## 9.1 Strategy for Addressing Needs

### Strategies

**Need: Shortage of affordable housing for all eligible populations**

**Strategy. Maximize the number of affordable units available to the HACDB within its current resources by:**

- Employ effective maintenance and management policies to minimize the number of public housing units off-line
- Reduce turnover time for vacated public housing units
- Reduce time to renovate public housing units
- Seek replacement of public housing units lost to the inventory through mixed finance development
- Seek replacement of public housing units lost to the inventory through section 8 replacement housing resources
- Maintain or increase section 8 lease-up rates by establishing payment standards that will enable families to rent throughout the jurisdiction
- Undertake measures to ensure access to affordable housing among families assisted by the HACDB, regardless of unit size required
- Maintain or increase section 8 lease-up rates by marketing the program to owners, particularly those outside of areas of minority and poverty concentration
- Maintain or increase section 8 lease-up rates by effectively screening Section 8 applicants to increase owner acceptance of program
- Participate in the Consolidated Plan development process to ensure coordination with broader community strategies

**Strategy: Increase the number of affordable housing units by:**

- Apply for additional section 8 units should they become available
- Leverage affordable housing resources in the community through the creation of mixed - finance housing
- Pursue housing resources other than public housing or Section 8 tenant-based assistance.

**Need: Specific Family Types: Families at or below 30% of median**

**Strategy: Target available assistance to families at or below 30 % of AMI**

- Exceed HUD federal targeting requirements for families at or below 30% of AMI in public housing
- Exceed HUD federal targeting requirements for families at or below 30% of AMI in tenant-based section 8 assistance

**Need: Specific Family Types: The Elderly**

**Strategy: Target available assistance to the elderly:**

- Seek designation of public housing for the elderly
- Apply for special-purpose vouchers targeted to the elderly, should they become available

**Need: Specific Family Types: Families with Disabilities**

**Strategy: Target available assistance to Families with Disabilities:**

- Apply for special-purpose vouchers targeted to families with disabilities, should they become available

**Strategy: Conduct activities to affirmatively further fair housing**

- Counsel section 8 tenants as to location of units outside of areas of poverty or minority concentration and assist them to locate those units
- Market the section 8 program to owners outside of areas of poverty /minority concentrations

**Reasons for Selecting Strategies**

The factors listed below, influenced the HACDB's selection of the strategies it will pursue:

- Funding and Staffing constraints
- Limited availability of sites for assisted housing
- Extent to which particular housing needs are met by other organizations in the community
- Evidence of housing needs as demonstrated in the Consolidated Plan and other information available to the HACDB
- Influence of the housing market on HACDB programs
- Results of consultation with local or state government
- Results of consultation with residents and the Resident Advisory Board
- Results of consultation with advocacy groups

**Housing Needs of Families on the Public Housing Waiting List**

The waiting list has been only closed to 1 BR family units since 8/11/2011. The HACDB does not expect to reopen the list in the HACDB Plan year.

The HACDB does not permit specific category of families onto the waiting list, even if generally closed.

## **10.0 Additional Information.**

### **(a) Progress in Meeting Mission and Goals**

#### **Brief Statement of Progress in Meeting 5-Year Plan Mission and Goals**

The HACDB has been able to maintain its mission to promote adequate and affordable housing, economic opportunity and a suitable living environment free from discrimination through the utilization of previous Capital funds and the proper application of our public housing policies. We are continuing to address public housing vacancies very aggressively and our PHAS/SEMAP scores indicate that other operational issues are being positively addressed. Capital funds have been utilized to provide modernization of our properties and our FY 2012 application will continue that effort. HACDB continues to improve the living environment by addressing deconcentration, promoting income mixing, and improving security throughout our developments

The HACDB created and continues to facilitate self-sufficiency programs to improve resident employability as well as solicit support services for the elderly and families with disabilities. The implementation of a family pet policy has provided the opportunity for residents to enjoy pets within a regulated environment. In addition, HACDB reinstated its Community Service program per HUD notification and each adult member of every household has been notified as to their status. We are confident that the HACDB will be able to continue to meet and accommodate all our goals and objectives for FY 2012.

#### **Goal #1**

**Improve customer service delivery by enhancing operational efficiency; coordinating with community providers; and improving facilities.**

The Housing Authority of the City of Daytona Beach (HACDB) continues to meet its objective under this goal and the pursuit is an ongoing process. The Board of Commissioners and Executive Director continually implement improvements to the organization and update the preventative maintenance program for curb appeal. Over the last two years we have updated the plan and improved our services. During the next year we will strive to continue to increase efficiency.

#### **Goal #2**

**Investigate redevelopment alternatives, identify professional support, and quantify sources of funding.**

During the past several years this agency has been successful in completing two Hope VI Grants for three of our oldest developments. We will continually pursue redevelopment opportunities. We have recently gone through the RFQ process, identified a developer and our legal teams that will assist us with these future development opportunities. Additionally, we shall continue meeting regularly with city, county and state organizations to continue partnerships toward our goals. We are currently working with the City of Daytona Beach (NSP funding) and have acquired and plan to rehabilitate a 76 unit family site that was under foreclosure. Curb appeal shall continue to be an ongoing process.

#### **Goal #3**

**The Housing Authority of the City of Daytona Beach has developed 5 scattered site housing units with the preference for homeownership.**

These five (5) homes have been built, three (3) have been sold and the remaining two (2) are currently for sale with a preference for home ownership.

#### **Goal #4**

**The Housing Authority of the City of Daytona Beach will strive to provide its staff with initiative and customer driven attitudes by team spirit, flexibility in meeting job responsibilities, and personal career goals.**

As a continuing process, HACDB reviews customer satisfaction through monitoring of complaints from residents and vendors. We continually train staff on ethics and customers relations. Each staff person is put through a yearly training on sexual harassment and ethics. All of this continuous training is completed with an improvement in our customer services as well as HUD evaluation system.

#### **Goal #5**

**The Housing Authority of the City of Daytona Beach will increase opportunities for the residents to become self-sufficient.**

The old computer learning center has become an operational Neighborhood Network Center. We have also developed NNC's for two of our other sites. The funding for this program will enable the agency to expand these centers for training. Included in this center shall be skill training as well as educational and recreational uses upon becoming operational.

#### **(b) Significant Amendment and Substantial Deviation/Modification**

a. Substantial Deviation from the 5-Year Plan

The HACDB's Definition of Substantial Deviation and Significant Amendment or Modification is as follows:

- changes to rent or admissions policies or organization of the waiting list;
- additions of non-emergency work items (items not intended in the current 5-Year Action Plan); and

## **VIOLENCE AGAINST WOMEN ACT (VAWA) LEASE ADDENDUM**

1. This is an addendum to the Dwelling Lease between the parties as to the premises located at \_\_\_\_\_, \_\_\_\_\_ Florida.
2. Being a victim of domestic violence, dating violence, or stalking, as these terms are defined in the law (hereafter collectively referred to as "abuse"), is not a basis for denial of admission to public housing if the applicant otherwise qualifies for assistance.
3. Incidents or threats of abuse will not be construed as serious or repeated violations of the lease or other "good cause" for termination of tenancy or occupancy rights of a victim of abuse.
4. Criminal activity directly relating to abuse, engaged in by a member of a tenant's household or any guest or other person under the tenant's control shall not be cause for termination of tenancy or occupancy rights if the tenant or an immediate member of the tenant's family is the victim or threatened victim of that abuse.
5. The landlord may "bifurcate" the tenant's lease or remove a household member from the lease without regard to whether a household member is a signatory to the lease, in order to evict, remove, or terminate occupancy rights to any individual who is a tenant or lawful occupant and who engages in criminal acts of physical violence against family members or others, without evicting, removing or otherwise penalizing the victim of such violence who is also a tenant or lawful occupant. Such eviction, removal or termination of occupancy rights shall be effected in accordance with the procedures prescribed by federal and state law for the termination of leases of public housing tenants.
6. The federal statutory authority provided to the Housing Authority as landlord to bifurcate a lease or otherwise remove an individual is applicable to all existing leases and takes precedence over any federal or state law to the contrary.
7. The landlord may request an individual to certify that he or she is a victim of abuse and that the incidences of abuse are bona fide. The certification must include the name of the perpetrator and any other statutorily required information, and the victim must provide the certification within 14 business days after receipt of a request from the landlord. All information provided to the landlord is confidential.
8. Certification may also be satisfied with documentation signed by an employee, agent, or volunteer of a victim service provider, an attorney, or a medical professional from whom the victim has sought assistance in addressing the effects of the abuse, in which the professional attests under penalty of perjury to the professional's belief that the incident or incidents in question are bona fide incidents of abuse and the victim has signed or attested to the documentation. Certification may also be provided by producing a federal, state or local police or court record.

9. "Domestic Violence" includes felony or misdemeanor crimes of violence committed by:
- a) A current or former spouse of the victim;
  - b) A person with whom the victim shares a child in common;
  - c) A person who is cohabitating with or has cohabitated with the victim as a spouse;
  - d) A person similarly situated to a spouse of the victim under the domestic or family violence laws of the State of Florida; or
  - e) Any other person against an adult or youth victim who is protected from such acts under the domestic or family violence laws of the State of Florida.
10. "Dating Violence" means violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the victim and where the existence of such relationship shall be determined based on consideration of (a) the length of the relationship, (b) the type of relationship, and (c) the frequency of interaction between the persons involved in the relationship.
11. "Stalking" means (a) to follow, pursue, or repeatedly commit acts with intent to kill, injure, harass, or intimidate another person; or to place under surveillance with the intent to kill, injure, harass, or intimidate another person; and (b) in the course of such acts, to place a person in reasonable fear of death, serious bodily injury, or to cause substantial emotional harm to that person, a member of the immediate family of such person, or the spouse or intimate partner of such person.
12. "Immediate Family Member" is defined to mean with respect to a person (a) a spouse, parent, brother or sister, or child of that person or an individual to whom that person stands in loco parentis for that person or (b) any other person living in the household and related by blood or marriage to such person.

Mr. Richard Turner, Acting Executive Director  
The Housing Authority of the City of Daytona Beach  
211 N. Ridgewood Ave  
Daytona Beach, FL 32114

**SUBJECT:** Conduct of Housing Authority Environmental Reviews

Dear Mr. Turner,

The City of Daytona Beach must respectfully decline to complete ongoing environmental reviews for the Housing Authority to meet the requirements of 24 CFR Part 50; and Part 58. The City regularly contracts out its environmental review work. Indeed, the responsibility to conduct any required environmental review is normally included in the responsibilities of the respective job construction contractor since it does not have these resources internally.

Additionally, per Mr. Robert Caravello at the U.S. Department of Housing and Urban Development (HUD), the environmental reviews would need to cover all applicable activities including Housing Authority funds appropriated to the Capital Fund Program (CFP), Operations, Annual Statement/Budget, as well as, the Five Year Action Plan. The City does not have a listing of proposed projects and does not fund nor approve the Authority's budget, expenditures, or selection of capital projects.

Sincerely,

Emory M. Counts  
Economic and Community Development Director

RE: 2012 CFP Environmental Review

Ms. Main,

Attached please find a letter from the City of Daytona Beach, FL. pertaining to the Environmental Review of the 2011 Capital Fund Grants.

Per the letter, the City of Daytona Beach, FL. respectfully declines this responsibility, stating that they have no authority over our programs, and they have not included this activity in their annual or 5-year plans.

The City also states that they do not do this type of activity "in-house" and routinely contracts out this service for any projects it undertakes that require this type of review.

At this time we will await further direction from the HUD-Jacksonville field office regarding the completion of this matter.

Please contact Doug Zimmer, Director Modernization/Maintenance at (386) 253-5653 x314 with any additional questions pertaining to this matter.

Sincerely,

Richard Turner  
Executive Director Interim
