State the PHA's Mission for serving the needs of low-income, very low-income, and extremely low income families in the PHA's jurisdiction for the next five years: Allen Metropolitan Housing Authority (AMHA) is committed to providing affordable, decent, safe and sanitary housing while promoting economic opportunities for families in the region. In order to achieve this, we will: Educate families in the areas of home management, financial self-sufficiency and Home ownership, Promote crime-free housing, Encourage and promote home ownership, Collaborate with organizations for community development, Support youth development, Support youth development through various programs, Continue to maintain solid fiscal management.					
5.2	Goals and Objectives. Identify the PHA's quantifiable goals and objectives that will enable the PHA to serve the needs of low-income and very low-income, and extremely low-income families for the next five years. Include a report on the progress the PHA has made in meeting the goals and objectives described in the previous 5-Year Plan. <ol style="list-style-type: none"> GOAL: Manage the Allen Metropolitan Housing Authority's public housing program in an efficient and effective manner thereby qualifying for a minimum of a Standard Performer, and continue to strive for High Performing status. Objective: HUD shall recognize the AMHA as a standard performer or high performer. Weak areas will be reviewed and addressed in an action plan to obtain high performing status by the end of 2014 fiscal year. We will maintain a trained, motivated work force with a capable and efficient team of employees. PROGRESS: We received a substandard performer score for FY 6/30/2010. Our weakest area was the Physical Indicator. Because of that, we have increased our inspection frequency and have developed a "tag team" approach to inspections. Furthermore, we are determined to put more effort and funnel more money into the upkeep and improvement of our properties. GOAL: Manage the Housing Choice Voucher Program in an efficient and effective manner thereby qualifying for a minimum of standard performing status and striving for high performing status. Objective: HUD shall continue to recognize the AMHA as a high performer. Weak areas will be reviewed and addressed in an action plan to obtain high performing status. We will maintain a trained, motivated work force with a capable and efficient team of employees. PROGRESS: We have recently submitted our SEMAP indicators, and fully expect HUD to continue to recognize AMHA as a high performer. GOAL: VAWA (In plan currently) GOAL: The AMHA will assist the City of Lima and Allen County in improving property maintenance issues. Objective: AMHA will mandate that Section 8 property owners or managers attend an 8 hour course to assist them in being a successful participant in the Section 8 HCV Program. This program will be provided free of charge to them in partnership with local law enforcement, property maintenance departments and Legal Aid. PROGRESS: AMHA is currently scheduling the next set of landlord trainings and negotiating with presenters. GOAL: AMHA will continue to partner with other social service agencies and government to provide needed services to the citizens of Allen County. Objective: AMHA will attend and participate in meetings that involve residents, government, law enforcement and social service agencies. Opportunities will be explored in all areas that benefit consumers. PROGRESS: AMHA is current and active in our local Family Children First Council, our local Continuum of Care Coalition, the Allen County Housing Consortium, the local Re-entry Coalition, and is exploring VASH possibilities along with the Allen County Office of Veterans Affairs. 					

6.0	<p>PHA Plan Update</p> <p>(a) Identify all PHA Plan elements that have been revised by the PHA since its last Annual Plan submission: N/A (b) Identify the specific location(s) where the public may obtain copies of the 5-Year and Annual PHA Plan. 7.0	<p>Hope VI, Mixed Finance Modernization or Development, Demolition and/or Disposition, Conversion of Public Housing, Homeownership Programs, and Project-based Vouchers. <i>Include statements related to these programs as applicable.</i></p> <p>PUBLIC HOUSING HOMEOWNERSHIP: AMHA has an approved Section 5(h) Homeownership Program. By providing the necessary counseling and training for the success of the Homeownership Program and encouraging self-sufficiency, not only will the affected residents' living conditions improve, but also the quality of their lives. This program will benefit community by turning tax-exempt rental units into properties that become part of the tax base of the community and separate the homebuyers from the system of dependency. In addition, homeownership improves an individual's self-worth, and provides families with a stake in their neighborhoods and increases their level of community involvement.</p> <p>The Homeownership Program is designed to enable eligible families to purchase homes that are affordable so that they too can realize the American dream of owning one's own home.</p> <p>SECTION 8 HOMEOWNERSHIP: The Allen Metropolitan Housing Authority's homeownership option for the Section 8 program is designed to promote and support homeownership by a "first-time" homeowner. It allows one or more members of the family to purchase a home. Section 8 payments supplement the family's own income to facilitate the transition from rental to homeownership. The initial availability of these assistance payments helps the family pay the costs of homeownership, and may provide additional assurance for a lender, so that the family can obtain financing to purchase the home. The Allen Metropolitan Housing Authority has set no cap on the number of Section 8 Housing Choice Vouchers that may be utilized for this program.</p> <p>PROJECT-BASED VOUCHERS: It is the intent of the Allen Metropolitan Housing Authority to project-base up to 20% of our current allocation. The general location for the use of project-base vouchers is Allen County. This action is consistent with the Allen Metropolitan Housing Authority 5 Year Plan because it expands the supply of assisted housing. Our intent is to project-base vouchers for mentally disabled families, which ground was broken 9/2011 for this project.</p>

Housing Needs. Based on information provided by the applicable Consolidated Plan, information provided by HUD, and other generally available data, make a reasonable effort to identify the housing needs of the low-income, very low-income, and extremely low-income families who reside in the jurisdiction served by the PHA, including elderly families, families with disabilities, and households of various races and ethnic groups, and other families who are on the public housing and Section 8 tenant-based assistance waiting lists. The identification of housing needs must address issues of affordability, supply, quality, accessibility, size of units, and location.

The Allen Metropolitan Housing Authority has based the overall housing need on the CHAS data set for Allen County. The AMHA has rated the impact of affordability, supply, quality, accessibility, size and location for each family type, from 1 to 5, with 1 being “no impact” and 5 being “severe impact.” Use N/A to indicate that no information is available upon which the PHA can make this assessment.

Board Resolution to Accompany the PHA 5-Year and Annual PHA Plan**

Acting on behalf of the Board of Commissioners of the Public Housing Agency (PHA) listed below, as its Chairman or other authorized PHA official if there is no Board of Commissioners, I approve the submission of the ___ 5-Year and/or Annual PHA Plan for the PHA fiscal year beginning 11/12, hereinafter referred to as "the Plan", of which this document is a part and make the following certifications and agreements with the Department of Housing and Urban Development (HUD) in connection with the submission of the Plan and implementation thereof:

1. The Plan is consistent with the applicable comprehensive housing affordability strategy (or any plan incorporating such strategy) for the jurisdiction in which the PHA is located.
2. The Plan contains a certification by the appropriate State or local officials that the Plan is consistent with the applicable Consolidated Plan, which includes a certification that requires the preparation of an Analysis of Impediments to Fair Housing Choice, for the PHA's jurisdiction and a description of the manner in which the PHA Plan is consistent with the applicable Consolidated Plan.
3. The PHA certifies that there has been no change, significant or otherwise, to the Capital Fund Program (and Capital Fund Program/Replacement Housing Factor) Annual Statement(s), since submission of its last approved Annual Plan. The Capital Fund Program Annual Statement/Annual Statement/Performance and Evaluation Report must be submitted annually even if there is no change.
4. The PHA has established a Resident Advisory Board or Boards, the membership of which represents the residents assisted by the PHA, consulted with this Board or Boards in developing the Plan, and considered the recommendations of the Board or Boards (24 CFR 903.13). The PHA has included in the Plan submission a copy of the recommendations made by the Resident Advisory Board or Boards and a description of the manner in which the Plan addresses these recommendations.
5. The PHA made the proposed Plan and all information relevant to the public hearing available for public inspection at least 45 days before the hearing, published a notice that a hearing would be held and conducted a hearing to discuss the Plan and invited public comment.
6. The PHA certifies that it will carry out the Plan in conformity with Title VI of the Civil Rights Act of 1964, the Fair Housing Act, section 504 of the Rehabilitation Act of 1973, and title II of the Americans with Disabilities Act of 1990.
7. The PHA will affirmatively further fair housing by examining their programs or proposed programs, identify any impediments to fair housing choice within those programs, address those impediments in a reasonable fashion in view of the resources available and work with local jurisdictions to implement any of the jurisdiction's initiatives to affirmatively further fair housing that require the PHA's involvement and maintain records reflecting these analyses and actions.
8. For PHA Plan that includes a policy for site based waiting lists:
 - The PHA regularly submits required data to HUD's 50058 PIC/IMS Module in an accurate, complete and timely manner (as specified in PIH Notice 2006-24);
 - The system of site-based waiting lists provides for full disclosure to each applicant in the selection of the development in which to reside, including basic information about available sites; and an estimate of the period of time the applicant would likely have to wait to be admitted to units of different sizes and types at each site;
 - Adoption of site-based waiting list would not violate any court order or settlement agreement or be inconsistent with a pending complaint brought by HUD;
 - The PHA shall take reasonable measures to assure that such waiting list is consistent with affirmatively furthering fair housing;
 - The PHA provides for review of its site-based waiting list policy to determine if it is consistent with civil rights laws and certifications, as specified in 24 CFR part 903.7(c)(1).
9. The PHA will comply with the prohibitions against discrimination on the basis of age pursuant to the Age Discrimination Act of 1975.
10. The PHA will comply with the Architectural Barriers Act of 1968 and 24 CFR Part 41, Policies and Procedures for the Enforcement of Standards and Requirements for Accessibility by the Physically Handicapped.
11. The PHA will comply with the requirements of section 3 of the Housing and Urban Development Act of 1968. Employment Opportunities for Low-or Very-Low Income Persons, and with its implementing regulation at 24 CFR Part 135.

12. The PHA will comply with acquisition and relocation requirements of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 and implementing regulations at 49 CFR Part 24 as applicable.
13. The PHA will take appropriate affirmative action to award contracts to minority and women's business enterprises under 24 CFR 5.105(a).
14. The PHA will provide the responsible entity or HUD any documentation that the responsible entity or HUD needs to carry out its review under the National Environmental Policy Act and other related authorities in accordance with 24 CFR Part 58 or Part 50, respectively.
15. With respect to public housing the PHA will comply with Davis-Bacon or HUD determined wage rate requirements under Section 12 of the United States Housing Act of 1937 and the Contract Work Hours and Safety Standards Act.
16. The PHA will keep records in accordance with 24 CFR 85.20 and facilitate an effective audit to determine compliance with program requirements.
17. The PHA will comply with the Lead-Based Paint Poisoning Prevention Act, the Residential Lead-Based Paint Hazard Reduction Act of 1992, and 24 CFR Part 35.
18. The PHA will comply with the policies, guidelines, and requirements of OMB Circular No. A-87 (Cost Principles for State, Local and Indian Tribal Governments), 2 CFR Part 225, and 24 CFR Part 85 (Administrative Requirements for Grants and Cooperative Agreements to State, Local and Federally Recognized Indian Tribal Governments).
19. The PHA will undertake only activities and programs covered by the Plan in a manner consistent with its Plan and will utilize covered grant funds only for activities that are approvable under the regulations and included in its Plan.
20. All attachments to the Plan have been and will continue to be available at all times and all locations that the PHA Plan is available for public inspection. All required supporting documents have been made available for public inspection along with the Plan and additional requirements at the primary business office of the PHA and at all other times and locations identified by the PHA in its PHA Plan and will continue to be made available at least at the primary business office of the PHA.
21. The PHA provides assurance as part of this certification that:
 - (i) The Resident Advisory Board had an opportunity to review and comment on the changes to the policies and programs before implementation by the PHA;
 - (ii) The changes were duly approved by the PHA Board of Directors (or similar governing body); and
 - (iii) The revised policies and programs are available for review and inspection, at the principal office of the PHA during normal business hours.
22. The PHA certifies that it is in compliance with all applicable Federal statutory and regulatory requirements.
