

9.0	<p>Housing Needs. Based on information provided by the applicable Consolidated Plan, information provided by HUD, and other generally available data, make a reasonable effort to identify the housing needs of the low-income, very low-income, and extremely low-income families who reside in the jurisdiction served by the PHA, including elderly families, families with disabilities, and households of various races and ethnic groups, and other families who are on the public housing and Section 8 tenant-based assistance waiting lists. The identification of housing needs must address issues of affordability, supply, quality, accessibility, size of units, and location.</p> <p>The most pressing need for low-income, very low-income and extremely low-income families is the lack of affordability and availability of larger units (3BR +). Elderly families are the exception to the previous statement due to smaller household size and there appears to be adequate availability of units for elderly households. Families with disabilities still have obstacles to total accessibility in the area rental units. Households of various races and ethnic groups find themselves in the same melting pot as other households. The Authority conducts discrimination awareness briefings for those families to provide assistance in their searches for suitable housing as to bedroom size and payment standards. Lastly, the need to preserve affordable housing and address the needs of public housing projects is listed in the top priorities in the Consolidated Plan of the City of Rome. By consistently achieving our goals and objectives, the Authority fulfills this goal.</p>
9.1	<p>Strategy for Addressing Housing Needs. Provide a brief description of the PHA's strategy for addressing the housing needs of families in the jurisdiction and on the waiting list in the upcoming year. Note: Small, Section 8 only, and High Performing PHAs complete only for Annual Plan submission with the 5-Year Plan.</p>
10.0	<p>Additional Information. Describe the following, as well as any additional information HUD has requested.</p> <p>(a) Progress in Meeting Mission and Goals. Provide a brief statement of the PHA's progress in meeting the mission and goals described in the 5-Year Plan. The Authority has successfully addressed the reduction of vacancy days and increasing the voucher inventory. We have also commenced our interior / exterior rehabilitation on units through vacancy cycles. In-addition, we continue to maintain high-performer status in the voucher and public housing programs.</p> <p>(b) Significant Amendment and Substantial Deviation/Modification. Provide the PHA's definition of "significant amendment" and "substantial deviation/modification" A significant Amendment and Substantial Deviation/Modification is defined as a discretionary change in the plans or policies of the Authority that fundamentally changes the mission, goals, objectives or plans of the agency and which require formal approval of the Rome Housing Authority Board of Commissioners.</p> <p>(c) The Rome Housing Authority certifies that the agency will comply with all goals, activities, objectives, policies or programs to support or assist victims of domestic violence, dating violence, sexual assault or stalking pursuant to HUD's newly released regulations in these areas.</p>
11.0	<p>Required Submission for HUD Field Office Review. In addition to the PHA Plan template (HUD-50075), PHAs must submit the following documents. Items (a) through (g) may be submitted with signature by mail or electronically with scanned signatures, but electronic submission is encouraged. Items (h) through (i) must be attached electronically with the PHA Plan. Note: Faxed copies of these documents will not be accepted by the Field Office.</p> <p>(a) Form HUD-50077, <i>PHA Certifications of Compliance with the PHA Plans and Related Regulations</i> (which includes all certifications relating to Civil Rights)</p> <p>(b) Form HUD-50070, <i>Certification for a Drug-Free Workplace</i> (PHAs receiving CFP grants only)</p> <p>(c) Form HUD-50071, <i>Certification of Payments to Influence Federal Transactions</i> (PHAs receiving CFP grants only)</p> <p>(d) Form SF-LLL, <i>Disclosure of Lobbying Activities</i> (PHAs receiving CFP grants only)</p> <p>(e) Form SF-LLL-A, <i>Disclosure of Lobbying Activities Continuation Sheet</i> (PHAs receiving CFP grants only)</p> <p>(f) Resident Advisory Board (RAB) comments. 12.0 RESIDENT ADVISORY BOARD COMMENTS,

Minutes of the Resident Advisory Board Meeting
Date: August 31, 2011

The meeting of the Resident Advisory Board (RAB) was held at 11:00 A.M., August 31, 2011 in the Colonial I Community Room. Attending were Joseph Nolan, Modernization Coordinator, Colonial I residents, Lorraine Kingwater (#101) and Barbara Lamphier (#412); Colonial II resident, Deanna Sherwood (#613) and Valentine resident, Michael LaManque (#406). Nancy DeFilippo (#213 - 2) notified us that she was unable to attend. Notices were sent to Liberty Garden Apartment residents requesting interest in attending - no replies.

Mr. Nolan distributed copies of our 2010 RAB meeting notes, 2011 Capital Fund Annual statement and copies of our mission statement, goals, and RHA strategies as submitted in our 5-year Capital Plan.

The committee commented on what a wonderful time they all had at the recent summer picnic and look forward to having additional gatherings in the future.

Mr. Nolan reviewed projects that have been completed or that are presently in-progress.

Work in-progress included the conversion of two efficiency apartment units into one 1-bedroom apartment to meet ADA standards. Exterior brick inspections and expansion joint repair work is scheduled for September at Colonial I and Colonial II. Interior apartment repairs are continuing at Liberty

Garden Apts. to include additional light fixtures, wall plugs, and light switches. We are reviewing the expansion of each laundry room to include adding more washing machines and dryers. Purchase of a new plow vehicle.

We reviewed the completed capital work items; security cameras at all three high-rises, vestibule floor replacement at Colonial I Apts., stair tower wall painting at Valentine Apts., installation of hard wired smoke detectors, light fixtures, duplexes, and bathroom and kitchen sink fixtures at Liberty Garden Apartments.

The committee commented that they feel more secure and feel they have fewer trespassers with the addition of the new security cameras.

We reviewed the work items included in our Annual plan, but have a lower priority than other work items such as the need to replace steel floor joists in the crawl spaces at Liberty Gardens.

Mr. Nolan asked the RAB members if they had additional projects or work items that they would like to see accomplished with the following results:

1. The committee was concerned about the recent bed bug extermination and asked what could be done to prevent additional infestations. Suggestions were made to have educational materials available for new move-ins, increase house-keeping inspections. (Mr. Nolan indicated that we will continue to inspect each unit for bed bugs and housekeeping during our annual inspections in accordance with HUD requirements, but would inquire as to the possibility of bringing in the bed bug canine and his handler on a routine basis. Mr. Nolan reminded them that residents should be diligent in performing personal inspections of their own apartments and are responsible for reporting any findings to the office).
2. Requested enclosed dog walk/play area. (Mr. Nolan informed them that the present area is fenced in and your lease requires you to have control of your pet at all times).
3. Geese are making a mess of the back lawn. (Mr. Nolan stated that we didn't follow up with the USDA Wild Life Dept. due to the expense and lack of captured geese the previous year. We will look into additional measure to control the geese).
4. Request to have classes for Health and Fitness, holiday parties, more planned activities. (Mr. Nolan recommends the tenants contact Mr. Baldwin, E.D. and set up a "Tenant Association").
5. Requested alternative secured location so packages can be retrieved when the office is not open. (Mr. Nolan will review alternative location with the Post office).
6. Status of snack vending machine? (Vending machine company was contacted and expressed interest in supplying snack machines. Will follow-up).
7. General Maintenance items were brought up, i.e. restriping parking areas, floor conditions, window cleaning. (Mr. Nolan explained that windows will be cleaned if the tenant calls in a work order, generally requested when we install A/C or remove. Staff is continually addressing floor conditions and general maintenance, parking lot restriping will be reviewed).

RAB members commented that staff members are very approachable.

Respectfully submitted,

ROME HOUSING AUTHORITY
Joseph T. Nolan
Modernization Coordinator

**PHA Certifications of Compliance with the PHA Plans and Related Regulations:
Board Resolution to Accompany the PHA 5-Year and Annual PHA Plan**

Acting on behalf of the Board of Commissioners of the Public Housing Agency (PHA) listed below, as its Chairman or other authorized PHA official if there is no Board of Commissioners, I approve the submission of the ___ 5-Year and/or x Annual PHA Plan for the PHA fiscal year beginning 2012, hereinafter referred to as "the Plan", of which this document is a part and make the following certifications and agreements with the Department of Housing and Urban Development (HUD) in connection with the submission of the Plan and implementation thereof:

1. The Plan is consistent with the applicable comprehensive housing affordability strategy (or any plan incorporating such strategy) for the jurisdiction in which the PHA is located.
2. The Plan contains a certification by the appropriate State or local officials that the Plan is consistent with the applicable Consolidated Plan, which includes a certification that requires the preparation of an Analysis of Impediments to Fair Housing Choice, for the PHA's jurisdiction and a description of the manner in which the PHA Plan is consistent with the applicable Consolidated Plan.
3. The PHA certifies that there has been no change, significant or otherwise, to the Capital Fund Program (and Capital Fund Program/Replacement Housing Factor) Annual Statement(s), since submission of its last approved Annual Plan. The Capital Fund Program Annual Statement/Annual Statement/Performance and Evaluation Report must be submitted annually even if there is no change.
4. The PHA has established a Resident Advisory Board or Boards, the membership of which represents the residents assisted by the PHA, consulted with this Board or Boards in developing the Plan, and considered the recommendations of the Board or Boards (24 CFR 903.13). The PHA has included in the Plan submission a copy of the recommendations made by the Resident Advisory Board or Boards and a description of the manner in which the Plan addresses these recommendations.
5. The PHA made the proposed Plan and all information relevant to the public hearing available for public inspection at least 45 days before the hearing, published a notice that a hearing would be held and conducted a hearing to discuss the Plan and invited public comment.
6. The PHA certifies that it will carry out the Plan in conformity with Title VI of the Civil Rights Act of 1964, the Fair Housing Act, section 504 of the Rehabilitation Act of 1973, and title II of the Americans with Disabilities Act of 1990.
7. The PHA will affirmatively further fair housing by examining their programs or proposed programs, identify any impediments to fair housing choice within those programs, address those impediments in a reasonable fashion in view of the resources available and work with local jurisdictions to implement any of the jurisdiction's initiatives to affirmatively further fair housing that require the PHA's involvement and maintain records reflecting these analyses and actions.
8. For PHA Plan that includes a policy for site based waiting lists:
 - The PHA regularly submits required data to HUD's 50058 PIC/IMS Module in an accurate, complete and timely manner (as specified in PIH Notice 2006-24);
 - The system of site-based waiting lists provides for full disclosure to each applicant in the selection of the development in which to reside, including basic information about available sites; and an estimate of the period of time the applicant would likely have to wait to be admitted to units of different sizes and types at each site;
 - Adoption of site-based waiting list would not violate any court order or settlement agreement or be inconsistent with a pending complaint brought by HUD;
 - The PHA shall take reasonable measures to assure that such waiting list is consistent with affirmatively furthering fair housing;
 - The PHA provides for review of its site-based waiting list policy to determine if it is consistent with civil rights laws and certifications, as specified in 24 CFR part 903.7(c)(1).
9. The PHA will comply with the prohibitions against discrimination on the basis of age pursuant to the Age Discrimination Act of 1975.
10. The PHA will comply with the Architectural Barriers Act of 1968 and 24 CFR Part 41, Policies and Procedures for the Enforcement of Standards and Requirements for Accessibility by the Physically Handicapped.
11. The PHA will comply with the requirements of section 3 of the Housing and Urban Development Act of 1968, Employment Opportunities for Low-or Very-Low Income Persons, and with its implementing regulation at 24 CFR Part 135.
12. The PHA will comply with acquisition and relocation requirements of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 and implementing regulations at 49 CFR Part 24 as applicable.

13. The PHA will take appropriate affirmative action to award contracts to minority and women's business enterprises under 24 CFR 5.105(a).
14. The PHA will provide the responsible entity or HUD any documentation that the responsible entity or HUD needs to carry out its review under the National Environmental Policy Act and other related authorities in accordance with 24 CFR Part 58 or Part 50, respectively.
15. With respect to public housing the PHA will comply with Davis-Bacon or HUD determined wage rate requirements under Section 12 of the United States Housing Act of 1937 and the Contract Work Hours and Safety Standards Act.
16. The PHA will keep records in accordance with 24 CFR 85.20 and facilitate an effective audit to determine compliance with program requirements.
17. The PHA will comply with the Lead-Based Paint Poisoning Prevention Act, the Residential Lead-Based Paint Hazard Reduction Act of 1992, and 24 CFR Part 35.
18. The PHA will comply with the policies, guidelines, and requirements of OMB Circular No. A-87 (Cost Principles for State, Local and Indian Tribal Governments), 2 CFR Part 225, and 24 CFR Part 85 (Administrative Requirements for Grants and Cooperative Agreements to State, Local and Federally Recognized Indian Tribal Governments).
19. The PHA will undertake only activities and programs covered by the Plan in a manner consistent with its Plan and will utilize covered grant funds only for activities that are approvable under the regulations and included in its Plan.
20. All attachments to the Plan have been and will continue to be available at all times and all locations that the PHA Plan is available for public inspection. All required supporting documents have been made available for public inspection along with the Plan and additional requirements at the primary business office of the PHA and at all other times and locations identified by the PHA in its PHA Plan and will continue to be made available at least at the primary business office of the PHA.
21. The PHA provides assurance as part of this certification that:
 - (i) The Resident Advisory Board had an opportunity to review and comment on the changes to the policies and programs before implementation by the PHA;
 - (ii) The changes were duly approved by the PHA Board of Directors (or similar governing body); and
 - (iii) The revised policies and programs are available for review and inspection, at the principal office of the PHA during normal business hours.
22. The PHA certifies that it is in compliance with all applicable Federal statutory and regulatory requirements.
