Housing Needs. Based on information provided by the applicable Consolidated Plan, information provided by HUD, and other generally available data, make a reasonable effort to identify the housing needs of the low-income, very low-income, and extremely low-income families who reside in the jurisdiction served by the PHA, including elderly families, families with disabilities, and households of various races and ethnic groups, and other families who are on the public housing and Section 8 tenant-based assistance waiting lists. The identification of housing needs must address issues of affordability, supply, quality, accessibility, size of units, and location.

Based upon the information contained in the Consolidated Plans applicable to the jurisdiction, and/or other data available to the PHA, provide a statement of the housing needs in the jurisdiction by completing the following table. In the "Overall" Needs column, provide the estimated number of renter families that have housing needs. For the remaining characteristics, rate the impact of that factor on the housing needs for each family type, from 1 to 5, with 1 being "no impact" and 5 being "severe impact." Use N/A to indicate that no information is available upon which the PHA can make this assessment.

Additional Information. Describe the following, as well as any additional information HUD has requested.

(a) Progress in Meeting Mission and Goals. Provide a brief statement of the PHA's progress in meeting the mission and goals described in the 5-Year Plan.

We have been and will continue to support our mission statement listed in Section 5.1 of this template.

Our progress in meeting our established goals is as follows:

1. We continue to work on our goal of expanding the supply of assisted housing by applying for additional vouchers as they become available. In addition, we used the proceeds of the sale of some of our scattered sites to build new duplexes on vacant lots purchased by the Authority. This involves leveraging and using other funds available through the Arkansas Development and Finance Authority.
2. We are always striving to improve the quality of assisted housing by improving our PHAS score and using Capital and ARRA funds to renovate our units.
3. The Authority conducts outreach efforts to attract new voucher landlords and offers a homeownership program for both Section 8 and Public Housing tenants in an attempt to increase the housing choices available.
4. We promote self-sufficiency for our tenants by trying to attract employed persons to our units and supportive services to improve the employability of the residents and to increase the independence for the elderly or families with disabilities.
5. The Benton Housing Authority undertakes all measures to ensure equal opportunity and fair housing for everybody.

10.0 (b) Significant Amendment and Substantial Deviation/Modification. Provide the PHA's definition of "significant amendment" and "substantial deviation/modification"

The Benton Housing Authority will consider the following to be changes in the agency plan necessary and sufficient to require a full review by the resident advisory board before corresponding changes in the agency plan can be adopted.

1. Any alteration to the PHA'S Mission Statement
2. Any change or amendment to stated Strategic Goal
3. Any change or amendment to stated Strategic Objective except in the case where the changes result from objective being met.
4. Any introduction of Strategic Goal or new Strategic Objective.
5. Any alteration of the Capitol Fund Program (CFP) that affects expenditure greater than twenty percent (20%) of CFP Annual Budget for that year.

In defining the above, the Housing Authority intends by "Strategic Goal" and Strategic Objective" specifically those items in its Five Year Plan and any change in the above items will be considered a "substantial deviation" from the plan.

Furthermore, the PHA considers the following changes to require a public process before amending said changes and that these items are a "significant amendments or modification" to the Agency Plan:

1. Changes to rent or admissions policies or organization of the waiting list.
2. Additions of non-emergency work-items (items not included in the current Annual Statement or 5-Year Action Plan) or change in use of replacement reserve funds under the Capital Fund.
3. Additions of new activities not included in any PHDEP Plan.
4. Any change with regard to demolition or disposition, designation, homeownership programs or conversion activities.

An exception to this definition will be made for any of the above that are adopted to reflect changes in HUD regulatory requirements, such changes will not be considered significant amendments by HUD

11.0

VIOLENCE AGAINST WOMEN ACT PHA STATEMENT

The Benton Housing Authority (BHA) provides or plans to offer referrals, training and information to anyone being abused. This includes child or adult victims of domestic violence, dating violence, sexual assault or stalking.

Benton Housing Authority conducts criminal background checks on all new adult residents prior to moving in. BHA has a close working relationship with law enforcement agencies to promote safety within and around its properties. Additionally, BHA maintains an updated criminal trespass list to prevent violent and criminal behavior within and around its properties.

BHA has a positive working relationship with various social service agencies. We plan to partner with local social service agencies and have referral information available to our residents.

We intend to provide housing to victims directly from the domestic violence shelters that are fleeing domestic violence and need a safe place to reside. We refer our residents to local social service agencies when they need enhanced safety due to domestic violence.

We provide the VAWA Notice and Reauthorization to all applicants and tenants of their rights under VAWA together with the HUD 50066 form.

We are in the process of amending our lease and Admissions and Continued Occupancy Policy to include additional language that clearly specifies our right to bifurcate the lease to evict the perpetrator while protecting the victims from domestic violence. It clearly specifies our right to bifurcate the lease to evict the perpetrator while protecting the victim.
