployed household member as provided for by HUD regulations.
 - HUD approved Earned Income Disallowance (Rent Phase-In).

In setting the market-based flat rents, what sources of information did the PHA use to establish comparability?

- Existing Flat Rents were based upon a study which was contracted for with a third party (independent appraiser) during FY 2010 (August 2009).

Between income reexaminations, how often must tenants report changes in income or family composition to the PHA such that the changes result in an adjustment to rent?

- Within 10 days of occurrence.

Section 8 Tenant-Based Assistance

Payment Standards: What is the PHA's payment standard?

- 103.3% of FMR (**for Section 8 units**).
- Above 100% but at or below 110% of FMR (**110% for LIHTC projects/units with CKHA ownership interests**)

If the payment standard is higher than FMR, why has the PHA chosen this level?

- FMRs are not adequate to ensure success among assisted families in the PHA's segment of the FMR area.
- Reflects market or submarket.
- To increase housing options for families.
- For Viability of LIHTC projects/units with CKHA ownership interests.

NOTE: Increase in payment standard to 103% was in response to a 3% decrease in Fair Market Rents in 2010..

How often are payment standards reevaluated for adequacy?

- Annually

What factors will the PHA consider in its assessment of the adequacy of its payment standard

- Success rates of assisted families.
- Rent burdens of assisted families.
- PHA feels it necessary to adjust payment standards to help offset utility increases and to better reflect market conditions.

What amount best reflects the PHA's minimum rent?

- Minimum Rent is \$50.00

Operation and Management

An Organizational Chart showing the PHA’s management structure and organization is attached. (See Att. C)

Pest Policy

It is the goal of Charleston-Kanawha Housing Authority to provide safe, sanitary housing for its residents. In so doing, Charleston-Kanawha Housing Authority commits to providing a pest free environment in all developments.

Pest control is performed internally by a licensed and qualified Maintenance Specialist. Charleston-Kanawha Housing Authority will make a diligent effort to provide a healthy and pest-free environment for its residents. Frequent and regular inspections are made of all properties to determine which, if any, pests infest dwelling units. Based upon findings, the most economical and efficient method of eradication is selected and implemented. Special attention is paid to cockroaches. Additional treatments will be provided for the elimination of cockroaches in dwelling units. Residents who see signs of infestation between regularly scheduled inspections and treatments may request additional assistance through the work order system.

Resident cooperation with the extermination plan is essential. Management must require residents to maintain dwelling units in a clean and sanitary manner at all times to provide for a healthy, pest-free environment. Residents having chemical allergies must provide written evidence to Management. Units having babies six (6) months or under will not be treated with chemicals; gels and bait traps may be used as a substitute. Residents who fail to cooperate are in violation of the Lease Agreement and may be subject to termination of tenancy. Reports are provided to Management upon completion of each regularly scheduled inspection noting signs of infestation, housekeeping and sanitation concerns. Management is required to schedule follow-up inspections, issue lease violations and work with residents to improve housekeeping and sanitation concerns.

Grievance Policies

Public Housing

- PHA has established written grievance procedures for residents of public housing (as follows):

The following grievance procedure sets forth the requirements for Charleston-Kanawha Housing Authority, hereinafter called Management, and the Residents for use in the just and effective settlement of grievances. Mutual efforts shall be made by Management and the Residents in attempting to settle each grievance as quickly as possible. The grievance procedure provided herein shall be incorporated in the dwelling leases, either in whole or by reference.

APPLICABILITY

- A. This grievance procedure shall be applicable (except as provided in part III.D. of this document) to all individuals as defined in part III. B..
- B. This grievance procedure is not applicable to disputes between residents not involving the Management or to class grievances. The grievance procedure is not to be used as a forum for initiating or negotiating policy changes between a group or groups of residents and Management.

DEFINITIONS

- A. "Management" shall mean Charleston-Kanawha Housing Authority.
- B. "Complainant" shall mean any resident whose grievance is presented to management's Administrative Office in accordance with parts IV and V.
- C. "Grievance" shall mean any dispute which a resident may have with respect to Management's action or failure to act in accordance with the individual resident's Lease or applicable law and regulations which adversely affect the individual resident's rights, duties, welfare or status.
- D. "Due process determination" shall mean a determination by the U.S. Department of Housing and Urban Development (HUD) that law of the jurisdiction requires that the resident must be given the opportunity for a hearing in court which provides the basic elements of due process before eviction from the dwelling unit. A due process determination has been issued to West Virginia. Thus, Management excludes from this grievance procedure any termination of Lease that involves: 1) any criminal activity that threatens the health, safety, or right to the peaceful enjoyment of the premises by other residents, or 2) any drug related criminal activity on or near the premises.

The due process determination allows Management to evict all occupants of the dwelling through the judicial eviction procedure. The due process procedure shall be initiated and based upon an arrest report from law enforcement officials.

- E. Elements of due process shall mean an eviction action or termination of lease or tenancy in a State or local court in which the following procedural safeguards are required:
 - 1. Adequate notice to the resident of the grounds for terminating the tenancy and for eviction;
 - 2. Opportunity for the resident to examine all relevant documents, records and regulations prior to the hearing for the purpose of preparing a defense. The resident shall be allowed to copy any such document at the resident's expense. If management does not make the document available for examination upon request by the complainant, management may not rely on such document at the grievance hearing.
 - 3. Right of the resident to be represented by counsel;
 - 4. Opportunity for the resident to refute the evidence presented by Management including the right to confront and cross-examine witnesses and to present any affirmative legal or equitable defense which the resident may have;
 - 5. A written decision on the merits setting forth the basis for the decision.
- F. "Hearing officer" shall mean a person selected in accordance with Part V. to hear grievances and render a decision with respect thereto.
- G. "Resident" shall mean the adult person (or persons) other than a live-in aide who:

1. Resides in the unit and who executed the Lease with Management as the Lessee of the dwelling unit, or
2. The remaining head of household of the resident family residing in housing accommodations covered by this Grievance Procedure.

INFORMAL SETTLEMENT OF GRIEVANCE

Any grievance shall be personally presented, either orally or in writing, at Management's office so that the grievance may be discussed informally and settled without a hearing by the site manager. A summary of such discussion shall be prepared within ten (10) days of the conclusion of settlement discussions with one copy provided to the resident, one for the resident's file, and one to the Central Management Office file. The summary shall specify the names of the participants, dates of meetings, the nature of the disposition of the grievance, the reason therefore and the procedures by which a hearing under Section V may be obtained if the complainant is not satisfied.

PROCEDURE TO OBTAIN A HEARING

- A. Request for Hearing. The complainant shall submit a written or verbal request for a hearing to the site office of the Central Management Office prior to the effective date of termination as set forth in the Notice to Vacate. The written request shall specify:
 1. The reasons for the grievance; and
 2. The action or relief sought.
- B. Grievances shall be presented before a hearing officer. Such officer shall be an impartial person or persons appointed by the Board of Commissioners of Charleston-Kanawha Housing Authority.
- C. Failure to Request a Hearing. If the complainant does not request a hearing in accordance with this paragraph, then Management's disposition of the grievance under part IV shall become final. Failure to request a hearing shall not constitute a waiver by the complainant of his right thereafter to contest Management's action in disposing of the grievance in an appropriate judicial proceeding.
- D. Hearing Prerequisite. All grievances shall be personally presented, either orally or in writing, pursuant to the informal procedure prescribed in part IV as a condition precedent to a hearing under this part, provided that if the complainant shall show good cause why he or she failed to proceed in accordance with part IV to the hearing officer, the provisions of this subsection may be waived by the hearing officer.
- E. Escrow Deposit. Before a hearing is scheduled in any grievance involving the amount of rent which Management claims is due, the complainant shall pay to Management an amount equal to the amount of rent due and payable as of the first of the month preceding the month in which the act or failure to act took place. The complainant shall thereafter deposit the same amount of monthly rent in an escrow account with Management monthly until the grievance is resolved. Should the complainant be successful, all monies held in the escrow deposit shall be returned with interest. These requirements may be waived by Management in extenuating circumstances.

Failure to make such payments shall result in a termination of the grievance procedure. Provided that failure to make payment shall not constitute a waiver of any right the complainant may have to contest Management's disposition of his or her grievance in any appropriate judicial proceeding.

- F. **Scheduling of Hearing.** Upon complainant's compliance with A., D., and E. of this Part V, a hearing shall be scheduled by the hearing officer for a time and place reasonably convenient to both the complainant and Management. A written notification specifying the time, place, and the procedures governing the hearing shall be delivered to the complainant and the appropriate Management official.

Management will provide reasonable accommodation for persons with disabilities to participate in the hearing. Reasonable accommodation may include qualified sign language interpreters, reader, accessible location, or attendants. If the resident is visually impaired, any notice to the resident which is required under this subpart will be in an accessible format.

PROCEDURES GOVERNING THE HEARING

- A. The hearing shall be held before a hearing officer.
- B. The complainant shall be afforded a fair hearing providing the basic safeguards of due process which shall include:
1. The opportunity to examine before the hearing, and, at the expense of the complainant, to copy all documents, records, regulations that are relevant to the hearing.
 2. The right to be represented by counsel or other person chosen as his or her representative.
 3. The right to a private hearing unless the complainant requests a public hearing.
 4. The right to present evidence and arguments in support of his or her complaint, to controvert evidence relied on by Management, and to confront and cross-examine all witnesses on whose testimony or information Management relies; and
 5. A decision based solely and exclusively upon the facts presented at the hearing.
- C. The hearing officer may render a decision without proceeding with the hearing if the hearing officer determines that the issue has been previously decided in another proceeding.
- D. If the complainant or Management fails to appear at a scheduled hearing, the hearing officer may make a determination to postpone the hearing, or may make a determination that the party has waived his right to a hearing. Both the complainant and Management shall be notified of the determination by the hearing officer. A determination that the complainant has waived his right to a hearing shall not constitute a waiver of any right the complainant may have to contest Management's disposition of the grievance in an appropriate judicial proceeding.

- E. At the hearing, the complainant must first make a showing of an entitlement to the relief sought and thereafter the Management must sustain the burden of justifying its action or failure to act against which the grievance is directed.
- F. The hearing shall be conducted informally by the hearing officer and oral or documentary evidence pertinent to the facts and issues raised by the grievance may be received without regard to admissibility under the rules of evidence applicable to judicial proceedings. The hearing officer shall require Management, the complainant, counsel, and other participants or spectators to conduct themselves in an orderly fashion. Failure to comply with the directions of the hearing officer to obtain order may result in exclusion from the proceedings or in a decision adverse to the interests of the disorderly party and granting or denial of the relief sought, as appropriate.
- G. The complainant, Management or hearing officer may arrange, in advance, and at the expense of the party making the arrangement, for a transcript of the hearing.
- H. Accommodations of Persons with Disabilities. Management and the hearing officer will provide reasonable accommodation for persons with disabilities to participate in the hearing. Reasonable accommodation may include qualified sign language interpreters, readers, accessible locations, or attendants. If the tenant is visually impaired, any notice to the tenant which is required under this subpart will be in an accessible format.

DECISION OF THE HEARING OFFICER

- A. The hearing officer shall prepare a written decision, together with the reasons therefore, within a reasonable time after the hearing (not to exceed a maximum of ten (10) business days). A copy of the decision shall be sent to the complainant, a copy shall be sent to the Board of Commissioners, and Management and a copy of the decision shall be retained in the resident's file at the Central Management Office. A copy of such decision, with all names and identifying references deleted, shall also be maintained on file and made available for inspection by a prospective complainant, his representative, or hearing officer.
- B. The decision of the hearing officer shall be binding on Management which shall take all actions necessary to carry out the decision, unless the complainant requests Board action within ten (10) working days prior to the next Board meeting. The Board's decision will be mailed to the complainant within ten (10) working days following the Board meeting, and so notify the complainant that:
 - 1. The grievance does not concern Management's action or failure to act in accordance with or involving the complainant's Lease or Management's regulations, which adversely affect the complainant's rights, duties, welfare or status; or
 - 2. The decision of the hearing officer is contrary to applicable Federal, State, or local law, HUD regulations or requirements of the annual contributions contract between HUD and Management.

EVICTION ACTIONS

If a resident has requested a hearing in accordance with Part V on a complaint involving a Management notice of termination of the Lease or tenancy, Management shall not commence an eviction action in a State or local court until it has served a notice to vacate on the tenant, and in no event shall an eviction action vacate be instituted prior to a decision by the hearing officer having been mailed or delivered to the complainant. Such notice to vacate must be in writing and specify that if the resident fails to quit the premises within the applicable statutory period, or on the termination date stated in the notice of termination, whichever is later, appropriate action will be brought against the resident and the resident will be required to pay all court costs and attorney fees.

Public Housing

Does the PHA administer any homeownership programs administered by the PHA under an approved section 5(h) homeownership program (42 U.S.C. 1437c(h)), or an approved HOPE I program (42 U.S.C. 1437aaa) or has the PHA applied or plan to apply to administer any homeownership programs under section 5(h), the HOPE I program, or section 32 of the U.S. Housing Act of 1937.

- Yes.
 - NOTE: Charleston-Kanawha Housing Authority may elect to implement a homeownership program at Littlepage Terrace, Orchard Manor, Washington Manor, or Jarrett Terrace if HOPE VI/Choice Neighborhood grant is awarded or if other resources become available. Also, CKHA may elect to convert scattered site units to homeownership.

Section 8 Tenant Based Assistance

Does the PHA plan to administer a Section 8 Homeownership program pursuant to Section 8(y) of the U.S.H.A of 1937, as implemented by 24 CFR part 982?

- Yes.

Will the PHA limit the number of families participating in the section 8 homeownership option?

- Yes, 25 or fewer participants.

Will the PHA's program have eligibility criteria for participation in its Section 8 Homeownership Option program in addition to HUD criteria?

- Yes. Originally, based on participation in the FSS program – but now is open to anyone in the Sec. 8 Program. Also, will promote and utilize American Dream Downpayment Initiative (ADDI) as program becomes available and/or advantageous.

Project-Based Vouchers

Project-based vouchers will be utilized at LIHTC developments in conjunction with public housing programs.

CKHA advertised in 07/2010 for proposals to assign up to ten (10) Housing Choice Vouchers to existing one-bedroom units for project-based assistance. These units must be rented to persons with disabilities that have professional case management services provided by a qualified agency. Only one proposal was received, that submitted by CKHA, and assistance will begin in 2011.

8.3 Capital Fund Financing Program (CFFP)

CKHA will pledge up to one-third (1/3) of its Annual Capital Funds to repay bond-financing for new LIHTC units. In addition, CKHA will utilize Replacement Housing Factor (RHF) funds for the construction of new LIHTC units (also, see Att. B, RHF Plan).

9.0 Housing Needs

A. Housing Needs of Families in the Jurisdiction/s Served by the PHA

Based upon the information contained in the Consolidated Plan/s applicable to the jurisdiction, and/or other data available to the PHA, provide a statement of the housing needs in the jurisdiction by completing the following table. In the "Overall" Needs column, provide the estimated number of renter families that have housing needs. For the remaining characteristics, rate the impact of that factor on the housing needs for each family type, from 1 to 5, with 1 being "no impact" and 5 being "severe impact." Use N/A to indicate that no information is available upon which the PHA can make this assessment.

Housing Needs of Families in the Jurisdiction by Family Type

9.1 Strategy for Addressing Housing Needs

Strategy for Addressing Needs

Need: Shortage of affordable housing for all eligible populations

Strategy: Maximize the number of affordable units available to the PHA within its current resources by:

- Employ effective maintenance and management policies to minimize the number of public housing units off-line
- Reduce turnover time for vacated public housing units
- Reduce time to renovate public housing units
- Seek replacement of public housing units lost to the inventory through mixed finance development
- Seek replacement of public housing units lost to the inventory through Section 8 replacement housing resources
- Maintain or increase section 8 lease-up rates by establishing payment standards that will enable families to rent throughout the jurisdiction
- Maintain or increase section 8 lease-up rates by marketing the program to owners, particularly those outside of areas of minority and poverty concentration
- Maintain or increase section 8 lease-up rates by effectively screening Section 8 applicants to increase owner acceptance of program
- Participate in the Consolidated Plan development process to ensure coordination with broader community strategies

- Bond-financed, public housing conversions to Sec. 8, and/or other forms of borrowing to upgrade existing stock.
- Redirect and/or leverage funds as needs dictate (and as funds permit) from the Capital Grant Program via the provisions of fungibility and HUD's leverage rules for the development of new public housing/affordable units.

Strategy: Increase the number of affordable housing units by:

- Apply for additional section 8 units should they become available.
- Leverage affordable housing resources in the community through the creation of mixed - finance housing.
- Pursue housing resources other than public housing or Section 8 tenant-based assistance.

Strategy: Target available assistance to families at or below 30 % of AMI by:

- Adopt rent policies to support and encourage work.
- Continue to promote rent policies to support and encourage training and education (i.e., FSS programs).

Strategy: Target available assistance to families at or below 50% of AMI by:

- Employ admissions preferences aimed at families who are working.
- Adopt rent policies to support and encourage work.
- Continue to promote rent policies to support and encourage training and education (i.e., FSS programs).

Need: Specific Family Types: The Elderly

Strategy: Target available assistance to the elderly:

- Seek designation of public housing for the elderly.

Need: Specific Family Types: Families with Disabilities.

Strategy: Target available assistance to Families with Disabilities:

- Carry out the modifications needed in public housing based on the Section 504 Needs Assessment for Public Housing.
- Apply for special-purpose vouchers targeted to families with disabilities, should they become available.
- Continue to work with Pretera and the Appalachian Center for Independent Living.

Strategy: Conduct activities to affirmatively further fair housing:

- Counsel Section 8 tenants as to location of units outside of areas of poverty or minority concentration and assist them to locate those units.
- Market the Section 8 program to owners outside of areas of poverty /minority concentrations.

Strategies are affected by:

- Funding constraints.
- Staffing constraints.
- Limited availability of sites for assisted housing.
- Extent to which particular housing needs are met by other organizations in the community.
- Evidence of housing needs as demonstrated in the Consolidated Plan and other information available to the PHA.

- Influence of the housing market on PHA programs.
- Community priorities regarding housing assistance.
- Results of consultation with local or state government.
- Results of consultation with residents and the Resident Advisory Board.
- Results of consultation with advocacy groups.
- Physical constraints for adequate staffing and program delivery.

10.0 Additional Information

Definition of Substantial Deviation or Significant Amendment or Modification of Agency Plan:

- additions of non-emergency work items when dollar amounts exceed 10% of Capital Fund budget or the amount or replacement reserve funds that exceed 10% of the annual Capital Fund budget;
- and any change with regard to demolition or disposition, designation, homeownership programs or conversion activities.

“Significant Amendment or Modification” of the Annual Plan means:

- any change to rent or admissions policies or organization of the waiting list;
- additions of non-emergency work items when dollar amounts exceed 10% of Capital Fund budget or the amount or replacement reserve funds that exceed 10% of the annual Capital Fund budget;
- and any change with regard to demolition or disposition, designation, homeownership programs or conversion activities.

CHARLESTON-KANAWHA HOUSING AUTHORITY
REPLACEMENT HOUSING FACTOR (RHF) PLAN
as of October 31, 2010

Relative to the Orchard Manor demolition (which razed 230 units), HUD provided the following first 5-year increment funding of Replacement Housing Funds:

• FY 2000 RHF	\$669,283
• FY 2001 RHF	\$682,980
• FY 2002 RHF	\$651,216
• FY 2003 RHF	\$535,811
• FY 2004 RHF	<u>\$620,527</u>
Total	\$3,159,817

The above RHF funds were utilized by CKHA to construct twenty (20) new public housing units at the Orchard Manor complex.

HUD Notice PIH 2005-22 (HA) indicated that the Housing Authority would be eligible to receive a second 5-year increment funding of RHF funds if it could be demonstrated that there would be “substantial leveraging” in an amount equal to at least 1/3 of the total RHF funds received for the first 5-year increment.

Therefore, based on the above, the leveraged amount required for the 2nd increment funding would be equal to or greater than \$1,053,273 (\$3,159,817 divided by 3 = \$1,053,272.33).

Charleston-Kanawha Housing partnered (via a competitive “Request for Qualifications” process) with Alan Ives Construction Co., L.L.C., Series B, for the purposes of:

- comprehensively revitalizing the older public housing sites, namely Orchard Manor, Washington Manor, and Littlepage Terrace;
- creating affordable housing utilizing Low Income Housing Tax Credits; and,
- leveraging Replacement Housing Factor (RHF) funds.

A portion of the 2nd increment RHF funds was used for the construction of 44 new housing units (known as CRH # 1) on three sites described as follows:

- Site 1 – Developer purchased (for the sum of \$325,000) a 1.1 acre site near the Orchard Manor and Littlepage Terrace public housing complexes in which there was constructed 20 public housing units having 8-1BRs, 4-2BRs, 6-3BRs, and 2-4BRs.
- Site 2 – 1.39 acres excess land area at Orchard Manor public housing complex in which there was constructed 16 public housing units having 6-2BRs, 8-3BRs, and 2-4BRs.
- Site 3 – 0.55 acres excess land at Jarrett Terrace public housing complex in which there was constructed 8 public housing units having 4-2BRs, 2-3BRs and 2-4BRs.

The total cost of this project was \$5,663,727 (an average of \$128,721 per unit). The application for a LIHTC project was submitted on July 29, 2005 to the West Virginia Housing Development Fund (WVHDF - State Housing Agency administering tax credits) seeking 9% tax credits. Subsequently, the WVHDF approved an annual housing credit dollar amount of \$440,524. This annual tax credit amount when multiplied by 10 years was subsequently syndicated to produce an equity contribution amount of \$4,338,727 (\$440,524 annual credit x 10 years = \$4,405,240 x approximately 98.5 cents on the dollar). Therefore, applicable computations in this regard would be as follows:

\$5,663,727 Total Development Costs	\$1,738,792 2nd RHF
- 4,338,727 Tax Credit Financing	- 825,000 RHF used
- 400,000 CDBG funding	\$ 913,792 RHF left
- 100,000 WV Housing Trust Fund	
\$ 825,000 RHF Financing Needed	

Only utilizing \$825,000 of RHF funds for this project, the leverage created was greater than the 33.3% required; in fact, it was 137.3% which is greater than the total amount of the 1st increment of RHF funds (\$4,338,727 tax credit financing divided by \$3,159,817 which is the amount of the 1st increment of RHF funding = 137.3% of leveraging).

In addition to the RHF funds identified above (1st 5-year increment funding for Orchard Manor), the following chart reflects additional RHF funds received thus far:

<u>FY</u>	<u>5-units Scattered Sites</u>	<u>230-units at Orchard</u>
2005		\$477,768 2 nd 5-year increment
2006	\$9,145 1 st 5-year increment	\$412,447 2 nd 5-year increment
2007	\$8,476 1 st 5-year increment	\$276,310 2 nd 5-year increment
2008	\$9,141 1 st 5-year increment	\$297,954 2 nd 5-year increment
2009	\$8,527 1 st 5-year increment	\$274,313 2 nd 5-year increment
2010	\$8,456 1 st 5-year increment	

With regard to RHF funds associated with Orchard Manor, \$477,768 from FY 2005 and a significant portion in the amount of \$347,232 from FY 2006 have already been obligated (and expended) for tax credit project CRH # 1; the balance of FY 2006 RHF funds and the sum total of RHF funds from FY 2007 through FY 2009 are to be obligated to tax credit project CRH # 3. Tax credit projects are identified as follows:

- CRH # 1 – Completed 44 new LIHTC units (9% tax credits). No demolition of existing units. (Note: These were leased up in Dec., 2007 and Jan., 2008.) 44 public housing units.
- CRH # 2 – Completed 44 new LIHTC units (9% tax credits). No demolition of existing units. (Note: These were leased up from Nov., 2008 thru Feb., 2009.) 22 public housing units and 22 project-based Sec. 8 units.
- CRH # 3– Demolished 7 buildings (120 units) at Washington Manor and 3 buildings (46 units) at Littlepage Terrace. Completed 80 new LIHTC units at Washington Manor and 16

new LIHTC units at Littlepage Terrace (4% tax credits).51 public housing units and 45 project-based Sec. 8 units.

- CRH # 4 – Completed (in July, 2009) 12 new elderly/disabled LIHTC units (9% tax credits) at Orchard Manor site. No demolition of existing units. 12 public housing units.
- CRH # 5 – To demolish the remainder of Washington Manor (9 buildings – 181 units) and build 74 new LIHTC units (40 public housing and 34 Section 8 units).
- CRH #6 – To demolish 1 building, 16 units at Littlepage Terrace and build 23 new LIHTC units (public housing) at Littlepage.

Note: Future RHF funds to be received in regards to the demolition of units at Washington Manor and Littlepage Terrace will be obligated to the new tax credit units to be built at future sites (even though funds will be received after the fact).

With RHF funds being pledged to the construction of new tax credit units, any leverage requirement should be more than satisfied (as per the example above for CRH # 1).

New units proposed are of such a quality to garner as many points as possible in connection with the Tax Credit Qualification Allocation Plan published by the WVHDF (i.e., at least 60% of the exteriors would be brick, at least 30% green space, energy star appliances and features, dishwashers, air conditioning, extended warranty roof shingles, concrete porches and sidewalks, washer and dryer hook-ups, hard wired for internet access, etc.).

Charleston-Kanawha Housing Authority will also coordinate with the City in an effort to provide this additional affordable housing stock with the goal of stabilizing and enhancing existing neighborhoods.

All Annual Plans (including Five-Year Plans) for fiscal years 1998 through 2010 have been reviewed and approved by HUD. The Annual Plan for FY 2011 will be submitted to HUD (for their review and approval).

NOTE 1: As permitted, a bedroom adjustment factor was used to provide for a unit-weighted average of the distribution. Such an unit-weighted average provided for a range of 82% to 147% when compared to the Established Income Range of 85% to 115%.

NOTE 2: 30% of Area Median Income is \$15,780 (which is the Extremely Low Income limit). Based upon Federal Register dated 08/06/02 "Public Housing Agency Plans: Deconcentration - Amendments to Established Income Range Definition; Final Rule", HUD agrees that in all practicality deconcentration would not be fostered through efforts to place lower income families in developments categorized as higher income in which the average family income is in fact at the extremely low-income level. Therefore, since the average income for all family developments is less than the Extremely Low Income limit, the deconcentration requirement does not seem to apply.

**FY 2011 ANNUAL PLAN
SUMMARY OF COMMENT PERIOD AND PUBLIC MEETING**

The public comment period for the FY 2011 Annual Plan (as advertised in the newspapers and posted at the developments) was from 10/08/10 to 11/21/10. There weren't really any comments received from the postings in this regard.

There were comments from residents at the Resident Meetings which were held at every development; these comments mostly related to physical improvement items and security issues. These comments have been discussed with staff and included in the Annual Plan.

Public meetings were held on Monday, November 29, 2010, at 2:00 p.m. and at 5:00 p.m. at our Management Office at 1525 Washington Street, West, Charleston, WV. There were ten (10) persons at the 2:00 p.m. meeting and seven (7) persons at the 5:00 p.m. meeting (all but one of the attendees were Charleston-Kanawha Housing Authority staff). One resident attended the meetings.

FY 2011 Annual Plan
Resident Meetings

Relative to discussing and soliciting comments from the residents concerning the FY 2011 Annual Plan, Charleston-Kanawha Housing Authority conducted the following Resident Meetings:

1. Lippert Terrace

September 9, 2009 (Thursday) 1:00 p.m.

3 Residents and 4 Staff attended.

General Comments:

The meeting began by revisiting the issues residents brought up in last year's Annual Plan meeting. Among tenant concerns that were addressed: HUD approved CKHA's request to continue Lippert's designation as elderly only housing; parking lot upgrades were completed and the request for tables in the laundry room and new furniture for the community room was fulfilled.

Residents continue to request bathroom upgrades. Tenants like the FOB system for entering the building, but it's not being utilized to limit elevator use during overnight hours. Discussion ensued and it was concluded the Resident Council would have to set the exact hours for usage and work with the manager to implement this change. Residents again indicated problems in cleaning the balconies due to pigeons; while CKHA has purchased a machine to clean balconies, it is only used when a unit becomes vacant and Lippert has very limited turnover. Concerns were expressed again about persons not on the lease having extended stays/visits with lessees and non-residents having FOBs. Residents expressed a desire to have new curtain rods for the community room and for carpets to be cleaned in the common areas (hallways and around elevators). Resident Council is active and has good participation. Overall, tenant satisfaction appears to be very good.

Additional comments were received after the meeting and included the need for cleaning the carpets in common areas, painting the door facings in hallways and re-painting the gazebo in the courtyard.

2. **Carroll Terrace**

September 10, 2010 (Friday)

1:00 p.m.

8 Residents and 5 Staff attended.

General Comments:

Issues from the previous year continue to be of concern to the residents: cleaning the hallway carpets; new windows and blinds for the 1st floor community room, replacing the dumpsters and cleaning of balconies (pigeon problem). Again, tenants expressed concerns about security issues, especially uninvited persons coming into the building over the weekends.

Staff informed residents CKHA is planning for appliance and patio door replacement, as well as unit conversions (efficiency to 1 bedroom) if funds are available. Also, balconies are to be cleaned by maintenance; residents may only use appropriate exterior furniture on balconies, not interior furniture.

Residents commented on the lack of Wi-Fi in the units; only reliable access is in the community room. Comments were received that existing residents should have preference to move into vacant one bedroom units ahead of individuals coming off the waiting list.

Generally, the residents expressed their satisfaction with a decrease crime and the work of the maintenance staff in improving the physical appearance of the property.

3. **Washington Manor**

September 10, 2010 (Friday)

3:00 p.m.

2 Residents and 4 Staff attended.

General Comments:

No discussion of physical improvements as the first phase of revitalization (80 new units of low-income tax credit units) is completed and leasing begins. Relocation of tenants in the 181 remaining units has begun. Phase two will include the construction of 74 new units.

4. Lee Terrace

September 16, 2010 (Thursday) 1:00 p.m.

3 Residents and 5 Staff attended.

General Comments:

Unit conversion is completed as 20 one bedroom units were created from 40 efficiency units. Physical improvements being planned include: elevator upgrades and hallway painting. Residents commented on: the need for improved lighting in the elevators; correcting the cable channel which allows them to view the entry doors; improving the Wi-Fi access in the apartments. One resident commented that management should adjust its policy prohibiting tenant businesses on site to permit paid tutoring.

5. J. Douglas Anderson Apartments

September 16, 2010 (Thursday) 3:00 p.m.

No residents were in attendance and 3 Staff attended.

General Comments:

Physical improvements planned for the site include: continued electrical upgrades; appliance replacement; tub repair/replacement; and additional security lighting. Security issues continue to be a concern as incidents of crime have been on the rise in the greater community around the development. CKHA would still like to see a Resident Council form for the development.

6. Jarrett Terrace

September 17, 2010 (Friday) 1:00 p.m.

2 Residents and 4 Staff attended.

General Comments:

The conversion of efficiency to one-bedroom units is now in the preliminary design phase; this conversion could begin in 2011. There are scheduled elevator repairs and the clean-up of the building exterior is planned. Residents commented they would like an additional washer/dryer in the laundry room and reported the community room HVAC is often sporadic. They would also like to see the laundry and community room accessible after

hours, perhaps through the use of their FOB keys. There were concerns expressed about the positioning of security cameras and the latching of the front doors. Residents would like to see janitorial service in the common areas beyond the routine maintenance.

7. Albert Harris Apartments

September 17, 2010 (Friday) 3:00 p.m.

1 Resident and 3 Staff attended.

General Comments:

Planned physical improvements include continued parking lot upgrades and appliance replacement. A grant is being sought to install security cameras and improve lighting. A resident commented on the increase in the flat rent and the burden it placed on their family. The increase was implemented this past year after a study of comparable rents in the area. This was the first increase in over five years.

8. Orchard Manor

September 20, 2010 (Monday) 1:00 p.m.

4 Residents and 3 Staff attended.

General Comments:

Prior year issues were reviewed and most had been repaired or replaced. Planned physical improvements include: appliance replacements; landscaping, especially at the entrance to the development; exterior door replacement; and front porch upgrades to match the décor of the rehabilitated units. Issues that residents would like to see addressed include: replacing street lighting that is out (playground and streets); replacing faded street signs; repairing/replacing deteriorated sidewalks; trimming trees; painting of parking spaces, curbs and dumpster areas (to prevent people parking in front of the dumpsters); a basketball court ; wheelchair access to the playground; materials for the community garden. Management issues that concern residents include: enforcing littering rules in order to clean up the site; would like for management to consider making furniture and good clothing from abandonments be made available to other residents.

9. South Park Village

September 21, 2010 (Tuesday) 1:00 p.m.

No residents were in attendance and 3 Staff attended.

Siding replacement/repair has been completed and the cleaning of buildings will begin. Planned physical upgrades include: appliance replacement; kitchen and bath upgrades; landscaping; HVAC upgrades. The manager expressed a need for additional security cameras and improved lighting at the site. There is need for playground repair and concrete repair/replacement throughout the site. There was also a recommendation to tighten up the visitation policy to limit a guest's stay to a total of two weeks for an entire year.

10. Littlepage Terrace

September 22, 2010 (Wednesday) 1:00 p.m.

No residents were in attendance and 3 Staff attended.

No discussion of physical improvements as demolition and revitalization is underway. 46 units have been removed and the construction of 16 townhomes nears completion. An additional 16 units are scheduled for demolition in the next year with the construction of 23 additional units. 108 existing units remain and will be part of future redevelopment.

11. Hillcrest Village

September 22, 2010 (Wednesday) 3:00 p.m.

No residents were in attendance and 2 Staff attended.

Kitchen and bath upgrades have been completed; parking areas have been re-paved. Planned improvements include appliance replacement and sidewalk repair. Need for security cameras and lighting.

12. Oakhurst Village

September 23, 2010 (Thursday) 3:00 p.m.

RE: FY 2011 PHA ANNUAL PLAN

Dear Ms. Russell:

Charleston-Kanawha Housing Authority is in the process of preparing our PHA Annual Plan for Fiscal Year 2011. A very important and major component in the preparation of the Annual Plan is to get input, feedback, and comments.

RE: FY 2011 PHA ANNUAL PLAN

It is time for Charleston-Kanawha Housing Authority to get started on preparing our PHA Annual Plan for Fiscal Year 2011 (and update the Five Year Plan for fiscal years 2010 thru 2014). A very important and major component in the preparation of the Annual Plan is to get resident input, feedback, and comments. Because of your present and/or past involvement with Resident Councils at the various developments, you are requested to serve as a member of the Resident Advisory Board (RAB) relative to soliciting and submitting comments from other residents in this regard. We hope that you will work with us in trying to make the Annual Plan process a success. Please be advised that the RAB may be expanded to reflect additional members as Resident Councils for individual developments and/or area-wide jurisdictions are formed or otherwise legitimized.

The Annual Plan for Fiscal Year 2010 (with all attachments) was widely distributed last year to most if not all of the addressees listed. If for some reason you did not get or have access to last year's plan, please advise and we will provide a copy. The general intent is to utilize the FY 2010 Annual Plan as a discussion piece for preparing and improving the FY 2011 Annual Plan.

It is requested that you share and discuss the FY 2010 Annual Plan with other residents. A copy of this letter will be posted at each development to help get the word out that the Annual Plan process has begun. Also, additional copies of the FY 2010 Annual Plan are available at each development for review by the residents.

Written comments relative to the proposed FY 2011 Annual Plan should be addressed to Charleston-Kanawha Housing Authority at 1525 Washington Street, West, Charleston, WV 25312. We plan to conduct public meetings for the residents in the very near future just to focus and solicit comments on the Annual Plan. We would appreciate your attendance and participation in these meetings; meeting times will be announced and publicized by a special "Notice to Residents".

A general outline of the timeframe involved is as follows:

- Initiate the Annual Plan process by September 1, 2010.
- Have RAB and Resident meetings/participation to obtain initial resident comments between September 9, 2010 and September 23, 2010.
- Prepare draft of FY 2011 Annual Plan by October 1, 2010.
- Make draft of FY 2011 Annual Plan available for 45-day public comment period from October 2, 2010 to November 16, 2010.
- Have Public Meeting on November 19, 2010.
- Based upon public and resident comments, make final revisions to FY 2011 Annual Plan and submit to the Charleston-Kanawha Housing Authority Board of Commissioners by December 1, 2010.
- Have FY 2011 Annual Plan ready for approval at Board of Commissioner's meeting to be held on December 6, 2010.
- Submit Board-approved Annual Plan to Mayor's Office for review and sign off from City for consistency with their Consolidated Plan by December 18, 2010.
- Submit final approved FY 2011 Annual Plan to HUD by January 7, 2011.

I want to take this opportunity to thank you ahead of time for your interest and time in working with us on this project. If you have any questions, please feel free to call me or Jeff Knight of my staff at 348-6451, ext. 322 or ext. 260 respectively.

We look forward to working with you and others in this endeavor.

Sincerely,

PHA Certifications of Compliance with PHA Plans and Related Regulations	U.S. Department of Housing and Urban Development Office of Public and Indian Housing Expires 4/30/2011
--	---

**PHA Certifications of Compliance with the PHA Plans and Related Regulations:
Board Resolution to Accompany the PHA 5-Year and Annual PHA Plan**

Acting on behalf of the Board of Commissioners of the Public Housing Agency (PHA) listed below, as its Chairman or other authorized PHA official if there is no Board of Commissioners, I approve the submission of the 5-Year and/or X Annual PHA Plan for the PHA fiscal year beginning April 1, 2011, hereinafter referred to as "the Plan", of which this document is a part and make the following certifications and agreements with the Department of Housing and Urban Development (HUD) in connection with the submission of the Plan and implementation thereof:

1. The Plan is consistent with the applicable comprehensive housing affordability strategy (or any plan incorporating such strategy) for the jurisdiction in which the PHA is located.
2. The Plan contains a certification by the appropriate State or local officials that the Plan is consistent with the applicable Consolidated Plan, which includes a certification that requires the preparation of an Analysis of Impediments to Fair Housing Choice, for the PHA's jurisdiction and a description of the manner in which the PHA Plan is consistent with the applicable Consolidated Plan.
3. The PHA certifies that there has been no change, significant or otherwise, to the Capital Fund Program (and Capital Fund Program/Replacement Housing Factor) Annual Statement(s), since submission of its last approved Annual Plan. The Capital Fund Program Annual Statement/Annual Statement/Performance and Evaluation Report must be submitted annually even if there is no change.
4. The PHA has established a Resident Advisory Board or Boards, the membership of which represents the residents assisted by the PHA, consulted with this Board or Boards in developing the Plan, and considered the recommendations of the Board or Boards (24 CFR 903.13). The PHA has included in the Plan submission a copy of the recommendations made by the Resident Advisory Board or Boards and a description of the manner in which the Plan addresses these recommendations.
5. The PHA made the proposed Plan and all information relevant to the public hearing available for public inspection at least 45 days before the hearing, published a notice that a hearing would be held and conducted a hearing to discuss the Plan and invited public comment.
6. The PHA certifies that it will carry out the Plan in conformity with Title VI of the Civil Rights Act of 1964, the Fair Housing Act, section 504 of the Rehabilitation Act of 1973, and title II of the Americans with Disabilities Act of 1990.
7. The PHA will affirmatively further fair housing by examining their programs or proposed programs, identify any impediments to fair housing choice within those programs, address those impediments in a reasonable fashion in view of the resources available and work with local jurisdictions to implement any of the jurisdiction's initiatives to affirmatively further fair housing that require the PHA's involvement and maintain records reflecting these analyses and actions.
8. For PHA Plan that includes a policy for site based waiting lists:
 - The PHA regularly submits required data to HUD's 50058 PIC/IMS Module in an accurate, complete and timely manner (as specified in PIH Notice 2006-24);
 - The system of site-based waiting lists provides for full disclosure to each applicant in the selection of the development in which to reside, including basic information about available sites; and an estimate of the period of time the applicant would likely have to wait to be admitted to units of different sizes and types at each site;
 - Adoption of site-based waiting list would not violate any court order or settlement agreement or be inconsistent with a pending complaint brought by HUD;
 - The PHA shall take reasonable measures to assure that such waiting list is consistent with affirmatively furthering fair housing;
 - The PHA provides for review of its site-based waiting list policy to determine if it is consistent with civil rights laws and certifications, as specified in 24 CFR part 903.7(c)(1).
9. The PHA will comply with the prohibitions against discrimination on the basis of age pursuant to the Age Discrimination Act of 1975.
10. The PHA will comply with the Architectural Barriers Act of 1968 and 24 CFR Part 41, Policies and Procedures for the Enforcement of Standards and Requirements for Accessibility by the Physically Handicapped.

11. The PHA will comply with the requirements of section 3 of the Housing and Urban Development Act of 1968, Employment Opportunities for Low-or Very-Low Income Persons, and with its implementing regulation at 24 CFR Part 135.
12. The PHA will comply with acquisition and relocation requirements of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 and implementing regulations at 49 CFR Part 24 as applicable.
13. The PHA will take appropriate affirmative action to award contracts to minority and women's business enterprises under 24 CFR 5.105(a).
14. The PHA will provide the responsible entity or HUD any documentation that the responsible entity or HUD needs to carry out its review under the National Environmental Policy Act and other related authorities in accordance with 24 CFR Part 58 or Part 50, respectively.
15. With respect to public housing the PHA will comply with Davis-Bacon or HUD determined wage rate requirements under Section 12 of the United States Housing Act of 1937 and the Contract Work Hours and Safety Standards Act.
16. The PHA will keep records in accordance with 24 CFR 85.20 and facilitate an effective audit to determine compliance with program requirements.
17. The PHA will comply with the Lead-Based Paint Poisoning Prevention Act, the Residential Lead-Based Paint Hazard Reduction Act of 1992, and 24 CFR Part 35.
18. The PHA will comply with the policies, guidelines, and requirements of OMB Circular No. A-87 (Cost Principles for State, Local and Indian Tribal Governments), 2 CFR Part 225, and 24 CFR Part 85 (Administrative Requirements for Grants and Cooperative Agreements to State, Local and Federally Recognized Indian Tribal Governments).
19. The PHA will undertake only activities and programs covered by the Plan in a manner consistent with its Plan and will utilize covered grant funds only for activities that are approvable under the regulations and included in its Plan.
20. All attachments to the Plan have been and will continue to be available at all times and all locations that the PHA Plan is available for public inspection. All required supporting documents have been made available for public inspection along with the Plan and additional requirements at the primary business office of the PHA and at all other times and locations identified by the PHA in its PHA Plan and will continue to be made available at least at the primary business office of the PHA.
21. The PHA provides assurance as part of this certification that:
 - (i) The Resident Advisory Board had an opportunity to review and comment on the changes to the policies and programs before implementation by the PHA;
 - (ii) The changes were duly approved by the PHA Board of Directors (or similar governing body); and
 - (iii) The revised policies and programs are available for review and inspection, at the principal office of the PHA during normal business hours.
22. The PHA certifies that it is in compliance with all applicable Federal statutory and regulatory requirements.
