SECTION 9.1 – STRATEGY FOR ADDRESSING HOUSING NEEDS

PUBLIC HOUSING PROGRAM

To address the housing needs of the residents of our county, Portsmouth Metropolitan Housing Authority has handicap accessible units in all its Developments to assist American's with Disabilities. We maintain a strong wait list. We take applications each business day and do not close any of the wait lists. We also purge the list regularly so that the remaining applicants are current in their need and interest for housing with PMHA. We try to minimize the unit turnaround days in order to provide housing as quickly as possible for the eligible families on our wait list, thus keeping the occupancy rates high for our 886 units.

Our goal is to continue to do everything possible to minimize the number of vacant days for any empty unit while still providing decent, safe and affordable housing to the residents in our jurisdiction. This also includes the continued efforts of our housing authority to work with the various social service agencies in our area. We are also working with our current residents so that we are able to minimize the number of evictions and thus maintain housing for those families in need.

HOUSING CHOICE VOUCHER PROGRAM

The housing authority will maximize the number of affordable units by contacting realtors, current and new landlords to obtain information regarding available units or units that soon will be available.

Some landlords advertise their units in the local newspaper and the housing authority is listed on the internet.

The waiting list is updated annually to ensure the pool of applicants represent interested families.

PORTSMOUTH METROPOLITAN HOUSING AUTHORITY
MINUTES FROM RESIDENT ADVISORY BOARD MEETING

Thursday, January 12, 2012 – 2:00 p.m.
Hudson House Community Room

The Resident Advisory Board of the Portsmouth Metropolitan Housing Authority met on Thursday, January 12, 2012 to assist in the development of the PHA Annual Plan for FY 2012.

There were six (6) people in attendance: three (3) residents from public housing representing three (3) units; one (1) Section 8 resident and two (2) PMHA staff members.

The Executive Director, Peggy Rice opened the meeting by explaining the role of the Resident Advisory Board. The Executive Director also explained the difference between the Five-Year Plan and Annual Plan advising this year's plan was just an Annual Plan and added since PMHA is a High Performer under the Public Housing Assessment Program we are not required to complete a full Plan.

The Executive Director explained the Capital Fund Program and handed out copies of the proposed 5-year action plan and annual statement and went over some of the major planned improvements at each development as follows:

- Additional security cameras at Alexandria House, Hudson House and Cliffside House;
- Converting ranges from gas to electric at Wayne Hills and addressing other plumbing issues;
- Removing dumpsters and getting trash cans for apartments at Wayne Hills;
- Major renovations at the Alexandria House i.e. new entry doors, changing heating and cooling source and replacing commodes and sinks;
- New playgrounds at Miller Manor and Lett Terrace and addressing issues with parking;
- 1718 Highland would receive major renovations;
- The home on Cedar Street would be getting an upgrade to the electric service.
- Curb appeal at all the sites.

The Executive Director explained the above items were things we would be working on in the upcoming year; they may not all happen this year and can be subject to change.

The Executive Director advised we would also be looking at adjusting flat rents and utility allowances for both public housing and Section 8.

The Executive Director opened the floor to questions and comments from the residents asking for their ideas on improvements they would like to their individual sites and units.

The residents were most concerned with the installation of security cameras at the high-rises and the trash from the dumpsters overflowing at Wayne Hills.

The Executive Director explained PMHA went out for bid on the security cameras and when the bids came in there was a problem with them and the project has to be re-bid and we are working to get this back out for bid.

The Executive Director explained the dumpsters at Wayne Hills were being replaced with individual trash cans and this should help alleviate some of the trash problem residents are experiencing at that site.

The meeting concluded with a discussion about housing needs in Scioto County.
