5.0	5-Year Plan. Complete items 5.1 and 5.2 only at 5-Year Plan update.												
5.1	Mission. State the PHA's Mission for serving the needs of low-income, very low-income, and extremely low income families in the PHA's jurisdiction for the next five years: The Brown Metropolitan Housing Authority is committed to provide decent, safe and affordable housing to low income residents of Brown County through the Housing Choice Voucher and Ripley Public Housing Program.												

5.2	<p>Goals and Objectives. Identify the PHA’s quantifiable goals and objectives that will enable the PHA to serve the needs of low-income and very low-income, and extremely low-income families for the next five years. Include a report on the progress the PHA has made in meeting the goals and objectives described in the previous 5-Year Plan.</p> <p>During the last five years, the opportunities to increase the number of Vouchers and Public Housing have diminished. In order to assist some of the clients on the waiting list, applicants from the Housing Choice Voucher program have been selected to participate in the Tenant Based Rental Assistance program through NSP funds, awarded to the Brown County Department of Economic Development. This has cut down on some of the wait time for assistance for a few of these applicants. The BMHA will continue to work with the Brown County Department of Economic Development to assist them in their efforts to obtain NSP funds for the upcoming years.</p> <p>In the next five years, the Brown Metropolitan Housing Authority will apply for Housing Choice Vouchers to assist with the needs of Brown County. For the Ripley Public Housing, the Brown Metropolitan Housing Authority would like to increase the number of units from 19 to 20. Management plans to research how this may be possible.</p> <p>Staff at the Brown Metropolitan Housing Authority is kept up to date on changing regulations in order to remain in compliance with HUD Guidelines. As a result, the Brown Metropolitan Housing Authority received a “High Performer” SEMAP score during the 2009 fiscal year. Public Housing has had some issues with collecting accounts receivable after a tenant vacates a unit. During the past 5 years, a collection agency was hired to collect unpaid debt. Unfortunately, this did not improve collection of these debts. During the past years, the BMHA has worked with the Ripley Police Department to prevent criminal activity on the site.</p> <p>In the next five years, BMHA management staff will continue to attend trainings pertaining to 504 regulations, fair housing and landlord-tenant laws. Staff will attend trainings pertaining to HUD regulations, whenever affordable. It is our goal to become “High Performers” for each scoring period in the next five years. On-line training has been a benefit to this agency.</p> <p>The Brown Metropolitan Housing Authority is in compliance with the Memorandum of Agreement executed on May 5, 2011. It is our intention that the designation of “troubled” will be removed before the beginning of Fiscal year 2012.</p> <p>As a result of the previous five years self-sufficiently efforts and enforcement of the community service requirement, in regards to the BMHA Ripley Public Housing Program, each adult member of the households is employed or unable to work due to a disability. For the Housing Choice Voucher program, 93% are employed or unable to work due to disability. The BMHA encourages clients to become self-sufficient by posting employment opportunities in the office. During the past five years, the BMHA has maintained a strong working relationship with the Work Force Investment Act (WIA) programs. This has enabled the BMHA to notify tenants of programs offered by through WIA, such as the adult employment and the summer youth program offered this past year. The BMHA will update the current Section 3 Policy to ensure that efforts are being made to further the self sufficiently of low income clients.</p> <p>In regards to the deconcentration of poverty in the public housing program, it is important to note that the BMHA has only one public housing program located in Ripley, Ohio. Again, each of these nineteen single family homes consists of adults who are working or unable to work due to disability.</p>
6.0	<p>PHA Plan Update</p> <p>(a) Identify all PHA Plan elements that have been revised by the PHA since its last Annual Plan submission:</p> <p>(b) Identify the specific location(s) where the public may obtain copies of the 5-Year and Annual PHA Plan. For a complete list of PHA Plan elements, see Section 6.0 of the instructions.</p> <p>a. None at this time.</p> <p>b. The BMHA 5-year/annual plan may be found at the office located at 406 W. Plum Street, Room 99, Georgetown, Ohio 45121</p>
7.0	<p>Hope VI, Mixed Finance Modernization or Development, Demolition and/or Disposition, Conversion of Public Housing, Homeownership Programs, and Project-based Vouchers. <i>Include statements related to these programs as applicable.</i></p> <p><i>Not applicable.</i></p>
8.0	<p>Capital Improvements. Please complete Parts 8.1 through 8.3, as applicable.</p>
8.1	<p>Capital Fund Program Annual Statement/Performance and Evaluation Report. As part of the PHA 5-Year and Annual Plan, annually complete and submit the <i>Capital Fund Program Annual Statement/Performance and Evaluation Report</i>, form HUD-50075.1, for each current and open CFP grant and CFFP financing.</p> <p>Attachment I</p>
8.2	<p>Capital Fund Program Five-Year Action Plan. As part of the submission of the Annual Plan, PHAs must complete and submit the <i>Capital Fund Program Five-Year Action Plan</i>, form HUD-50075.2, and subsequent annual updates (on a rolling basis, e.g., drop current year, and add latest year for a five year period). Large capital items must be included in the Five-Year Action Plan.</p> <p>NA</p>
8.3	<p>Capital Fund Financing Program (CFFP).</p> <p><input type="checkbox"/> Check if the PHA proposes to use any portion of its Capital Fund Program (CFP)/Replacement Housing Factor (RHF) to repay debt incurred to finance capital improvements.</p>

9.0	<p>Housing Needs. Based on information provided by the applicable Consolidated Plan, information provided by HUD, and other generally available data, make a reasonable effort to identify the housing needs of the low-income, very low-income, and extremely low-income families who reside in the jurisdiction served by the PHA, including elderly families, families with disabilities, and households of various races and ethnic groups, and other families who are on the public housing and Section 8 tenant-based assistance waiting lists. The identification of housing needs must address issues of affordability, supply, quality, accessibility, size of units, and location.</p> <p>The Brown Metropolitan Housing Authority participated in the formation of the CHIS for 2008. During this meeting, it was discovered that the lowest income area in Brown County is Aberdeen, Ohio. Homes in this area often are substandard and in need of improvement.</p> <p>The highest income area in Brown County is Mt. Orab, Ohio. Mt. Orab is approximately ½ hour from Cincinnati and the Eastgate area. Jobs are easier to obtain in the Mt. Orab area. Unfortunately, rental units are scarce in the Mt. Orab area, resulting in higher rents that are often unaffordable to low income residents. It appears that rents that are affordable to lower income tenants are the farthest away from basic needs, such as physician services, grocery stores and employment opportunities.</p> <p>The waiting list for the Public Housing Program consists of 54 families. Of those families, 54 are families with children and two elderly families. Seven applicants are disabled. 92.59% of the families are Non-Hispanic, 1.85% Hispanic. Persons who are black/African American consist of 5.56% and 92.59% of the families are white.</p> <p>The waiting list for the Housing Choice Voucher program consists of 230 applicants. There are 162 families with children, 19 elderly applicants and 79 families with disabilities. The waiting list consists of 1.30% Hispanic applicants and 96.96% Non-Hispanic persons. The waiting list consists of 5.22% black/African American and 93.48% white applicants. The waiting list for the Housing Choice Voucher Program is currently closed.</p> <p>According to the experience of the Brown Metropolitan Housing Authority and the Brown County Fair Housing Office, the issue of race/ethnicity is not as much of a barrier to locating affordable housing as it is for persons who are disabled. Although the apartment complexes in the Brown County area offer accessible units to persons who are disabled, the amount of affordable, disability accessible units on the private market are scarce. It is also the experience of the BMHA and Fair Housing Office that some landlords are hesitant to rent to families with children.</p> <p>The BMHA has partnered with social service and housing agencies in the Brown County area to form a local Continuum of Care (CoC). Through the COC, the BMHA is working with other low income housing providers to refer clients to available housing options.</p>
-----	--

9.1	<p>Strategy for Addressing Housing Needs. Provide a brief description of the PHA’s strategy for addressing the housing needs of families in the jurisdiction and on the waiting list in the upcoming year. Note: Small, Section 8 only, and High Performing PHAs complete only for Annual Plan submission with the 5-Year Plan.</p> <p>For a period of one year, eligible applicants will be selected from the Housing Choice Voucher program will be selected to participate in the Tenant Based Rental Assistance program. It is our hope that when this program expires, there will be Vouchers available to continue with rental assistance. Each client that applies for rental assistance will also be referred to other affordable housing opportunities in the area.</p>

10.0	<p>Additional Information. Describe the following, as well as any additional information HUD has requested.</p> <p>(a) Progress in Meeting Mission and Goals. Provide a brief statement of the PHA’s progress in meeting the mission and goals described in the 5-Year Plan.</p> <p>During the past year, the Brown Metropolitan Housing Authority has been able to refer fifteen (15) people from the Housing Choice Voucher waiting list program to the Tenant Based Rental Assistance program. One of these applicants has received a Voucher.</p> <p>(b) Significant Amendment and Substantial Deviation/Modification. Board Resolution to Accompany the PHA 5-Year and Annual PHA Plan**

Acting on behalf of the Board of Commissioners of the Public Housing Agency (PHA) listed below, as its Chairman or other authorized PHA official if there is no Board of Commissioners, I approve the submission of the ___ 5-Year and/or ___ Annual PHA Plan for the PHA fiscal year beginning, hereinafter referred to as "the Plan", of which this document is a part and make the following certifications and agreements with the Department of Housing and Urban Development (HUD) in connection with the submission of the Plan and implementation thereof:

1. The Plan is consistent with the applicable comprehensive housing affordability strategy (or any plan incorporating such strategy) for the jurisdiction in which the PHA is located.
2. The Plan contains a certification by the appropriate State or local officials that the Plan is consistent with the applicable Consolidated Plan, which includes a certification that requires the preparation of an Analysis of Impediments to Fair Housing Choice for the PHA's jurisdiction and a description of the manner in which the PHA Plan is consistent with the applicable Consolidated Plan.
3. The PHA certifies that there has been no change, significant or otherwise, to the Capital Fund Program (and Capital Fund Program/Replacement Housing Factor) Annual Statement(s), since submission of its last approved Annual Plan. The Capital Fund Program Annual Statement/Annual Statement/Performance and Evaluation Report must be submitted annually even if there is no change.
4. The PHA has established a Resident Advisory Board or Boards, the membership of which represents the residents assisted by the PHA, consulted with this Board or Boards in developing the Plan, and considered the recommendations of the Board or Boards (24 CFR 903.13). The PHA has included in the Plan submission a copy of the recommendations made by the Resident Advisory Board or Boards and a description of the manner in which the Plan addresses these recommendations.
5. The PHA made the proposed Plan and all information relevant to the public hearing available for public inspection at least 45 days before the hearing, published a notice that a hearing would be held and conducted a hearing to discuss the Plan and invited public comment.
6. The PHA certifies that it will carry out the Plan in conformity with Title VI of the Civil Rights Act of 1964, the Fair Housing Act, section 504 of the Rehabilitation Act of 1973, and title II of the Americans with Disabilities Act of 1990.
7. The PHA will affirmatively further fair housing by examining their programs or proposed programs, identify any impediments to fair housing choice within those programs, address those impediments in a reasonable fashion in view of the resources available and work with local jurisdictions to implement any of the jurisdiction's initiatives to affirmatively further fair housing that require the PHA's involvement and maintain records reflecting these analyses and actions.
8. For PHA Plan that includes a policy for site based waiting lists:
 - The PHA regularly submits required data to HUD's 50058 PIC/HMS Module in an accurate, complete and timely manner (as specified in PHH Notice 2006-24);
 - The system of site-based waiting lists provides for full disclosure to each applicant in the selection of the development in which to reside, including basic information about available sites; and an estimate of the period of time the applicant would likely have to wait to be admitted to units of different sizes and types at each site;
 - Adoption of site-based waiting list would not violate any court order or settlement agreement or be inconsistent with a pending complaint brought by HUD;
 - The PHA shall take reasonable measures to assure that such waiting list is consistent with affirmatively furthering fair housing;

**BROWN METROPOLITAN HOUSING AUTHORITY
VIOLENCE AGAINST WOMEN ACT (VAWA)
STATEMENT**

On January 5, 2006, President Bush signed VAWA into law as Public Law 109-162. In accordance with Section 603 of the law which requires PHA's annual plans to contain information regarding any PHA goals, activities, objectives, policies or programs that are intended to support or assist victims of domestic violence, dating violence, sexual assault, or stalking.

I. HOUSING CHOICE VOUCHER PROGRAM

HCV landlords are asked to implement the Tenancy Addendum dated July 31, 2007, as an attachment to the lease agreement. Landlords are aware that they are not to terminate victims of domestic violence, dating violence, sexual assault, or stalking, under paragraph 8 (e) of the Tenancy Addendum.

II. PUBLIC HOUSING

It is the policy of the Brown Metropolitan Housing Authority to work with tenants who are victims of domestic violence, dating violence, sexual assault, or stalking. The BMHA will provide referrals to the appropriate agencies to assist with criminal action and counseling.

During the screening process, the BMHA will take in consideration any unfavorable references that have occurred as a result of the abuse. It will be required that the applicant provide documentation (police report, restraining order, etc) that demonstrates that this action occurred as a result of the abuse.

The Lease agreement offers the following protections for victims of domestic violence, dating violence, sexual assault or stalking. It is required that the tenant provide documentation (police report, restraining order, stalking order, etc) that demonstrates that this action occurred as a result of abuse:

1. An incident of actual or threatened domestic violence, dating violence, or stalking will not be construed as serious or repeated violations of the lease or other "good cause" for termination of the assistance, tenancy, or occupancy rights of such victim.
2. Criminal Activity directly relating to abuse, engaged in by a member of a tenant's household or any guest or other person under the tenant's control, shall not be cause for termination of assistance, tenancy or occupancy rights if the tenant or an immediate member of the tenant's family is a victim or threatened victim of domestic violence, dating violence or stalking.

3. Notwithstanding any restrictions on admission, occupancy or termination of occupancy, or assistance, or any Federal, State or local law to the contrary, the BMHA may “Bifurcate” a lease or otherwise remove a household member from a lease without regard to whether a household member is a signatory to the lease, in order to evict, remove, terminate occupancy rights, or terminate assistance to any individual who is a tenant or lawful occupant and who engages in criminal acts of physical violence against family members or others. This action may be taken without evicting, removing, terminating assistance to, or otherwise penalizing the victim of the violence who is also a tenant or lawful occupant. Such eviction, removal, termination of occupancy rights, or termination of assistance shall be effected in accordance with the procedures prescribed by Federal, State and local law for the termination of leases or assistance under the program.
4. Nothing in this section may be construed to limit the authority of the BMHA, when notified, to honor court orders addressing rights of access or control of the property, including civil protection orders issued to protect the victim and issued to address the distribution or possession of property among the household members in cases where a family breaks up.
5. Nothing in this section limits any otherwise available authority of the BMHA to terminate assistance to a tenant for any violation of a lease not premised on the act or acts of violence in question against the tenant or a member of the tenant’s household, provided that the BMHA does not subject an individual who is or has been a victim of domestic violence, dating violence, or stalking to a more demanding standard than other tenants in determining whether to evict or terminate.
6. Nothing in this section may be construed to limit the authority of the BMHA can demonstrate an actual and imminent threat to other tenants or those employed at or providing service to the property if the tenant is not evicted or terminate from assistance.
7. Nothing in this section shall be construed to supersede any provision of any Federal, State, or local law that provides greater protection than this section for victims of domestic violence, dating violence, or stalking.

 2. The Plan contains a certification by the appropriate State or local officials that the Plan is consistent with the applicable Consolidated Plan, which includes a certification that requires the preparation of an Analysis of Impediments to Fair Housing Choice for the PHA's jurisdiction and a description of the manner in which the PHA Plan is consistent with the applicable Consolidated Plan.

 7. The PHA will affirmatively further fair housing by examining their programs or proposed programs, identify any impediments to fair housing choice within those programs, address those impediments in a reasonable fashion in view of the resources available and work with local jurisdictions to implement any of the jurisdiction's initiatives to affirmatively further fair housing that require the PHA's involvement and maintain records reflecting these analyses and actions.
 8. For PHA Plan that includes a policy for site based waiting lists:
 - The PHA regularly submits required data to HUD's 50058 PIC/IMS Module in an accurate, complete and timely manner (as specified in PHH Notice 2006-24);
 - The system of site-based waiting lists provides for full disclosure to each applicant in the selection of the development in which to reside, including basic information about available sites; and an estimate of the period of time the applicant would likely have to wait to be admitted to units of different sizes and types at each site;
 - Adoption of site-based waiting list would not violate any court order or settlement agreement or be inconsistent with a pending complaint brought by HUD;
 - The PHA shall take reasonable measures to assure that such waiting list is consistent with affirmatively furthering fair housing;
 - The PHA provides for review of its site-based waiting list policy to determine if it is consistent with civil rights laws and certifications, as specified in 24 CFR part 903.7(e)(1)
