**Item 5.2.
Progress in Meeting Goals and Objectives**

1. Section 8 Tenant Based Assistance—Section 8(y) Homeownership Program

This program has been in operation since 2005. Since the program started, through June 30, 2010, ten (10) HCV tenants have become homeowners using their vouchers.

2. Use of the Project-Based Voucher Program

This program has not yet been utilized, however, the same circumstances exist that prompted RCHA to plan for project-basing, namely lack of subsidized units in Elkins, the Randolph County county seat, lack of accessible units and lack of units in the more rural counties, such as Tucker.

**Annual Plan Update
August 2010**

Item 7.

HomeOwnership Program and Project-Based Vouchers

HomeOwnership Program

The PHA will administer a Section 8 Homeownership Program in 2010 and for the next five years. The goal is to assist two tenants each year; the maximum number of participants will be ten.

The eligibility criteria for this program include the following:

- The family must not owe money to the PHA;
- No family member has been responsible for serious or repeated violations of the lease, including a HQS violation, in the past year; and
- Must be on the voucher program for one year.

Actions being planned for 2010 to implement the program include the following:

- Regular meetings with the HomeOwnership Center and Woodlands Development Group (local CHDO) staff to coordinate outreach and participation;
- Presentations about the program at briefings;
- Explaining the program to families that may qualify at re-certification;
- Tracking families that are interested as they prepare to apply for a mortgage and making sure they receive credit counseling and home buyer education; and
- Applying for FSS grant funds to expand the program.

Project-Based Vouchers

The PHA plans to “project-based” up to five (5) Section 8 vouchers in the coming year, due to the loss of subsidized units in the county seat of Elkins, the lack of accessible units and the lack of units in general, as evidenced by the long lease-up periods (more than 60 days) experienced by most voucher holders, particularly in the more rural counties served by RCHA.

The general locations of these vouchers would be in Elkins (up to three units) and in Davis—Tucker County (up to two units).
