<b>5.1</b>	<b>Mission.</b> State the PHA's Mission for serving the needs of low-income, very low-income, and extremely low income families in the PHA's jurisdiction for the next five years:  To provide and sustain quality and safe, affordable housing while offering educational, cultural, and life-enhancing opportunities that promotes economic self-sufficiency, self-respect and self-worth for persons receiving housing assistance.					
<b>5.2</b>	<b>Goals and Objectives.</b> Identify the PHA's quantifiable goals and objectives that will enable the PHA to serve the needs of low-income and very low-income, and extremely low-income families for the next five years. Include a report on the progress the PHA has made in meeting the goals and objectives described in the previous 5-Year Plan.  The Housing Authority of the City of Omaha (OHA) has developed the following 5 – Year Plan Goals to serve the needs of low-income, very low-income, and extremely low-income families for the next five years. Goals are enumerated for the purpose of identification and not priority. All goals will be worked simultaneously.

<b>5.2</b>	B. In order to achieve the goal for reduced turnaround times, a sufficient number of approved applications must be provided to operations so that units ready for occupancy are immediately leased up.  To meet the demands of decreased turnaround times, intake has set goals to get applications approved quicker. OHA has implemented a pre-application process, and has posted the application and the process on-line. This allows OHA to perform background checks on applicants prior to investing many resources. While efficiencies are discovered and implemented, the goals will continue to be that each intake clerk will complete 15 files per week. This would result in at least 180 files completed per month. On an average, files will be completed within 30-45 days upon receipt. This will be reevaluated in June of 2012 and goals will be modified accordingly.																																								
<b>5.2</b>	C. Ongoing training for OHA's <i>Yardi</i> information management system and HUD's PIC system to increase accuracy and timely reporting of each Development's vacant unit turnaround time.																																								

**GOAL #2**

Maintain an Average Occupancy Rate of at Least 98%.

# Progress Report for the Previous 5 - Year and Annual Plan Goals and Objectives

**Goals and Objectives.** Identify the PHA's quantifiable goals and objectives that will enable the PHA to serve the needs of low-income and very low-income, and extremely low-income families for the next five years. Include a report on the progress the PHA has made in meeting the goals and objectives described in the previous 5-Year Plan.

The Housing Authority of the City of Omaha (OHA) has prepared the following Progress Report to describe the progress OHA has made in accomplishing the goals and objectives identified in the previous FY 2010, 5 - Year and Annual Plan.

**GOAL #1**

Reduce Vacancy Turnaround Time to an Average of 20 Days or Less and Maintain an Average Occupancy Rate of at Least 98%.

A. Updated Vacant Unit Turnaround Objectives by Year:

<i>Description of Measurement</i>	<i>Baseline</i>		<i>Target Goals</i>				
	2010	2011 (5/31)	2012	2013	2014	2015	2016
Period ending 12/31	2010	2011 (5/31)	2012	2013	2014	2015	2016
Total number of units turned	652	341	600	575	575	575	575
Days required to make units ready	56	67	30	25	15	10	10
Total turnaround time including leasing	74	88	40	30	25	20	20

5.2

B. In order to achieve the goal for reduced turnaround times, a sufficient number of approved applications must be provided to operations so that units ready for occupancy are immediately leased up.

Intake set goals to get applications approved quicker. In an effort to speed up the approval process, OHA has implemented a pre-application process, and has posted the application and the process on-line. This allows OHA to perform background checks on applicants prior to investing many resources. This process was implemented in April of 2010 and experienced an initial increase in applications. The number of applications has decreased since that time and the process is being refined to improve efficiencies. It was not possible to meet original goals while working through this implementation phase.

C. Yardi information management system automated tracking process can now be utilized to report performance of each Development's vacant unit turnaround time on a monthly basis.

5.2

D. Occupancy Rate Objectives by Year:

<i>Development Type</i>	<i>2009</i>	<i>2010</i>	<i>2011</i>	<i>2012</i>	<i>2013</i>	<i>2014</i>	<i>2015</i>
Hi Rise	95.5	94.5	95	95.5	96	97	98
Scattered Sites	96.3	96.6	97	97.5	98	98	98
Family Development	95.4	94.5	95	95.5	96	97	98

Occupancy Rates as of 5/31/11 are:

Hi Rise	92.17
Scattered Sites	97.1
Family Development	95.5

The Hi-Rise total includes Crown Tower which has had major renovation work completed and is now in the process of leasing up. Crown Tower still has several vacancies. Without Crown Tower in the average, Hi-Rises have an occupancy rate of 94.9, which keeps OHA right at the goals set.

**GOAL #2**

Improve the Quality (physical condition) of Assisted Housing in all Developments.

- A. Continue to improve Real Estate Assessment Center (REAC) Uniform Physical Condition System (UPCS) inspection scores to 90% or better for all developments, and maintain that score. See table below:

**Public Housing Assessment System (PHAS) Physical Condition Report for FY 2010

The letter "b" is given if one or more non-life threatening H&S deficiencies, but no life threatening H&S deficiencies were observed other than for smoke detectors.

The letter "c" is given if there were one or more life threatening H&S deficiencies observed.

- B. Overall the average scores have increased 10% since last year, nearly reaching-or exceeding the goals set. OHA will continue to improve scores where needed to meet the goals set, as well as continue to work towards eliminating or reducing the occurrence of unit inspections identifying health and safety deficiencies and smoke detector deficiencies to less than 1% by 12/31/2012.
- C. Revise the Capital Improvement Plan for each Development to meet HUD requirements under Asset Management by 12/31/2011. Pending HUD's release of the proposed capital needs assessment regulations.
- D. On November 15, 2010 OHA filled a full time position to focus on updating the OHA Lead Based Paint Risk Assessment to include the appropriate Tax Credit properties. A Lead Based Paint Risk Assessment has been completed to date at Alamo and Cherry Tree. OHA is completing LBP Risk Assessments, and implementing abatement and management practices to assure continuous compliance with HUD regulations and local ordinances by 12/31/2011.

**GOAL #3**

**Install Fire Sprinklers in OHA Towers, Smoke Detectors in Scattered Sites and Family Developments and Central Air in Towers**

5.2

- A. Installation of fire sprinkler systems and fire alarm up-grades has been completed in 9-Tower buildings. Park North and Park South to be started in 2011. All work shall be completed by the compliance deadline of August 12, 2012.
- B. 95% of the Smoke Detectors have been installed in scattered site properties and family developments. Funding was provided by a grant award from FEMA for Assistance to Firefighters Grant Program – Fire Prevention and Safety Deadline for this installation is September 28, 2011.
- C. Evaluation of plans to begin installation of central air conditioning in elderly & disabled designated Towers is ongoing. Due to health issues, many tenants require window air conditioners. To eliminate the higher utility costs to OHA caused by the inefficiency of window air conditioners, along with the cost of the air conditioning units, installation of central air conditioning continues to be considered to offset the cost of the inefficient air conditioning systems in place. As soon as this improvement becomes financially feasible, this will be scheduled to occur.

**GOAL #4**

**Ensure Equal Opportunity Housing and Affirmatively Further Fair Housing.**

5.2

- A. Terms of a Voluntary Compliance Agreement (VCA) with the Department of Housing and Urban Development (HUD) / Fair Housing and Equal Opportunity (FHEO) to modify at least 40 scattered site public housing units to comply with Uniform Federal Accessibility Standards (UFAS) were completed, and notification sent to HUD, on April 26, 2011. HUD officially closed the VCA in a letter received July 12, 2011.
- B. OHA is nearly complete with a transition plan for its Family and Tower developments to modify the currently designated units. Inspections have been completed and schematic drawings are in process. OHA proposes to complete all of the modifications necessary to bring the entire agency into compliance with Uniform Federal Accessibility Standards by 12/31/2015.

**GOAL #5**

**Improve Community Quality of Life and Economic Vitality through Conversion of Appropriate Public Housing Units to Affordable Housing Funded by Sources Other Than Public Housing Subsidy and Disposition of buildings / units that are determined to not be financially feasible to retain and that do not contribute to the remaining public housing development.**

5.2

- A. Annual Re-assessment for 2011 of South Side Terrace under Section 33 of the Quality Housing and Work Responsibility Act (QHWRA) of 1998 was completed July 2011 and supports this development remaining as public housing.
- B. It was necessary to suspend work on voluntary conversion assessments awaiting HUD's Physical Needs Assessment tool.
- C. Once HUD's Physical Needs Assessment tool is released, OHA will prepare and submit conversion / disposition applications to the Special Applications Center (SAC). Units that are determined to be non-contributing and or are not financially feasible to maintain as public housing or to convert to affordable housing or project based Section 8 under conventional process or through the proposed Transformation of Rental Assistance Act of 2010 would be sold. The proceeds from sales would be reinvested in the remaining public housing stock or leveraged to finance improvements on the converted units.

OHA Development NE001000001 South Side Terrace contains 359 dwelling units on one site and is identified on the HUD Special Applications Center website as a possible candidate for required conversion. OHA is completing a cost analysis using the HUD calculator rule and cost comparison spreadsheet to determine and certify that the development is more cost effective to continue operating as public housing than to convert to tenant based assistance. OHA has no intent of converting this development because of the need for larger units for extremely low and low income families.

OHA will also complete voluntary conversion assessments of its four Scattered Site Developments composed of 600 units. The four Scattered Site developments are comprised of a mix of new construction and acquisition with rehabilitation developments including 169 Hawkins' Replacement Units which cannot be converted or otherwise disposed. The assessment will determine the feasibility of keeping all 118 of the duplex building units in the public housing inventory or only 7 of the duplex buildings containing 11 accessible units as they comprise 25% of the accessible scattered site housing which is currently under the direction of the Voluntary Compliance Agreement (VCA) with HUD / FHEO.

5.2

At a minimum the OHA will consider conversion or disposition of the 313 Scattered Site units that are neither Hawkins', Section 504 Accessible or located in Duplex Buildings.

**GOAL #6**

Expand the Supply of Assisted and Affordable Housing with the Redevelopment of the Vacant Pleasant View Site.

- A. OHA has been in discussion with other stakeholders in the area, and attended many community meetings to understand the housing needs and desires in the area. Redevelopment proposal submitted October 29, 2009, was not accepted, and planning continues for further refinement of proposal.
- B. OHA's is working with Omaha Economic Development Corporation (OEDC) and Nebraska Investment Finance Authority to complete a housing study of the area partially funded through a grant award to OHA. As OHA works with community partners to apply for other grant funding, this study will assist in defining grant requests to be made.
- C. Discussions have taken place with stake holders in the area, the City of Omaha, and Appropriate Neighborhood Community Agencies. It has been agreed that further discovery and research is necessary to complete a redevelopment plan at this time. OHA and OEDC have collaboratively submitted a grant application through Choice Neighborhoods for a planning grant to fund the research and planning necessary.
- D. OHA, will begin implementation of Phase I of the Redevelopment Plan by 6/30/2013, once funding is secured.
- E. OHA will continue in planning discussions with a goal to complete Phase I Redevelopment of the Pleasant View Site by 9/30/17.

The nearly 20 acre Pleasant View site is in part included in the Highlander Neighborhood Redevelopment Plan that was approved by the Omaha City Council in 2001. The area is also one of the focal points of the North Omaha Development Consortium. The outcomes of the public meetings to be held by the North Omaha Development Consortium will help to define how the Pleasant View site may be redeveloped.

**GOAL #7**

Continue to increase the Availability of Decent, Safe and Affordable Housing by making application for additional Section 8 Programs to increase the Program capacity from 4,851 to 4,976 Vouchers / Units over the next 5 Years.

- A. OHA proposed to increase voucher authorization by a total increase of 154 for tenant based by 2012 and an annual increase of 25 tenant based vouchers each year for a total increase of 279 vouchers by 12/31/2015. Due to limitations of the voucher program, OHA's HCV authorization will not be increasing. Below reflects the vouchers that were proposed, however, HCV are limited to 4,413 with VASH vouchers increasing from 95 to 110. See goal #6, page 3, for updated table.

<b>Section 8 Program Areas by Year</b>	<b>2010</b>	<b>2011</b>	<b>2012</b>	<b>2013</b>	<b>2014</b>	<b>2015</b>

<b>Total Section 8 Program Vouchers</b>	<b>4851</b>	<b>4876</b>	<b>4901</b>	<b>4926</b>	<b>4951</b>	<b>4976</b>

- B. OHA had planned to utilize the additional tenant and project based vouchers to support the conversion of certain scattered site public housing units identified in the conversion assessments over the duration of the Five Year Plan. At this time, however, OHA awaits HUD's assessment tool in order to develop a plan to convert scattered site public housing. This impacts the goal set to utilize tenant and project based vouchers.

**GOAL #8**

Promote self-sufficiency and asset development of assisted households.

- A. OHA presented Self-sufficiency programs and talked about the workshops at public housing monthly briefings and at Section 8 briefings. OHA also posted fliers advertising self sufficiency programming and workshops in all OHA buildings.
- B. OHA continues to partner with Community Service Agencies and Advocacy Groups.
- C. OHA continues to expand computer access and training for all residents
- D. More awareness of the existing Homeownership Program was noted and OHA continues to encourage participation for those tenants who qualify.
- E. Mailings have been sent to tenants based on Yardi information of who may qualify and new homeowners have spoken to residents at homeownership interest meetings that are held monthly.
- F. OHA has seen increased interested in participation in the Family Self Sufficiency Program-both from Public Housing tenants and from Section 8. This has been done through Public Housing and Section 8 briefings, and information provided to all tenants during their annual review.
- G. OHA staff awareness has increased and has been passed along to tenants.
- H. OHA staff has attended OHA residential association meetings to promote programs and have continued to post and distribute self sufficiency fliers.
- I. OHA is currently partnering with Building Bright Futures, Westside Community Schools, and Omaha Public Schools to reduce truancy among elementary, middle school, and senior high school students and to promote higher education for graduating senior high students.
- J. OHA is in the initial stages of implementing a Section 3 program for hiring residents and encouraging business ownership.

## GOAL #9

Improve performance in both public safety and risk management.

- A. Install additional security cameras at both Spencer Homes and South Side Terrace. Southside currently has two cameras installed. Evaluation is currently being done to determine other upgrades that would be necessary to add compatible cameras. Additional equipment was selected for Spencer Homes, however, funding for such a purchase has yet to be identified. Omaha Police Department has agreed to additional patrol of these two developments. With this being done, incidents have decreased somewhat and residents are feeling a sense of security.
- B. OHA continues to train new staff as needed. Current staff has become much more efficient and able to fully utilize the security cameras.
- C. OHA continues to survey 10%-15% of residents per year on safety and security issues.
- D. Continue to improve tenant relations by using customer service action line 402-444-6914. Magnets that display the customer service action line phone number are given out during surveys and by property management on a regular basis. Action line information is also given in the handouts at tenant briefings.
- E. Continue to follow terms of OHA's newly adopted Risk Control Policy Statement, see exhibit ne001a01. OHA Risk Control Committee continues to meet on a regular basis. No changes to the current Risk Control Policy Statement have been necessary, and statement is being followed by entire agency.

## PHA Plan Update

(a) Identify all PHA Plan Elements that have been revised by the PHA since its last Annual Plan submission.

### ADMISSIONS AND CONTINUED OCCUPANCY PLAN – (ACOP) FOR PUBLIC HOUSING

Since OHA's last Annual Plan submission, several chapters of the Admissions and Continued Occupancy Policy (ACOP) have been revised. In each of these chapters, OHA has made structural and language changes for the sake of clarity, amended certain areas to be consistent with actual agency practice and made minor policy changes that will help OHA staff to administer procedures in a more efficient manner. The following is a list of the major policy changes included in each chapter:

#### Chapter 1 – Statement of Policies and Objectives

- The chapter was amended to include a new policy regarding the guests of residents with disabilities. The new policy is located in Section III-E, on pages 6-7. Pursuant to the conciliation agreement in *Johnson v. Housing Authority of the City of Omaha, et. al.*, HUD Case No. 07-10-0180-8, the OHA agreed to amend its policy regarding granting reasonable accommodations to disabled individuals who are unable to escort their guests to and from their apartments. The new policy allows the guests of disabled residents to apply for a visitor access badge that will allow them to enter on their own and walk to and from the resident's unit.

#### Chapter 14 – Resident Grievance Procedures and Special Appeal Provisions

- Chapter 14 was amended to clarify procedure and eliminate duplication of provisions contained in other chapters (procedures regarding applicant appeals, for example, are included in the previously revised version of Chapter 2).

#### Chapter 15 – Family Debts to the Omaha Housing Authority

- Chapter 15 was amended to add reference to the mandatory use of HUD's Enterprise Income Verification system for reporting resident debts, and remove references to the use of credit bureau reporting and collection agencies;
- The Chapter was amended to remove references to initiation of repayment agreements and investigation of program abuse by Property Management or Field Operations staff (this is now done by the Program Integrity Dept.);
- It was further amended to include procedures for repayment agreements that are currently used by the Program Integrity Department, such as providing for administrative late fees, and clarifying procedures regarding financial hardships;
- Additionally, the revisions give the Program Integrity Manager the authority to forgive debts and late fees in certain limited circumstances.

#### Chapter 16 – Program Integrity

*Note: The ACOP chapter on Community Service was formerly numbered Chapter 16. In order to provide more continuity and utilize an empty place left by a chapter that was consolidated, the Community Service chapter was renumbered to Chapter 13. The Program Integrity Chapter (formerly an unnumbered addendum) became Chapter 16, so that it would immediately follow the Family Debt chapter.*

- The Program Integrity chapter was amended to include a more specific discussion of the investigative methods used by the Program Integrity Department and to add reference to the mandatory use of EIV.

**ADMINISTRATIVE PLAN – (ADIMN PLAN)  
FOR SECTION 8**

The following chapters have been changed to bring the plan current with the latest guidance in social security numbers and the Enterprise Income Verification (EIV) System: Chapters 2, 3, 4, 5, 6, 7, 8, 10, 11, 14, & 16.

This includes modification from the:

- December 29, 2009, issuance of the final rule “Refinement of Income and Rent Determination of requirements in public and assisted housing program”.
- The following PIH Notices changes are also noted, 2010-3, 2010-9, 2010-18, 2010-19, 2010-51

- Revised 4-III.E, including policy, to reflect SSN disclosure and documentation requirements.
- Revised policy under “Additional Items to be Included in the Briefing Packet” to update reference to OIG guidance on fraud and to add “What you should know about EIV”, made minor editorial changes.
- Revised paragraph above policy on p. 6-7 and policy itself to reflect mandatory use of EIV system and verification guidance in Notice PIH 2010-9.
- Made extensive revisions throughout Chapter 7 to reflect new HUD regulations and guidance on mandatory use of EIV system, disclosure and documentation of SSN's and verification; revised policies in all section of Part I except 7-I.F (now numbered 7-I.E) and policies in sections 7-II.B, 7-III-C, 7-III.D, 7-III.D, 7-III.D, 7-IIIG, 7-III.J, 7-IV.B, 7-IV.C, 7-IV.D, deleted Exhibit 7-1 (old verification hierarchy) and renumbered Exhibit 7-2.
- Revised text and policy to reflect that sending EIV data to receiving PHAs is mandatory, not discretionary, and that rules on disclosure and documentation of SSNs have changed.

The specific objective of the OHA is to promote families to move to non-impacted areas to live. (Exhibit ne001b01) Deconcentration Plan.

**Waiting List Organization**

- ▲ The section 8 tenant-based assistance waiting list is not merged with any other program waiting list.

  - OHA employs discretionary policies for determining income based rent.
- ▲ Minimum Rent
  - OHA's minimum rent is \$50 per month
  - OHA has adopted discretionary minimum rent hardship exemption policies.
- ▲ Discretionary Minimum Rent Hardship Exemption Policies are as follows:
  - 90 Day hardship deferral upon request for the following reasons:

**B. Section 8 Tenant-Based Assistance**

  - The payment standard ranges from 100% to 115% of FMR. As part of OHA's Deconcentration effort, the payment standard west of 72<sup>nd</sup> Street is 115% of FMR to encourage Section 8 housing where incomes are higher and to increase utilization in non-impacted areas.

**4) Operation and Management.** A statement of the rules, standards, and policies of the PHA governing maintenance management of housing owned, assisted, or operated by the public housing agency (which shall include measures necessary for the prevention or eradication of pest infestation, including cockroaches), and management of the PHA and programs of the PHA.

- ▲ Residents: OHA has established written grievance procedures for tenants in addition to federal requirements found at 24 CFR Part 966, Subpart B, for residents of public housing. OHA's Tenant Grievance Policy and Procedures are contained in (Exhibit ne001d01).
- ▲ Residents of public housing can contact the following offices to initiate the PHA grievance process:
  - OHA Central Office-540 S. 27<sup>th</sup> Street;

  - OHA Gateway Center Office Building - 4401 N. 21<sup>st</sup> Street Omaha, NE

**B. Section 8 Tenant-Based Assistance**

- ▲ Applicants and Tenants: OHA has established informal review procedures for applicants to the Section 8 tenant-based assistance program and informal hearing procedures for families assisted by the Section 8 tenant-based assistance program in addition to federal requirements found at 24 CFR Part 982, OHA's Informal Review and Hearing procedures for the Section 8 program are contained in Chapter 16 pages 11-28 of the Section 8 Administrative Plan, (Exhibit ne001e01).

(Exhibit ne001f01).

6.0

**7) Community Service and Self Sufficiency.** Parts (1) and (2): The OHA's Family Self Sufficiency Program is offered to assisted families to promote economic and social self-sufficiency. A description of that program is as follows:

- ▲ The Family Self Sufficiency Program is a five year voluntary program offered to any Section 8 and Public Housing resident. Families that participate in the FSS program are provided education opportunities, job readiness and any other assistance that is needed to become self sufficient.

6.0

- ▲ FSS Program requirements:
  - Maintain Section 8 or Public Housing assistance
  - Sign a five year Contract of Participation
  - Design an Individual Training and Services Plan (ITSP)
  - Achieve the goals set in the ITSP
  - To seek and maintain suitable employment.
  - All family members must be free of cash welfare assistance for at least 12 consecutive months before the end of the contract

Part (3) The following is a description of: (a) how OHA complies with HUD requirements regarding Community Service and Self-Sufficiency; and (b) how OHA complies with HUD requirements regarding treatment of income changes resulting from welfare program requirements.

a) Compliance with Community Service Requirements:

Pursuant to the Quality Housing Welfare to Work Act ("QHWRA"), OHA's community service requirements mandate that each non-exempt resident eighteen years or older shall contribute eight hours per month of some combination of community service (not including political activities) and/or economic self-sufficiency program.

6.0

These requirements are built into the public housing lease. A tenant's lease cannot be renewed if he/she (or a household member) has not completed his/her community service obligations UNLESS:

- (Year 1 only) He/she signs an agreement to complete the hours within the next lease period OR
- Provides documentation that the noncompliant person no longer resides in the unit.

A detailed description of OHA's policies concerning HUD's community service/self-sufficiency requirements is provided in OHA's Admissions and Continued Occupancy Policy (ACOP), Chapter 16. (Exhibit ne001g01).

6.0

a) Income Changes Resulting from Welfare Program Requirements:

OHA recognizes and follows QHWRA requirements that seek to give public housing residents and housing choice voucher recipients a greater incentive to comply with welfare requirements concerning economic self-sufficiency programs. OHA's policies incorporate requirements of the law and regulations regarding situations in which public housing agencies are not permitted to reduce rents, even though resident families have reduced incomes (including situations in which the family is noncompliant with welfare program requirements concerning self-sufficiency).

6.0

The OHA will not reduce the public housing rent for covered families whose welfare assistance is reduced due to a "specified welfare benefit reduction," which is a reduction in welfare benefits due to:

- Fraud by a family member in connection with the welfare program; or
- Noncompliance with a welfare agency requirement to participate in an economic self-sufficiency program.

Instead of reducing rent, the OHA will "impute" welfare income to the family in an amount equal to the reduction in benefits. OHA policies regarding imputed welfare income and related subjects are described in detail in **OHA's ACOP Chapter 12, Section 6-C.** (Exhibit ne001h01).

**8) Safety and Crime Prevention.** For public housing only, describe the PHA's plan for safety and crime prevention to ensure the safety of the public housing residents. The statement must include: (i) A description of the need for measures to ensure the safety of public housing residents; (ii) A description of any crime prevention activities conducted or to be conducted by the PHA; and (iii) A description of the coordination between the PHA and the appropriate police precincts for carrying out crime prevention measures and activities.

#### Public Housing Security Program

i) The OHA Public Safety & Compliance Department's mission is to assist residents in developing a safe and peaceful living environment. The goal of the program is to increase the perception of safety and to assist in the reduction of violent crimes, drug sales, gang and gun violence. The OHA Public Safety & Compliance Department is service oriented and applies multi-faceted problem solving techniques in addressing resident issues and concerns regarding safety and security.

ii) OHA works to reduce the crime in developments and towers so it is less than the crime rate in the surrounding neighborhoods through implementation and follow through on the "magnet unit" concept which is a strategy used to identify public housing units that are known to attract undesirable activity. The department also maintains a ban and bar list, an incident database and monitors surveillance equipment.

Equipment used includes digital surveillance, remote access video, and recording systems at each Tower location, proximity card access control, two-way radios, base radios, cell phones and digital police scanners. OHA continues to upgrade and improve upon the use of the security surveillance systems installed at the public housing locations. Officers patrol OHA public housing locations in marked cruisers and seasonal foot and bike patrols. Officer assignments and work schedules are varied from day-to-day to eliminate predictability.

iii) OHA coordinates with the local police precincts and monitors crime trends through cooperative efforts. OHA attends regular meetings with the local precincts and has frequent contact with them via phone, email and information exchange.

**9) Pets.** A statement describing the PHAs policies and requirements pertaining to the ownership of pets in public housing.

OHA Pet Policy contained in the ACOP was amended in 2009. No further changes have been necessary. A copy of the amended policy is attached. (Exhibit ne001i01).

**10) Civil Rights Certification.** A PHA will be considered in compliance with the Civil Rights and AFFH Certification if: it can document that it examines its programs and proposed programs to identify any impediments to fair housing choice within those programs; addresses those impediments in a reasonable fashion in view of the resources available; works with the local jurisdiction to implement any of the jurisdiction's initiatives to affirmatively further fair housing, and assures that the annual plan is consistent with any applicable Consolidated Plan for its jurisdiction.

Civil rights certifications are included in the PHA Plan Certifications of Compliance with the PHA Plans and Related Regulations.

**11) Fiscal Year Audit.** The results of the most recent fiscal year audit for the PHA.

OHA is required to have an audit conducted under section 5(h) (2) of the U.S. Housing Act of 1937 (42 U.S.C. 1437c (h)).

6.0

The most recent fiscal audit was prepared for 2009 and has been submitted to HUD. The 2010 audit is currently being prepared with a deadline of September 30, 2011, at which time it will be submitted to HUD

**12) Asset Management.** A statement of how the agency will carry out its asset management functions with respect to the public housing inventory of the agency, including how the agency will plan for the long-term operating, capital investment, rehabilitation, modernization, disposition, and other needs for such inventory.

OHA is engaging in any activities that will contribute to the long-term asset management of its public housing stock, including how the Agency will plan for long-term operating, capital investment, rehabilitation, modernization, disposition, and other needs that have **not** been addressed elsewhere in this PHA Plan. The types of asset management activities that OHA undertakes are as follows:

- Development-based accounting
- Comprehensive stock assessment
- Use of Yardi financial / information management software to track and monitor all long-term maintenance, development projects and capital improvement needs and investments.

These activities will help plan for the long-term operating, capital investment, rehabilitation, modernization, disposition, and other needs for such inventory.

**13) Violence Against Women Act (VAWA).** A description of: **1)** Any activities, services, or programs provided or offered by an agency, either directly or in partnership with other service providers, to child or adult victims of domestic violence, dating violence, sexual assault, or stalking; **2)** Any activities, services, or programs provided or offered by a PHA that helps child and adult victims of domestic violence, dating violence, sexual assault, or stalking, to obtain or maintain housing; and **3)** Any activities, services, or programs provided or offered by a public housing agency to prevent domestic violence, dating violence, sexual assault, and stalking, or to enhance victim safety in assisted families.

Violence Against Women's Act (VAWA) is contained in (Exhibit ne001j01).

## Strategy for Addressing Housing Needs

9.1

Provide a brief description of the PHA's strategy for addressing the housing needs of families in the jurisdiction and on the waiting list in the upcoming year. **Note: Small, Section 8 only, and High Performing PHAs complete only for Annual Plan submission with the 5-Year Plan.**

In review of waiting list data our population appears to be consistent with the City of Omaha overall where the average household size of renter-occupied housing is 2.16 persons, based on 2010 Census Bureau Statistics. As can be seen on our waiting list, nearly 70% of the Public Housing and Section 8 applicants are in need of 1 and 2 bedroom units. The waiting lists indicate that the majority of OHA applicants, both public housing and Section 8, are in need of 1 and 2 bedroom units.

The percentage of families needing 5 bedrooms or more has remained the same for Section 8, but has decreased substantially for Public Housing. Because those larger units do not experience frequent turnover, this would indicate that the need for the larger units may be decreasing. An increase that was noticed this year is for 2 bedroom units. OHA has seen an increase in the need for 2 bedroom units over last year. This is believed to be due to the minimum age requirement for head of household being reduced from 19 to 18. This makes affordable housing available to more teenage mothers where were previously unable to qualify for public housing due to age.

The percentage of elderly on the Public Housing wait list remains low in comparison to the percentage reported by the City. 2010 Census Bureau Statistics show that approximately 11% of the population is elderly in the City of Omaha, while the percentage of elderly on OHA's Public Housing waiting list is just over 2%. The OHA is exploring this to determine the reason; however, there is a good indication that the Public Housing Towers designated for the elderly do not have the amenities offered by other affordable housing providers. As OHA determines an accurate reason for the low elderly population, consideration is being given to how best to provide for that population in the future.

As redevelopment plans are being considered for the vacated Pleasant View site at 30<sup>th</sup> and Parker, additional senior housing is being discussed. As stated in the City of Omaha's Consolidated Action Plan for 2010, this vacant land provides opportunity for the development of commercial / retail and new construction of mixed income housing. The first phase of development could likely include construction of 24 cottage style one and two bedroom units for elderly and disabled in close proximity to the Charles Drew Clinic. This would assist in providing for the needs of the aging, low income population that OHA doesn't appear to fully serve.

## Additional Information - Describe the following, as well as any additional information HUD has requested

10.0

(a) Progress in Meeting Mission and Goals. Provide a brief statement of the PHA's progress in meeting the mission and goals described in the 5-Year Plan. **Exhibit ne001v1.**

(b) Significant Amendment and Substantial Deviation/Modification. Provide the PHA's definition of "significant amendment" and "substantial deviation/modification"

### Definition of "Substantial Deviation" and "Significant Amendment or Modification"

The Omaha Housing Authority defines the terms "Substantial Deviation" and "Significant Amendment or Modification" by stating the basic criteria for such definitions in the annual plan that has met full public process and review.

The OHA will consider the following actions to be significant amendments or modifications:

- Changes to rent or admissions policies or organization of the waiting list;
- Additions of non-emergency work items (items not included in the current annual Statement or 5-Year Action Plan) or change in use of replacement reserve funds under the Capital Fund; and
- Any change with regard to demolition or disposition, designation, homeownership programs or conversion activities.

An exception for this definition will be made for any of the above that are adopted to reflect changes in HUD regulatory requirements and such changes will not be considered significant amendments by HUD.

(c) PHAs must include or reference any applicable memorandum of agreement with HUD or any plan to improve performance.

OHA is in process of completing the requirements of a Voluntary Compliance Agreement (VCA) HUD Case Number 07-07-R004-4 that outlines remedies to bring the OHA scattered site public housing program into compliance with Section 504 of the Rehabilitation Act of 1973, as amended, and the Department's implementing regulations at 24 CFR Part 8 (Section 504).

OHA is required to modify at least 40 scattered site units to fully comply with the Uniform Federal Accessibility Standards (UFAS) under this agreement. OHA is making steady progress and has completed 27 UFAS certified units by September 30, 2010 and has requested an amended completion date of April 30, 2011 to produce the remaining 13 UFAS certified units due to the time required for relocation of families with disabilities to completed units.

**PHA Plan Challenged Elements 11(g)**

**1) Eligibility**

A challenge OHA has recognized, and tenants have voiced concern about in tenant meetings, is the perceived low eligibility standards set for acceptance into public housing. Public Housing is affordable housing for low to extremely low income individuals and families and as such will carry added challenges related to the affordability of housing expense. However, while each resident's housing expense is calculated to be approximately 30% of their income, other debts they carry need to be considered in their ability to afford their housing expense.

Current residents feel that, residents are not being fully screened for ability to be a good neighbor. Past history with previous landlords would bring to light previous history of damaging property and security issues with neighboring residents. Utilizing prudent business practices as a Housing Authority, and in fairness to the residents living in OHA properties who must reside in the same community with other OHA residents, stricter screening must be performed on applicants for housing.

**2) Financial Resources**

The biggest challenge with Financial Resources is that they are not sufficient to adequately serve the basic needs of our residents. This begins with the fact that the operating subsidy and capital funds are less than 100%. Other funding is limited and unavailable to us due to our quasi-government status and the competitive nature of the sources. The property needs far outweigh the funds available for the necessary repairs and improvements to the properties. Coupled with the unique needs our residents have that cannot be served with insufficient funding.

**7) Community Service and Self Sufficiency**

A challenge brought up at a tenant meeting is that tenants would like to be made aware when positions are available within OHA and they would like preference given to their application for these positions to enable them to work towards self sufficiency. OHA, in partnership with interested tenants, provides education opportunities. Once we help them further their training and education, tenants would like the opportunity to intern for OHA to gain skill and experience that they can use in seeking employment in the future. As OHA's 3 program is fully implemented, it would be beneficial for OHA to review ways to utilize tenants' new skills through a low cost internship.

**8) Safety and Crime Prevention.**

Safety and Crime Prevention continues to be a challenge in OHA properties. Tenants in all locations have concerns about the visitors in their developments and the crime that takes place outside of, but adjacent to, the properties. OHA continues to take steps to make all developments a safer place to live. Currently, OHA has increased police patrol around the family developments of SouthSide Terrace, and Spencer Homes and continues to research the possibility of additional parking lot lighting and security cameras at all locations.

## Introduction

The Omaha Housing Authority (OHA) continues to embrace the deconcentration of poverty by updating and issuing a revised Deconcentration Plan. The Plan was developed in 2002 and last revised in 2004. In the 2004 plan, the OHA evaluated and refocused its efforts outlined in the 2002 plan. This perspective continues to guide the preparation of the 2009 Deconcentration Plan.

The concept deconcentration has been a part of Federal housing policy for some time. The Department of Housing and Urban Development (HUD) supports deconcentration and encourages Public Housing Agencies (PHAs) to embrace the concept. Federal housing policy has developed along three fronts:

- o Creating income diversity within public housing developments that continue to be owned and operated by PHAs under the rules of the public housing program.
- o Creating income diversity in new or redeveloped housing projects, including former public housing projects redeveloped under the HOPE VI program.
- o Encouraging the use of tenant-based housing vouchers for families to relocate to neighborhoods that will improve the life opportunities of family members.

The OHA has embraced the concept of using tenant based vouchers to support its efforts to deconcentrate poverty in its metropolitan area. The OHA's new Annual Plan has been and will continue to be the preparation of families to make moves to low-poverty areas, increase the physical possibility for families to search for housing in low-poverty areas, help families financially with the move (where possible), provide incentives to landlords, and adjust the payment standard to provide additional subsidy in low-poverty areas.

## Background

OHA's effort at deconcentration started with the Hawkins vs. HUD Consent Decree which focused on OHA's need to address deconcentration in its Housing Choice Voucher (HCV) Program. OHA set in motion a series of activities aimed at meeting the provisions outlined in the Decree. The Hawkins decree focused on 21 tracts that had been identified as impacted, with all being in North Omaha except for one tract in southeast Omaha. Because of the Decree, OHA was able to concentrate efforts on providing additional housing opportunities and HCVs specifically aimed at encouraging participants to move outside of impacted areas. In 2000, HUD approved an exception payment standard to encourage landlords, outside the impacted area, to accept HCV participants. Furthermore, HUD supported OHA's efforts to implement mobility counseling for families relocate from public housing units. Although the Hawkins Decree was subsequently vacated on November 16, 2006, OHA continues to promote deconcentration efforts

in its metropolitan housing area. This plan discusses OHA's efforts for continued deconcentration.

The objective of the Deconcentration effort is to ensure that families are housed in a manner that will prevent a concentration of poverty families in impacted census tracts. The specific objective of the OHA is to promote families to move to non-impacted areas to live. OHA adopted an 11.3% poverty rate to define impacted areas as part of its deconcentration plan. Additionally, OHA established a series of key components to support its efforts at deconcentration. These elements are based on the experiences of the OHA and the experiences of other Public Housing Agencies (PHAs) that have implemented deconcentration plans. These components are:

- Prepare families to make moves to low poverty areas.
- Make it physically possible to search for housing in non-impacted areas and to be able to maintain living there.
- Help families with the financial cost of moving to non-impacted areas through assistance.
- Provide additional incentives to landlords to accept HCV families.
- Set payment standards at higher levels to facilitate families moving to non-impacted areas.

As with most operational definitions, neighborhood quality has focused on the poverty rate as a proxy for other dimensions of neighborhood quality that can be measured by the census, and implicitly for dimensions that cannot. Much of the analysis of neighborhood quality has focused on the most distressed neighborhoods (Jargowsky, 1997), rather than on how to define a neighborhood that has positive effects on poor adults and children. Ingrid Ellen and Margery Turner have provided an excellent outline on what neighborhood quality means, setting forth hypotheses about why neighborhood might make a difference based on the research literature regarding environmental influences on behavior at various life stages (Ellen and Turner, 1997). According to Ellen and Turner, desirable neighborhood characteristics include:

- Access to good services, especially to good schools.
- Presence of adults who can serve as role models for acceptable behavior.
- Absence of negative influence from peers, especially for teenagers.
- Informal networks through which to gain access to services and employment.
- Low levels of crime and violence.
- Physical access to jobs.

Sandra Newman and Ann Schnare (Newman and Schare, 1997) compare the poverty rate with other census-based measures and find that poverty is a reasonable proxy for other indicators.

In the past, poverty was specifically viewed based on African-American poverty rates. However, the demographics for Omaha have changed and now show an increasing Hispanic population that is quickly overtaking other groups in the Omaha Metropolitan Statistical Area. The impact of these changing demographics may require OHA to re-evaluate the scope of its deconcentration efforts and change how it services and measures its efforts at deconcentration.

For a national benchmark against which to assess the performance of the voucher program as a whole, HUD has chosen a 20-percent poverty rate, on the assumption that neighborhoods with between 10 and 20 percent of their population in poverty still basically function as middle-income neighborhoods. Analysts rating the neighborhoods in which public and assisted housing units are located go along with this assessment without subjecting it too much scrutiny (Khadduri et al., 1996). This definition of a neighborhood providing opportunities for poor families and their children passes the weak test that no one has objected strongly by pointing out real life contrary examples.

### **Continuation of Deconcentration Plan**

#### **Revised Plan Summary**

The OHA believes that its approach to deconcentration from 2004 to 2009 continues to demonstrate success. OHA established several key objectives to guide the organization towards its mission. There were three important aspects to the deconcentration plan: 1) Mobility Counseling, 2) Financial assistance to movers, and 3) flexibility in the Payment Standard. As discussed in the 2004 Plan, the OHA found it necessary to discontinue its relationship with an outside mobility counseling firm. However, the OHA continues to encourage HCV families to move away from impacted areas. The OHA has also found that funding organization foundations which provide moving assistance have fewer financial resources and thus help fewer families.

#### **Demographic Data**

Characterized by steady growth, the Omaha Metropolitan Statistical Area (MSA) has a population of 828,741 in 2007 and projected to grow to 866,532 by 2012. The eight-county Greater Omaha area includes Douglas, Sarpy, Saunders, Cass and Washington counties in Nebraska and Pottawattamie, Harrison and Mills counties in Iowa – making it the 60th largest MSA in the country. As a matter of fact, more than 1.2 million people live within a 60-minute drive of Greater Omaha. At the center of this region is the City of Omaha. Located in Douglas County, it has a population of 419,545, making it the nation's 42<sup>nd</sup> largest city in the United States of America. The OHA provides subsidized housing in Douglas and Sarpy counties.

The 2007 population of Greater Omaha is 828,741. The 2000 Census revealed a population of 767,041, and in 1990 it was 685,798 representing an increase of 11.8%. It is estimated that the population will be 866,532 in 2012, representing an increase of 4.6% from 2007. In 2007, the median age of the population was 35.2, compared to the U.S. median age which was 36.7. The population density is 188.1 people per square mile in 2007 and is projected to increase to 196.7 by 2012. This growth in population will continue to draw upon the subsidized housing services provided by the OHA.

Current 2009 OHA data shows that 60.4% of head-of-households are less than 40 years of age. Additionally, 89.9% of all households currently enrolled in the HCV program are headed by females. Furthermore, 54.5% of all family members participating in the HCV program are youths, under 18 years of age. The majority of families participating in the HCV program are single mothers with young children.

**OHA HCV Statistics**

The OHA maintains HCV data by census tract. The following table shows a comparison between data from the 2002 and 2004 Deconcentration reports and current 2009 HCV data by census tract. The census tracts displayed in the table were those identified as impacted by the Hawkins decree. Data from the table shows a significant decrease in HCV holders in these qualified tracts between the 2000 census and 2002 Deconcentration Reports. During that two year period, an additional 368 HCV holders moved out of the qualified census tracts. This decrease in concentrated low-poverty families demonstrated the OHA's proactive application of its deconcentration plan outlined in the 2002 report and further highlighted in the 2004 report. The 2002 Report identified 56% of all HCV families residing in the 21 census tracts restricted in the Hawkins Decree. Additionally, more than 83% of participating HCV families lived the area of Omaha that is east of 72<sup>nd</sup> Street.

Although the 2004 report does not present and voucher data by census tract for 2004, this update to the deconcentration report shows three points in time for HCV families identified by the restricted census tracts. The data highlights many of issues that have impacted the OHA's ability to move its deconcentration plan forward. The 2009 data shows some regression in the deconcentration plan when the raw numbers are reviewed. However, the total number of HCV families living in the restricted census tracts has declined from 56% in the 2002 report to 51% today. Additionally, only 77.8% of HCV families live east of 72<sup>nd</sup> Street in 2009 compared with 83% in 2002.

Data provide by Omaha Housing Authority - June 2009  
and the OHA 2002 and 2004 Deconcentration Reports

The City of Omaha does not have named neighborhoods. The OHA has used the following geographical designation to identify and divide the city into four areas as follows:

- North Omaha      North Of Dodge and East of 72<sup>nd</sup> Street (2,666 vouchers)
- South Omaha      South of Dodge and East of 72<sup>nd</sup> Street (345 vouchers)
- Northwest Omaha      North of Dodge and West of 72<sup>nd</sup> Street (448 vouchers)
- Southwest Omaha      South of Dodge and West of 72<sup>nd</sup> Street (410 vouchers)

Although the OHA's current software has the ability to track participants by census tract, the OHA does not currently track participants in this manner. However, the OHA maintains a separate database to track census tract data. According to data supplied by the OHA, as of February 2009, there were 3,869 HCVs in use. Of those voucher in use, 1,959 were currently being used in census tracts listed as high poverty areas. The percentage of deployed vouchers in impacted areas is down from the percentage in 2002.

**Omaha MSA Quadrant Data Table**

North Omaha East of 72nd and North of Dodge		South Omaha East of 72nd and South of Dodge		Northwest Omaha West of 72nd and North of Dodge		Southwest West of 72nd and South of Dodge		Grand Total of HCV in MSA

Percentage	68.9%	Percentage	8.9%	Percentage	11.6%	Percentage	10.6%	100.0%	

The OHA has used these four quadrants to track the movement of their clients as they work to deconcentrate poverty in the City of Omaha. Exhibit C show highlighted census tracts. The current concentration of poverty remains highest in North Omaha, followed by Northwest Omaha, then South Omaha and finally Southwest Omaha. It has been the perspective of the OHA to encourage participants to move from identified high poverty census tracts in North Omaha and South Omaha, to areas that are not high poverty census tracts. At first thought, it would seem easy enough to do this by providing incentives to both applicants and landlords. However, there are numerous issues that impacted this action from taking place.

**Race & Ethnicity**

In 2007, the racial makeup of Greater Omaha was as follows: 86.0% White; 7.3% Black; 0.3% Native American; 1.8% Asian/Pacific Islander; and 2.7% Other. Compare these to the US racial makeup which was: 74.5% White, 12.0% Black, 0.8% Native American, 4.6% Asian/Pacific Islander and 5.3% Other.

People of Hispanic ethnicity are counted independently of race. However, most Hispanics consider themselves to be white. This does impact the growth of the White population in the Omaha (MSA) demographics. People of Hispanic origin make up 7.4% of Greater Omaha's 2007 population. Compare this to the U.S. makeup of 15.1%. Changes in the population within each race and ethnicity category from the 1990 Census to the 2000 Census are as follows: 15.7% American Indian, Eskimo, Aleut Population; 73.9% Asian, Pacific Islander; 15.6% Black; 139.8% Hispanic Ethnicity; 191.6% Other; White 6.9%.

However, the estimated change in population demographics is not so dramatic from the 2000 census to the 2007 estimated population changes. The changes are as follows: -26.7% American

OHA Deconcentration Report Update- 2009

Indian, Eskimo, Aleut Population; 28.9% Asian, Pacific Islander; 2.1% Black; 52.2% Hispanic Ethnicity; 14.6% Other; White 7.9%.

This would suggest that the rate minority population increases has slowed, but the makeup of the minority population is shifting from Black to Hispanic. The 2007 population estimates show that Blacks are 7.3% of the Omaha (MSA) and Hispanics are 7.4% of the Omaha (MSA). These trends are expected to continue through 2012, when the Hispanic population is expected to be 1.6% greater than the Black population. Additionally, The Asian and Pacific Islander population will continue to show modest growth in 2007 and through 2012. However, the Black population will continue to shrink in comparison with other races and ethnicity.

The population of the Omaha MSA does not show the same general trends that most metropolitan areas are experiencing, which is an aging population. However, the growth in the average age of that aging population is 1.5 years younger than the average across the US. This is indicative of the changing demographics of the ethnic and racial population of the area. The continuing shift downward, as a percentage of the population, of African-Americans and continuing shift upward, as a percentage of the population, of Hispanics; makes the overall demographics of the Omaha MSA more complex when discussing poverty. The ability to impact poverty in identified areas requires a much broader approach than what was originally identified in the Hawkins vs. HUD Consent Decree. The ability of OHA to deal with both racial and ethnic poverty requires a shift in program focus and application of deconcentration efforts.

**Income**

In 2007, the median household income in Greater Omaha was \$55,805, compared to the U.S. median of \$51,680. The Census revealed median household incomes of \$44,671 in 2000 and \$29,967 in 1990 representing an increase of 49.1%. It is estimated that the median household income will increase 12.9% by 2012 and reach \$63,012. In 2007, the per capita income was \$25,272, compared to the U.S. per capita, which was \$25,232. The 2007 average household income was \$63,626, compared to the U.S. average of \$65,273.

## Plan Components

### **Current Issues**

Participants who want to take advantage of OHA's deconcentration incentive program are faced with multiple concerns regarding the program. In my conversations with the OHA staff reported to me that many participants who moved into areas that were not identified as highly concentrated poverty areas, have found issues with transportation, child care, access to social service support and blending into the neighborhood. These issues have forced many to reconsider their initial move to the low poverty area. Many simply make the move to the low poverty area for the required time period and then move to more familiar areas that provide the support they require. The on-going reduction of services by many jurisdictions and non-profits further exacerbates the issues faced by low-income participants.

### **Plan Objectives**

Despite these issues, the OHA 5 Year Plan, for Fiscal Years 2007 – 2011, affirmatively supports the on-going effort to move families to non-impacted census tracts. The OHA 5 year objectives include:

- Identify and provide voucher mobility counseling
- Continue to conduct outreach efforts to potential voucher landlords
- Continue the voucher homeownership program
- Create additional housing opportunities by converting public housing to vouchers

### **Continuing to Encourage Movement to Low Poverty Areas**

To date, the concern of OHA has been the self-selection inherent in voluntary deconcentration programs, and the screening that these programs apply to applicants work to bring forth participants that are likely to be more motivated and possess more human capital than the families that do not participate. Still, mobility programs typically have a low success rate, because fewer than half the applicants who are accepted are able to lease an apartment. According to OHA stakeholders, the incentive program (higher payment standard) put forth by the OHA is focused on attracting landlords who are willing to housing participants. The incentive works well when vacancy rates are high. However, when vacancy rates are low, landlords are less likely to rent to voucher holders. In good economic times, landlords can be more selective in who they house.

Basing definitions of opportunity neighborhoods on census data has clear advantages for program administration, eligibility thresholds can be set, programs can be monitored, and performance can be measured. But census data has well-known limitations. It ages and is less

useful at the end of a decade than at the beginning, and this may be a greater problem in the very census tracts that we are most concerned about: those in the middle ranges between clear concentrated poverty and clear affluence. In addition, functional boundaries of neighborhoods may not always coincide well with census tract boundaries.

Most important, census tracts that look the same by income, by demographic characteristics, by rents or house prices, or by other things measurable by the census may provide very different opportunities. For quality of education, the relevant area may be much larger than the census tract and this may differ greatly from place to place depending on how schools are organized geographically and administered on the ground. For access to jobs, access to the transportation net with reasonable commuting times to job centers cannot be measured through census data. The level of social cohesion, the strength of community-based institutions, and whether public and private investment are increasing or decreasing can be measured only through local information.

This all implies that the definition of opportunity neighborhoods should be made locally. However, the experience of the Regional Opportunities Counseling (ROC) program suggests caution about leaving the definition of opportunity neighborhoods entirely up to local program designers (Cunningham and Sawyer, 2005). For ROC, definitions of low-poverty areas range from 5 percent or fewer households in poverty to just under 40 percent of persons in poverty. This large range of definitions does not mirror real differences in local housing markets or neighborhood dynamics, but appears related instead to differences in how seriously the ROC site took the objective of moving to a lower poverty neighborhood.

It is important to set goals and to measure performance against benchmarks for the voucher program both nationally and for individual PHAs. However, this does not mean that a move to a low-poverty neighborhood is the right decision for every individual family. How to relate goals for deconcentration to individual family needs has is a particularly pressing issue with the widespread use of housing vouchers to relocate families from distressed public housing developments that are removed from the regular public housing program, either demolished or redeveloped. The OHA has experienced this situation directly. Over time, many of the families that have relocated to low-poverty areas have moved back to the same area from which they relocated. Many have cited an inability to create and maintain support mechanisms that further promote them living in these low-poverty areas.

### **OHA's Approach for Impacted Families**

For the OHA, it might be possible to take an incremental approach to setting goals for particular families who want to take advantage of the deconcentration plan. First, one can postulate that differences in neighborhood quality are linear and that any reduction in neighborhood poverty for a particular family is an improvement. Second, some families may want to or be prepared to change neighborhoods in stages rather than immediately moving from very high poverty to low

poverty. The experiences of OHA voucher users who have participated in the deconcentration plan clearly highlight some of the difficulties faced by these families. Perhaps the expectations for families moving out of impacted public housing developments should be different from our expectations for other families using vouchers. The anecdotal experiences of the OHA participants show families relocating from public housing or impacted census tracts are more likely than other families to face extreme discrimination in the private rental market and to have multiple family problems. Compared with public housing developments that are more than 70-percent poor, a private rental unit in a neighborhood with a poverty rate between 30 and 40 percent may be a real improvement even if it does not meet an ideal definition of neighborhood quality.

Another key objective, providing mobility counseling, is important for long-term success. Although, many mobility counseling programs are focusing on recruiting families from among those who are already using a housing choice voucher for at least 1 year, this may be a sensible way of structuring deconcentration efforts so that they are sensitive to the needs of individual families. In particular, it enables the counseling agency to separate the imperative of helping the family to use a voucher within the time allotted by the PHA from efforts to help the family move to a better neighborhood. The challenge will be finding a counseling agency with whom to create a partnership. Even if mobility programs expand and serve more families, there is an upper limit to their growth. This is defined by the political realities of the destination communities. Low-poverty areas are not anxious to receive large numbers of poor, public housing families, and there will typically be political backlash if current residents feel that these families are being forced into their neighborhoods.

#### **Deconcentration Commitment by OHA**

The OHA is committed to its continued deconcentration efforts. Stakeholders believe it is a key component to helping them meet their mission: *to provide quality, affordable, safe and sanitary housing for eligible family and other eligible persons.; to provide housing opportunities, free from discrimination; and promote self-sufficiency and economic independence for residents.*

**OMAHA HOUSING AUTHORITY****Chapter 14****COMPLAINTS, GRIEVANCES AND APPEALS**

[24 CFR Part 966 Subpart B]

**INTRODUCTION**

The informal hearing requirements defined in HUD regulations are applicable to participating families who disagree with an action, decision, or inaction of the PHA. This Chapter describes the policies to be used when families disagree with a PHA decision. It is the policy of the PHA to ensure that all families have the benefit of all protections due to them under the law.

**Grievances shall be handled in accordance with the PHA's approved Grievance Procedures. The written grievance procedure is incorporated into this document by reference and is the guideline to be used for grievances and appeals.**

**A. COMPLAINTS**

**The PHA will respond promptly to all complaints.**

**Complaints from families.** If a family disagrees with an action or inaction of the PHA, complaints will be referred to the **Manager**. Complaints regarding physical condition of the units may be reported by phone to the **Manager**.

**Complaints from staff.** If a staff person reports a family is violating or has violated a lease provision or is not complying with program rules, the complaints will be referred to the **Manager**.

**Complaints from the general public.** Complaints or referrals from persons in the community in regard to the PHA or a family will be referred to the **Manager**.

**Anonymous complaints will be checked whenever possible.**

**B. APPEALS BY APPLICANTS**

Applicants who are determined ineligible, who do not meet the PHA's admission standards, or where the PHA does not have an appropriate size and type of unit in its inventory will be given written notification promptly, including the reason for the determination.

Ineligible applicants will be promptly provided with a letter detailing their individual status, stating the reason for their ineligibility, and offering them an opportunity for an informal hearing.

Applicants must submit their request for an informal hearing in writing to the PHA within **ten** working days from the date of the notification of their ineligibility.

If the applicant requests an informal hearing, the PHA will provide an informal hearing within **ten** working days of receiving the request. The PHA will notify the applicant of the place, date, and time.

Informal hearings will be conducted by an impartial hearing officer. The person who is designated as the hearing officer cannot be the person who made the determination of ineligibility or a subordinate of that person.

The applicant may bring to the hearing any documentation or evidence s/he wishes and the evidence along with the data compiled by the PHA will be considered by the hearing officer.

The hearing officer will make a determination based upon the merits of the evidence presented by both sides. Within **ten** working days of the date of the hearing, the hearing officer will mail a written decision to the applicant and place a copy of the decision in the applicant's file.

The grievance procedures for Public Housing tenants do not apply to PHA determinations that affect applicants.

#### **C. APPEALS BY TENANTS**

Grievances or appeals concerning the obligations of the tenant or the PHA under the provisions of the lease shall be processed and resolved in accordance with the Grievance Procedure of the PHA, which is in effect at the time such grievance or appeal arises.

(See the PHA's Grievance Procedure contained in this chapter.)

#### **D. HEARING AND APPEAL PROVISIONS FOR "RESTRICTIONS ON ASSISTANCE TO NON-CITIZENS"**

Assistance to the family may not be delayed, denied or terminated on the basis of immigration status at any time prior to the receipt of the decision on the INS appeal.

Assistance to a family may not be terminated or denied while the PHA hearing is pending but assistance to an applicant may be delayed pending the PHA hearing.

#### **INS Determination of Ineligibility**

If a family member claims to be an eligible immigrant and the INS SAVE system and manual search do not verify the claim, the PHA notifies the applicant or tenant within ten days of their right to appeal to the INS within thirty days or to request an informal hearing with the PHA either in lieu of or subsequent to the INS appeal.

If the family appeals to the INS, they must give the PHA a copy of the appeal and proof of mailing or the PHA may proceed to deny or terminate. The time period to request an appeal may be extended by the PHA for good cause.

The request for a PHA hearing must be made within fourteen days of receipt of the notice offering the hearing or, if an appeal was made to the INS, within fourteen days of receipt of that notice.

After receipt of a request for an informal hearing, the hearing is conducted as described in the "Grievance Procedures" section of this chapter for both applicants and participants. If the hearing officer decides that the individual is not eligible, and there are no other eligible family members the PHA will:

Deny the applicant family.

Terminate the participant.

If there are eligible members in the family, the PHA will offer to prorate assistance or give the family the option to remove the ineligible members.

All other complaints related to eligible citizen/immigrant status:

If any family member fails to provide documentation or certification as required by the regulation, that member is treated as ineligible. If all family members fail to provide, the family will be denied or terminated for failure to provide.

Participants whose assistance is pro-rated (either based on their statement that some members are ineligible or due to failure to verify eligible immigration status for some members after exercising their appeal and hearing rights described above) are entitled to a hearing based on the right to a hearing regarding determinations of Tenant Rent and Total Tenant Payment.

Families denied or terminated for fraud in connection with the non-citizens rule are entitled to a review or hearing in the same way as terminations for any other type of fraud.

#### **E. RESIDENT GRIEVANCE PROCEDURE**

1. SCOPE

- A. This grievance procedure is applicable to all residents with dwelling leases entered into directly by the Housing Authority of the City of Omaha (OHA), with the exception of leases for Section 23 leased housing developments, Section 8 Housing Assistance Payments Program, where the owners enter into leases directly with residents.
- B. By reference therein, this Grievance Procedure shall become a part of all applicable resident leases, as designated above.

2. RIGHT TO A HEARING

Upon filing a written request as provided herein, a complainant shall be entitled to a Hearing before a Hearing Panel.

3. HEARING PREREQUISITES

- A. Informal Settlement of Grievance: Any grievance shall be personally presented, either orally or in writing, to the Manager of the development in which the complainant resides, and in cases where no development office exists, to the Central Office of OHA, so that the grievance may be discussed informally and settled without a Hearing. In an appropriate case, the Manager may refer the resident to another office of OHA.
- B. In all cases arising out of a Notice of Termination, the resident shall present the grievance to the Manager within one (1) working day after service of the Notice of Termination upon him/her. If a resident having a grievance arising out of a Notice of Termination has not presented such grievance within said one (1) working day after service of the Notice of Termination upon him or her, he or she shall be deemed to have waived the provisions of the grievance procedure and said Notice of Termination shall be valid and said resident shall either remedy the situation within the time specified by said Notice of Termination or quit the premises within the time set forth in said Notice. In all other cases, in the event the grievance cannot be discussed immediately when presented, an appointed date and time shall be agreed upon, not to exceed five (5) working days from the date the grievance was presented. Failure to present a grievance for informal settlement within the time mentioned in this subparagraph shall not constitute a waiver by resident of his/her right to contest any action of OHA in any appropriate judicial proceeding to which he/she may be entitled by law.
- C. A summary by management of such discussions shall be prepared within one (1)

working day and one copy shall be given to the resident personally or by mail and one retained in the resident's file. Summaries shall specify the names of the participants, dates of meeting, the nature of the proposed disposition of the complaint and the specific reasons therefore, and shall specify the procedures by which a hearing may be obtained if the complainant is not satisfied. In cases arising out of a Notice of Termination, the summary shall also indicate whether said Notice of Termination remains in effect or is revoked. If the resident is not fluent in English, a copy of the summary shall be prepared in the resident's native language. In the event Management has decided to take any corrective action, the summary shall include the date upon which said action is expected to be taken or completed.

#### 4. APPLICABILITY

- A. This grievance procedure shall be applicable to all individual grievances as defined in Section 5 hereof, excluding, however those matters mentioned in subparagraph B.
- B. This grievance procedure shall not be applicable to any grievance concerning an eviction or termination of residency based upon a tenant's creation or maintenance of a threat to the health or safety of other residents not involving OHA or to class grievances. Further, a grievance procedure is not intended as a forum for initiating or negotiating policy changes between a group or groups of residents and the Board of Commissioners of OHA.

#### 5. DEFINITIONS

For the purpose of this grievance procedure policy, the following definitions are applicable:

- a. "Grievance" shall mean any dispute a resident may have with respect to an action of OHA or its failure to act in accordance with the individual resident's lease or with OHA regulations and which adversely affect the individual resident's rights, duties, welfare or status.
- b. "Complainant" shall mean any resident whose grievance is presented to OHA in accordance with Sections 3 and 6 hereof.
- c. "Hearing Panel" shall mean the Hearing Officers selected in accordance with Section 6 hereof, specifically to hear grievances and render a decision with respect thereto.
- d. "Resident" shall mean any lessee, or remaining head of household of any resident family residing in housing accommodations covered by the lease, in accordance with Section 1 hereof.

- e. "Working days" are weekday, Monday through Friday, but excluding holidays that Management observes.

6. PROCEDURES TO HOLD A HEARING

- a. Hearing Prerequisite: All grievances shall be personally presented, either orally or in writing, pursuant to the informal procedure described in Section 3 hereof, as a condition precedent to a Hearing under this Section; provided, however, that if the complainant show good cause why he/she failed to proceed in accordance with Section 3, the provisions of this subsection may be waived by Management.
- b. Request for a Hearing: The complainant shall submit a written request for a Hearing to the development office in which the complainant resides, or the Resident Services/Drug Education Manager at 540 South 27<sup>th</sup> Street, Omaha, NE 68105. The grievance or complaint must be signed by the complainant and filed in the office by him/her or his/her representative within three (3) working days of the receipt of the summary of discussion mentioned in Section 3 hereof. The request may be simply stated but shall specify the following:
1. The reasons for the grievance; and
  2. The action or relief sought.

A copy of the complaint shall be retained by the complainant and a copy shall be filed with the Manager of the development in which the complainant resides. All complaints and/or copies must be date-stamped at time of receipt by OHA.

- c. Escrow Deposits: In the event that the grievance involves the amount of rent as defined in the lease between the resident and OHA, which OHA claims is due, the complainant, within the time period mentioned in Subparagraph 6B above, shall pay to OHA an amount equal to the amount of rent due and payable as of the first of the month preceding the month in which the act or failure to act on which the grievance is based, took place before a Hearing will be scheduled. The complainant shall thereafter deposit the same amount of the monthly rent in escrow with OHA monthly until the complaint is decided by the Hearing Panel, and acted upon by OHA. Acceptance of such escrow deposit by OHA shall not be deemed a waiver of any Notice of Termination. All such escrow deposits shall be made by cash or cashier's checks. These requirements may be waived by OHA in extenuating circumstances upon written request by the complainant. Unless so waived, the failure to make such payments shall result in the termination of the grievance procedure, provided that failure to make payments shall not constitute a waiver of any right the complainant may have to contest OHA's disposition of his/her grievance in any appropriate

judicial proceeding.

- d. Composition and Selection of Hearing Panel: Grievances shall be presented before a Hearing Panel consisting of five (5) impartial and disinterested individuals selected by OHA as follows:
1. Two (2) panel members shall be selected from among the officers of the various Resident Councils, provided however, no officer of the resident council for the development in which a complainant resides shall serve on any hearing panel concerning that complainant's grievance.
  2. Two (2) panel members shall be selected from the Outreach Coordinators working for OHA.
  3. One (1) panel member shall be selected from a local social service agency, such as Family Service, National Conference of Christians and Jews, Urban League, or other similar agency.

OHA shall select and promptly notify those individuals who are to serve on a particular Hearing Panel.

- e. Schedule of Hearings: Upon complainant's compliance with Section 3 and Subparagraphs A and B, and in a non-payment of rent situation, Subparagraph C of this Section 6, a hearing shall be scheduled by the Hearing Panel within three (3) working days after the receipt of a formal request for a hearing by a complainant, as set forth in Subparagraph B hereof, and selection of the Hearing Panel as set forth in Subparagraph D hereof, which hearing shall be at a time and place reasonably convenient to both the complainant and OHA. Written notification specifying the time, place and procedures governing the Hearing shall be delivered to the complainant, the Resident Services/Drug Education Manager of OHA, and to the Manager of the development in which the resident resides, and copies of such notification shall be given to each member of the Hearing Panel.

## 7. FAILURE TO REQUEST A HEARING

If the complainant does not request a Hearing in accordance with Section 6 above and within the time provided herein, then OHA's disposition of the grievance under Section 3 shall become final, and any Notice of Termination that may have been served shall stand as originally issued, unless revoked by the procedures set forth in Section 3; provided, however, that failure to request a Hearing shall not constitute a waiver by the complainant of his/her right thereafter to contest OHA's action in disposing of the complaint in an appropriate judicial proceeding.

8. PROCEDURES GOVERNING THE HEARING

- a. A Hearing shall be held before the Hearing Panel as provided in Section 6 hereof.
- b. The complainant shall be afforded a fair Hearing providing the basic safeguards of due process which shall include:
  1. The opportunity to examine before the Hearing and, at the expense of the complainant, copy all documents, records and regulations of OHA that are relevant to the Hearing. Any document not made available, after written request therefore by the complainant, may not be relied upon by OHA at the Hearing;
  2. The right to be represented by counsel or other person so designated by the complainant as his/her representative;
  3. The right to a private Hearing unless the complainant requests a public Hearing;
  4. The right to present evidence and arguments in support of his or her complaint, to controvert evidence relied upon by OHA, and to confront and cross-examine all witnesses upon whose testimony and information OHA relies; and
  5. A decision based solely and exclusively upon the facts presented at the Hearing.
- c. The Hearing Panel may render a decision without proceeding with the Hearing if the Hearing Panel determines that the issue has been previously decided in another proceeding.
- d. The Hearing may continue at the request of either OHA or the resident for good cause such as illness or unavoidable absence of a party or witness or by agreement between OHA and the resident. On its own motion, the Hearing Panel may continue the Hearing if either the resident or OHA fails to appear at the scheduled time for the Hearing or it may determine that the resident has waived his/her right to a Hearing or that OHA has waived its right to proceed with the proposed eviction or to present evidence in support of its position. Except for circumstances beyond the control of the resident, no continuance may be granted for more than one (1) working day unless both parties have agreed to a longer day. Both parties shall be notified of the determination by the Hearing Panel. A determination that the resident has waived his/her right to a Hearing shall not constitute a waiver of any right of the resident may have to contest OHA's disposition of the grievance in an appropriate judicial proceeding.

- e. A quorum of any hearing panel shall be sufficient to hear all grievances. A quorum shall consist of at least three (3) members. All actions of the Hearing Panel shall be by majority vote of the members of said panel.

## 9. THE HEARING

- a. At the Hearing, the complainant must first make a showing of an entitlement to the relief sought, and thereafter, OHA must sustain the burden of justifying OHA's action or failure to act against which the complaint is directed.
- b. The Hearing shall be conducted informally by a presiding officer chosen from among the members of the Hearing Panel by the members themselves.
- c. Oral or documentary evidence as limited to the facts raised by the complaint may be received without regard to admissibility under the rules of evidence applicable to judicial proceedings.
- d. The Hearing Panel shall require OHA, the complainant, counsel and other participants or other spectators to conduct themselves in an orderly fashion. Failure to comply with the direction of the Hearing Panel to obtain order may result in exclusion from the proceedings or in a decision adverse to the interest of the disorderly party in granting or denial of the relief sought, as appropriate.
- e. The complainant or OHA may arrange in advance and, at the expense of the party making the arrangements, for a transcript of the Hearing. Any interested party may purchase a copy of such transcript.

## 10. DECISION OF THE HEARING PANEL

- a. Within three (3) days of the Hearing, the Hearing Panel shall prepare a written decision together with the reasons therefore. The decision shall be based solely and exclusively upon the facts presented at the Hearing and upon applicable OHA and Department of Housing and Urban Development (HUD) regulations. A copy of the decision shall be sent to the complainant and Manager of the development in which the complainant resides. OHA shall retain a copy of the decision in the resident's folder. A copy of such decision with all names and identifying references deleted shall also be maintained on file by OHA and made available for inspection by a prospective complainant, his/her representative, or by any member of the Hearing Panel. All decisions shall be signed by the presiding Officer.

- b. The decision of the Hearing Panel shall be binding upon OHA, which shall take all action or refrain from any actions necessary to carry out the decision unless the Board of Commissioners of OHA determines within thirty (30) days and promptly notifies the complainant of its determination, that one of the following should apply:
1. The grievance does not concern OHA action or failure to act in accordance with or involving the complainant's lease or OHA regulations and which adversely affect the complainant's rights, duties, welfare or status; or
  2. The decision of the Hearing Panel is contrary to applicable federal, state or local laws, HUD regulations or requirements of the Annual Contributions Contract between HUD and OHA.
  3. In the event OHA determines the decision of the Hearing Panel is improper, OHA shall specify the precise nature of its objection and the laws and regulations it believes are contravened.
- c. The decision by the Hearing Panel in favor of OHA, which denies the relief requested by the complainant in whole or in part, shall not constitute a waiver of, nor affect in any manner whatever, any rights the complainant may have to a trial de novo or judicial review in any judicial proceeding, which may thereafter be brought in the matter.

11. JUDICIAL RELIEF FROM THE DECISION OF THE HEARING PANEL

- a. If the decision denies the complainant his/her requested relief, in whole or in part, and the complainant elects to seek such relief as may be provided under state law through judicial proceedings, the complainant shall be free to raise any issue permitted by the court and OHA shall be free to counter the same.
- b. Any judicial decision or related settlement pertaining to the original Hearing shall also be maintained on file by OHA in the resident's folder.

12. EVICITION ACTIONS BASED ON DECISION OF HEARING PANEL

If a resident has requested a Hearing, as provided herein, involving a Notice of Termination of a residency, and the Hearing Panel upholds OHA's action of terminate the resident, OHA shall not commence an eviction action in an appropriate court of law until it has served a Notice to Vacate on the resident, and in no event shall the Notice to Vacate be issued prior to the decision of the Hearing Panel having first been mailed or delivered

to the complainant. Such Notice to Vacate must be in writing and specify that if the resident fails to vacate the premises within the time indicated, appropriate action will be brought against him and he may be required to pay court costs and attorney fees. The Notice to Vacate shall indicate one of the following:

- a. If the decision of the Hearing Panel has been mailed prior to three (3) days before the resident must quit the premises according to the original Notice of Termination, then the Notice to Vacate shall indicate that the original Notice of Termination is valid and in effect and the resident shall quit the premises within the time specified in the original Notice of Termination;

-OR-

- b. If the decision of the Hearing Panel is sent to the complainant after three (3) days prior to the date specified in the original Notice of Termination, then, in such an event, the Notice to Vacate shall indicate that the original Notice of Termination is valid and in effect, but that the resident has three (3) days from the time the Notice to Vacate (required by this section) is served upon him to quit the premises.

### 13. MISCELLANEOUS PROVISIONS

- a. Amendments: No substantive amendments to these rules or significant changes in procedures may be made without first posting said amendments for a period of thirty (30) days as set forth in Subsection B herein, and providing the residents an opportunity to present written comments which shall be taken into consideration by OHA prior to the amendment becoming effective.
- b. Posting of Procedures: A copy of these procedures and of any revisions hereto shall be posted in a conspicuous place in every development and shall be available at every development, from OHA's Central Office and from the officers and representatives of the local resident organizations.
- c. Notice: All notices, answers or decisions required under these procedures to be sent to the resident must be delivered in person to an adult member of the resident's household or mailed, postage prepaid, to the resident.

### 14. ADMINISTRATION

The Manager of Housing and Review Services shall have the overall responsibility for the supervision and administration of these procedures.

## PART III: INFORMAL REVIEWS AND HEARINGS

### 16-III.A. OVERVIEW

When the PHA makes a decision that has a negative impact on a family, the family is often entitled to appeal the decision. For applicants, the appeal takes the form of an informal review; for participants, or for applicants denied admission because of citizenship issues, the appeal takes the form of an informal hearing.

PHAs are required to include in their administrative plans, informal review procedures for applicants, and informal hearing procedures for participants [24 CFR 982.54(d)(12) and (13)].

### 16-III.B. INFORMAL REVIEWS

Informal reviews are provided for program applicants. An applicant is someone who has applied for admission to the program, but is not yet a participant in the program. Informal reviews are intended to provide a "minimum hearing requirement" [24 CFR 982.554], and need not be as elaborate as the informal hearing requirements. (Federal Register Volume 60, No. 127, p 36490).

#### Decisions Subject to Informal Review

The OPHA must give an applicant the opportunity for an informal review of a decision denying assistance [24 CFR 982.554(a)]. Denial of assistance may include any or all of the following [24 CFR 982.552(a)(2)]:

- Denying listing on the PHA waiting list
- Denying or withdrawing a voucher
- Refusing to enter into a HAP contract or approve a lease
- Refusing to process or provide assistance under portability procedures
- Denial of assistance based on an unfavorable history that may be the result of domestic violence, dating violence or stalking. (See Section 3-III.G.)

Informal reviews are *not* required for the following reasons [24 CFR 982.554(c)]:

- Discretionary administrative determinations by the PHA
- General policy issues or class grievances
- A determination of the family unit size under the PHA subsidy standards
- A PHA determination not to grant approval of the tenancy
- A PHA determination that the unit is not in compliance with the HQS
- A PHA determination that the unit is not in accordance with the HQS due to family size or composition

ne001e01

OHA Policy

The OHA will only offer an informal review to applicants for whom assistance is being denied. Denial of assistance includes: denying listing on the OHA waiting list; denying or withdrawing a voucher; refusing to enter into a HAP contract or approve a lease; refusing to process or provide assistance under portability procedures.

### **Notice to the Applicant [24 CFR 982.554(a)]**

The OHA must give an applicant prompt notice of a decision denying assistance. The notice must contain a brief statement of the reasons for the OHA decision, and must also state that the applicant may request an informal review of the decision. The notice must describe how to obtain the informal review.

### **Scheduling an Informal Review**

#### **OHA Policy**

A request for an informal review must be made in writing and delivered to the OHA either in person or by first class mail, by the close of the business day, no later than 10 business days from the date of the OHA's denial of assistance.

The OHA must schedule and send written notice of the informal review within 10 business days of the family's request.

### **Informal Review Procedures [24 CFR 982.554(b)]**

The informal review must be conducted by a person other than the one who made or approved the decision under review, or a subordinate of this person.

The applicant must be provided an opportunity to present written or oral objections to the decision of the PHA.

The person conducting the review will make a recommendation to the OHA, but the PHA is responsible for making the final decision as to whether assistance should be granted or denied.

**Informal Review Decision [24 CFR 982.554(b)]**

The OHA must notify the applicant of the OHA's final decision, including a brief statement of the reasons for the final decision.

OHA Policy

In rendering a decision, the OHA will evaluate the following matters:

Whether or not the grounds for denial were stated factually in the Notice.

The validity of grounds for denial of assistance. If the grounds for denial are not specified in the regulations, then the decision to deny assistance will be overturned.

The validity of the evidence. The OHA will evaluate whether the facts presented prove the grounds for denial of assistance. If the facts prove that there are grounds for denial, and the denial is required by HUD, the OHA will uphold the decision to deny assistance.

If the facts prove the grounds for denial, and the denial is discretionary, the OHA will consider the recommendation of the person conducting the informal review in making the final decision whether to deny assistance.

The OHA will notify the applicant of the final decision, including a statement explaining the reason(s) for the decision. The notice will be mailed within 10 business days of the informal review, to the applicant.

If the decision to deny is overturned as a result of the informal review, processing for admission will resume.

If the family fails to appear for their informal review, the denial of admission will stand and the family will be so notified.

### 16-III.C. INFORMAL HEARINGS FOR PARTICIPANTS [24 CFR 982.555]

OHAs must offer an informal hearing for certain PHA determinations relating to the individual circumstances of a participant family. A participant is defined as a family that has been admitted to the OHA's HCV program and is currently assisted in the program. The purpose of the informal hearing is to consider whether the OHA's decisions related to the family's circumstances are in accordance with the law, HUD regulations and OHA policies.

The OHA is not permitted to terminate a family's assistance until the time allowed for the family to request an informal hearing has elapsed, and any requested hearing has been completed. Termination of assistance for a participant may include any or all of the following:

- Refusing to enter into a HAP contract or approve a lease
- Terminating housing assistance payments under an outstanding HAP contract
- Refusing to process or provide assistance under portability procedures

#### Decisions Subject to Informal Hearing

Circumstances for which the OHA must give a participant family an opportunity for an informal hearing are as follows:

- A determination of the family's annual or adjusted income, and the use of such income to compute the housing assistance payment
- A determination of the appropriate utility allowance (if any) for tenant-paid utilities from the OHA utility allowance schedule
- A determination of the family unit size under the OHA's subsidy standards
- A determination that a certificate program family is residing in a unit with a larger number of bedrooms than appropriate for the family unit size under the OHA's subsidy standards, or the OHA determination to deny the family's request for exception from the standards
- A determination to terminate assistance for a participant family because of the family's actions or failure to act
- A determination to terminate assistance because the participant has been absent from the assisted unit for longer than the maximum period permitted under OHA policy and HUD rules
- A determination to terminate a family's Family Self Sufficiency contract, withhold supportive services, or propose forfeiture of the family's escrow account [24 CFR 984.303(i)]
- A determination to deny admission based on an unfavorable history that may be the result of domestic violence, dating violence, or stalking.

Circumstances for which an informal hearing is not required are as follows:

- Discretionary administrative determinations by the OHA
- General policy issues or class grievances
- Establishment of the OHA schedule of utility allowances for families in the program
- A OHA determination not to approve an extension or suspension of a voucher term
- A OHA determination not to approve a unit or tenancy
- A OHA determination that a unit selected by the applicant is not in compliance with the HQS
- A OHA determination that the unit is not in accordance with HQS because of family size
- A determination by the OHA to exercise or not to exercise any right or remedy against an owner under a HAP contract

OHA Policy

The OHA will only offer participants the opportunity for an informal hearing when required to by the regulations.

## **Informal Hearing Procedures**

### ***Notice to the Family [24 CFR 982.555(c)]***

When the OHA makes a decision that is subject to informal hearing procedures, the OHA must inform the family of its right to an informal hearing at the same time that it informs the family of the decision.

For decisions related to the family's annual or adjusted income, the determination of the appropriate utility allowance, and the determination of the family unit size, the OHA must notify the family that they may ask for an explanation of the basis of the determination, and that if they do not agree with the decision, they may request an informal hearing on the decision.

For decisions related to the termination of the family's assistance, or the denial of a family's request for an exception to the OHA's subsidy standards, the notice must contain a brief statement of the reasons for the decision, a statement that if the family does not agree with the decision, the family may request an informal hearing on the decision, and a statement of the deadline for the family to request an informal hearing.

### **OHA Policy**

In cases where the OHA makes a decision for which an informal hearing must be offered, the notice to the family will include all of the following:

The proposed action or decision of the OHA.

A brief statement of the reasons for the decision including the regulatory reference.

The date the proposed action will take place.

A statement of the family's right to an explanation of the basis for the OHA's decision.

A statement that if the family does not agree with the decision the family may request an informal hearing of the decision.

A deadline for the family to request the informal hearing.

To whom the hearing request should be addressed.

A copy of the OHA's hearing procedures.

*Scheduling an Informal Hearing [24 CFR 982.555(d)]*

When an informal hearing is required, the OHA must proceed with the hearing in a reasonably expeditious manner upon the request of the family.

OHA Policy

A request for an informal hearing must be made in writing and delivered to the OHA either in person or by first class mail, by the close of the business day, no later than 10 business days from the date of the OHA's decision or notice to terminate assistance.

The OHA must schedule and send written notice of the informal hearing to the family within 10 business days of the family's request.

The family may request to reschedule a hearing for good cause, or if it is needed as a reasonable accommodation for a person with disabilities. Good cause is defined as an unavoidable conflict which seriously affects the health, safety or welfare of the family. Requests to reschedule a hearing must be made orally or in writing prior to the hearing date. At its discretion, the OHA may request documentation of the "good cause" prior to rescheduling the hearing.

If the family does not appear at the scheduled time, and was unable to reschedule the hearing in advance due to the nature of the conflict, the family must contact the OHA within 24 hours of the scheduled hearing date, excluding weekends and holidays. The OHA will reschedule the hearing only if the family can show good cause for the failure to appear, or if it is needed as a reasonable accommodation for a person with disabilities.

***Pre-Hearing Right to Discovery [24 CFR 982.555(e)]***

Participants and the OHA are permitted pre-hearing discovery rights. The family must be given the opportunity to examine before the hearing any OHA documents that are directly relevant to the hearing. The family must be allowed to copy any such documents at their own expense. If the OHA does not make the document available for examination on request of the family, the OHA may not rely on the document at the hearing.

The OHA hearing procedures may provide that the OHA must be given the opportunity to examine at the OHA offices before the hearing, any family documents that are directly relevant to the hearing. The OHA must be allowed to copy any such document at the OHA's expense. If the family does not make the document available for examination on request of the OHA, the family may not rely on the document at the hearing.

For the purpose of informal hearings, *documents* include records and regulations.

**OHA Policy**

The family will be allowed to copy any documents related to the hearing at a cost of \$.25 per page. The family must request discovery of OHA documents no later than 12:00 p.m. on the business day prior to the scheduled hearing date

The OHA must be given an opportunity to examine at the OHA offices before the hearing any family documents that are directly relevant to the hearing.

***Participant's Right to Bring Counsel [24 CFR 982.555(e)(3)]***

At its own expense, the family may be represented by a lawyer or other representative at the informal hearing. If you intend to be represented by Legal Counsel, advocate, or another party, you must notify the Omaha Housing Authority 48 hours prior to the date of the hearing.

***Informal Hearing Officer [24 CFR 982.555(e)(4)]***

Informal hearings will be conducted by a person or persons approved by the OHA, other than the person who made or approved the decision or a subordinate of the person who made or approved the decision.

*Attendance at the Informal Hearing*

OHA Policy

Hearings may be attended by a hearing officer and the following applicable persons:

A OHA representative which may include Legal Counsel and any witnesses for the OHA

The participant and any witnesses for the participant

The participant's counsel or other representative

Any other person approved by the OHA as a reasonable accommodation for a person with a disability

*Conduct at Hearings*

The person who conducts the hearing may regulate the conduct of the hearing in accordance with the OHA's hearing procedures [24 CFR 982.555(4)(ii)].

OHA Policy

The hearing officer is responsible to manage the order of business and to ensure that hearings are conducted in a professional and businesslike manner. Attendees are expected to comply with all hearing procedures established by the hearing officer and guidelines for conduct. Any person demonstrating disruptive, abusive or otherwise inappropriate behavior will be excused from the hearing at the discretion of the hearing officer.

### ***Evidence [24 CFR 982.555(e)(5)]***

The PHA and the family must be given the opportunity to present evidence and question any witnesses. In general, all evidence is admissible at an informal hearing. Evidence may be considered without regard to admissibility under the rules of evidence applicable to judicial proceedings.

#### **OHA Policy**

Any evidence to be considered by the hearing officer must be presented at the time of the hearing. There are four categories of evidence.

**Oral evidence:** the testimony of witnesses

**Documentary evidence:** a writing which is relevant to the case, for example, a letter written to the PHA. Writings include all forms of recorded communication or representation, including letters, words, pictures, sounds, videotapes or symbols or combinations thereof.

**Demonstrative evidence:** Evidence created specifically for the hearing and presented as an illustrative aid to assist the hearing officer, such as a model, a chart or other diagram.

**Real evidence:** A tangible item relating directly to the case.

*Hearsay Evidence* is evidence of a statement that was made other than by a witness while testifying at the hearing and that is offered to prove the truth of the matter. Even though evidence, including hearsay, is generally admissible, hearsay evidence alone cannot be used as the sole basis for the hearing officer's decision.

If either the OHA or the family fail to comply with the discovery requirements described above, the hearing officer will refuse to admit such evidence.

Other than the failure of a party to comply with discovery, the hearing officer has the authority to overrule any objections to evidence.

### ***Hearing Officer's Decision [24 CFR 982.555(e)(6)]***

The person who conducts the hearing must issue a written decision, stating briefly the reasons for the decision. Factual determinations relating to the individual circumstances of the family must be based on a preponderance of evidence presented at the hearing. A copy of the hearing must be furnished promptly to the family.

#### **OHA Policy**

In rendering a decision, the hearing officer will consider the following matters:

**PHA Notice to the Family:** The hearing officer will determine if the reasons for the PHA's decision are factually stated in the Notice.

**Discovery:** The hearing officer will determine if the OHA and the family were given the opportunity to examine any relevant documents in accordance with OHA policy.

**OHA Evidence to Support the PHA Decision:** The evidence consists of the facts presented. Evidence is not conclusion and it is not argument. The hearing officer will evaluate the facts to determine if they support the OHA's conclusion.

**Validity of Grounds for Termination of Assistance (when applicable):** The hearing officer will determine if the termination of assistance is for one of the grounds specified in the HUD regulations and OHA policies. If the grounds for termination are not specified in the regulations or in compliance with OHA policies, then the decision of the OHA will be overturned.

The hearing officer will issue a written decision to the family and the OHA no later than 10 business days after the hearing. The report will contain the following information:

**Hearing information:**

Name of the participant;

Date, time and place of the hearing;

Name of the hearing officer or legal counsel, and;

Name of the PHA representative; and

Name of family representative or legal counsel (if any)

**Background:** A brief, impartial statement of the reason for the hearing.

**Summary of the Evidence:** The hearing officer will summarize the testimony of each witness and identify any documents that a witness produced in support of his/her testimony and that are admitted into evidence.

**Findings of Fact:** The hearing officer will include all findings of fact, based on a preponderance of the evidence. *Preponderance of the evidence* is defined as evidence which is of greater weight or more convincing than the evidence which is offered in opposition to it; that is, evidence which as a whole shows that the fact sought to be proved is more probable than not. Preponderance of the evidence may not be determined by the number of witnesses, but by the greater weight of all evidence.

**Conclusions:** The hearing officer will render a conclusion derived from the facts that were found to be true by a preponderance of the evidence. The conclusion will result in a determination of whether these facts uphold the OHA's decision.

**Order:** The hearing report will include a statement of whether the OHA's decision is upheld or overturned. If it is overturned, the hearing officer will instruct the OHA to change the decision in accordance with the hearing officer's determination. In the case of termination of assistance, the hearing officer will instruct the OHA to restore the participant's program status.

*PHA Notice of Final Decision [24 CFR 982.555(f)]*

The OHA is not bound by the decision of the hearing officer for matters in which the OHA is not required to provide an opportunity for a hearing, decisions that exceed the authority of the hearing officer, decisions that conflict with or contradict HUD regulations, requirements, or are otherwise contrary to Federal, State or local laws.

If the OHA determines it is not bound by the hearing officer's decision in accordance with HUD regulations, the OHA must promptly notify the family of the determination and the reason for the determination.

OHA Policy

The OHA will mail a "Notice of Final Decision" including the hearing officer's report, to the participant. This Notice will be sent by first-class mail. The participant will be mailed the original "Notice of Final Decision". A copy of the "Notice of Final Decision" will be maintained in the OHA's file.

#### **16-III.D. HEARING AND APPEAL PROVISIONS FOR NON-CITIZENS [24 CFR 5.514]**

Denial or termination of assistance based on immigration status is subject to special hearing and notice rules. Applicants who are denied assistance due to immigration status are entitled to an informal hearing, not an informal review.

Assistance to a family may not be delayed, denied, or terminated on the basis of immigration status at any time prior to a decision under the United States Citizenship and Immigration Services (USCIS) appeal process. Assistance to a family may not be terminated or denied while the PHA hearing is pending, but assistance to an applicant may be delayed pending the completion of the informal hearing.

A decision against a family member, issued in accordance with the USCIS appeal process or the OHA informal hearing process, does not preclude the family from exercising the right, that may otherwise be available, to seek redress directly through judicial procedures.

#### **Notice of Denial or Termination of Assistance [24 CFR 5.514(d)]**

As discussed in Chapters 3 and 11, the notice of denial or termination of assistance for noncitizens must advise the family:

- That financial assistance will be denied or terminated, and provide a brief explanation of the reasons for the proposed denial or termination of assistance.
- The family may be eligible for proration of assistance.
- In the case of a participant, the criteria and procedures for obtaining relief under the provisions for preservation of families [24 CFR 5.514 and 5.518].
- That the family has a right to request an appeal to the USCIS of the results of secondary verification of immigration status and to submit additional documentation or explanation in support of the appeal.
- That the family has a right to request an informal hearing with the PHA either upon completion of the USCIS appeal or in lieu of the USCIS appeal.
- For applicants, assistance may not be delayed until the conclusion of the USCIS appeal process, but assistance may be delayed during the period of the informal hearing process.

### **USCIS Appeal Process [24 CFR 5.514(e)]**

When the OHA receives notification that the USCIS secondary verification failed to confirm eligible immigration status, the OHA must notify the family of the results of the USCIS verification. The family will have 30 days from the date of the notification to request an appeal of the USCIS results. The request for appeal must be made by the family in writing directly to the USCIS. The family must provide the OHA with a copy of the written request for appeal and the proof of mailing.

#### **OHA Policy**

The OHA will notify the family in writing of the results of the USCIS secondary verification within 10 business days of receiving the results.

The family must provide the OHA with a copy of the written request for appeal and proof of mailing within 10 business days of sending the request to the USCIS.

The family must forward to the designated USCIS office any additional documentation or written explanation in support of the appeal. This material must include a copy of the USCIS document verification request (used to process the secondary request) or such other form specified by the USCIS, and a letter indicating that the family is requesting an appeal of the USCIS immigration status verification results.

The USCIS will notify the family, with a copy to the OHA, of its decision. When the USCIS notifies the PHA of the decision, the PHA must notify the family of its right to request an informal hearing.

#### **OHA Policy**

The OHA will send written notice to the family of its right to request an informal hearing within 10 business days of receiving notice of the USCIS decision regarding the family's immigration status.

### **Informal Hearing Procedures for Applicants [24 CFR 5.514(f)]**

After notification of the USCIS decision on appeal, or in lieu of an appeal to the USCIS, the family may request that the PHA provide a hearing. The request for a hearing must be made either within 30 days of receipt of the OHA notice of denial or termination, or within 30 days of receipt of the USCIS appeal decision.

For the informal hearing procedures that apply to participant families whose assistance is being terminated based on immigration status, see Section 16-III.C.

The informal hearing procedures for applicant families are described below.

#### ***Informal Hearing Officer***

The OHA must provide an informal hearing before an impartial individual, other than a person who made or approved the decision under review, and other than a person who is a subordinate of the person who made or approved the decision. See Section 16-III.C. for a listing of positions that serve as informal hearing officers.

### *Evidence*

The family must be provided the opportunity to examine and copy at the family's expense, at a reasonable time in advance of the hearing, any documents in the possession of the OHA pertaining to the family's eligibility status, or in the possession of the USCIS (as permitted by USCIS requirements), including any records and regulations that may be relevant to the hearing.

#### OHA Policy

The family will be allowed to copy any documents related to the hearing at a cost of \$.25 per page copy. The family must request discovery of OHA documents no later than 12:00 p.m. on the business day prior to the hearing.

The family must be provided the opportunity to present evidence and arguments in support of eligible status. Evidence may be considered without regard to admissibility under the rules of evidence applicable to judicial proceedings.

The family must also be provided the opportunity to refute evidence relied upon by the OHA, and to confront and cross-examine all witnesses on whose testimony or information the OHA relies.

### *Representation and Interpretive Services*

The family is entitled to be represented by an attorney or other designee, at the family's expense, and to have such person make statements on the family's behalf.

The family is entitled to arrange for an interpreter to attend the hearing, at the expense of the family, or the OHA, as may be agreed upon by the two parties.

### *Recording of the Hearing*

The family is entitled to have the hearing recorded by audiotape. The OHA may, but is not required to provide a transcript of the hearing.

#### OHA Policy

The PHA will not provide a transcript of an audio taped hearing.

### *Hearing Decision*

The OHA must provide the family with a written final decision, based solely on the facts presented at the hearing, within 14 calendar days of the date of the informal hearing. The decision must state the basis for the decision.

### **Retention of Documents [24 CFR 5.514(b)]**

The OHA must retain for a minimum of 5 years the following documents that may have been submitted to the OHA by the family, or provided to the OHA as part of the USCIS appeal or the OHA informal hearing process:

- The application for assistance
- The form completed by the family for income reexamination
- Photocopies of any original documents, including original USCIS documents
- The signed verification consent form
- The USCIS verification results
- The request for an USCIS appeal
- The final USCIS determination
- The request for an informal hearing
- The final informal hearing decision

## PART IV: OWNER OR FAMILY DEBTS TO THE PHA

### 16-IV.A. OVERVIEW

PHAs are required to include in the administrative plan, policies concerning repayment by a family of amounts owed to the PHA [24 CFR 982.54]. This part describes the PHA's policies for recovery of monies that have been overpaid on behalf of families, or to owners.

#### OHA Policy

When an action or inaction of an owner or participant results in the overpayment of housing assistance, the OHA holds the owner or participant liable to return any overpayments to the OHA.

The OHA will enter into repayment agreements in accordance with the policies contained in this part as a means to recover overpayments.

When an owner or participant refuses to repay monies owed to the OHA, the OHA will utilize other available collection alternatives including, but not limited to, the following:

- Collection agencies
- Small claims court
- Civil law suit
- State income tax set-off program

## CHAPTER 16: COMMUNITY SERVICE AND SELF-SUFFICIENCY POLICY

### I. Introduction

As part of the Quality Housing and Work Responsibility Act of 1998 (QHWRA), Congress imposed a requirement that all adult residents of federally-funded public housing, unless specifically exempted, must perform community service activities or participate in an economic self-sufficiency program to remain eligible for public housing assistance. Therefore, OHA's public housing lease provides that all non-exempt residents must:

- Contribute eight (8) hours per month of community service (not including political activity); or
- Participate in an economic self-sufficiency program for eight (8) hours per month; or
- Perform eight (8) hours per month of combined community service and self-sufficiency activities.

Congress and the U.S. Department of Housing and Urban Development (HUD) established the community service/self-sufficiency requirement for residents not as a punitive or demeaning activity, but rather to be a rewarding activity that will benefit both the resident and the community.

### II. Definitions

**Community Service:** For the purposes of this policy, community service is the performance of voluntary work or duties for the public benefit that serve to improve the quality of life of the resident within the community in which he or she resides. Community service includes, but is not limited to:

- Work at a local institution, including, but not limited to: school, child care center, hospital, hospice, recreation center, senior center, adult day care center, homeless shelter, drug/alcohol treatment center, indigent feeding program, cooperative food bank, etc.;
- Work with a non-profit organization that serves public housing residents or their children, such as: Boy Scouts, Girl Scouts, Boys or Girls Clubs, 4-H programs, other youth or senior organizations, community clean-up programs, neighborhood beautification programs, etc.;
- Work with the OHA to help improve physical conditions<sup>1</sup>

---

<sup>1</sup> The OHA may not substitute community service or self-sufficiency activities performed by residents for work ordinarily performed by OHA employees, or replace a job at any location where residents perform activities to satisfy the service requirement.

- Work at the OHA to help with children's or senior programs;
- Helping neighborhood groups with special projects;
- Working through resident organizations to help other residents with problems, serving as an officer in a Resident Tenant Organization, serving on the Resident Advisory Board; and
- Caring for the children of other residents so they may fulfill their own community service/self-sufficiency obligations.

**NOTE:** Political activity or volunteer work does NOT count toward the community service requirement.

**Self-Sufficiency Activities:** For the purposes of this policy, an economic self-sufficiency program is any program designed to encourage, assist, train or facilitate the economic independence of participants and their families or to provide work for participants. These programs may include, but are not limited to:

- Job readiness programs;
- Job training programs;
- GED classes;
- Substance abuse or mental health counseling;
- English proficiency or literacy (reading) classes;
- Apprenticeships;
- Budgeting and credit counseling;
- Any kind of class that helps a person toward economic independence; and
- Full-time student status at any school, college or vocational school

All community service and self-sufficiency activities **MUST** be performed within the community and **NOT** outside of the jurisdictional area of the OHA.

### **III. Resident/Family Obligations**

Although OHA may directly supervise community service/self-sufficiency activities and may provide a list of agencies offering opportunities from which residents may select activities, non-exempt residents are wholly responsible for fully complying community service requirements with or without OHA assistance.

At lease execution, each adult member (18 years or older) of a public housing

family must sign a certification stating that he/she has received and read this policy, and understands that (unless he/she is exempt) failure to comply with the community service requirement will result in non-renewal of the family's lease.

At lease execution, each resident who qualifies for an exemption must provide documentation showing that he/she is exempt from community service (see Sections V-VI, below).

At each annual reexamination, non-exempt family members must present a completed documentation-of-hours form (to be provided by OHA) of activities performed over the previous twelve (12) months. This form will include places for confirmation of the following:

- The number of hours of community service/self-sufficiency work completed;
- The type of work completed;
- The community organization where the work was completed; and
- The signature, name, title, address and phone number of the person supervising the completion of the work.

All of the above-described information must be completed on the documentation-of-hours form.

If a family member is found to be noncompliant at reexamination, he/she and the head-of-household must sign an agreement with OHA to make up the deficient hours over the next twelve (12) month period. If the appropriate individuals do not sign such an agreement, the family's lease will not be renewed.

If any member of the household is not willing to sign a Community Service Agreement to make up the deficient community service hours, or did not meet the requirement of a prior lease period Community Service Agreement, the lease agreement shall not be renewed.

Each resident is responsible for reporting changes in exemption status, as described in Section VII, below.

#### **IV. OHA Obligations**

To the greatest extent possible and practicable, OHA will:

- Provide names and contacts at agencies that can provide opportunities for residents, including non-exempt disabled residents<sup>2</sup>, to fulfill their community service requirements.

---

<sup>2</sup> According to the Quality Housing and Work Responsibility Act, a disabled person who is otherwise able to be gainfully employed is not necessarily exempt from the community service requirement. See Section IV on Applicability and Exemptions.

- Provide in-house opportunities for volunteer work or self-sufficiency programs.

The OHA will provide the family with exemption verification forms, documentation-of-hours forms and a copy of this policy at lease execution.

The OHA will make the final determination as to whether or not a family is exempt from the community service requirement. Residents may use the OHA Tenant Grievance Procedure if they disagree with OHA's determination.

Each year, as part of the annual reexamination process, OHA will determine whether each non-exempt resident has complied with the community service requirement and whether each exempt resident continues to be exempt.

The OHA shall retain documentation of community service participation and/or exemption in the resident's file.

## V. **Applicability and Exemptions**

The community service and self-sufficiency requirement applies to all adult residents in public housing, except for those exempted under the law and regulations. This requirement does not apply to Section 8 (HCV) recipients.

The following residents over the age of eighteen (18) are exempt from the community service requirement:

- A. Resident household members who are age sixty-two (62) or older;
- B. Resident household members who are blind or disabled, as defined by §216(i)(1) or §1614 of the Social Security Act, found at 42 U.S.C. §416(i)(1); and §1382c, which is summarized as follows:
  - The Social Security Act defines disability as the "inability to engage in any substantial gainful activity by reason of any medically determinable physical or mental impairment which can be expected to result in death or has lasted or can be expected to last for a continuous period of not less than twelve months."
  - Blindness is defined as "central visual acuity of 20/200 or less in the better eye with the use of a correcting lens. An eye which is accompanied by a limitation in the field of vision such that the widest diameter of the visual field subtends an angle no less than 20 degrees shall be considered for purposes of this paragraph as having a central visual acuity of 20/200 or less."
  - Residents who claim exemption because of disability or blindness must also certify that because of this blindness or disability, they are unable to comply with the community service requirement. If a resident does not meet this definition of blindness or disability and believes that he or she

is unable to perform community service or economic self-sufficiency activity, he or she may apply for an exemption from the requirement as a reasonable accommodation under OHA's Reasonable Accommodation Policy. An application for reasonable accommodation can be obtained at the development management office.

- C. Resident household members who are the primary caregivers of a blind or disabled individual as described in Paragraph 2;
- D. Resident household members who are engaged in work activity as defined under §407(d) of the Social Security Act (42 U.S.C. §607(d)) for at least thirty (30) hours each week. Work activities are:
  - Unsubsidized employment;
  - Subsidized private sector employment;
  - Subsidized public sector employment;
  - Work experience, including work associated with refurbishing publicly assisted housing, if sufficient private sector employment is not available;
  - On-the-job training;
  - Community service programs;
  - Vocational educational training not to exceed twelve (12) months;
  - Job-skills training directly related to employment;
  - Education directly related to employment for a resident who has not received a high school diploma or a certificate of high school equivalency;
  - Satisfactory attendance at a secondary school or a course of study leading to a certificate of general equivalence for a resident who has not completed high school or received such a certificate; or
  - The provision of childcare services to an individual who is participating in a community service program.
- E. Resident household members who are exempt from work activity under Part A of Title IV of the Social Security Act (42 U.S.C. §601 et. seq.) or under any other state welfare program, including a state-administered welfare-to-work program; or
- F. Resident household member who is a member of a family receiving assistance, benefits or services under a State program funded under part A of Title IV of the Social Security Act (42 U.S.C. §601 et. seq.) or under any other

state welfare program, including a state-administered welfare-to-work program, and who is not found to be in non-compliance with any provision of that program.

## VI. Verification of Exemptions

All applicants will be provided with an information sheet describing the community service/self-sufficiency requirement at the time they make their final application. At the time the lease is signed, the property manager will again provide the head-of-household with the community service information sheet. The head of household will be asked to declare which household members are exempt from community service and provide the appropriate verifications. OHA will provide non-exempt residents with a list of agencies in the community that provide volunteer and/or training opportunities.

OHA management staff will review the exemption status of each family member at the time of the annual reexamination (every twelve months). During the twelve-month period, residents are responsible for reporting changes in exempt status as described in section VII (below). OHA will conduct an interim reexamination if a change is reported.

In order to establish an exemption, the following verification must be provided:

- A. *Age 62 or over:* Any birth certificate or proof of age already submitted by the resident to establish age or achieve eligibility or occupancy as a person 62 or older shall be deemed sufficient verification.
- B. *Disability or Blindness:* Receipt by a household member of Social Security Disability or SSI benefits shall be deemed proof of disability under this policy. A household member whose application for disability benefits is pending shall be deemed disabled unless and until a denial of the application is received. Any resident who believes they meet the definition of disability included in this policy may submit a statement from their treating physician providing OHA staff with facts that will assist them in determining whether the resident is disabled within the definition applicable under this policy. If a resident does not meet this definition but still believes that he or she is unable to perform community service, the resident may apply for a reasonable accommodation under the OHA reasonable accommodation policy. The manager will provide an application for a reasonable accommodation upon request.

Residents who are determined to be exempt because of blindness or disability shall also sign a statement certifying that they are unable to comply with the community service requirement because of the blindness or disability.

- C. *Primary caregiver of a disabled person:* A statement from the person being cared for or his/her guardian affirming that the resident seeking the exemption acts as the primary caregiver and the period during which he/she is expected

to continue in that role shall be adequate verification.

- D. *Engaged in work activity:* The verification of employment income provided to OHA for rent determination shall be adequate for this purpose. Verification of participation in job training or other qualifying program must be submitted by the providing organization or school.
- E. *Exempt from work activity under state welfare program:* Verification of the exemption should be obtained from the welfare department.
- F. *Member of a family who receives assistance from a state welfare program and is in compliance with that program:* Verification of receipt of program assistance and compliance should be obtained from the welfare department.

#### **VII. Changes in Exempt Status:**

If, during the twelve (12) month period, a **non-exempt person becomes exempt**, it is his/her responsibility to report this information to OHA and provide documentation of such. When such change is reported, OHA will conduct an interim reexamination and provide the person with the appropriate verification procedures.

- When a non-exempt person becomes exempt, he/she will remain responsible for the hours accrued prior to the application of the exemption (*i.e. if a resident becomes exempt 6 months into the year, he/she will be responsible for completing 48 hours of community service/self-sufficiency work by the end of the twelve-month period*).
- Further, if a non-exempt resident becomes exempt while working to complete past-due hours under a Community Service Agreement (see Section VII, below), he/she will remain responsible for completing the past-due hours under the agreement and any additional hours accrued prior to the application of the exemption.

If, during the twelve (12) month period, an **exempt person becomes non-exempt**, it is his/her responsibility to report this to OHA. When such change is reported, OHA will conduct an interim reexamination and provide the person with the appropriate declaration forms and a list of agencies in the community that provide volunteer and/or training opportunities.

#### **VIII. Annual Determinations of Compliance**

As stated previously, each year, as part of the annual reexamination process, OHA will determine whether each non-exempt household member has complied with the community service requirement and whether each exempt household member continues to be exempt.

Included with the letter requesting the family to attend its annual reexamination will

be a reminder that resident compliance with and/or exemption from community service will be determined as part of the status review. A list of exemption categories, a reminder that certain exemptions<sup>3</sup> from the community service requirement must be reviewed annually and a Community Service Exemption Certification Form will be attached to the letter. Additionally, the OHA will include a documentation-of-hours form for each household member who was required to perform community service. These forms (see Section III, above) must be completed and returned to the site manager at least thirty (30) days before the lease term expires.

If the OHA determines that the household is in compliance with the community service/self-sufficiency requirement, as well as all other requirements for continued occupancy, the lease will be automatically renewed. Generally, an annual lease signing process is not necessary.

**Noncompliance:**

If the OHA determines that a non-exempt resident has not complied with the community service/self-sufficiency requirement, the OHA must notify the head-of-household in writing. The notification must also inform the resident that:

- The determination of noncompliance is subject to the OHA's Tenant Grievance Procedure;
- Unless the resident enters into an agreement to cure<sup>4</sup> or the noncompliant adult no longer resides in the unit (and the household provides verification of such), the lease of the household shall not be renewed.

To take advantage of the statutory opportunity to cure, the noncompliant adult and the head-of-household must enter into a Community Service Agreement, stating that the noncompliant adult will complete, over the next 12-month term of the lease, all past-due hours of community service from the previous year AND the additional hours accruing during the current lease year. This shall be considered to satisfy the statutory cure opportunity and no additional cure period will be provided.

If any member of the household is not willing to sign a Community Service Agreement to make up the deficient community service hours, or did not meet the requirement of a prior lease period Community Service Agreement, the lease agreement shall not be renewed.

As required by law and federal regulations, continued noncompliance will result in the commencement of eviction procedures against the entire household.

---

<sup>3</sup> All exemptions other than the "Age 62 or Older" exemption must be reviewed at least annually.

<sup>4</sup> If the resident signed an agreement to complete delinquent hours the previous year, that resident will not be allowed to enter another agreement in the consecutive year. In this situation, the resident shall be informed that he/she MUST complete all hours by the end of the twelve-month period or he/she will be considered in breach of the service requirement and the prior agreement. If the resident does not complete all outstanding hours by the end of the twelve-month period, the lease will not be renewed.

## CHAPTER 12: REEXAMINATIONS

### I. Introduction

The OHA shall re-determine and adjust resident's monthly rent, appropriateness of resident's apartment size, and continued eligibility for public housing at least once annually.

Between regular annual reexaminations, HUD requires that families report all changes in *household composition*, but the OHA decides what other changes must be reported and the procedures for reporting them. This Chapter defines the OHA's policy for conducting annual reexaminations. It also explains the interim reporting requirements for families, and the standards for timely reporting.

### II. Choice of Rent

At the time of the annual reexamination, according to HUD requirements, residents will be provided with the opportunity to choose between two methods of determining the amount of tenant rent payable monthly by the family. The family may choose between flat rent and income-based rent, as defined by this policy and federal regulations. Regardless of whether the family chooses to pay flat rent or income-based rent, the family must pay at least the *minimum rent*, as defined in Chapter 6 of this policy. The OHA will provide the family with sufficient information regarding rent options to allow the family to make an informed choice. This information will include the dollar amount of tenant rent for the family under each option<sup>1</sup> and OHA's policies on switching between type of rent in circumstances financial hardship.

#### A. Flat Rent

A fixed rent determined for each unit size based on a market analysis of comparable units. Flat rent is equal to the estimated rent for which OHA could promptly lease the unit on the private market, and is generally established at 70% of the Section 8 Fair Market Rent Level. The flat rent amount by bedroom size will be updated biannually (once every two years) in October and will become effective the following 1<sup>st</sup> of April. The OHA will maintain a current listing of its flat rent schedule and will provide this list to residents at least annually as part of the reexamination process.

1. **Financial Hardship:** Residents who choose flat rent may request to change to an income-based rent at any time if the family is unable to pay the flat rent because of financial hardship. A financial hardship exists for these purposes when a family's income is reduced or their deductions are increased to the extent that an income-based rent is lower than the flat rent.

---

<sup>1</sup> If the family has chosen flat rent in the previous year, the OHA is required to provide the dollar amount of income-based rent for the subsequent year only in the year OHA conducts an income reexamination (every third year) or if the family specifically requests it and submits updated Income Information.

2. **Annual Recertifications:** Residents who choose flat rent will be asked to update their *family* information every year, but will only have to re-certify *income* verification once every three years. Families paying flat rent are not required to report any increases in income or assets that occur in the interim between these income reexaminations.

Regardless of the family's choice of rent, its compliance with OHA's Community Service/Self-Sufficiency Policy will be evaluated annually and there will be additional reporting requirements associated with this process (see Chapter 16 of this Policy). Families paying flat rent must report employment information at the annual review for the purpose of determining exemptions from OHA's community service/self-sufficiency requirements. If a family paying flat rent is exempt from community service due to employment, the family is required to report all changes in employment status at the annual review **AND throughout the year**, as required by OHA's Community Service/Self-Sufficiency Policy.

#### **B. Income-Based Rent**

An income-based rent is a tenant rent that is based on the family's income and OHA's policies for determination of such rents, as described in Chapter 6 of this Admissions and Continued Occupancy Policy.

1. **Financial Hardship:** The family must pay at least the minimum rent set by the OHA unless it meets the criteria for a financial hardship exemption as defined in Chapter 6 of this Policy
2. **Annual Recertifications:** To determine the amount of income-based rent, it is necessary for the PHA to perform an annual recertification of the family's income. At the annual reexamination, families who choose to pay income-based rent must report their current household composition, income, deductions and allowances.

Between annual reexaminations, residents who pay income-based rent are required to report increases in income, as described in Section VII-A of this Chapter (*below*).

Regardless of the family's choice of rent, its compliance with OHA's Community Service/Self-Sufficiency Policy will be evaluated annually and there will be additional reporting requirements associated with this process (see Chapter 16 of this Policy).

#### **III. Eligibility for Continued Occupancy**

Residents who meet the following criteria will be eligible for continued occupancy:

- The resident must qualify as a family as defined in this policy;

- o The resident household must be in full compliance with the obligations and responsibilities described in the dwelling lease;
- o Each family member must be in compliance with OHA's Community Service policy (*found in Chapter 16 of this Policy*).
- o Each family member age 6 and older must have submitted his/her Social Security number or a valid certification that he/she does not have a Social Security number;
- o Each family member must have submitted required documents of citizenship, eligible immigration status, or non-contending status (*as described in Chapter 2 of this Policy*).

**Continuation of assistance for "Mixed Families":** A family is eligible for assistance as long as at least one member is a citizen or eligible immigrant. Families that include both eligible and ineligible individuals are called "mixed." Such applicant families will be given notice that their income-based assistance will be pro-rated and that they may request a hearing if they contest the determination. If a family member chooses flat rent, the flat rent will not be pro-rated if the flat rent is greater than the public housing maximum rent. If the public housing maximum rent is greater than the flat rent, and the family chooses the flat rent, the flat rent will be prorated.

#### IV. Annual Recertification Procedures

The terms *annual recertification* and *annual reexamination* are synonymous. In order to be recertified, families are required to provide current and accurate information on income, assets, allowances and deductions, and family composition. As stated above, residents who choose flat rent will be asked to update their *family information* every year, but will only have to re-certify *Income* verification once every three years. As stated above, regardless of the family's choice of rent, each family member's compliance with Community Service requirements will be evaluated annually, as described in Chapter 16 of this Policy, and there may be additional reporting requirements associated therewith.

For families who move in on the first of the month, the annual recertification will be completed within twelve (12) months of the anniversary of the move-in date. (Example: If a family moves in August 1, the annual recertification will be conducted to be effective on August 1, the following year.)

For families who move in during the month, the annual recertification will be completed no later than the first of the month in which the family moved in, the following year. (Example: If a family moves in August 12, the annual recertification will be conducted to be effective on August 1, the following year.) This will ensure that the recertification is completed *within* twelve (12) months of the anniversary of the move-in date.

**A. Notice to the Family**

All families will be notified of their obligation to recertify by first class mail or hand delivery. The notification shall be sent at least 120 days in advance of the anniversary date. If requested as an accommodation by a person with a disability, the PHA will provide the notice in an accessible format. The PHA will also mail the notice to a third party, if requested, as reasonable accommodation for a person with disabilities. These accommodations will be granted upon verification that they meet the need presented by the disability.

The notice will include a reasonable accommodation form, and community service information, if applicable (*see Chapter 16 of this policy*).

If the family is paying flat rent, and this is not the year of the required income certification, the notice will include a form by which the family may indicate whether it chooses income-based or flat rent by checking the appropriate box on the document, signing the document, and returning the document to OHA.

**B. Scheduling the Recertification Appointment**

OHA will send a letter to the household, indicating the specific date and time of the recertification appointment.

If the family chooses flat rent and this is not the year of the required income recertification, the family **must still attend the recertification appointment** to update information on family composition and compliance with community service requirements (*see Chapter 16 of this Policy*).

**All household members age eighteen (18) and older** are required to attend the recertification appointment and sign the application for continued occupancy. The family may call to request another appointment date up to 1 day prior to the interview.

**Exception:** Adult children (age 18 and older) who are full-time students attending school away from home and are considered to be temporarily absent members of the household (*see Section VII-B(3)(f) below*) are not required to attend the recertification appointment. These household members need only sign the reevaluation documents and forms pertaining specifically to themselves (as will be requested by OHA).

**C. Failure to Respond to Notification to Recertify**

If the family does not appear for the recertification interview, and has not rescheduled or made prior arrangements with OHA, the appointment will be rescheduled at OHA's discretion.

If the family fails to appear for the second appointment, the OHA will refer the family to its legal department to start eviction proceedings, consistent with the

requirements of the lease agreement.

Exceptions to these policies may be granted by OHA if the family is able to document an emergency situation that prevented them from canceling or attending the appointment.

#### **D. Conducting the Recertification Appointment**

Prior to, or at the beginning of, the recertification appointment, the family must complete an application for continued occupancy and other required forms (as requested by OHA).

After the family completes all necessary paperwork, the OHA representative will interview the family and review the information that was provided. Any discrepancies between the reported family income and the information obtained by OHA through the Upfront Income Verification process (as discussed below) will be discussed with the family at the appointment.

##### **1. Persons with Disabilities**

Persons with disabilities, who are unable to come to the OHA's office will be granted an accommodation of conducting the interview at the person's home, upon verification that the accommodation requested meets the need presented by the disability.

##### **2. Documents Required from the Family**

The family shall be required to bring all necessary and requested documents to the recertification appointment. Any necessary documents will be listed in the notification letter to the family.

As will be indicated in the appointment notification letter, all families must bring documentation verifying compliance with community service for all non-exempt adults, and/or verifying continuing eligibility for an exemption therefrom (*see Chapter 16 of this Policy*).

Based upon the information provided by the family at the annual review, OHA may request that the family provide additional documents in order to verify certain types of information. The family must provide any requested documents in a timely manner.

If the family fails to provide any and all information or documentation requested by OHA in a timely manner, the family will be in violation of its lease agreement and subject to eviction procedures.

#### **V. Verification of Information**

All information which affects the family's continued eligibility for the program, and the

family's Total Tenant Payment (TTP) will be verified in accordance with the verification procedures and guidelines described in this Policy. Verifications used for recertification can be no more than 120 days old. All verifications will be placed in the file that has been established for the family.

When the information has been verified, it will be analyzed to determine the continued eligibility of the resident as a *family* or as the *remaining member* of a family; the unit size required by the family; and the amount of rent the family should pay.

A. **Income Verification:** The OHA will accept income verification (or information regarding exclusions, deductions and/or assets) in the following order of preference:

1. **Up-Front Income Verification:** Verification through the computer matching system employed by HUD or a computer wage reporting system is the highest, most acceptable form of verification.
2. **Written Third-Party Verification:** Written verification by a third party is acceptable when Up-Front Income Verification is not available, is not up to date or is disputed by a resident. Written third-party verification is the second highest acceptable form of verification. OHA will allow ten (10) calendar days *from the date of mailing the request* for the third party to respond. If the third party does not respond within ten (10) calendar days, the OHA will send a second request, allowing the third party five (5) calendar days *from the date of mailing* to respond.

If, after receiving the response of the third party, the OHA has additional questions or concerns:

- A clarification form may be sent to the third party, and the third party shall be given a reasonable time period in which to respond; OR
- OHA may contact the third party and clarify information over the phone. In this case, OHA will make a record of the telephone conversation on a clarification form.

Certain types of documents (such as bank statements or utility bills) may, *at the discretion of OHA*, be downloaded by the resident from an appropriate Website, **only** if the resident completes the download process in the presence of an OHA employee. This will be considered as written third-party verification. The OHA shall have the discretion to refuse such documents if there is reason to believe the documents are not authentic.

3. **Oral Third-Party Verification:** Staff documented verification from a third party via telephone will be accepted after Up-Front Income Verification has been determined to be unavailable and Written Third-Party Verification has been attempted and the third party is unresponsive to OHA's written

requests as described above. Staff shall utilize the same type of form that would have been mailed to the third party. All the information required by the written verification form should be requested during the telephone contact. OHA staff will complete the form on the basis of such information. Additionally, the OHA staff person shall complete and sign a Phone Affidavit, testifying to the time and date of the phone call and the contact person at the third party's organization to whom he/she spoke. Oral Third-Party Verification is considered to be the third highest acceptable form of verification.

4. **Verification by Resident-Supplied Documents:** OHA will review documents submitted by the resident household only when: (a) the information requested does not require third-party verification (for example, lease agreements and monthly utility bills for removal of a non head or co-head of household family member); or (b) third-party written or telephone verification is not possible or is unavailable.

In **any** case in which OHA accepts resident-supplied documents as verification, the OHA staff person **must document** in the resident's file why the third party verification was unavailable or impossible.

OHA will copy the documents into the resident's file. Resident-supplied documents must be dated within sixty (60) days of receipt by the OHA. Verification by Resident-Supplied Documents is considered to be the second lowest form of acceptable verification.

5. **Verification by Resident Certification:** OHA staff *may* choose to accept an affidavit from a resident regarding income, deductions and exclusions. Approval will only be granted upon documentation that all other methods of verification have been attempted and have been determined to be unsuccessful.

In **any** case in which OHA accepts resident certification as verification, the OHA staff person **must document** in the resident's file why the third party verification was unavailable or impossible.

Verification by Resident Certification is considered to be the lowest acceptable form verification.

## VI. Changes in the Tenant Rent

If there is any change in rent, including a change in the family's choice in rent, the OHA shall either:

- Require the household to **amend the lease**; or
- Require the household to **execute a new lease**; or

- **Issue a Notice of Rent Adjustment.**

According to HUD regulations, OHA shall notify the tenant that the tenant may ask for an explanation of the specific grounds of OHA's determination and if the tenant does not agree with the determination, the tenant shall have the right to request a hearing under the tenant grievance procedure.

**A. Tenant Rent Increases**

If tenant rent **increases**, a thirty-day notice will be mailed to the family prior to the anniversary date. If less than thirty days are remaining before the anniversary date, the tenant rent increase will be effective on the first of the second month following the thirty day notice.

If there has been a misrepresentation or a material omission by the family, or if the family causes a delay in the reexamination processing, there will be a retroactive increase in rent to the anniversary date.

**B. Tenant Rent Decreases**

If tenant rent decreases, the adjustment will become effective on the first day of the month following the reported change in circumstances (or change in Federal law or regulations), provided Tenant reported the change in a timely manner, as described in Section VII-D of this Chapter, below.

If the family causes a delay so that the processing of the reexamination is not complete within the timeframe indicated above, the rent change will be effective on the first day of the month following completion of the reexamination processing by the OHA.

**C. Income Changes Resulting from Welfare Program Requirements**

In 1998, with the passage of QHWRA, Congress linked welfare reform and housing reform. To give public housing residents and housing choice voucher participants a greater incentive to comply with welfare requirements that participants move toward economic independence, the law established **two situations** (listed below) in which public housing agencies are not permitted to reduce rents, even though resident families have reduced incomes. Instead of reducing rent, the public housing agency must "impute" welfare income to the family in an amount equal to the reduction in benefits.

According to HUD regulations (see 24 C.F.R. §5.615) the OHA will not reduce the public housing rent for covered families whose welfare assistance is reduced due to a "specified welfare benefit reduction," which is a reduction in welfare benefits due to:

- **Fraud** by a family member in connection with the welfare program; or

- **Noncompliance** with a welfare agency requirement to participate in an **economic self-sufficiency program**.

These are the only two situations in which welfare income is imputed.

A "specified welfare benefit reduction" does not include a reduction of welfare benefits due to:

- Expiration of a lifetime time limit on receiving benefits; or
- A situation where the family has complied with welfare program requirements but cannot or has not obtained employment. *Example: If the family has complied with welfare program requirements, but the durational time limit (the cap on the length of time a family can receive benefits) causes the family to lose their welfare benefits; or*
- Noncompliance with other welfare agency requirements.

1. **Covered Family:** A Covered Family is a household that receives benefits for welfare or public assistance from a State or public agency program which requires, as a condition of eligibility to receive assistance, the participation of a family member in an economic self-sufficiency program.
2. **Imputed Welfare Income:** Imputed Welfare Income is the amount of annual income, not actually received by a family, as a result of a specified welfare benefit reduction, that is included in the family's income for purposes of determining rent.

The amount of imputed welfare income is determined by the PHA, based on written information supplied to the PHA by the welfare agency, including:

- The amount of the benefit reduction;
- The term of the benefit reduction;
- The reason for the reduction; and
- Subsequent changes in the term or amount of benefit reduction

If the family was not an assisted resident of public housing when the welfare sanction began, imputed welfare income will not be included in annual income.

3. **Term of Reduction:** Imputed welfare income will be included to calculate income at annual and interim reexaminations during the term of reduction of welfare benefits. In other words, OHA is required to compute the rent exactly as if the welfare benefit reduction had not occurred until either the benefit

reduction ceases or the resident obtains some additional type of income.

4. **Offsetting Imputed Income with Additional Income**

The amount of imputed welfare income will be offset by the amount of additional income a family receives that begins after the sanction was imposed. This means that when the resident's income increases for any reason (e.g. earned or unearned income), the new income is not added to the former income (which includes the imputed welfare income). Instead, the new income takes the place of the imputed welfare income. Thus, when a resident with imputed welfare income obtains any additional income, it is not added to the overall income until it exceeds the amount of the welfare sanction amount.

5. **Verification Procedures before Denying a Request to Reduce Rent:**

The OHA will obtain written verification from the welfare agency stating that the family's benefits have been reduced for fraud or noncompliance *before* denying the family's request for rent reduction. The OHA will rely on the welfare agency's written notice to the OHA regarding welfare sanctions.

6. **Cooperation Agreements:** The OHA has a written cooperation agreement in place with the local welfare agency that assists the OHA in obtaining the necessary information regarding welfare sanctions.

The OHA has taken a proactive approach to culminating an effective working relationship between the OHA and the local welfare agency for the purpose of targeting economic self-sufficiency programs throughout the community that are available to public housing residents.

The OHA and the local welfare agency have mutually agreed to notify each other of any economic self-sufficiency and/or other appropriate programs or services that would benefit public housing residents.

7. **Family Dispute of Amount of Imputed Welfare Income**

If the family disputes the amount of imputed income and the PHA denies the family's request to modify the amount, the PHA will provide the tenant with a notice of denial, which will include:

- An explanation for the OHA's determination of the amount of imputed welfare income.
- A statement that the tenant may request a grievance hearing, under the Tenant Grievance Procedures (*see Chapter 14 of this Policy*); and
- A statement that the information received from the welfare agency **cannot be disputed** at the grievance hearing, and the issue to be

examined at the grievance hearing will be the OHA's determination of the amount of imputed welfare income, not the welfare agency's determination to sanction the welfare benefits.

If the tenant requests a grievance hearing, the tenant is not required to pay an escrow deposit pursuant to 24 C.F.R. 966.55(e) for the portion of tenant rent attributable to the imputed welfare income.

## VII. Interim Reexaminations, Reporting Requirements, and Result of Changes

In certain cases, OHA may conduct interim reexaminations, under substantially the same procedures used for annual reexaminations. The household's anniversary date **will not change** as a result of an interim reexamination.

When OHA conducts an interim reexamination, **only necessary members of the household must attend**. This generally includes only the head-of-household and the family member reporting the change. When scheduling the interim appointment, OHA will inform the household of which member(s) are required to attend.

When the household reports **zero income**, additional income reviews and/or interim reexaminations will be scheduled between annual recertifications.

Interim reexaminations will be conducted in the following circumstances:

- When the tenant reports a **change in income or household composition**;
- When any member of the household reports a **change in his/her community service exemption status**, as described in Chapter 16 of this Policy;
- When **families paying flat rent are transferred to another dwelling unit**, unless a recertification has occurred in the last 120 days. In this case, although the annual review date will not change, the family's three-year flat rent cycle (see *Section II – A (2), above*) will be reset;
- When the **OHA makes a calculation error** at admission to the program or at an annual or interim reexamination<sup>2</sup>;
- When a resident or household **enrolls in OHA's Family Self Sufficiency (FSS) program**, unless it has been 120 days or less since the family's last annual or interim recertification.

### A. Reporting Changes in Income

Income-based renters must report all changes in income to OHA as described in

---

<sup>2</sup> In the case of an OHA error, the family will not be charged rent retroactively.

Paragraph VII-A, 2, below.

**Except in the situations described below**, the OHA will not conduct interim reexaminations when families have an increase in income and the OHA will not process rent adjustments resulting from any increase in income until the next regularly scheduled recertification.

The OHA will conduct interim reexaminations and may process a rent increase in the following situations:

- When a **household member with income** joins the household;
- When the family has an **increase in income after a prior reduction to minimum rent**.
- When the family is utilizing the **Earned Income Disallowance** and is due for a "phase-in" or exhaustion (*see Chapter 6 of this Policy*).
- If the resident is a participant in OHA's **Family Self Sufficiency** program and **requests** that OHA conduct an interim reexamination and process an increase in rent. It shall be the resident's responsibility to request such action by OHA.

Any increase in rent must follow the procedures described in Section VI-A of this Chapter (above).

Any interim reexamination or rent adjustment will not affect the date of the annual recertification.

1. **Requirements for Flat Renters:** Families paying flat rent are not required to report any increases in income or assets. Families paying flat rent may report a decrease in income and other changes, such as an increase in allowances or deductions that would qualify them to change to income-based rent.
2. **Requirements for Income-Based Renters:** Families paying income-based rent will be required to report all increases in income/assets between regular annual reexaminations within ten (10) calendar days of the occurrence.

In addition, any information, document or signature needed from the family that is needed to verify the change must be provided within ten (10) calendar days of OHA's request. If the change is not reported within the required time period, or if the family fails to provide signatures, certifications or documentation, (within the time period requested by the OHA), it will be considered untimely reporting.

An exception to the ten-day timely reporting window will be made for TANF recipients who obtain employment. In such cases, families will have to report within ten days of receipt of the Notice of Action from TANF that shows the full adjustment for employment income.

For the purposes of this policy, the following increases in income must be reported by income-based renters (this list is not exhaustive):

- Increases in earned income from the employment of a current household member (*Although the tenant **must** report this type of income, such income may be excluded from consideration by OHA in rent calculation under the "Earned Income Disallowance" described in Chapter 6 of this Policy*);
- Increases in income because a person with income joins the household;
- Increases in household income coming as a result of a new income source.

Residents paying income-based rent may report a decrease in income and other changes, such as an increase in allowances or deductions that would reduce the amount of the total tenant payment. The OHA will process a rent adjustment whenever there is a **decrease** in income, unless the OHA determines that the decrease in income will last less than thirty (30) calendar days.

#### **B. Reporting Changes in Household Composition and Other Changes:**

All families (**both income-based renters and flat renters**) must report all changes in household composition to OHA between annual reexaminations. This includes additions due to birth, adoption and court-awarded custody. The family must obtain OHA approval prior to all other additions to the household.

All changes must be reported within ten (10) calendar days of their occurrence. In addition, any information, document or signature needed from the family that is needed to verify the change must be provided within ten (10) calendar days of the change. If the change is not reported within the required time period, or if the family fails to provide signatures, certifications or documentation, (in the time period requested by the OHA), it will be considered untimely reporting.

When there is a change in head of household or a new adult family member is added (subject to OHA's eligibility and screening criteria, *see Chapter 2 of this Policy*), the OHA will complete an application for continued occupancy and conduct an Interim reexamination, using the same procedures the OHA staff would use for an annual reexamination, except for effective dates of changes. The annual reexamination date will not change as a result of this action. In

addition, the family will be required to sign an addendum to its lease or a new lease agreement.

The U.S. citizenship/eligible immigrant status of additional family members must be declared and verified prior to the approval by the OHA of the family member being added to the lease.

## 1. Result of Increases in Family Size

The OHA will consider a unit transfer (if needed under the Occupancy Guidelines) for additions to the family in any of the following cases:

- Addition by marriage/or marital-type relation;
- Addition of a minor who is a member of the nuclear family who had been living elsewhere;
- Addition of a PHA-approved live-in attendant;
- Addition of any relation of the Head or Spouse; or
- Addition due to birth, adoption or court-awarded custody.

If a change due to these criteria requires a larger size unit due to overcrowding, the family will be placed on the Public Housing Transfer List. **All transfers** will be processed under OHA's Transfer Policy (*see Chapter 8 of this Policy*).

The OHA may grant exceptions from the occupancy standards upon the family's request IF the OHA determines the exceptions are justified according to this policy.

## 2. Visitors

The resident must request OHA approval for any visitor staying in the unit.

Any adult not listed on the lease and/or reported to OHA, who has been in the unit more than fourteen (14) consecutive days or a total of fourteen (14) cumulative days in one (1) month, will be considered to be living in the unit as an unauthorized household member.

Absence of evidence of any other address will be considered verification that the visitor is an unauthorized household member.

Other sources of information the PHA will consider include (but are not limited to) the following:

- Statements of neighbors and/or OHA staff;

- Vehicle license plate verification;
- Post Office records;
- Driver's license verification;
- Law enforcement reports; and/or
- Credit reports

Use of the unit address as the visitor's current residence for any purpose that is not explicitly temporary shall be construed as permanent residence.

The burden of proof that the individual is not an unauthorized houseguest rests on the family. In the absence of such proof, the individual will be considered an unauthorized guest and the OHA will terminate the family's lease if prior approval was not requested for the addition.

In a joint custody arrangement, if the minor is in the household less than 180 days per year, the minor will be considered to be an eligible visitor and not a family member. If both parents reside in Public Housing, only one parent would be able to claim the child for deductions and for determination for the occupancy standards.

### 3. Result of Temporarily or Permanently Absent Family Members

The OHA must compute all applicable income of every family member who is on the lease, including those who are temporarily absent. The PHA will evaluate absences from the unit in accordance with this policy.

Income of persons **permanently absent** will not be counted. If the spouse is temporarily absent and in the military, all military pay and allowances (except hazardous duty pay when exposed to hostile fire and any other exceptions to military pay HUD may define) is counted as income.

Additionally, permanent absence of family members may result in a change of unit size. In this case, the family will be placed on the Public Housing Transfer List. **All transfers** will be processed under OHA's Transfer Policy (*see Chapter 8 of this Policy*). The OHA may grant exceptions from the occupancy standards upon the family's request IF the OHA determines the exceptions are justified according to this policy.

**Permanent Absence:** Any member of the household will be considered permanently absent if s/he is away from the unit for six consecutive months (180 days) except as otherwise provided in this Chapter.

If a member of the household is subject to a court order that restricts him/her from the home for more than 180 days, the person will be considered permanently absent.

Except as otherwise provided in this Chapter, in order for an adult family member to be declared permanently absent, BOTH the head-of-household and the person permanently absent MUST sign a statement indicating that the member is permanently absent AND provide proof of that member's new address. In certain extenuating circumstances, OHA shall have the discretion to (but shall not be required to) make exceptions to this rule (i.e. in a hostile situation). Additionally, OHA may require the family to sign an addendum to its lease or a new lease agreement.

If the person who is determined to be permanently absent is the sole member of the household, assistance will be terminated in accordance with the "Absence of Entire Family" policy.

- a. **Absences due to Medical Reasons:** If any family member leaves the household to enter a facility such as hospital, nursing home, or rehabilitation center, the OHA will seek advice from a reliable qualified source as to the likelihood and timing of their return. If the verification indicates that the family member will be permanently confined to a nursing home, the family member will be considered permanently absent. If the verification indicates that the family member will return in less than 180 consecutive days, the family member will not be considered permanently absent, as long as rent and other charges remain current.
- b. **Absences due to Incarceration:** If any member is incarcerated for more than 180 consecutive days, s/he will be considered permanently absent. Rent and other charges must remain current during periods of incarceration.
- c. **Foster Care and Absences of Minor Children:** If the family includes a child or children temporarily absent from the home due to placement in foster care, the PHA will determine from the appropriate agency when the child/children will be returned to the home.

If the time period is to be greater than **six (6) months** from the date of removal of the child(ren), the family will be required to move to a smaller size unit (according to OHA's Transfer Policy, *see Chapter 8 of this Policy*). If all children are removed from the home permanently, the unit size will be reduced in accordance with OHA occupancy guidelines and Transfer Policy.

- d. **Absences of Parents / Substitution of Caretakers:** If neither parent remains in the household and the appropriate agency has determined

that another adult is to be brought into the assisted unit to care for the children for an indefinite period, the OHA will treat that adult as a visitor for the first fourteen (14) calendar days. If, by the end of the fourteen (14) day period, court-awarded custody or legal guardianship has been awarded to the caretaker, and the caretaker qualifies under *Tenant Screening Criteria (as defined in Chapter 2 of this Policy)*, the lease will be transferred to the caretaker. If the court has not awarded custody or legal guardianship, but the action is in process, OHA will secure verification of the status from social services staff or the attorney.

When the OHA approves a person to reside in the unit as caretaker for the child(ren), the income of the caretaker shall be counted pending a final disposition. The OHA will work with the appropriate service agencies to provide a smooth transition in these cases.

- e. **Retention of the Unit by Remaining Family Member:** To be considered eligible to retain the unit as the remaining member of the tenant family, the person must have been previously approved by the OHA to be living in the unit

A live-in attendant, by definition, is not a member of the family and will not be considered a remaining member of the family.

In order for a minor child to continue to receive assistance as a remaining family member, the OHA must have verified that social services and/or the Juvenile Court has arranged for another adult to be brought into the unit to care for the child(ren) for an indefinite period. In certain limited situations, OHA may, at its discretion, accept some other form of reliable information regarding the child's situation.

A reduction in family size may require a transfer to an appropriate unit size as described above.

- f. **Absences of Adult Children:** Adult children who are full-time students, who attend school away from the home and live with the family during school recess, will be considered temporarily absent from the household. As stated previously, these household members are not required to attend reexamination appointments and need only sign reevaluation forms pertaining to them specifically, as requested by OHA (see *Section IV-C of this Chapter, above*). If an adult child goes into the military and leaves the household, they will be considered permanently absent.

#### 4. **Result of Absence of Entire Family**

The entire family is considered absent when no family member is residing in the unit. These policy guidelines address situations when the entire

family is absent from the unit, but has not moved out of the unit. In cases where the family has moved out of the unit, the OHA will terminate tenancy in accordance with the appropriate lease termination procedures contained in this Policy.

Families are required to notify the OHA before they move out of a unit in accordance with the lease and to give the OHA information about any family absence from the unit.

Families must notify the OHA if they are going to be absent from the unit for more than **seven (7) consecutive days**. A person with a disability may request an extension of time as an accommodation.

In order to determine if the family is absent from the unit, the PHA may (among other things):

- Conduct home visits;
- Write letters to the family at the unit;
- Post letters on exterior door;
- Telephone the family at the unit;
- Interview neighbors;
- Verify if utilities are in service
- Check with Post Office for forwarding address; and/or
- Contact emergency contact(s).

If the entire family is absent from the unit, without OHA permission, for more than **thirty (30) consecutive days**, the unit will be considered to be vacant and OHA will terminate tenancy according to the procedures described in the lease agreement.

As a reasonable accommodation for a person with a disability, the PHA may approve an extension. During the period of absence, the rent and other charges must remain current.

#### **5. Other Changes**

Any changes reported by residents other than those listed in this section will be noted in the file by the staff person and in the computer tenant file maintenance screen but will not be processed between regularly scheduled annual recertifications.

#### **D. Procedures When Changes are Reported in a Timely Manner**

The PHA will notify the family of any changes in Tenant Rent to be effective

according to the following guidelines:

**Increases in the tenant rent** are effective on the first of the month following at least thirty days' notice. Except as otherwise noted in this policy or the lease agreement, OHA will not raise the tenant rent except at time of the annual reexamination.

**Decreases in the tenant rent** are effective the first day of the month following the month in which the change is reported.

The change will not be made until the verification process is complete.

If the change is reported in a timely manner, but the **OHA does not process the change in a timely manner**, the following conditions shall apply. "Processed in a timely manner" means that the change goes into effect on the date it should when the family reports the change in a timely manner. If the change cannot be, or is not, made effective on that date, the change is considered not processed by the OHA in a timely manner.

- If an increase in rent is not processed by the OHA in a timely manner, the increase will be effective after the required thirty days' notice prior to the first of the month after completion of processing by the OHA.
- If a decrease in rent is not processed by the OHA in a timely manner, the overpayment by the family will be calculated retroactively to the date it should have been effective, and the family will be credited for the amount.

#### **E. Procedures When Changes are not Reported in a Timely Manner**

If the family does not report a change **within ten (10) calendar days of the occurrence**, and submit all necessary documentation in a timely manner based upon OHA's request, the family will have caused an unreasonable delay in the interim reexamination processing and the following guidelines will apply.

**Increases in Tenant Rent** will be effective retroactive to the date they would have been effective had the information been reported on a timely basis (this, in most cases, is the first day of the month following the month in which the change occurred). The family will be liable for any underpaid rent, and may be required to sign a repayment agreement.

Unless approved by the appropriate Sector Property Manager, the OHA will not execute a repayment agreement if the amount of retroactive rent is so high that it will take the family longer than twenty-four (24) months to complete the agreement.

**Decreases in Tenant Rent** will be effective on the first of the month following completion of processing by the OHA and not retroactively.

## CHAPTER 10: PET POLICY

### I. Introduction

The Department of Housing and Urban Development (HUD) gives Public Housing Agencies the discretion to decide whether or not to develop policies pertaining to the keeping of pets in public housing units. This Chapter explains OHA's policy on the keeping of pets and any criteria or standards pertaining to that policy.

The Pet Policy found in this Chapter applies to all OHA projects (*subject to the exclusions described in Section II, below*) and is intended to comport with the requirements of federal law and regulations relating to elderly/disabled projects; as well as federal law and regulations relating to general occupancy projects.<sup>1</sup>

The Pet Policy is designed to permit pet ownership among OHA residents, subject to certain reasonable limitations. All restrictions described herein are related to OHA's interest in providing a decent, safe and sanitary living environment for all tenants; protecting and preserving the physical condition of the property; and protecting its financial wellbeing.

The OHA shall not discriminate against an applicant or resident with regard to admission or continued occupancy by reason of the person's ownership of common household pets or the presence of such pets in the dwelling unit (*enforcement of the reasonable rules contained in this Pet Policy is not discrimination*). Nothing in this policy authorizes OHA to limit or impair the rights of persons with disabilities.

### II. Exclusions from Policy – Assistance Animals

Assistance animals that are necessary as a reasonable accommodation to assist, support or provide service for persons with disabilities **are not considered pets**, and are not subject to the OHA Pet Policy.

Assistance animals are animals that work, provide assistance or perform tasks for the benefit of a person with a disability, or animals that provide emotional support that alleviates one or more identified symptoms or effects of a person's disability. Assistance animals ("service animals," "support animals," or "therapy animals") perform many disability-related functions, including (but not limited to) the following:

- Guiding individuals who are blind or have low vision;

<sup>1</sup> Two different sections of law and regulation govern how a Public Housing Agency develops and administers its pet policies. Section 227 of the *Housing and Urban-Rural Recovery Act of 1983* and 24 C.F.R. §§5.300-5.327 and §5.380 apply to projects designated for elderly and disabled residents. Section 31 of the *United States Housing Act* and 24 C.F.R. 960. §§701-707 apply to general occupancy projects. OHA has chosen, for the sake of clarity and uniformity, to implement one policy for both types of projects. This single policy seeks at all times to adhere to the more detailed and/or stringent of the requirements found in the law and regulations.

- Alerting individuals who are deaf or hearing impaired;
- Providing minimal protection or rescue assistance;
- Pulling a wheelchair;
- Fetching items;
- Alerting persons to impending seizures; or
- Providing emotional support to persons with disabilities who have a disability-related need for such support.

The OHA shall not refuse to allow a person with a disability to have an assistance animal solely because that animal does not have formal training. There must simply be a relationship between the person's disability and his or her need for the animal.

All requests for assistance-animals as reasonable accommodation will be processed according to OHA's Reasonable Accommodation Policy (*See Chapter 1, Section III*). Residents are responsible for providing certain information necessary to verify such requests. A **reasonable accommodation will be granted** to allow an assistance animal upon verification that it **meets the need presented by the disability, unless**:

- There is reliable, objective evidence that the animal poses a **direct threat to the health or safety of others** that cannot be reduced or eliminated by a reasonable accommodation;
- There is reliable, objective evidence that the animal would cause **substantial physical damage to the property of others**;
- The presence of the assistance animal would pose an **undue financial or administrative burden** to OHA;
- The presence of the assistance animal would **fundamentally alter the nature of OHA's services**.

This policy does not affect any authority that OHA may have to regulate assistance animals under federal, state or local law.

### III. Pet Ownership in Public Housing

Residents of OHA Public Housing may own one or more common household pets, or have one or more common household pets present in their dwelling units, subject to the following policies and restrictions.

## **A. OHA Management Approval and Registration**

All pets must be approved by OHA management before they are brought onto the premises. In order for **any pet** to be approved, the resident must provide the name, phone number and address of two responsible parties able to care for the pet if the owner is unable to do so.

Additionally, all dogs and cats must be registered according to the procedures described herein. Registration of a dog or cat requires verification of information, execution of a Pet Agreement, and payment of a Pet Deposit. Additionally, residents living in Scattered Site units must pay a one-time Nominal Fee (as described below).

### **1. Verification of Information (Dog or Cat Only)**

The resident must provide the following in connection with registration:

- Certification signed by a licensed veterinarian or state/local authority, proving that the dog or cat has received all inoculations required by state or local law, and that the dog or cat has no communicable disease(s) and is pest-free;
- Certification that the dog or cat is spayed or neutered;
- Information to identify the dog or cat, including two pictures (these may be taken by OHA at the time of registration);
- Name, phone number and address of two responsible parties able to care for the dog or cat if the owner is unable to do so.

OHA may request additional documents or information, according to the circumstances. Registration information will be updated annually.

### **2. Pet Agreement (Dog or Cat Only)**

Registration of a dog or cat will require the resident to execute a Pet Agreement with OHA. The Pet Agreement shall state (among other things) that the resident agrees to comply with all OHA policies concerning pets; and that he/she acknowledges complete responsibility for the care and cleaning of the dog or cat.

### **3. Pet Deposits (Dog or Cat Only)**

The resident wishing to register a dog or cat shall be required to pay a refundable deposit of for the purpose of defraying all reasonable costs

directly attributable to the presence of that animal. The Pet Deposit amount shall be **\$100** for residents living in **Tower properties**, and **\$200** for residents living in **Scattered Site Properties**. The Pet Deposit shall be paid prior to the date the pet is properly registered and brought into the apartment. The OHA shall comply with all applicable state or local law with respect to the Pet Deposit.

The OHA will refund the Pet Deposit to the tenant, less any damage caused by the pet to the dwelling unit, upon removal of the pet or the owner from the unit. No refund of the Pet Deposit will be made until Tenant has vacated and the dwelling unit has been inspected by OHA.

In the event of the incapacitation or death of a tenant, the PHA will return the Pet Deposit to the person designated by the former tenant in the event of the former tenant's incapacitation or death.

The OHA will provide the tenant or designee identified above with a written list of any charges against the Pet Deposit. If the tenant or designee disagrees with the amount charged to the pet deposit, he or she may appeal under the Tenant Grievance Procedure.

The OHA reserves the right to change or increase the required deposit by amendment to these rules; however, the required deposit shall not be an unreasonable amount.

Pet Deposits are not a part of rent payable by the resident, and shall only be applied to pet-related charges incurred when the tenant vacates the unit. The tenant **will be billed separately for any maintenance-related charges incurred during tenancy**. See Section III-K, below.

#### 4. Nominal Fee (Dog or Cat Only – Scattered Sites Only)

Residents of Scattered Site units who wish to register a dog or cat must pay a **one-time non-refundable nominal fee of \$100<sup>2</sup>** to cover the reasonable operating costs to those properties relating to the presence of dogs and cats. This nominal fee shall be charged in addition to the Pet Deposit, and will not cover any maintenance-related charges that may accrue later (*maintenance charges are billed according to Section III-K, below*).

#### 5. OHA Refusal to Approve or Register

If the OHA refuses to approve or register a pet, a written notification will be

---

<sup>2</sup> This requirement applies to OHA Scattered Site units only. All of OHA's Scattered Site units are designated for **general occupancy** (not for elderly/disabled occupancy as described in 24 C.F.R. §5.309(C)(2)). Thus, although a particular tenant of a Scattered Site unit may be elderly and/or disabled, these properties are governed by 24 C.F.R. §960.701 et. seq.

sent to the pet owner stating the reason for denial and shall advise the tenant of his/her right to appeal under the Tenant Grievance Procedure.

The OHA will refuse to approve or register a pet if:

- The pet is not within one of the types of common household pets allowed under this Pet Policy (*see Section III-B, below*);
- A dog or cat owner fails to provide complete registration information, sign a Pet Agreement, or pay any required deposits and/or fees;
- A dog or cat owner fails to update the registration annually;
- The OHA reasonably determines that the pet owner is unable to keep the pet in compliance with the pet rules as defined in this Pet Policy, and/or other lease obligations. The pet's temperament and behavior may be considered as a factor in determining the pet owner's ability to comply with provisions of the lease.

The OHA **will not** refuse to register a pet based upon the determination that the pet owner is financially unable to care for the pet.

## **B. Types and Numbers of Pets Allowed**

No types of pets other than the following common household pets may be kept by a resident. Tenants are not permitted to have more than one *type* of pet.

### **1. Dogs (Designated Sites and Developments Only)**

Maximum number: One

Maximum adult weight: 25 pounds

*Allowed in Towers and designated Scattered Site units ONLY, subject to certain restrictions – See Section III-C, below*

### **2. Cats**

Maximum number: One

Must be declawed

Must be spayed or neutered

Must have all required inoculations

Must be trained to use a litter box or other waste receptacle

**3. Birds**

Maximum number: Two

Must be enclosed in a cage at all times

**4. Fish**

**5. Rodents (Guinea pig, hamster, or gerbil ONLY)**

Maximum number: Two

Must be enclosed in an acceptable cage at all times

Must have all inoculations required now or in the future by State/local law

Limits on numbers of pets will be strictly enforced. If an approved pet gives birth to a litter, the resident must remove all pets in excess of the maximum allowable number (*i.e. if a resident has one hamster who gives birth to a litter, the resident may keep one additional hamster, so long as he/she gains OHA approval for the additional hamster according to the Pet Policy*).

**C. Restrictions on Dog Ownership**

Dogs may only be kept in Towers, and/or in designated Scattered Site dwelling units with an enclosed yard space. As with other animals, dogs may not be tethered or chained outside the dwelling unit.

Dogs will not be permitted in units where backyard fencing is inadequate to keep dogs inside. Dogs will not be permitted in units where backyard fencing is inadequate to prevent a small child from entering the yard, or putting a hand, arm, or leg through the fence.

Certain dog breeds are not allowed, based on OHA's determination that they have a propensity to be vicious and/or intimidating. Such prohibited breeds include:

- Pit Bull Terrier, Rottweiler, Chow, Boxer, Doberman, Dalmatian, German Shepherd.

**D. Temporary Care and Keeping of Pets**

Pets that are not owned and properly registered by an OHA tenant are not allowed on the premises. Residents may not keep or care for any pet that is not

properly registered with the OHA. In addition, residents may not feed or harbor stray animals.

Any resident who wishes to temporarily care for the properly-registered pet of another OHA resident must notify the OHA and agree in writing to abide by all rules set forth in this Pet Policy.

**E. Pet Area Restrictions**

Pets must be maintained within the resident's unit. When outside of the unit (within the building or on the grounds) dogs and cats must be kept on a leash or carried and must be under the control of the resident or other responsible individual at all times.

An area of the development grounds has been designated as the area in which to exercise animals and to permit dogs to relieve themselves of bodily wastes. This area will be identified in pet agreement. Residents may not exercise pets or permit pets to deposit waste on the project premises outside of the areas designated for such purposes.

Pets are not permitted in common areas including lobbies, community rooms and laundry areas except for those common areas which are entrances to and exits from the building. In addition, pets are not permitted in OHA playgrounds, day care centers, management offices, community centers and/or recreation center areas.

**F. Restriction on Alterations to the Unit**

Residents shall not alter their unit, patio, premises or common areas to create an enclosure for any animal. Installation of pet doors is expressly prohibited.

**G. Noise Restrictions**

Residents must agree to control the noise of pets so that such noise does not constitute a nuisance to other residents or interrupt their peaceful enjoyment of the building or premises. Such noise includes, but is not limited to, loud and/or continuous barking, howling, yelping, whining, biting, scratching, chirping, or other such activities.

**H. Pet Care Requirements**

All residents shall be responsible for adequate care, nutrition, exercise and medical attention for his/her pet. No pet (excluding fish) shall be left unattended in any apartment for a period in excess of 12 hours.

In conjunction with general notice of absence required by the Lease Agreement, if a pet owner will be absent from his/her unit, he/she must provide name and phone number for person(s) caring for the pet(s).

Residents must recognize that other residents may have chemical sensitivities or allergies related to pets, or may be easily frightened or disoriented by animals. Residents must agree to exercise courtesy with respect to other residents.

All common household pets are to be fed inside the apartment. Feeding is not allowed on porches, sidewalks, patios or other outside areas.

No animals may be tethered or chained outside or inside the dwelling unit.

#### **I. Cleanliness Requirements**

The pet owner must comply with all requirements of his/her lease agreement, the OHA Rules of Occupancy, and any other reasonable OHA rules regarding care and cleanliness of the unit. All residents are required to maintain the unit in a decent and sanitary condition at all times. In addition, pet owners must abide by the following cleanliness requirements:

- Pet owners shall take adequate precautions to eliminate any animal or pet odors within or around the unit.
- Pet owners shall be responsible for the removal of waste from any animal or pet exercise area by placing it in a sealed plastic bag and disposing it in an appropriate trash receptacle or dumpster
- Litter boxes shall be stored inside the resident's dwelling unit. All animal waste and/or litter from litter boxes shall be picked up and/or emptied daily by the pet owner, placed into a sealed plastic bag, and disposed of in an appropriate trash receptacle or dumpster. Litter and/or animal waste shall not be disposed of by being flushed through a toilet.

#### **J. Pet Inspections**

Upon reasonable notice to the tenant (of no less than 48 hours), the OHA may enter and inspect the premises during reasonable hours, to determine whether the resident is compliant with the Pet Policy.

In addition, the OHA shall have the right to enter a pet owner's dwelling unit *without notice*, in situations deemed to be an emergency. Examples of such emergencies are: situations in which there is evidence that an animal is in danger or distress, or that an animal is creating a nuisance or threat to others.

#### **K. Costs Incurred During Tenancy**

The Pet Deposit (and/or Nominal Fees) **will not** be used to pay **maintenance-related charges** incurred while the tenant occupies the dwelling unit. Such charges will be billed separately to the tenant at the time of occurrence, according to OHA's general policy for maintenance charges (described in the tenant's Lease Agreement).

According to OHA's Public Housing Lease, maintenance charges shall include all reasonable expenses incurred by the OHA as a result of damages directly attributable to the negligence or intentional misconduct of the resident. In the case of pet owners, such charges may include, but not be limited to: the cost of repairs and/or replacements to the tenant's unit or the premises; and/or the cost of fumigating the tenant's unit or flea deinfestation.

#### **L. Emergencies**

The OHA will take all necessary steps to insure that pets that become vicious, display symptoms of severe illness, or demonstrate behavior that constitutes an immediate threat to the health or safety of others, are referred to the appropriate State or local entity authorized to remove such animals.

All complaints of cruelty and all dog bites will be referred to animal control or applicable agency for investigation and enforcement. If the pet is removed as a result of any aggressive act on the part of the pet, the pet will not be allowed back on the premises.

Additionally, if the death or incapacity of the pet owner threatens the health or safety of the pet, or other factors occur that render the owner unable to care for the pet, the situation will be reported to the responsible party designated by the resident/pet owner. This includes situations in which pets are poorly cared for or have been left unattended for over 12 hours. If the responsible party is unwilling or unable to care for the pet, or if the OHA after reasonable efforts cannot contact the responsible party, the OHA may contact the appropriate State or local agency and request the removal of the pet.

If it is necessary for the OHA to place the pet in a shelter facility, the cost will be the responsibility of the tenant/pet owner.

#### **IV. Violations of Pet Policy**

This Pet Policy will be incorporated by reference into the Dwelling Lease signed by the resident, and therefore, violation of the Pet Policy will be grounds for termination of the tenant's lease. Additionally, OHA may revoke its authorization for a particular pet any time if the pet becomes destructive or a nuisance to others, or if the tenant

fails to comply with this Policy.

Accordingly, when violations occur, OHA shall have the discretion to take appropriate and reasonable action. Such action may include (but is not limited to):

- Issuing a **Resident Infraction Notice**, including a brief description of the factual basis for the determination and the rule(s) that were violated. Pursuant to the Infraction Notice, the resident will have 14 days to bring his/her pet into compliance with the rules or face lease termination or mandatory removal.
- Issuing a **Notice of Lease Violation (14/30 Notice)** according to the procedures described in the Lease Agreement, and including a brief description of the factual basis for the determination and the rule(s) that were violated. Pursuant to the Notice of Lease Violation, the resident will have 14 days to cure the violation as OHA prescribes (by either removing the pet or bringing it into compliance, based upon the situation) or OHA will initiate legal procedures to reclaim the unit.
- Issuing a **Notice of Repeated Lease Violation (14-Day No Cure Notice)** according to the procedures described in the Lease Agreement, and including a brief description of the factual basis for the determination and the rule(s) that were violated. This type of notice, which is authorized by Nebraska law in certain circumstances, does not allow the tenant to cure the violation. If the tenant does not vacate the unit within fourteen days, OHA will initiate legal procedures to reclaim the property.

## VII. Conflict with Federal, State and Local Law and Regulations

The rules and procedures set forth in this Pet Policy are intended to be in accordance with all applicable Federal, State and local law and regulations. If any conflict may exist between this Pet Policy and such applicable law or regulations, the law or regulation shall apply.

## Violence Against Women's Act (VAWA)

The Omaha Housing Authority meets the requirements of the Violence Against Women's Act in the following ways:

(1) any activities, services or programs provided or offered by the agency, either directly or in partnership with other service providers, to child or adult victims of domestic violence, dating violence, sexual assault or stalking; At least twice a year, OHA Public Safety offers all tenants an opportunity to attend a workshop on Domestic Violence. OHA also partners with Salvation Army and Charles Drew in providing education opportunities on violence, dating violence, sexual assault, or stalking when available through their organizations. OHA regularly informs tenants of education opportunities on violence, dating violence, sexual assault, or stalking that the YWCA offers. OHA is also very committed to working with the YWCA and the Omaha Police Department and when OHA becomes aware of the existence of dating violence, sexual assault, or stalking that resident is referred to the appropriate service provider.

(2) any activities, services or programs provided or offered that helps child and adult victims of domestic violence, dating violence, sexual assault, or stalking to obtain or maintain housing; and

### PHA Policy

The PHA acknowledges that a victim of domestic violence, dating violence, or stalking may have an unfavorable history that would warrant denial under the PHA's policies. Therefore, if the PHA makes a determination to deny admission to an applicant family, the PHA will include in its notice of denial a statement of the protection against denial provided by VAWA and will offer the applicant the opportunity to provide documentation affirming that the cause of the unfavorable history is that a member of the applicant family is or has been a victim of domestic violence, dating violence, or stalking.

The documentation must include two elements:

A signed statement by the victim that provides the name of the perpetrator and certifies that the incidents in question are bona fide incidents of actual or threatened domestic violence, dating violence, or stalking, and

One of the following:

A police or court record documenting the actual or threatened abuse, or

A statement signed by an employee, agent, or volunteer of a victim service provider; an attorney; a medical professional; or another knowledgeable professional from whom the victim has sought assistance in addressing the actual or threatened abuse. The professional must attest under penalty of perjury that the incidents in question are bona fide incidents of abuse, and the victim must sign or attest to the statement.

The applicant must submit the required documentation with her or his request for an informal review (see section 16-III.D) or must request an extension in writing at that time. If the applicant so requests, the PHA will grant an extension of 10 business days, and will postpone scheduling the applicant's informal review until after it has received the documentation or the extension period has elapsed. If after reviewing the documentation provided by the applicant the PHA determines the family is eligible for assistance, no informal review will be scheduled and the PHA will proceed with admission of the applicant family.

### OHA Policy

In cases where an applicant family includes the perpetrator as well as the victim of domestic violence, dating violence, or stalking, the OHA will proceed as above but will require, in addition, either (a) that the perpetrator be removed from the applicant household and not reside in the assisted housing unit or (b) that the family provide documentation that the perpetrator has successfully completed, or is successfully undergoing, rehabilitation or treatment.

If the family elects the second option, the documentation must be signed by an employee or agent of a domestic violence service provider or by a medical or other knowledgeable professional from whom the perpetrator has sought or is receiving assistance in addressing the abuse. The signer must attest under penalty of perjury to his or her belief that the rehabilitation was successfully completed or is progressing successfully. The victim and perpetrator must also sign or attest to the documentation. This additional documentation must be submitted within the same time frame as the documentation required above from the victim.

#### Terminating the Assistance of a Domestic Violence Perpetrator

Although VAWA provides assistance termination protection for victims of domestic violence, it does not provide protection for perpetrators. VAWA gives the PHA the explicit authority to "terminate assistance to any individual who is a tenant or lawful occupant and who engages in criminal acts of physical violence against family members or others...without terminating assistance to, or otherwise penalizing the victim of such violence who is also a tenant or lawful occupant." This authority supersedes any local, state, or other federal law to the contrary. However, if the PHA chooses to exercise this authority, it must follow any procedures prescribed by HUD or by applicable local, state, or federal law regarding termination of assistance [Pub.L. 109-271].

#### OHA Policy

When the actions of a participant or other family member result in a PHA decision to terminate the family's assistance and another family member claims that the actions involve criminal acts of physical violence against family members or others, the PHA will request that the victim submit the above required certification and supporting documentation in accordance with the stated time frame. If the certification and supporting documentation are submitted within the required time frame, or any approved extension period, the PHA will terminate the perpetrator's assistance. If the victim does not provide the certification and supporting documentation, as required, the PHA will proceed with termination of the family's assistance.

(3) any activities, services or programs provided or offered to prevent domestic violence, dating violence, sexual assault and stalking or to enhance victim safety in assisted families.

#### OHA Confidentiality Requirements

All information provided to the OHA regarding domestic violence, dating violence, or stalking, including the fact that an individual is a victim of such violence or stalking, must be retained in confidence and may neither be entered into any shared database nor provided to any related entity, except to the extent that the disclosure (a) is requested or consented to by the individual in writing, (b) is required for use in an eviction proceeding, or (c) is otherwise required by applicable law.

OHA has grounds for denying or terminating the family's assistance [24 CFR 982.314(e)(2)]. VAWA creates an exception to these restrictions for families who are otherwise in compliance with program obligations, but have moved to protect the health or safety of an individual who is or has been a victim of domestic violence, dating violence or stalking, and who reasonably believed he or she was imminently threatened by harm from further violence if they remained in the unit. [Pub.L. 109-182]

Through a partnership with the Weed and Seed program, porch lighting is provided to increase safety of the residents, and all residents are encouraged by OHA to keep the exterior lights on at all times.

The Resident Organization Group meets once a month and in these meetings the topic of safety and domestic violence, dating violence, sexual assault and stalking are often times topics of discussion.
