Additional subsidized or below market rate affordable rental opportunities for household sizes with emphasis upon the elderly and small families.

**Additional Information.** Describe the following, as well as any additional information HUD has requested.

(a) Progress in Meeting Mission and Goals. Provide a brief statement of the PHA's progress in meeting the mission and goals described in the 5-

Year Plan. The Clarksdale Housing authority has increased security at the PHA with the help of on site security. We continue to seek qualified applicants by advertising our housing authority as a clean safe environment. We continue to be a High Performer for financial management. We have adopted a deconcentration policy at the PHA to insure equality for all tenants. We will continue to strive to be a Model Housing Authority.

(b) Significant Amendment and Substantial Deviation/Modification. Provide the PHA's definition of "significant amendment" and "substantial deviation/modification"

Substantial Deviation Policy

Policy defining a substantial deviation and change in the agency plan

The Housing Quality and Work Responsibility Act of 1998 requires the Housing Authority to notify the Resident Advisory Board, Board of Commissioners and the U S Department of Housing and Urban Development of any "substantial deviation" or "significant amendment" in the Agency's Annual Plan and in the 5-Year Plan proposed modernization and capital improvement activities that have been previously approved and reported to HUD.

The Housing Authority recognizes that it has a duty and responsibility to the residents, to the Resident Advisory Board, to the Commissioners and to the public to advise them of any substantial deviation or substantial change in the overall Plan and any preplanned modernization work items.

10.  
0

Therefore, the Housing Authority hereby defines a "substantial deviation" as any deletion or addition of any modernization work item that is greater than \$ 25,000.00; the addition or deletion of any new or old program or activity; any changes with regard to demolition, disposition, or designation of housing units; any homeownership programs or conversion activities; and any changes to rent or admission policies (except changes made to reflect changes in HUD regulatory requirements). A "significant amendment" would be changes in the use of replacement reserves under the Capital Funds program or the addition of non-emergency work items not included in the current Annual Plan that is greater than \$ 25,000.00.

The Executive Director is assigned the responsibility of making the required notifications to all interested parties as described above of any "substantial deviation" or "significant amendment" to the Annual and Five - Year Plans as well as notification to the public of any material change, that is not defined above, that, in his or her opinion, should be made known to the public as good business practice.

Policy Changes:

The Clarksdale Housing Authority is suspending its enforcement of the 8-hour community service requirement after a 30 day notice on 8-1-02. The CHA will not enforce this provision of our Admissions and Continued Occupancy Policy as long as Congress provides the option to not enforce it.

We did not receive any comments from our Resident Board. Clarksdale Authority has adopted changes to its lease. These changes add language for the Violence Against Women's Act of 2005. All incidences of domestic violence reported to the housing authority are in turn reported to the Clarksdale Police Department and the Department of Human Resources and any other necessary agencies. There are procedures in place that require the housing authority to notify the tenants of their rights under the VAWA Act of 2005. When reported the victim is given by the housing authority staff reports to file with the police and the proper contact information of agencies for assistance
