2012 ANNUAL PLAN

ATTACHMENT "A"

STATEMENT OF PROGRESS

HMHA Goals Five-Year Plan – Fiscal Years 2010-2014

Local housing opportunities have been improved by the aggressive issuance of vouchers in an effort to increase the utilization of our allocated number of baseline units. The Board of Commissioners previously allocated a portion of unrestricted administrative fee reserves for a Revolving Security Deposit Loan Program to assist in the housing of the low-income families being served. The SDL Program has been instrumental in the aggressive lease-up of additional households.

Outreach efforts to landlords have been accomplished by conducting annual landlord meetings and periodically providing them with updated information regarding new local, state and federal laws affecting landlords and/or tenants. Past guest speakers at the meetings have included the Hancock County Sheriff, representatives from Legal Aid of Northwestern Ohio, and Open Arms Domestic Violence Shelter.

Brochures containing information on the Housing Choice Voucher Program and Housing Quality Standards have been developed and are provided to current and prospective landlords. A Power Point presentation has also been developed in conjunction with the meetings which provides an overview of the HCV Program and contains photographs of common HQS failed items.

HMHA shall continue the outreach and education to the landlords that are and will participate in the HMHA Housing Choice Voucher Program. HMHA shall offer a meeting to landlords interested in how the housing choice voucher program not only benefits them but their community as well.

During 2011 HMHA hired a new Executive Director to continue the high standards left by the retiring Executive Director. HMHA has continued to be a High Performer as designated by HUD for the year 2010. Management will continue to review policies and procedures in order to maintain this high level of performance.

Improved affirmative action measures are taken to ensure access to assisted housing regardless of race, color, religion, national origin, sex, familial status, and disability. The Administrative Plan was recently reviewed and revised to improve the actions being taken to ensure access to assisted housing by also including veteran families, marital status, sexual orientation, gender identity or gender expression in the protected classes.

Staff will attend refresher trainings on The Sunshine Law and The Records Retention Policy in order to keep abreast of the rules and regulations concerning those subjects. Furthermore staff will continue to update skills and competencies to improve job performance.

Hancock MHA continues regular outreach efforts by maintaining an on-going working relationship with the local Legal Aid of Northwestern Ohio, local Fair Housing office, local mental health groups, Job & Family Services, MRDD, and Handicapped Society, Community Action Commission, local Housing Consortium, local AIDS Resource Center of Ohio, local domestic violence shelter, and community leaders.

As a result of the depressed economy in our area, loss of jobs and the increased number of foreclosures, the HMHA launched an advertising campaign utilizing the local newspaper, radios, and cable network to educate the community concerning the HCV Program. A website was also developed in conjunction with the campaign.

The website continues to be extremely helpful in landlord outreach since prospective landlords are able to complete a housing survey and forward information on available units to our office. The available unit information is posted on the website as a convenience not only to our landlords and clients but also to any of the general public who might be searching for available rental units. Through the addition of a HAPPY software module, Landlords under a direct deposit situation can monitor HAP payments online through HAP Check. This information is also beneficial to our staff as the information is utilized in a database to determine Rent Reasonableness as mandated by HUD regulations.
