MONROE HOUSING AUTHORITY
STATEMENT OF HOUSING NEEDS

The Monroe Housing Authority (MHA) continuously analyzes the needs of low-income and very low-income families who reside in the MHA jurisdiction. Included in the analysis are housing needs of extremely low-income families, elderly families and families with disabilities, and households of various races and ethnic groups residing in the jurisdiction.

The housing needs of each of these groups have been identified separately. The identification of housing needs took into account issues of affordability, supply, quality, accessibility, size of units and location. Presently, there is no information available on accessibility, size of units and location from the 2005 Consolidated Plan.

Through analysis of the MHA's jurisdiction and waiting lists, the MHA believes that very low-income families' and elderly persons are least well-served in the MHA's jurisdiction. As required, the information provided includes:

- Households with incomes below 30% of area median (extremely low-income)
- Elderly household and households with disabilities
- Identification of household race and ethnicity

There are barriers in the MHA's jurisdiction which impact the MHA's ability to provide affordable housing to these needy populations. The population group(s) identified very low-income families and elderly persons face the following barriers to obtaining affordable housing:

- Affordability
- Supply of housing resources
- Quality of available housing
- Lack of MHA resources

MONROE HOUSING AUTHORITY STRATEGIES FOR ADDRESSING HOUSING NEEDS

The Monroe Housing Authority (MHA) intends, to the maximum extent practicable, to address the community housing needs described in the Statement of Housing Needs. The MHA efforts over the next year will center on addressing affordability and supply of housing resources. Other strategies to be considered include:

- Respond to HUD Notices of Funding Availability for additional funds.
- Apply for additional Section 8 Vouchers.
- Continue to develop partnerships with public and/or private partnerships, such as real estate developers and capital housing markets.
- Continue to develop additional mixed finance, tax credit and other type financing (including the possibility of HOPE VI public housing units).
- Continue to provide homeownership opportunities.
- Continue to develop partnerships with nonprofit homeless shelters, transitional housing providers, and affordability housing providers.

10.0 Additional Information

A. PHA Progress in Meeting the Mission and Goals Described in the 5-Year Plan

(Provide a statement of the PHA's progress against the goals and objectives established in the previous 5-Year Plan for the period FY 2005 - 2009). The PHA achieved the goals and objectives established in the previous 5-Year Plan. Improving the quality of life for the people we serve is our highest priority. We have and will continue to develop partnerships among public and private entities to increase the availability of decent, safe and affordable housing in our community.

B. Criteria for Substantial Deviations and Significant Amendments

(1) Amendment and Deviation Definitions

a. Substantial Deviation from the 5-Year Plan

“Substantial deviation” from the Agency’s Five-Year Plan will include:

- Any change to, or development of, the Agency’s Mission Statement.
- Any change to or deletion of a goal or objective that is included in the PHA Five-Year Plan.
- Any change to a goal or objective that is included in the PHA Five Year Plan that would have an effect on the public housing residents or Section 8 participants. An example would be a decision by the jurisdiction to NOT apply for additional Section 8 vouchers even though the Five Year Plan includes an objective calling for such application to expand the supply of affordable housing.
- Any additional goals or objectives that have been identified to meet the stated Mission of the PHA.

b. Significant Amendment or Modification to the Annual Plan
“Significant Amendment or Modification” to the Agency’s
Five-Year or Annual Plan is defined as follows:

- Changes to rent or admissions policies.
- Changes to the organization of the waiting list.
- Changes to tenant selection criteria.
- Additions (or deletions) of non-emergency work items not included in the current Annual Statement of the Five Year Action Plan.
- Change in the use of replacement reserve funds under the Capital Fund.
- Additions of new activities under a component (e.g., plan to dispose of public housing units not previously included in the Annual Plan; any change in homeownership programs or conversion activities).
- New activities not included in the current PHDEP Plan.
- Changes to the current Grievance or Informal Hearing Procedures.
- Changes to the current community service program.

**Resident Council Meeting
November 15, 2011**

See attached list of attendees

Mr. Frank L. Wilcox welcomed everyone and thanked them for coming. He introduced each staff member and Sergeant Gayton, Officer Cherry and Officer Fried with the Monroe Police Department.

Ms. TJ Thompson informed everyone on the status of the 2009 & 2010 Capital Fund Grants. She also reviewed the proposed 2012 Capital Fund Grant. She stated that Going Green is the new incentive for MHA. Green work items include water saving toilets and faucets, new water heaters, energy light bulbs, and weather stripping.

Ms. Naomi Grayson gave an update on the Section 8, Housing Choice Voucher program, which currently manages a total of 1,545 vouchers. In addition, there are 21-Shelter + slots, and 10-DEHAP Ike vouchers. The Family Self-Sufficiency Program continues to be an outstanding asset for the community. There are currently 107 participants. 68 participants have successfully completed the program. Many are meeting their goal of attaining GED's and employment. This program has paid out \$328,000 to date. A total of 38 participants have successfully completed the program and given up their Section 8 vouchers. Also, Monroe Housing Authority received a 99 on their SEMAC score.

Ms. Cloteel Edwards gave an update on the different programs offered to Public Housing Residents. The newest program available to residents, the GED/Child Care center at Lock/Breece Development, is full and has a waiting list for participants. She stated that Johnson-Carver, Burg Jones Land and Foster Heights have GED centers but do not have the child care available at this time. MHA has accepted bids on the new center at Burg Jones Lane and is awaiting Board approve to sign a contract and begin construction. The goals MHA, other teachers, volunteers, and mentors are trying to achieve is to get as many people out of governmentally funded programs and on their own, to better themselves and the ones closest to them. She also stated that MHA will furnish bus tickets for any residents who are enrolled in an approved GED program.

Mr. Bobby Simmons informed the council that budgets were due for the Resident Participation Fund. Each development receives \$15 per unit. Resident Council Members were asked to get with their neighbors for suggestions on how to best utilize these funds to enhance and increase resident involvement at the sites.

Mr. Tom Janway, City of Monroe Public Works stated that the 165 Drainage Project is complete and that has solved some of the drainage problems for the area. His department is also looking at the Lock Place development and they consider that area an emergency situation and have it on the next City Council Agenda. He is very proud of all that the Housing Authority has accomplished and will continue to help in any way he can.

Sgt. Gayton stated that crime is down from last year. The Community Police officers continue to meet with MHA staff on a weekly basis to review problems. Officer Cherry stated that he is

very pleased that the problems at Lock Place have been solved. Officer Fried stated that each development now has an officer with an office.
