(b) Significant Amendment and Substantial Deviation/Modification. Provide the PHA's definition of "significant amendment" and "substantial deviation/modification"

Criteria for Substantial Deviations and Significant Amendments

(I) Amendment and Deviation Definitions

24 CFR Part 903.7(r)

PHAs are required to define and adopt their own standards of substantial deviation from the 5-year Plan and Significant Amendment to the Annual Plan. This authority shall make proper for any Substantial Deviations from these plans as required under law. The exception to this definition is if the change has been made to meet compliance with The U.S. Department of Housing and Urban Development requirements. Substantial deviation or Significant amendment or shall mean those of the mission statement, goals and objective, capital fund program or changes in significant expenditures. And changes in requirement for administration of Public Housing requiring public comment and/or public hearing.

B. Significant Amendment or Modification to the Annual Plan

A Significant Amendment or Modification to the Annual Plan shall be construed to mean the following:

- Changes to rent or admissions policies or organization of the waiting list;
- Additions of non-emergency work items not currently included in the Annual Statement or the 5-Year Action Plan or changes in use of replacement reserve funds under the Capitol Fund;
- Any changes with regard to demolition or disposition, designation, homeownership programs or conversion activities.

These issues, if required, shall be raised with proper public notification. The Housing Authority acknowledges that an exception will be made by HUD to comply with the above changes that are adopted to reflect changes in HUD regulatory requirements: such changes will not be considered significant amendments by HUD.
