

5.2	<p>Goals and Objectives. Identify the PHA’s quantifiable goals and objectives that will enable the PHA to serve the needs of low-income and very low-income, and extremely low-income families for the next five years. Include a report on the progress the PHA has made in meeting the goals and objectives described in the previous 5-Year Plan.</p> <p>NDRHA will continue to administer the Housing Choice Voucher program to assist target families with their housing costs. It will pursue opportunities to increase the amount of rental assistance finding available through the voucher program and other programs that might become available to the RHA or to a non-profit subsidiary to be established. Through the voucher program NDRHA has supported development of new affordable rental housing units which has greatly increased the stock of decent, safe and sanitary units in the area.</p> <p>NDRHA will continue to work toward improving its management of the voucher program through the use of computerized information systems that will allow it to serve its clients more effectively and efficiently. This should help NDRHA to increase its yearly SEMAP score to the maximum.</p> <p>10/15/2011 – Due to funding shortages for administrative fees, NDRHA has had to bring the HQS inspections back to the RHA. In doing so it is purchasing an iPad operated system to perform and record inspections. Early results have shown that through this process the RHA will have better control of the inspection process. By being involved in the process from the start, the RHA has found that it can better negotiate lower reasonable rents for various quality units. The goal is to lower the average rental assistance per family and be able to assist more families with limited funding.</p> <p>NDRHA is constantly working with other PHAs to facilitate the transfer of families through portability. This allows families to relocate to other areas where the opportunities for economic advancement are greater. NDRHA will continue to absorb families that relocate to the NDRHA area and will continue to accept billing from other agencies.</p> <p>10/15/2011 – NDRHA is currently assisting 23 families for whom it is being billed. Since 01/01/2011 it has absorbed 6 families who moved into the area under portability.</p> <p>NDRHA has worked with property owners in the area to promote the benefits of the voucher program and will continue to do so. The program now enjoys area-wide acceptance.</p> <p>NDRHA will continue to operate the Family Self-Sufficiency (FSS) program. Since its inception the RHA has assisted 4 families in transitioning to self-Sufficiency. It currently has 17 families that are enrolled in the program, with 14 of these having escrow balances.</p> <p>10/15/2011 – NDRHA was not able to obtain grant funding in 2011 to administer the FSS program. Along with a cut in administrative fee funding for the voucher program, this caused NDRHA to not be able to administer the FSS program in a consistent manner. The number of families participating in the FSS program has fallen below the target level of 25. The receipt of FSS grant funds in 2012 will allow NDRHA to be better able to devote the necessary time to the FSS program and assist the participating families in improving their economic circumstances.</p> <p>NDRHA will continue to work with and counsel clients that have experienced discrimination in looking for housing. All clients will be referred to the proper agencies to help them resolve their problems. NDRHA will also make available resources that can help educate the public about the problem of housing discrimination.</p> <p>NDRHA has assisted 4 voucher families that are now using their voucher assistance to purchase their home. It is working with other agencies and lenders to assist more voucher holders, but the current housing market has made it very difficult for these families to procure financing for the purchase of a property.</p> <p>10/15/2011 – No additional families have been assisted in the purchase of their home. Tight financing markets continue to be a barrier for the low-income families.</p> <p>In addition to administering the voucher rental assistance program, NDRHA has and will continue to work with Tunica County in administering a county-funded homeowner rehabilitation program and a first-time homebuyer program available to the residents of that county.</p> <p>10/15/2011 – Tunica County had to temporarily stop funding the homeowner rehabilitation and first-time homebuyer programs in the Spring of 2011 due to closing of the casino industry because of flooding on the Mississippi River. The program has recently been reactivated. \$400,000 has been budgeted for the next county fiscal year (10/01/2011-09/30/2012). If casino revenues show an increase during the next months, this figure may be supplemented by the Tunica County Board of Supervisors.</p>
6.0	<p>PHA Plan Update</p> <p>(a) Identify all PHA Plan elements that have been revised by the PHA since its last Annual Plan submission: No plan elements have been revised as of the last Annual Plan submission.</p> <p>(b) Identify the specific location(s) where the public may obtain copies of the 5-Year and Annual PHA Plan. For a complete list of PHA Plan elements, see Section 6.0 of the instructions. The North Delta Regional Housing Authority 5-Year and Annual Plans may be viewed at the offices of NDRHA, #4 East Second Street, Clarksdale, MS. Copies may be requested by contacting NDRHA at 662-627-9627 or by correspondence to P. O. Box 1148, Clarksdale, MS 38614.</p>
7.0	<p>Hope VI, Mixed Finance Modernization or Development, Demolition and/or Disposition, Conversion of Public Housing, Homeownership Programs, and Project-based Vouchers. Include statements related to these programs as applicable.</p>

8.0	Capital Improvements. Please complete Parts 8.1 through 8.3, as applicable.
8.1	Capital Fund Program Annual Statement/Performance and Evaluation Report. As part of the PHA 5-Year and Annual Plan, annually complete and submit the <i>Capital Fund Program Annual Statement/Performance and Evaluation Report</i> , form HUD-50075.1, for each current and open CFP grant and CFFP financing.
8.2	Capital Fund Program Five-Year Action Plan. As part of the submission of the Annual Plan, PHAs must complete and submit the <i>Capital Fund Program Five-Year Action Plan</i> , form HUD-50075.2, and subsequent annual updates (on a rolling basis, e.g., drop current year, and add latest year for a five year period). Large capital items must be included in the Five-Year Action Plan.
8.3	Capital Fund Financing Program (CFFP). <input type="checkbox"/> Check if the PHA proposes to use any portion of its Capital Fund Program (CFP)/Replacement Housing Factor (RHF) to repay debt incurred to finance capital improvements.
9.0	<p>Housing Needs. Based on information provided by the applicable Consolidated Plan, information provided by HUD, and other generally available data, make a reasonable effort to identify the housing needs of the low-income, very low-income, and extremely low-income families who reside in the jurisdiction served by the PHA, including elderly families, families with disabilities, and households of various races and ethnic groups, and other families who are on the public housing and Section 8 tenant-based assistance waiting lists. The identification of housing needs must address issues of affordability, supply, quality, accessibility, size of units, and location.</p> <p>Economics remains the main problem confronting families trying to find rental housing in the NDRHA operational area. Unemployment rates remain above the national average. The 12 month moving average for the counties covered by NDRHA are as follows: Coahoma – 13.8%; Panola – 12.3%; Quitman – 13.2%; Tallahatchie – 11.5%; Tunica – 19.3%. The main employer in the five county area, the casino industry, has not recovered since the start of the recession in 2007, and also had to close temporarily in the Spring of 2011 because of flooding on the Mississippi River. The employment market in the area remains weak at best.</p> <p>The employment market weakness has caused the average income of the families in the area to remain stagnant, which puts upward pressure on the average assistance payments made for families being assisted through the voucher program. In response NDRHA has taken steps to try and reduce the average assistance per family by adopting lower payment standards, effective 10/01/2011. It also is being vigilant in trying to assure each family’s income is being properly reported. The use of the EIV system and also credit reports has helped tremendously in this regard. NDRHA is also actively negotiating lower rent levels with owners. These efforts to lower the average assistance payment per family will enable NDRHA to assist more families with the limited allocation of housing assistance funding.</p>
9.1	Strategy for Addressing Housing Needs. Provide a brief description of the PHA’s strategy for addressing the housing needs of families in the jurisdiction and on the waiting list in the upcoming year. Note: Small, Section 8 only, and High Performing PHAs complete only for Annual Plan submission with the 5-Year Plan.

<p>10.0</p>	<p>Additional Information. Describe the following, as well as any additional information HUD has requested.</p> <p>(a) Progress in Meeting Mission and Goals. Provide a brief statement of the PHA's progress in meeting the mission and goals described in the 5-Year Plan.</p> <p>In addition to the items described in Section 5.2, the RHA is pursuing other avenues to try and assist low-income families with their housing needs.</p> <p>NDRHA is in the process of attempting to get the Mississippi Development Authority to amend its Consolidated Plan to allow a non-profit organization to use funds from MDA's CHDO (Community Housing Development Organization) set-aside to perform rehabilitation activities on low-income homeowner units. If successful, this will be done in conjunction with the City of Clarksdale, which has designated a neighborhood for possible renovation.</p> <p>NDRHA is also still pursuing the purchase of properties that were developed through the use of low-income housing tax credits. Purchase of the properties would allow the units to be kept affordable to low-income families, rather than having private developers purchase them and make them market rate units.</p> <p>NDRHA has been approached by the Clarksdale Housing Authority about the possible use of project-based vouchers in units that CHA would remove from its public housing property inventory. CHA has applied for low-income housing tax credits to construct new units which it will place in its public housing inventory. It would like for NDRHA to use project-based vouchers to replace public housing assistance funds in the units that would be replaced by these new units. Negotiations are continuing in this matter.</p> <p>(b) Significant Amendment and Substantial Deviation/Modification. Provide the PHA's definition of "significant amendment" and "substantial deviation/modification"</p> <p>A substantial deviation/modification would be an action that changes the direction or focus of the stated mission of the RHA. An example would be a situation where the RHA might acquire property to rent to low-income families rather than just assisting families with their rent on the private market, which has been the goal of the RHA in the past.</p> <p>A significant amendment would be something that affected the intended actions of the RHA by more than 10%. An example would be acquiring additional housing voucher funds that would increase the RHA allocation of vouchers from 754 to 900.</p>
<p>11.0</p>	<p>Required Submission for HUD Field Office Review. In addition to the PHA Plan template (HUD-50075), PHAs must submit the following documents. Items (a) through (g) may be submitted with signature by mail or electronically with scanned signatures, but electronic submission is encouraged. Items (h) through (i) must be attached electronically with the PHA Plan. Note: Faxed copies of these documents will not be accepted by the Field Office.</p> <p>(a) Form HUD-50077, <i>PHA Certifications of Compliance with the PHA Plans and Related Regulations</i> (which includes all certifications relating to Civil Rights)</p> <p>(b) Form HUD-50070, <i>Certification for a Drug-Free Workplace</i> (PHAs receiving CFP grants only)</p> <p>(c) Form HUD-50071, <i>Certification of Payments to Influence Federal Transactions</i> (PHAs receiving CFP grants only)</p> <p>(d) Form SF-LLL, <i>Disclosure of Lobbying Activities</i> (PHAs receiving CFP grants only)</p> <p>(e) Form SF-LLL-A, <i>Disclosure of Lobbying Activities Continuation Sheet</i> (PHAs receiving CFP grants only)</p> <p>(f) Resident Advisory Board (RAB) comments. Comments received from the RAB must be submitted by the PHA as an attachment to the PHA Plan. PHAs must also include a narrative describing their analysis of the recommendations and the decisions made on these recommendations.</p> <p>No comments were made by the RAB.</p> <p>NDRHA has had problems getting families to participate in the RAB process. As a result it is in the process of reworking the RAB. During the period of 10/01/2011-12/31/2011, NDRHA will conduct a public meeting in each county, through which it will recruit persons to serve on the RAB. A notice of the meeting will be sent to each family being assisted in each county.</p> <p>(g) Challenged Elements</p> <p>(h) Form HUD-50075.1, <i>Capital Fund Program Annual Statement/Performance and Evaluation Report</i> (PHAs receiving CFP grants only)</p> <p>(i) Form HUD-50075.2, <i>Capital Fund Program Five-Year Action Plan</i> (PHAs receiving CFP grants only)</p>

Board Resolution to Accompany the PHA 5-Year and Annual PHA Plan**

Acting on behalf of the Board of Commissioners of the Public Housing Agency (PHA) listed below, as its Chairman or other authorized PHA official if there is no Board of Commissioners, I approve the submission of the ___ 5-Year and/or Annual PHA Plan for the PHA fiscal year beginning 1 / 1 / 12, hereinafter referred to as "the Plan", of which this document is a part and make the following certifications and agreements with the Department of Housing and Urban Development (HUD) in connection with the submission of the Plan and implementation thereof:

1. The Plan is consistent with the applicable comprehensive housing affordability strategy (or any plan incorporating such strategy) for the jurisdiction in which the PHA is located.
2. The Plan contains a certification by the appropriate State or local officials that the Plan is consistent with the applicable Consolidated Plan, which includes a certification that requires the preparation of an Analysis of Impediments to Fair Housing Choice, for the PHA's jurisdiction and a description of the manner in which the PHA Plan is consistent with the applicable Consolidated Plan.
3. The PHA certifies that there has been no change, significant or otherwise, to the Capital Fund Program (and Capital Fund Program/Replacement Housing Factor) Annual Statement(s), since submission of its last approved Annual Plan. The Capital Fund Program Annual Statement/Annual Statement/Performance and Evaluation Report must be submitted annually even if there is no change.
4. The PHA has established a Resident Advisory Board or Boards, the membership of which represents the residents assisted by the PHA, consulted with this Board or Boards in developing the Plan, and considered the recommendations of the Board or Boards (24 CFR 903.13). The PHA has included in the Plan submission a copy of the recommendations made by the Resident Advisory Board or Boards and a description of the manner in which the Plan addresses these recommendations.
5. The PHA made the proposed Plan and all information relevant to the public hearing available for public inspection at least 45 days before the hearing, published a notice that a hearing would be held and conducted a hearing to discuss the Plan and invited public comment.
6. The PHA certifies that it will carry out the Plan in conformity with Title VI of the Civil Rights Act of 1964, the Fair Housing Act, section 504 of the Rehabilitation Act of 1973, and title II of the Americans with Disabilities Act of 1990.
7. The PHA will affirmatively further fair housing by examining their programs or proposed programs, identify any impediments to fair housing choice within those programs, address those impediments in a reasonable fashion in view of the resources available and work with local jurisdictions to implement any of the jurisdiction's initiatives to affirmatively further fair housing that require the PHA's involvement and maintain records reflecting these analyses and actions.
8. For PHA Plan that includes a policy for site based waiting lists:
 - The PHA regularly submits required data to HUD's 50058 PIC/IMS Module in an accurate, complete and timely manner (as specified in PIH Notice 2006-24);
 - The system of site-based waiting lists provides for full disclosure to each applicant in the selection of the development in which to reside, including basic information about available sites; and an estimate of the period of time the applicant would likely have to wait to be admitted to units of different sizes and types at each site;
 - Adoption of site-based waiting list would not violate any court order or settlement agreement or be inconsistent with a pending complaint brought by HUD;
 - The PHA shall take reasonable measures to assure that such waiting list is consistent with affirmatively furthering fair housing;
 - The PHA provides for review of its site-based waiting list policy to determine if it is consistent with civil rights laws and certifications, as specified in 24 CFR part 903.7(c)(1).
9. The PHA will comply with the prohibitions against discrimination on the basis of age pursuant to the Age Discrimination Act of 1975.
10. The PHA will comply with the Architectural Barriers Act of 1968 and 24 CFR Part 41, Policies and Procedures for the Enforcement of Standards and Requirements for Accessibility by the Physically Handicapped.
