Source: SPHA Current Waiting List for Public Housing Units (April, 2012)

The State of Tennessee Consolidated Housing Plan 2010-2015, as prepared by the Tennessee Housing and Development Agency, does not provide specific housing needs information for Marion County and/or South Pittsburg. The only detailed housing data listed for Marion County in the Housing Plan is regarding growth and vacancy rates. It is significant to note that the population of Marion County only increased by 1.1% from 2000-2009, while the number of housing units grew by 11.19%. As expected, this increased the vacancy rates (for renters) from 11.17% in 2000 to 16.6% in 2008, thus providing a significant increase in housing opportunities in the County.

4. Strategy for Addressing Housing Needs:

The SPHA's primary strategies for addressing the housing needs of families and individuals in the South Pittsburg area and on the Public Housing waiting list in the upcoming year include:

- Continue our efforts to reduce the dwelling unit turnaround time for all bedroom sizes.
- Continue our ongoing efforts to maintain 100 percent occupancy rates.
- Continue to focus on the needs of families with children which represent the largest percentage of residents. Approximately 72% of applicants on the waiting list are families with children. Only 8% of all applicants on the waiting list are elderly.
- Continue to address the large percentage of applicants with disabilities. The current waiting list indicates that 25% of all applicants have disabilities. These residents will require special design features and amenities.
- Continue to research potential funding sources and innovative strategies that will provide additional low income housing opportunities for our local population's housing needs.

5. Progress in Meeting Goals and Objectives from FY 2010 Five-Year Agency Plan:

Goal: Expand the supply of assisted housing

Progress:

- The SPHA continues to make significant progress in reducing public housing vacancies and unit turn-around time.
- The SPHA is working on establishment of a HUD Section 202 Program for additional elderly housing. Implementation of this goal is based on HUD's future funding of the Program.
- The SPHA proposes to renovate two duplex buildings that had previously been proposed for demolition, thus providing four additional dwellings for occupancy.

Goal – Improve the quality of assisted housing

Progress:

- The SPHA has made extra efforts to keep residents better informed of HA policy and programs through frequent notices and meetings related to the Agency Plan process.
- The SPHA is continually upgrading and modernizing its public housing units. With the continuation of the Capital Fund Program, we can better plan and implement improvements.
- The SPHA proposes to renovate two duplex buildings (with foundation issues) that had previously been proposed for demolition.

Goal – Provide an improved living environment

Progress:

- The SPHA will continue to coordinate drug and crime prevention efforts with the local law enforcement officials. On-going crime data is provided to the SPHA for analysis and action. The SPHA targets at-risk youth and adults in the various on-going activities. These efforts have had a positive influence on the residents, and are helping to assure the safety of the public housing residents.

GHA Goal: Promote self-sufficiency and asset development of assisted households.

Progress:

- The SPHA continues ongoing efforts to attract supportive services to improve assistance recipient's employability.

Goal – Ensure equal opportunity and affirmatively further fair housing

Progress:

- The SPHA continues to operate its public housing program to ensure equal access to all regardless of race, color, religion, national origin, sex, familial status and disability. Our inspections, maintenance and modernization programs are spread equally among all of our units within our only development.

Goal: - Promote energy efficiency practices and products when performing rehabilitation, repair and replacement.

Progress:

- The SPHA continues to implement energy conservation and efficiency practices. All HVAC systems installed as a part of our modernization efforts are high efficiency units.

GHA Goal: Support the requirements of the Violence Against Women Act (VAWA)

Progress:

- The SPHA continues our ongoing VAWA resident awareness efforts, and the continued implementation of the VAWA Policy.

8). Violence Against Women Act Policy:

SOUTH PITTSBURG HOUSING AUTHORITY

VIOLENCE AGAINST WOMEN ACT POLICY

BACKGROUND

The Violence Against Women and Justice Department Reauthorization Act of 2005 (VAWA) provides protection for tenants and family members of tenants who are victims of domestic violence, dating violence, or stalking from being evicted or terminated from housing assistance based on such acts of violence against them.

In general, the law provides, in part, that criminal activity directly relating to domestic violence, dating violence or stalking, engaged in by a member of a tenant's household, or any guest or other persons under the tenant's control, shall not be cause for termination of assistance, tenancy or occupancy rights of the tenant or immediate family member of the tenant's family is the victim or threatened victim of the abuse. The law provides that an incident or incidents of actual or threatened domestic violence, dating violence or stalking will not be construed as serious or repeated violations of the lease by the victim or threatened victim of that violence, and will not be "good cause" for termination of assistance, tenancy, or occupancy rights of a victim of such violence.

Furthermore, the law allows a PHA to "bifurcate" a lease, or remove a household member from a lease, without regard to whether a household member is a signatory to the lease, in order to evict, remove, terminate occupancy rights, or terminate assistance to any individual who is a tenant or lawful occupant and who engages in criminal acts of physical violence against family members or others, without evicting, removing, terminating assistance to, or otherwise penalizing the victim of such violence who is also a tenant or lawful occupant.

The VAWA also allows PHAs to request an individual to certify that the individual is a victim of abuse and that the incidences of abuse are bona fide. The certification must include the name of the perpetrator, and any other statutorily required information. The victim must provide the certification within 14 business days after the individual receives a request for such a certification from the PHA.

DEFINITIONS

The following definitions were incorporated into the United States Housing Act and apply to this policy:

Domestic Violence: Includes felony or misdemeanor crimes of violence committed by a current or former spouse of the victim, by a person with whom the victim share a child in common, by a person who is cohabitating with, or has cohabited with the victim as a spouse, by a person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction receiving grant monies, or by any other person against an adult or youth victim who is protected from that person's acts under the domestic or family violence laws of the jurisdiction.

Dating Violence: Violence committed by a person:

- who is or has been in a social relationship of a romantic or intimate nature with the victim; and
- where the existence of such a relationship shall be determined based on a consideration of the following factors: 1) the length of the relationship; 2) the type of relationship, and 3) the frequency of interaction between the persons involved in the relationship.

Stalking: To follow, pursue, or repeatedly commit acts with the intent to kill, injure, harass, or intimidate; or to place under surveillance with the intent to kill, injure, harass, or intimidate another person; and in the course of, or as a result of, such following, pursuit, surveillance, or repeatedly committed acts, to place a person in reasonable fear of the death of, or serious bodily injury to, or to cause substantial emotional harm to 1) that person; 2) a member of the immediate family of that person, or 3) the spouse or intimate partner of that person.

Immediate Family Member: A spouse, parent, brother or sister, or child of the person, or an individual to whom that person stands in loco parentis (in place of a parent); or any other person living in the household of that person and related to that person by blood or marriage.

POLICY

The following policy amends the *Admissions and Occupancy Policy (ACOP)* and the Apartment Lease by reference. Appropriate language will be added to the ACOP and Apartment lease at the next revision dates of each.

A copy of this policy is available at the main office of the housing authority. A copy will be made available on request.

Admissions and Occupancy and Termination of Assistance

Being a victim of domestic violence, dating violence, or stalking, will not be considered by the South Pittsburg Housing Authority to be a basis for denial of assistance, or admission to public housing if the application otherwise qualifies for assistance or admission.

Incidents or threats of abuse will not be construed by the South Pittsburg HA as serious or repeated violations of the lease or other “good cause” for termination of the assistance, tenancy, or occupancy rights of a victim of abuse.

Criminal activity directly relating to abuse, engaged in by a member of a tenant’s household or any guest or other person under the tenant’s control, shall not be cause for termination of assistance, tenancy or occupancy rights if the tenant or an immediate family member of the tenant’s family is the victim or threatened victim of the abuse.

Rights of the South Pittsburg Housing Authority

The South Pittsburg HA may bifurcate a lease, or remove a household member from a lease, without regard to whether a household member is a signatory to the lease, in order to evict, remove, terminate occupancy rights or terminate assistance to any individual who is a tenant or lawful occupant and who engages in criminal acts of physical violence against family members or others, without evicting, removing, terminating assistance to, or otherwise penalizing the victim of such violence who is also a tenant or lawful occupant, and such eviction, removal, termination of occupancy rights, or termination of assistance shall be effected in accordance with the procedures prescribed by federal, state and local law for the termination of leases, or assistance under HUD’s Public Housing Program.

Certification of Abuse and Confidentiality

The South Pittsburg HA will require that an individual certify that he/she is a victim of abuse and that the incidences of abuse are bonafide. The certification must include the name of the perpetrator, and any other statutorily required information. The victim must provide the certification to the PHA within 14 business days after the individual receives a request from the PHA. The individual may utilize the attached *Form HUD 50066, Certification of Domestic Violence, Dating Violence, or Stalking* to certify the abuse to the South Pittsburg HA. In lieu of Form HUD 50066, the individual may provide the South Pittsburg HA with documentation signed by an employee, agent, volunteer of a victim service provider, an attorney, or a medical profession from whom the victim has sought assistance in addressing domestic

violence, dating violence, or stalking, or the affects of the abuse, in which the professional attests (under penalty or perjury (28 U.S.C. 1746) to the professionals believe that the incident or incidents in question are bonafide incidents of abuse, and the victim of domestic violence, dating violence, or stalking has signed or attested to the documentation. In cases where the individual does not submit the required certification, the PHA may terminate assistance.

Notification to Residents

The PHA will provide notice to all residents and applicants of their rights under Section 6 of the United States Housing Act of 1937 as amended by the Violence Against Women Act of 2005. These rights include the residents' right to confidentiality and the limits thereof, the availability of Form HUD 50066, and that the resident may not be evicted solely on the basis that they are a victim of domestic violence. A sample notice is included with this policy.

Confidentiality

All information provided to the South Pittsburg HA relating to the incident(s) of domestic violence, including the fact that the individual is a victim of domestic violence, dating violence, or stalking will be retained in confidence by the South Pittsburg HA and will not be entered into any shared database nor provided to a related entity, except to the extent that the disclosure is (a) requested or consented by the individual in writing; (b) required for use in an eviction proceeding or termination of assistance; or, (c) otherwise required by applicable law.

SOUTH PITTSBURG HOUSING AUTHORITY
NOTICE TO RESIDENTS AND APPLICANTS
REGARDING
RIGHTS UNDER THE VIOLENCE AGAINST WOMEN ACT

The Violence Against Women Act of 2005 (VAWA) protects victims of domestic violence, dating violence and stalking. These changes affect all persons assisted under the Public Housing and Section 8 Program.

Individuals may not be denied housing assistance, terminated from Public Housing or evicted for being the victim of domestic violence, dating violence or stalking. However, the VAWA provides certain limitations and clarifications concerning your rights. In particular, you should know that nothing contained in VAWA:

1. Prevents the Housing Authority from terminating tenancy and evicting for any violation of a lease that is not based on a matter involving domestic violence, dating violence, or stalking for which VAWA provides protections as described above. However, the South Pittsburg HA may not in such cases apply any stricter standard to you than to other tenants.
2. Prevents the PHA from terminating tenancy and evicting where the housing authority can demonstrate “an actual and imminent threat to other tenants or those employed at or providing service to the property.” Where such a threat can be demonstrated by the South Pittsburg HA, you will not be protected from eviction by VAWA.
3. Limits the ability of the South Pittsburg HA to comply with court orders addressing rights of access to or control of the property. This includes civil protection orders entered for the protection of the victim or relating to the distribution or possession of property.
4. Supersedes any federal, state or local law that provides greater protections than VAWA.

VAWA also creates a new authority under federal law that allows a housing authority to evict, remove, or terminate assistance to any individual tenant or lawful occupant of public housing who engages in criminal acts of physical violence against family members or others. This may be done without evicting or taking any other action adverse to the other occupants.

If you believe that you qualify for protection under VAWA, please notify the PHA. You will be asked to provide proof of your situation by filling out Form HUD 50066 and/or providing a copy of an order of protection, police or court report or a signed document from a victim service provider, medical provider or attorney who has provided a service related to the violence. You must submit this information within 14 business days of the PHA’s request for it. Protections may not apply if the documentation is provided after 14 days. Form HUD 50066 will be provided at the office.

The South Pittsburg Housing Authority will make every effort to correspond with victims in a way that will not put them at greater risk. The South Pittsburg HA may request that applicants or residents requesting VAWA protection come to the office to submit information. All information will be kept confidential by the South Pittsburg Housing Authority and will not be shared or disclosed by the Housing Authority without your consent except as noted in the Confidentiality clause of the VAWA Policy.

You may obtain a copy of the PHA’s written policy concerning domestic violence, dating violence, and stalking from the HA’s main office. Please note that the written policy contains, among other things, definitions of the terms “domestic violence”, “dating violence”, “stalking”, and “immediate family”.

9). FAIR HOUSING ATTACHMENT:

A). Responses to Fair Housing and Equal Opportunity Office (FHEO) Review Comments (RE: Letter dated June 14, 2012, from Mr. Charles Barnett, PIH Director, Nashville Field Office)

1). *Copy of SPHA Current Admissions and Continued Occupancy Policy (ACOP)*

See attached South Pittsburg Housing Authority ACOP as included in this Agency Plan submittal.

2). *SPHA Efforts to Examine Programs and Identify Impediments to Fair Housing Choice*

The ACOP provided in this submittal defines the South Pittsburg Housing Authority's policies for the operations of the Public Housing Program. The first section of ACOP discusses the SPHA's policy on Fair Housing. The Policy states the SPHA shall:

- ✓ Fully comply with all Federal, State and local non-discrimination laws including the American Disabilities Act, and the U.S. Department of Housing and Urban Development regulations governing Fair Housing and Equal Opportunity.
- ✓ Ensure that no person, regardless of race, color, sex, religion, ethnic origin, familial status, or disability, is excluded for participation in or denied the benefits of all SPHA programs and housing opportunities.

Efforts to Identify Impediments to Fair Housing

The SPHA implements on an ongoing basis the provisions of the Fair housing Policy, as well as strives to identify any impediments that may exist. This is accomplished through:

- ✓ Examination of all existing and proposed public housing programs and services to verify that all are being administered in compliance with all Federal, State, and local non-discrimination laws and regulations. All SPHA staff, including Administration, Occupancy, Admissions, and Maintenance employees, are responsible for continually monitoring and documenting any potential impediments, and then presenting those to the Executive Director for evaluation and necessary action. Staff examines:
 - Marketing of available housing units to residents within the community: Such efforts have been successful as evidenced by the fact the SPHA has a long waiting list of public housing applicants.
 - Admissions and Occupancy procedures and practices for residents in all public housing developments and the Chester Powell Senior Apartments (50 one-bedroom independent living apartments) facility: This is initiated with the application and occupancy steps, and goes through the tenant's length of residency.
 - Implementation of the Capital Fund Program: Staff performs an annual physical needs assessment to determine the priority of needs and expenditures in an effort to ensure that all SPHA dwelling units and related sites/property are properly being addressed and remain in compliance with Federal/State/local accessibility laws. A part of that assessment is to identify the required physical improvements to meet the needs of the tenants/applicants that require special reasonable accommodation features and amenities.
 - Administration of other SPHA programs and services developed to assist the elderly, disabled, children and general tenant population.

In addition to Staff's efforts to identify impediments, the SPHA encourages tenants/applicants to present any Fair Housing related needs and suggestions to them.

Tenants and residents within the community are also encouraged to participate in the Annual Agency Plan process either through the Resident Advisory Board and/or at the formal public hearing.

3). *SPHA Efforts to Address Impediments to Fair Housing Choice*

The SPHA continually strives to update policies, administration practices and services as necessary in an effort to comply and further Fair Housing. In addition:

- ✓ The SPHA provides Federal/State/local information to all tenants/applicants regarding Fair Housing and discrimination upon request, as well as recourse options available to them if they believe they have been victims of discrimination. Such information is made available in the housing application process, and all applicable Fair Housing Information and Discrimination Compliant Forms are made available at the SPHA Offices.
- ✓ In addition, the SPHA has created an internet website www.southpittsburghhousing.com that provides tenants/applicants with details about the available housing programs and opportunities, contact information and links to all pertinent Federal/State/local agencies. The access to these various sites will enable the tenants/applicants to discuss Fair Housing regulations, their individual issues, as well as confirm their rights and opportunities.
- ✓ Eligible public housing tenants and the residents located at the Chester Powell Senior Apartments are offered transportation services and daily Meals on Wheels. The Southeast Tennessee Human Resources Agency (SETHRA) provides transportation and access to nearby stores, medical offices, banks, local agencies and events.
- ✓ The SPHA continues to upgrade the physical status and accessibility of the dwellings and facilities. The implementation of the Capital Fund Program enables the SPHA to make the necessary physical accessibility improvements to all sites and bedroom types. This includes reasonable accommodations type modifications.
- ✓ The SPHA has also made the necessary modifications and improvements to the dwelling units/facilities listed in the FHEO Inspection Report #333384, dated 11/06/2009.
- ✓ With the high demand for public housing, as evidenced by the current waiting list, it has become vital that the turnaround time for occupancy following move-outs be minimized. The SPHA staff have made a concerted effort to reduce turnaround time and make the necessary interim improvements to the units in order to expedite the move-in process.

4). *SPHA Efforts with Local Jurisdiction and State of Tennessee Consolidated Housing Plan.*

As part of the Annual Agency Plan process, the SPHA makes a formal request to the Tennessee Housing and Development Agency (THDA), to attain the required Certification of Consistency (HUD Form 50077SL) with the State of Tennessee's Consolidated Housing Plan. The SPHA has been granted this certification each year, including the 2012 Agency Plan, thus demonstrating that the SPHA is consistent with the State of Tennessee's initiatives for Fair Housing.

In addition, the SPHA Board Chairman certifies each year, by signing HUD Form 50077CR, that the SPHA will carry out the public housing program in conformity with Title VI of the Civil Rights Act of 1964, the Fair Housing Act, Section 504 of the Rehabilitation Act of 1973, and will affirmatively further Fair Housing.

The SPHA also continues to work closely with the City of South Pittsburg and Marion County officials in an effort to coordinate services and efforts in order to promote Fair Housing and equal housing opportunities.

ADMISSIONS AND CONTINUED OCCUPANCY POLICY

This Admissions and Continued Occupancy Policy defines the SOUTH PITTSBURG Housing Authority's policies for the operation of the Public Housing Program, incorporating Federal, State and local law. If there is any conflict between this policy and laws or regulations, the laws and regulations will prevail.

1. 1.0 FAIR HOUSING

It is the policy of the SOUTH PITTSBURG Housing Authority to fully comply with all Federal, State and local nondiscrimination laws; the Americans with Disabilities Act; and the U. S. Department of Housing and Urban Development regulations governing Fair Housing and Equal Opportunity. The SOUTH PITTSBURG Housing Authority shall affirmatively further fair housing in the administration of its public housing program.

No person shall, on the grounds of race, color, sex, religion, national or ethnic origin, familial status, or disability, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under the SOUTH PITTSBURG Housing Authority's programs.

To further its commitment to full compliance with applicable Civil Rights laws, the SOUTH PITTSBURG Housing Authority will provide Federal/State/local information to applicants/tenants of the Public Housing Program regarding discrimination and any recourse available to them if they believe they may be victims of discrimination. Such information will be made available with the application, and all applicable Fair Housing Information and Discrimination Complaint Forms will be made available at the SOUTH PITTSBURG Housing Authority office. In addition, all written information and advertisements will contain the appropriate Equal Opportunity language and logo.

The SOUTH PITTSBURG Housing Authority will assist any family that believes they have suffered illegal discrimination by providing the family with copies of the appropriate housing discrimination forms. The SOUTH PITTSBURG Housing Authority will also assist them in completing the forms if requested, and will provide them with the address of the nearest HUD office of Fair Housing and Equal Opportunity.

2. 2.0 REASONABLE ACCOMMODATION

Sometimes people with disabilities may need a reasonable accommodation in order to take full advantage of the SOUTH PITTSBURG Housing Authority housing programs and related services. When such accommodations are granted, they do not confer special treatment or advantage for the person with a disability; rather, they make the program accessible to them in a way that would otherwise not be possible due to their disability. This policy clarifies how people can request accommodations and the guidelines the

SOUTH PITTSBURG Housing Authority will follow in determining whether it is reasonable to provide a requested accommodation. Because disabilities are not always apparent, the SOUTH PITTSBURG Housing Authority will ensure that all applicants/tenants are aware of the opportunity to request reasonable accommodations.

2.1 COMMUNICATION

Anyone requesting an application will also receive a Request for Reasonable Accommodation form.

Notifications of reexamination, inspection, an appointment, or eviction will include information about requesting a reasonable accommodation. Any notification requesting action by the tenant will include information about requesting a reasonable accommodation.

All decisions granting or denying requests for reasonable accommodations will be in writing.

3. 2.2 QUESTIONS TO ASK IN GRANTING THE ACCOMMODATION

- A. Is the requestor a person with disabilities? For this purpose the definition of person with disabilities is different than the definition used for admission. The Fair Housing definition used for this purpose is:

A person with a physical or mental impairment that substantially limits one or more major life activities, has a record of such an impairment, or is regarded as having such an impairment. (The disability may not be apparent to others, i.e., a heart condition.)

If the disability is apparent or already documented, the answer to this question is yes. It is possible that the disability for which the accommodation is being requested is a disability other than the apparent disability. If the disability is not apparent or documented, the SOUTH PITTSBURG Housing Authority will obtain verification that the person requesting the accommodation is a person with a disability.

- B. Is the requested accommodation related to the disability? If it is apparent that the request is related to the apparent or documented disability, the answer to this question is yes. If it is not apparent, the SOUTH PITTSBURG Housing Authority will obtain documentation that the requested accommodation is needed due to the disability. The SOUTH PITTSBURG Housing Authority will not inquire as to the nature of the disability.
- C. Is the requested accommodation reasonable? In order to be determined reasonable, the accommodation must meet two criteria:

1. Would the accommodation constitute a fundamental alteration? The SOUTH PITTSBURG Housing Authority's business is housing. If the request would alter the fundamental business that the SOUTH PITTSBURG Housing Authority conducts, that would not be reasonable. For instance, the SOUTH PITTSBURG Housing Authority would deny a request to have the SOUTH PITTSBURG Housing Authority do grocery shopping for a person with disabilities.
 2. Would the requested accommodation create an undue hardship? Frequently the requested accommodation costs little or nothing. If the cost would be an undue burden, the SOUTH PITTSBURG Housing Authority may request a meeting with the individual to investigate and consider equally effective alternatives.
- D. Generally the individual knows best what it is he or she needs; however, the SOUTH PITTSBURG Housing Authority retains the right to be shown how the requested accommodation enables the individual to access or use the SOUTH PITTSBURG Housing Authority's programs or services.

If more than one accommodation is equally effective in providing access to the SOUTH PITTSBURG Housing Authority's programs and services, the SOUTH PITTSBURG Housing Authority retains the right to select the most efficient or economic choice.

The cost necessary to carry out approved requests, including requests for physical modifications, will be borne by the SOUTH PITTSBURG Housing Authority if there is no one else willing to pay for the modifications. If another party pays for the modification, the SOUTH PITTSBURG Housing Authority will seek to have the same entity pay for any restoration costs.

If the tenant requests as a reasonable accommodation that they be permitted to make physical modifications at their own expense, the SOUTH PITTSBURG Housing Authority will generally approve such request if it does not violate codes or affect the structural integrity of the unit.

Any request for an accommodation that would enable a tenant to materially violate essential lease terms will not be approved, i.e., allowing nonpayment of rent, destruction of property, disturbing the peaceful enjoyment of others, etc.

4. 3.0 SERVICES FOR LIMITED-ENGLISH PROFICIENCY APPLICANTS AND RESIDENTS

The SOUTH PITTSBURG Housing Authority shall do its best, within reason, to assist people with Limited English Proficiency (LEP). This shall be accomplished by assessing the need of LEP persons using the four factors described in the January 22, 2007 Final

Guidance to Federal Financial Assistance Recipients Regarding Title VI Prohibition Against National Origin Discrimination Affecting Limited English Proficient Persons; Notice published in the Federal Register. The SOUTH PITTSBURG Housing Authority shall balance these factors in deciding what to do:

- A. The number or proportion of LEP persons served or encountered in the eligible service area;
- B. The Frequency with which LEP individuals come in contact with the program;
- C. The nature and importance of the program, activity, or service provided by the program; and
- D. The resources available to the Housing Authority and costs.

Depending upon what this analysis reveals, the SOUTH PITTSBURG Housing Authority may or may not prepare a Language Access Plan (LAP). If a LAP is needed, the guidance outlined in the above reference Notice shall be utilized.

In addition, the SOUTH PITTSBURG Housing Authority will endeavor to have bilingual staff or access to people who speak languages other than English. Finally, the SOUTH PITTSBURG Housing Authority shall utilize multilingual “I speak” cards to the maximum degree possible.

5. 4.0 FAMILY OUTREACH

The SOUTH PITTSBURG Housing Authority will publicize the availability and nature of the Public Housing Program for extremely low-income, very low and low-income families in a newspaper of general circulation, minority media, and by other suitable means.

To reach people who cannot or do not read the newspapers, the SOUTH PITTSBURG Housing Authority will distribute fact sheets to the broadcasting media and initiate personal contacts with members of the news media and community service personnel. The SOUTH PITTSBURG Housing Authority will also try to utilize public service announcements.

The SOUTH PITTSBURG Housing Authority will communicate the status of housing availability to other service providers in the community and inform them of housing eligibility factors and guidelines so they can make proper referrals for the Public Housing Program.

The objective of this effort is to develop a waiting list that is representative of our low-income community. A particular emphasis will be placed on attracting eligible individuals and families least likely to apply for public housing.

6. 5.0 RIGHT TO PRIVACY

All adult members of both applicant and tenant households are required to annually sign HUD Form 9886, Authorization for Release of Information and Privacy Act Notice. The Authorization for Release of Information and Privacy Act Notice states how family information will be released and includes the Federal Privacy Act Statement.

Any request for applicant or tenant information will not be released unless there is a signed release of information request from the applicant or tenant.

7. 6.0 REQUIRED POSTINGS

In each of its offices, the SOUTH PITTSBURG Housing Authority will post, in a conspicuous place and at a height easily read by all persons including persons with mobility disabilities, the following information:

- A. Statement of Policies and Procedures governing Admission and Continued Occupancy
- B. Notice of the status of the waiting list (opened or closed)
- C. A listing of all the developments by name, address, number of units, units designed with special accommodations, address of all project offices, office hours, telephone numbers, TDD numbers, and Resident Facilities and operation hours
- D. Income Limits for Admission
- E. Excess Utility Charges
- F. Utility Allowance Schedule
- G. Current Schedule of Routine Maintenance Charges
- H. Dwelling Lease
- I. Grievance Procedure
- J. Fair Housing Poster
- K. Equal Opportunity in Employment Poster
- L. Any current SOUTH PITTSBURG Housing Authority Notices
- M. The Agency's PHAS score and designation.

8. 7.0 TAKING APPLICATIONS

Families wishing to apply for the Public Housing Program will be required to complete an application for housing assistance. Applications will be accepted during regular business hours at:

**214 Elm Avenue
South Pittsburg, Tn 37380**

Applications are taken to compile a waiting list. Due to the demand for housing in the SOUTH PITTSBURG Housing Authority jurisdiction, the SOUTH PITTSBURG Housing Authority may take applications on an open enrollment basis, depending on the length of the waiting list.

Completed applications will be accepted for all applicants and the SOUTH PITTSBURG Housing Authority will verify the information. Applicants will be provided the opportunity to complete the information on form HUD-92006, Supplement to Application for Federally Assisted Housing. The form gives applicants the option to identify an individual or organization that the Housing Authority may contact and the reason(s) the individual or organization may be contacted. The applicants, if they choose to provide the additional contact information, must sign and date the form.

If the applicant chooses to have more than one contact person or organization, the applicant must make clear to the Housing Authority the reason each person or organization may be contacted. The Housing Authority will allow the applicant to complete a form HUD-92006 for each contact and indicating the reason the Housing Authority may contact the individual or organization. For example, the applicant may choose to have a relative as a contact for emergency purposes and an advocacy organization for assistance for tenancy purposes.

Those applicants who choose not to provide the contact information should check the box indicating that they “choose not to provide the contact information” and sign and date the form.

Applications may be made in person on **Tuesday and Thursday excluding the first week of the month during the hours of 9:00 and 3:00**. Applications will be mailed to interested families upon request.

The completed application will be dated and time stamped upon its return to the SOUTH PITTSBURG Housing Authority.

Persons with disabilities who require a reasonable accommodation in completing an application may call the SOUTH PITTSBURG Housing Authority to make special arrangements. A Telecommunication Device for the Deaf (TDD) is available for the deaf. The TDD telephone number is **(423-837-6500)**.

The application process will involve two phases. The first phase is the initial application for housing assistance or the pre-application. The pre-application requires the family to provide limited basic information (i.e. family composition, income, etc.) establishing any preferences to which they may be entitled. This first phase results in an apparently eligible family's placement on the waiting list.

Upon receipt of the family's pre-application, the SOUTH PITTSBURG Housing Authority will make a preliminary determination of eligibility. The SOUTH PITTSBURG Housing Authority will notify an apparently eligible family in writing of the date and time of placement on the waiting list, and the approximate wait before housing may be offered. If the SOUTH PITTSBURG Housing Authority determines the family to be ineligible, the notice will state the reasons therefore and will offer the family the opportunity of an informal review of the determination.

The applicant may at any time report changes in their applicant status including changes in family composition, income, or preference factors. The SOUTH PITTSBURG Housing Authority will annotate the applicant's file and will update their place on the waiting list. Confirmation of the changes will be made in writing.

The second phase is the final determination of eligibility, referred to as the full application. The full application takes place when the family nears the top of the waiting list. The SOUTH PITTSBURG Housing Authority will ensure that verification of all preferences, eligibility, suitability and selection factors are current (less than 90 calendar days old) in order to determine the family's final eligibility for admission into the Public Housing Program.

Applicants will also be given the opportunity to update their HUD Form 92006 if applicable and if they so desire.

9. 8.0 ELIGIBILITY FOR ADMISSION

8.1 INTRODUCTION

There are five eligibility requirements for admission to public housing: qualifies as a family, has an income within the income limits, meets citizenship/eligible immigrant criteria, provides documentation of Social Security numbers, and signs consent authorization documents. In addition to the eligibility criteria, families must also meet the SOUTH PITTSBURG Housing Authority screening criteria in order to be admitted to public housing.

8.2 ELIGIBILITY CRITERIA

- A. Family Status - All families must have a Head of Household or Co-Heads of Household

1. A **family with or without children**. Such a family is defined as a group of people related by blood, marriage, adoption or affinity that live together in a stable family relationship.
 - a. Children temporarily absent from the home due to placement in foster care are considered family members.
 - b. Unborn children and children in the process of being adopted are considered family members for the purpose of determining bedroom size but are not considered family members for determining income limit.
2. An **elderly family**, which is:
 - a. A family whose head, spouse, or sole member is a person who is at least 62 years of age;
 - b. Two or more persons who are at least 62 years of age living together; or
 - c. One or more persons who are at least 62 years of age living with one or more live-in aides.
3. A **near-elderly family**, which is:
 - a. A family whose head, spouse, or sole member is a person who is at least 50 years of age but below the age of 62;
 - b. Two or more persons, who are at least 50 years of age but below the age of 62, living together; or
 - c. One or more persons, who are at least 50 years of age but below the age of 62, living with one or more live-in aides.
4. A **disabled family**, which is:
 - a. A family whose head, spouse, or sole member is a person with disabilities;
 - b. Two or more persons with disabilities living together; or
 - c. One or more persons with disabilities living with one or more live-in aides.

- d. For purposes of qualifying for low-income housing, does not include a person whose disability is based solely on any drug or alcohol dependence.
5. A **displaced family**, which is a family in which each member, or whose sole member, has been displaced by governmental action, or whose dwelling has been extensively damaged or destroyed as a result of a disaster declared or otherwise formally recognized pursuant to Federal disaster relief laws.
6. A **remaining member of a tenant family**. If the remaining member of a tenant family is a minor or minors, it will be necessary for an adult to temporarily move into a unit to serve as a guardian for children residing in the unit. The income received by the temporary guardian will be counted in determining family income. Although typically a criminal background check is required before anyone can move into a public housing unit, this requirement will be waived for a guardian in this situation. Instead, the background check will occur after the person moves in. If the results of the check dictate that the person is ineligible for public housing, the family shall be given a reasonable time to find a replacement guardian or vacate the property.
7. A **single person** who is not an elderly or displaced person, a person with disabilities, or the remaining member of a tenant family.

B. Income Eligibility

1. To be eligible for admission to developments or scattered-site units, the family's annual income must be within the low-income limit set by HUD. This means the family income cannot exceed 80 percent of the median income for the area. If the property has Low Income Housing Tax Credits on it, a lower income cap will apply.
2. Income limits apply only at admission and are not applicable for continued occupancy.
3. A family may not be admitted to the public housing program from another assisted housing program (e.g., tenant-based Section 8) or from a public housing program operated by another housing authority without meeting the income requirements of the SOUTH PITTSBURG Housing Authority.
4. If the SOUTH PITTSBURG Housing Authority acquires a property for federal public housing purposes, the families living there must have incomes within the low-income limit in order to be eligible to remain as public housing residents.

5. Income limit restrictions do not apply to families transferring within our Public Housing Program.
6. The SOUTH PITTSBURG Housing Authority may allow police officers who would not otherwise be eligible for occupancy in public housing to reside in a public housing dwelling unit. Such occupancy must be needed to increase security for public housing residents. Their rent shall at least equal the cost of operating the public housing unit.
7. If there are no eligible families on the waiting list and the SOUTH PITTSBURG Housing Authority has published a 30 calendar day notice of available units in at least one newspaper of general circulation, families above the applicable income limit may be housed. They must vacate the unit if an eligible family applies.

C. Citizenship/Eligibility Status

1. To be eligible for public housing each member of the family must be a citizen, national, or a non-citizen who has eligible immigration status under one of the categories set forth in Section 214 of the Housing and Community Development Act of 1980 (see 42 U.S.C. 1436a(a)) or a citizen of the Republic of Marshall Islands, the Federated States of Micronesia, or the Republic of Palau. However, people in the last category are not entitled to housing assistance in preference to any United States citizen or national resident within Guam.
2. Family eligibility for assistance.
 - a. A family shall not be eligible for assistance unless at least one member of the family residing in the unit is determined to have eligible status, with the exception noted below.
 - b. Despite the ineligibility of one or more family members, a mixed family may be eligible for one of three types of assistance (See Section 13.6 for calculating rents under the non-citizen rule).
 - c. A family without any eligible members and receiving assistance on June 19, 1995, may be eligible for temporary deferral of termination of assistance.

All adults must be able to sign the lease. If the State of **Tennessee** forbids individuals with ineligible immigration status from executing contracts (i.e., leases or other legal binding documents), then they are ineligible for this program.

D. Social Security Number Documentation

Prior to admission, every family member regardless of age must provide the SOUTH PITTSBURG Housing Authority with a complete and accurate Social Security Number unless they do not contend eligible immigration status. New family members must provide this verification prior to being added to the lease. If the new family member is under the age of six and has not been assigned a Social Security Number, the family shall have ninety (90) calendar days after starting to receive the assistance to provide a complete and accurate Social Security Number. The Housing Authority may grant one ninety (90) day extension for newly-added family members under the age of six if in its sole discretion it determines that the person's failure to comply was due to circumstances that could not have reasonably been foreseen and was outside the control of the person.

If a person is already a program participant and has not disclosed his or her Social Security Number, it must be disclosed at the next re-examination or re-certification.

Participants aged 62 or older as of January 31, 2010 whose initial eligibility determination was begun before January 31, 2010 are exempt from the required disclosure of their Social Security Number. This exemption continues even if the individual moves to a new assisted unit.

The best verification of the Social Security Number is the original Social Security card. If the card is not available, the Housing Authority will accept an original document issued by a federal or state government agency, which contains the name of the individual and the Social Security Number of the individual, along with other identifying information of the individual or such other evidence of the Social Security Number as HUD may prescribe in administrative instructions.

If a member of an applicant family indicates they have a Social Security Number, but cannot readily verify it, the family cannot be assisted until verification is provided. If the Social Security Number of each household member cannot be provided to the SOUTH PITTSBURG Housing Authority within **30** calendar days of it being requested, the family shall lose its place on the waiting list and drop to the bottom of the list. During this **30** calendar days, if all household members have not disclosed their SSN at the time a unit becomes available, the SOUTH PITTSBURG Housing Authority must offer the available unit to the next eligible applicant family on the waiting list.

If an individual fails to provide the verification within the time allowed, the family will be denied assistance or will have their assistance terminated. The Housing Authority may grant one ninety (90) day extension from termination if in its sole discretion it determines that the person's failure to comply was due to circumstances that could not have reasonably been foreseen and there is a reasonable likelihood that the person will be able to disclose a Social Security Number by the deadline.

E. Signing Consent Forms

1. In order to be eligible, each member of the family who is at least 18 years of age, and each family head and spouse regardless of age, shall sign one or more consent forms.
2. The consent form must contain, at a minimum, the following:
 - a. A provision authorizing HUD or the SOUTH PITTSBURG Housing Authority to obtain from State Wage Information Collection Agencies (SWICAs) any information or materials necessary to complete or verify the application for participation or for eligibility for continued occupancy;
 - b. A provision authorizing HUD or the SOUTH PITTSBURG Housing Authority to verify with previous or current employers or other sources of income information pertinent to the family's eligibility for or level of assistance;
 - c. A provision authorizing HUD to request income information from the IRS and the SSA for the sole purpose of verifying income information pertinent to the family's eligibility or level of benefits;
 - d. A statement allowing the SOUTH PITTSBURG Housing Authority permission to access the applicant's criminal record with any and all police and/or law enforcement agencies, and
 - e. A statement that the authorization to release the information requested by the consent form expires 15 months after the date the consent form is signed.

F. Special College Student Eligibility Rules

In order to be eligible for public housing, college students living outside their parents or guardians homes must have established a separate household for at least one year prior to applying to the public housing program. This will be verified by presenting to the SOUTH PITTSBURG Housing Authority evidence of the establishment of the separate household.

The college student must not be claimed as a dependant by parents or guardians on their IRS returns. This will be verified by examining the student's IRS return for the previous year. The SOUTH PITTSBURG Housing Authority will examine the box that asks if someone else claimed them on their tax return.

If the student is receiving an athletic scholarship that includes over \$5000 a year for housing costs, the student shall not be eligible for public housing.

8.3 SUITABILITY

- A. Applicant families will be evaluated to determine whether, based on their recent behavior, such behavior could reasonably be expected to result in compliance with the public housing lease. The SOUTH PITTSBURG Housing Authority will look at past conduct as an indicator of future conduct. Emphasis will be placed on whether a family's admission could reasonably be expected to have a detrimental effect on the development environment, other tenants, SOUTH PITTSBURG Housing Authority employees, or other people residing in the immediate vicinity of the property. Otherwise eligible families will be denied admission if they fail to meet the suitability criteria.

- B. The SOUTH PITTSBURG Housing Authority will consider objective and reasonable aspects of the family's background, including the following:
 - 1. History of meeting financial obligations, especially rent and any utility payments;
 - 2. Ability to maintain (or with assistance would have the ability to maintain) their housing in a decent and safe condition based on living or housekeeping habits and whether such habits could adversely affect the health, safety, or welfare of other tenants;
 - 3. History of criminal activity by any household member involving crimes of physical violence against persons or property and any other criminal activity including drug-related criminal activity that would adversely affect the health, safety, or well being of other tenants or staff or cause damage to the property;
 - 4. History of disturbing neighbors or destruction of property;
 - 5. Having committed fraud in connection with any Federal housing assistance program, including the intentional misrepresentation of information related to their housing application or benefits derived there from; and
 - 6. History of abusing alcohol in a way that may interfere with the health, safety, or right to peaceful enjoyment by others.

- C. The SOUTH PITTSBURG Housing Authority will ask applicants to provide information demonstrating their ability to comply with the essential elements of the lease. The SOUTH PITTSBURG Housing Authority will verify the

information provided. Such verification may include but may not be limited to the following:

1. A credit check of the head, spouse, co-head, and any other adult family members;
2. A rental history check of all adult family members;
3. A criminal background check on all adult household members, including live-in aides at no cost to the applicant. This check will be made through State or local law enforcement or court records in those cases where the household member has lived in the local jurisdiction for the last three years. Where the individual has lived outside the local area, the SOUTH PITTSBURG Housing Authority may contact law enforcement agencies where the individual had lived or request a check through the FBI's National Crime Information Center (NCIC). This criminal background check will proceed after each adult household member has signed a consent form designed by the SOUTH PITTSBURG Housing Authority.

The information received as a result of the criminal background check shall be used solely for screening, lease enforcement and eviction purposes. The information derived from the criminal background check shall be shared only with employees of the SOUTH PITTSBURG Housing Authority who have a job-related need to have access to the information. The information shall be maintained confidentially, not misused or improperly disseminated, and destroyed once the purpose(s) for which it was requested has been accomplished and the period for filing a challenge to the SOUTH PITTSBURG Housing Authority's action has expired without a challenge or final disposition of any litigation has occurred;

4. A home visit. The home visit provides the opportunity for the family to demonstrate their ability to maintain their home in a safe and sanitary manner. This inspection considers cleanliness and care of rooms, appliances, and appurtenances. The inspection may also consider any evidence of criminal activity; and
5. A check of the State's lifetime sex offender registration program for each adult household member, including live-in aides. No household with an individual registered under a State sex offender registration will be admitted to public housing. The SOUTH PITTSBURG Housing Authority will check with our State registry and if the applicant has resided in another State(s), with that State(s)'s list. The SOUTH PITTSBURG Housing Authority will utilize the US Department of Justice's Dru Sjodin National Sex Offender website as an additional resource. The Dru Sjodin National Sex Offender Database is an online, searchable database, hosted by the Department of Justice, which combines the data from individual

state sex offender registries.

If an applicant is about to be denied housing based on either the criminal check or the sex offender registration program, the applicant will be informed of this fact and given an opportunity to dispute the accuracy of the information before the denial or eviction occurs.

8.4 GROUND FOR DENIAL

The SOUTH PITTSBURG Housing Authority is not required or obligated to assist families where applicants or members of the applicant's household:

- A. Do not meet any one or more of the eligibility criteria;
- B. Do not supply information or documentation required by the application process;
- C. Have failed to respond to a written request for information or a request to declare their continued interest in the program;
- D. Have a history of not meeting financial obligations, especially rent;
- E. Do not have the ability to maintain (with assistance) their housing in a decent and safe condition where such habits could adversely affect the health, safety, or welfare of other tenants;
- F. Have a history of criminal activity by any household member involving crimes of physical violence against persons or property and any other criminal activity including drug-related criminal activity that would adversely affect the health, safety, or well being of other tenants or staff or cause damage to the property;

For the purpose of this Policy, if any member of the applicant family has been arrested at least **3** times within the prior **3 YEARS** year period for this purpose, they will be determined to have engaged in criminal activity, drug-related criminal activity or violent criminal activity.

Being a victim of domestic violence, dating violence, or stalking is not an appropriate basis for denial of program assistance or for denial of admission, if the applicant otherwise qualifies for assistance or admission. The Authority will require verification in all cases where an applicant claims protection against an action proposed to be taken by the Authority involving such individual. Types of acceptable verifications are outlined in Section 20.2B of the ACOP, and must be submitted within 14 business days after receipt of the Housing Authority's written request for verification.

- G. Have a history of disturbing neighbors or destruction of property;

- H. Currently owes rent or other amounts to any housing authority in connection with their public housing or Section 8 programs;
- I. Have committed fraud, bribery or any other corruption in connection with any Federal housing assistance program, including the intentional misrepresentation of information related to their housing application or benefits derived there from;
- J. Were evicted from federally assisted housing within the past three years because of drug-related criminal activity. The three year limit is based on the date of such eviction, not the date the crime was committed.

However, the SOUTH PITTSBURG Housing Authority may admit the household if the PHA determines:

1. The evicted household member who engaged in drug-related criminal activity has successfully completed a supervised drug rehabilitation program approved by the SOUTH PITTSBURG Housing Authority; or
 2. The circumstances leading to the eviction no longer exist (for example, the criminal household member is imprisoned or has died).
- K. Are currently engaging in the illegal use of a controlled substance. For purposes of this section, a member is “currently engaged in” the criminal activity if the person has engaged in this behavior recently enough to justify a reasonable belief that the behavior is current;
 - L. The SOUTH PITTSBURG Housing Authority determines that it has reasonable cause to believe that a household member’s illegal use or pattern of illegal use of a drug may threaten the health, safety, or right to peaceful enjoyment of the premises by other residents;
 - M. The SOUTH PITTSBURG Housing Authority determines that it has reasonable cause to believe that a household member’s abuse or pattern of abuse of alcohol may threaten the health, safety, or right to peaceful enjoyment of the premises by other residents;

With respect to criminal activity described in paragraphs J, K, L, and M of this Section, SOUTH PITTSBURG Housing Authority may require an applicant to exclude a household member in order to be admitted to public housing where that household member has participated in or been culpable for actions described in paragraphs J, K, L, and M that warrants denial.

- N. Have engaged in or threatened abusive or violent behavior towards any SOUTH PITTSBURG Housing Authority staff member or resident;

- O. Fugitive felons, parole violators, and persons fleeing to avoid prosecution or custody or confinement after conviction for a crime, or attempt to commit a crime, that is a felony under the laws of the place from which the individual flees;
- P. **Denied for Life:** If any family member has been convicted of manufacturing or producing methamphetamine (speed) in a public housing development, in a Section 8 assisted property, or on the premises of other federally assisted housing;
- Q. **Denied for Life:** Has a lifetime registration under a State sex offender registration program.

In determining whether to deny admission for illegal drug use by a household member who is no longer engaging in such abuse, or for abuse or a pattern of abuse of alcohol by a household member who is no longer engaging in such abuse, the SOUTH PITTSBURG Housing Authority may consider whether such household member:

- 1. Is participating in a supervised drug or alcohol rehabilitation program;
- 2. Has successfully completed a supervised drug or alcohol rehabilitation program;
or
- 3. Has otherwise been successfully rehabilitated.

For this purpose, SOUTH PITTSBURG Housing Authority will require the applicant to submit evidence of the household member's current participation in, or successful completion of, a supervised drug or alcohol rehabilitation program or evidence of otherwise having been rehabilitated successfully.

Before the SOUTH PITTSBURG Housing Authority denies admission to the SOUTH PITTSBURG Housing Authority's public housing program on the basis of a criminal record, the SOUTH PITTSBURG Housing Authority must notify the household of the proposed action and must provide the person with the criminal record (i.e., a child) and the applicant (head of household) with a copy of the criminal record and an opportunity to dispute the accuracy and relevance of that record. The applicant will have **14** calendar days to dispute the accuracy and relevance of the record in writing. If the SOUTH PITTSBURG Housing Authority does not receive the dispute within the allotted time, the applicant will be denied.

8.5 ***INFORMAL REVIEW***

- A. If the SOUTH PITTSBURG Housing Authority determines that an applicant does not meet the criteria for receiving public housing assistance, the SOUTH PITTSBURG Housing Authority will promptly provide the applicant with written notice of the determination. The notice must contain a brief statement of the reason(s) for the decision and state that the applicant may request in writing an informal review of the decision within 10 business days of the denial. The

SOUTH PITTSBURG Housing Authority will describe how to obtain the informal review.

The informal review may be conducted by any person designated by the SOUTH PITTSBURG Housing Authority, other than a person who made or approved the decision under review or subordinate of this person. The applicant must be given the opportunity to present written or oral objections to the SOUTH PITTSBURG Housing Authority's decision. The SOUTH PITTSBURG Housing Authority must notify the applicant of the final decision within 14 calendar days after the informal review, including a brief statement of the reasons for the final decision.

- B. The applicant may request that the SOUTH PITTSBURG Housing Authority provide for an Informal Hearing after the family has notification of an INS decision on their citizenship status on appeal, or in lieu of request of appeal to the INS. This request must be made by the applicant within 30 calendar days of receipt of the Notice of Denial or Termination of Assistance, or within 30 calendar days of receipt of the INS appeal decision.

For the applicants, the Informal Hearing Process above will be utilized with the exception that the applicant will have up to 30 calendar days of receipt of the Notice of Denial or Termination of Assistance, or of the INS appeal decision.

10. 9.0 MANAGING THE WAITING LIST

9.1 *OPENING AND CLOSING THE WAITING LIST*

Opening of the waiting list will be announced with a public notice stating that applications for public housing will again be accepted. The public notice will state where, when, and how to apply. The notice will be published in a local newspaper of general circulation and also by any available minority media. The public notice will state any limitations to who may apply.

The notice will state that applicants already on waiting lists for other housing programs must apply separately for this program and such applicants will not lose their place on other waiting lists when they apply for public housing. The notice will include the Fair Housing logo and slogan and will be in compliance with Fair Housing requirements.

Closing of the waiting list will also be announced with a public notice. The public notice will state the date the waiting list will be closed and for what bedroom sizes. The public notice will be published in a local newspaper of general circulation and also by any available minority media.

9.2 *ORGANIZATION OF THE WAITING LIST*

The waiting list will be maintained in accordance with the following guidelines:

- A. The application will be a permanent file;
- B. All applications will be maintained in order of bedroom size, preference, and then in order of date and time of application; and
- C. Any contact between the SOUTH PITTSBURG Housing Authority and the applicant will be documented in the applicant file.

9.3 *FAMILIES NEARING THE TOP OF THE WAITING LIST*

When a family appears to be nearing the top of the waiting list, the family will be invited to an interview and the verification process will begin. It is at this point in time that the family's waiting list preference will be verified. If the family no longer qualifies to be near the top of the list, the family's name will be returned to the appropriate spot on the waiting list. The SOUTH PITTSBURG Housing Authority must notify the family in writing of this determination and give the family the opportunity for an informal review.

Once the preference has been verified, the family will complete a full application, present Social Security number information, citizenship/eligible immigrant information, and sign the Consent for Release of Information forms.

Applicants will also be given the opportunity to update their HUD Form 92006 if applicable and if they desire.

9.4 *PURGING THE WAITING LIST*

The SOUTH PITTSBURG Housing Authority will update and purge its waiting list at least annually to ensure that the pool of applicants reasonably represents the interested families for whom the SOUTH PITTSBURG Housing Authority has current information, i.e., applicant's address, family composition, income category, and preferences.

9.5 *REMOVAL OF APPLICANTS FROM THE WAITING LIST*

The SOUTH PITTSBURG Housing Authority will not remove an applicant's name from the waiting list unless:

- A. The applicant requests in writing that the name be removed;
- B. The applicant fails to respond to a written request for information or a request to declare their continued interest in the program;
- C. The applicant does not meet either the eligibility or suitability criteria for the program; or
- D. The applicant is housed.

Applicants will be offered the right to an informal review before being removed from the waiting list.

9.6 MISSED APPOINTMENTS

All applicants who fail to keep a scheduled appointment with the SOUTH PITTSBURG Housing Authority will be sent a notice of termination of the process for eligibility.

The SOUTH PITTSBURG Housing Authority will allow the family to reschedule for good cause. Generally, no more than one opportunity will be given to reschedule without good cause, and no more than two opportunities will be given for good cause. When good cause exists for missing an appointment, the SOUTH PITTSBURG Housing Authority will work closely with the family to find a more suitable time.

9.7 NOTIFICATION OF NEGATIVE ACTIONS

Any applicant whose name is being removed from the waiting list will be notified by the SOUTH PITTSBURG Housing Authority, in writing, that they have ten (10) business days from the date of the written correspondence to present mitigating circumstances or request in writing an informal review. The letter will also indicate that their name will be removed from the waiting list if they fail to respond within the timeframe specified. The SOUTH PITTSBURG Housing Authority system of removing applicant names from the waiting list will not violate the rights of persons with disabilities. If an applicant claims that their failure to respond to a request for information or updates was caused by a disability, the SOUTH PITTSBURG Housing Authority will verify that there is in fact a disability and the disability caused the failure to respond, and will provide a reasonable accommodation. An example of a reasonable accommodation would be to reinstate the applicant on the waiting list based on the date and time of the original application.

11. 10.0 TENANT SELECTION AND ASSIGNMENT PLAN

10.1 PREFERENCES

The SOUTH PITTSBURG Housing Authority will select families based on the following preferences within each bedroom size category based on our local housing needs and priorities:

- A. Applicants with an adult family member who either lives or works or has been hired to work in the (county or municipality) of the SOUTH PITTSBURG Housing Authority.** The residency preference will not have the purpose or effect of delaying or otherwise denying admission to the program based on the race, color, ethnic origin, gender, religion, disability, or age of any member of an applicant family.

- B. Displaced person(s): Individuals or families displaced by government action or whose dwelling has been extensively damaged or destroyed as a result of a disaster declared or otherwise formally recognized pursuant to Federal Disaster Relief Laws.**
- C. Applicants with an adult family member enrolled in an employment training program, currently working (Insert the number of hours) hours a week, or attending school on a full-time basis. This preference is also extended equally to all elderly families and all families whose head or spouse is receiving income based on their inability to work.**
- D. All other applicants.**

Based on the above preferences, all families in preference A will be offered housing before any families in preference B, preference B families will be offered housing before any families in preference C, and preference C families will be offered housing before any families in preference D.

The date and time of application will be noted and utilized to determine the sequence within the above prescribed preferences.

Notwithstanding the above, families who are elderly, disabled, or displaced will be offered housing before other single persons.

Accessible Units: Accessible units will be first offered to families who may benefit from the accessible features who reside in the development that has the vacancy. If there are no families residing in that development needing the accessible unit, it shall then be offered to families residing in other developments who may benefit from the accessible unit. If there are no families residing in the other developments needing the accessible unit, it shall then be offered to applicants on the waiting list who may benefit from the accessible features. Applicants for these units will be selected utilizing the same preference system as outlined above.

If there are no applicants who would benefit from the accessible features, the units will be offered to other applicants in the order that their names come to the top of the waiting list. Such applicants, however, will be requested to sign a lease rider stating they will accept a transfer (at the Housing Authority's expense) if, at a future time, a family requiring an accessible feature applies or a family requires a transfer from a non-accessible unit. Any family required to transfer will be given a 30-day notice.

10.1.1 HOUSING FOR KATRINA VICTIMS

In the case of a federally declared disaster, the SOUTH PITTSBURG Housing Authority reserves the right for its Executive Director to suspend its preference system what whatever duration the Executive Director feels is appropriate and to admit victims of the

disaster to the program instead of those who would be normally admitted. Any other provisions of this policy can also be suspended during the emergency at the discretion of the Executive Director so long as the provision suspended does not violate a law. If regulatory waivers are necessary, they shall be promptly requested of the HUD Assistant Secretary for Public and Indian Housing.

10.2 ASSIGNMENT OF BEDROOM SIZES

The following guidelines will determine each family’s unit size without overcrowding or over-housing:

Number of Bedrooms	Number of Persons	
	Minimum	Maximum
0	1	1
1	1	2
2	2	4
3	3	6
4	4	8
5	5	10

These standards are based on the assumption that each bedroom will accommodate no more than two (2) persons. Zero bedroom units will only be assigned to one-person families. Two adults will share a bedroom unless related by blood.

In determining bedroom size, the SOUTH PITTSBURG Housing Authority will include the presence of children to be born to a pregnant woman, children who are in the process of being adopted, children whose custody is being obtained, children currently under a 50% or more joint custody decree, children who are temporarily away at school, or children who are temporarily in foster care.

In addition, the following considerations may be taken in determining bedroom size:

- A. Children of the same sex (**will**) share a bedroom.
- B. Children of the opposite sex, both under the age of (**5**), will share a bedroom.
- C. Adults and children will not be required to share a bedroom.
- D. Foster adults and/or foster children will not be required to share a bedroom with family members.

- E. Live-in aides will get a separate bedroom.

Exceptions to normal bedroom size standards include the following:

- A. Units smaller than assigned through the above guidelines. A family may request a smaller unit size than the guidelines allow. The SOUTH PITTSBURG Housing Authority will allow the smaller size unit so long as generally no more than two (2) people per bedroom are assigned. In such situations, the family will sign a certification stating they understand they will be ineligible for a larger size unit for **(2 Years)** or until the family size changes, whichever may occur first.
- B. Units larger than assigned through the above guidelines. A family may request a larger unit size than the guidelines allow. The SOUTH PITTSBURG Housing Authority will allow the larger size unit if the family provides a verified medical or disability related need that the family be housed in a larger unit.
- C. If there are no families on the waiting list for a larger size, smaller families may be housed if they sign a release form stating they will transfer (at the family's own expense) to the appropriate size unit when an eligible family needing the larger unit applies. The family transferring will be given a 30 calendar day notice before being required to move.
- D. Larger units may be offered in order to improve the marketing of a development suffering a high vacancy rate.
- E. In no event will a single person who is not an elderly person or a displaced person, or a person with disabilities be provided with a unit that is larger than one-bedroom.

10.3 SELECTION FROM THE WAITING LIST

The SOUTH PITTSBURG Housing Authority shall follow the statutory requirement that at least 40% of newly admitted families in any fiscal year be families whose annual income is at or below 30% of the area median income. To ensure this requirement is met we shall quarterly monitor the incomes of newly admitted families and the incomes of the families on the waiting list. If it appears that the requirement to house extremely low-income families will not be met, we will skip higher income families on the waiting list to reach extremely low-income families.

The fiscal year credit for voucher program admissions that exceeds the minimum voucher program targeting requirement shall not exceed the lower of:

- A. Ten % of public housing waiting list admissions during the SOUTH PITTSBURG Housing Authority fiscal year;

- B. Ten % of waiting list admissions to the SOUTH PITTSBURG Housing Authority's Section 8 tenant-based assistance program during the PHA fiscal year; or
- C. The number of qualifying low-income families who commence occupancy during the fiscal year of SOUTH PITTSBURG Housing Authority public housing units located in census tracts with a poverty rate of 30 % or more. For this purpose, qualifying low-income family means a low-income family other than an extremely low-income family.

If there are not enough extremely low-income families on the waiting list we will conduct outreach on a non-discriminatory basis to attract extremely low-income families to reach the statutory requirement.

10.4 DECONCENTRATION POLICY

It is the SOUTH PITTSBURG Housing Authority's policy to provide for deconcentration of poverty and encourage income mixing by bringing higher income families into lower income developments and lower income families into higher income developments. Toward this end, we will skip families on the waiting list to reach other families with a lower or higher income. We will accomplish this in a uniform and non-discriminating manner.

The SOUTH PITTSBURG Housing Authority will affirmatively market our housing to all eligible income groups. Lower income residents will not be steered toward lower income developments and higher income people will not be steered toward higher income developments.

Prior to the beginning of each fiscal year, we will analyze the income levels of families residing in each of our developments and the income levels of the families on the waiting list. Based on this analysis, we will determine the level of marketing strategies and deconcentration incentives to implement.

OR

The SOUTH PITTSBURG Housing Authority is not subject to the deconcentration requirements according to 24 CFR 903. Nevertheless, the SOUTH PITTSBURG Housing Authority will affirmatively market its housing to all eligible income groups.

10.6 OFFER OF A UNIT

When the SOUTH PITTSBURG Housing Authority discovers that a unit will become available, we will contact the first family on the waiting list who has the highest priority for this type of unit or development and whose income category would help to meet the deconcentration goal and/or the income targeting goal.

The SOUTH PITTSBURG Housing Authority will contact the family first by telephone to make the unit offer. If the family cannot be reached by telephone, the family will be notified of a unit offer via first class mail. The family will be given five (5) business days from the date the family was contacted by telephone or from the date the letter was mailed to contact the SOUTH PITTSBURG Housing Authority regarding the offer.

The family will be offered the opportunity to view the unit. The family will have **5** business days to view and accept or reject the unit. This verbal offer and the family's decision must be documented in the tenant file. If the family rejects the offer of the unit, the SOUTH PITTSBURG Housing Authority will send the family a letter documenting the offer and the rejection.

10.7 REJECTION OF UNIT

If in making the offer to the family the SOUTH PITTSBURG Housing Authority skipped over other families on the waiting list in order to meet their deconcentration goal or offered the family any other deconcentration incentive and the family rejects the unit, the family will not lose their place on the waiting list and will not be otherwise penalized.

If the SOUTH PITTSBURG Housing Authority did not skip over other families on the waiting list to reach this family, did not offer any other deconcentration incentive, and the family rejects the unit without good cause, the family will forfeit their application's date and time. The family will keep their preferences, but the date and time of application will be changed to the date and time the unit was rejected.

If the family rejects with good cause any unit offered, they will not lose their place on the waiting list. Good cause includes, among other things, reasons related to health, proximity to work, school, and childcare (for those working or going to school). The family will be offered the right to an informal review of the decision to alter their application status.

10.8 ACCEPTANCE OF UNIT

The family will be required to sign a lease that will become effective no later than three (3) business days after the date of acceptance or the business day after the day the unit becomes available, whichever is later.

Prior to signing the lease, all families (head of household) and other adult family members will be required to attend the Lease and Occupancy Orientation when they are initially accepted for occupancy. The family will not be housed if they have not attended the orientation. Applicants who provide prior notice of an inability to attend the orientation will be rescheduled. Failure of an applicant to attend the orientation, without good cause, may result in the cancellation of the occupancy process. The orientation shall include the resident's rights and responsibilities under the Violence Against Women Act.

The applicant will be provided a copy of the lease, the grievance procedure, utility allowances, utility charges, the current schedule of routine maintenance charges, and a request for reasonable accommodation form. These documents will be explained in detail. The applicant will sign a certification that they have received these documents and that they have reviewed them with Housing Authority personnel. The certification will be filed in the tenant's file.

The signing of the lease and the review of financial information are to be privately handled. The head of household and all adult family members will be required to execute the lease prior to admission. One executed copy of the lease will be furnished to the head of household and the SOUTH PITTSBURG Housing Authority will retain the original executed lease in the tenant's file. A copy of the grievance procedure will be attached to the resident's copy of the lease.

The family will pay a security deposit at the time of lease signing. The security deposit will be equal to **\$100.00**:

In the case of a move within public housing, the security deposit for the first unit will be transferred to the second unit. Additionally, if the security deposit for the second unit is greater than that for the first, the difference will be collected from the family. Conversely, if the security deposit is less, the difference will be refunded to the family.

In the event there are costs attributable to the family for bringing the first unit into condition for re-renting, the family shall be billed for these charges.

12. 11.0 INCOME, EXCLUSIONS, AND DEDUCTIONS FROM INCOME

To determine annual income, the SOUTH PITTSBURG Housing Authority adds the income of all family members, excluding the types and sources of income that are specifically excluded. Once the annual income is determined, the SOUTH PITTSBURG Housing Authority subtracts all allowable deductions (allowances) to determine the Total Tenant Payment.

11.1 INCOME

Annual income means all amounts, monetary or not, that:

- A. Go to (or on behalf of) the family head or spouse (even if temporarily absent) or to any other family member; or
- B. Are anticipated to be received from a source outside the family during the 12-month period following admission or annual reexamination effective date; and
- C. Are not specifically excluded from annual income.

If it is not feasible to anticipate a level of income over a 12-month period (e.g. seasonal or cyclic income), or the SOUTH PITTSBURG Housing Authority believes that past income is the best available indicator of expected future income, the SOUTH PITTSBURG Housing Authority may annualize the income anticipated for a shorter period, subject to a redetermination at the end of the shorter period.

Annual income includes, but is not limited to, the amounts specified in the federal regulations currently found in 24 CFR 5.609:

- A. The full amount, before any payroll deductions, of wages and salaries, overtime pay, commissions, fees, tips and bonuses, and other compensation for personal services.
- B. The net income from the operation of a business or profession. Expenditures for business expansion or amortization of capital indebtedness are not used as deductions in determining net income. An allowance for depreciation of assets used in a business or profession may be deducted, based on straight-line depreciation, as provided in Internal Revenue Service regulations. Any withdrawal of cash or assets from the operation of a business or profession is included in income, except to the extent the withdrawal is a reimbursement of cash or assets invested in the operation by the family.
- C. Interest, dividends, and other net income of any kind from real or personal property. Expenditures for amortization of capital indebtedness are not used as deductions in determining net income. An allowance for depreciation of assets used in a business or profession may be deducted, based on straight-line depreciation, as provided in Internal Revenue Service regulations. Any withdrawal of cash or assets from an investment is included in income, except to the extent the withdrawal is reimbursement of cash or assets invested by the family. Where the family has net family assets in excess of \$5,000, annual income includes the greater of the actual income derived from all net family assets or a percentage of the value of such assets based on the current passbook savings rate, as determined by HUD. Income that could have been derived from assets worth more than \$1000 that were disposed of for less than fair market value within the past two years will be counted as income.
- D. The full amount of periodic amounts received from Social Security, annuities, insurance policies, retirement funds, pensions, disability or death benefits, and other similar types of periodic receipts, including a lump-sum amount or prospective monthly amounts for the delayed start of a periodic amount. (However, deferred periodic amounts from supplemental security income and Social Security benefits that are received in a lump sum amount or in prospective monthly amounts are excluded.)
- E. Payments in lieu of earnings, such as unemployment and disability compensation,

worker's compensation, and severance pay. (However, lump sum additions such as insurance payments from worker's compensation are excluded.)

F. Welfare assistance

1. Welfare assistance payments

a. Welfare assistance payments made under the Temporary Assistance for Needy Families (TANF) program are included in annual income only to the extent such payments:

i. Qualify as assistance under the TANF program definition at 45 CFR 260.31; and

ii. Are not otherwise excluded under paragraph Section 11.2 of this Policy.

b. If the welfare assistance payment includes an amount specifically designated for shelter and utilities that is subject to adjustment by the welfare assistance agency in accordance with the actual cost of shelter and utilities, the amount of welfare assistance income to be included as income consists of:

i. The amount of the allowance or grant exclusive of the amount specifically designated for shelter or utilities; plus

ii. The maximum amount that the welfare assistance agency could in fact allow the family for shelter and utilities. If the family's welfare assistance is ratably reduced from the standard of need by applying a percentage, the amount calculated under this requirement is the amount resulting from one application of the percentage.

2. Imputed welfare income

a. A family's annual income includes the amount of imputed welfare income (because of specified welfare benefits reductions resulting from either welfare fraud or the failure to comply with economic self-sufficiency requirements, as specified in notice to the SOUTH PITTSBURG Housing Authority by the welfare agency) plus the total amount of other annual income.

b. At the request of the SOUTH PITTSBURG Housing Authority, the welfare agency will inform the SOUTH PITTSBURG Housing Authority in writing of the amount and term of any specified welfare benefit reduction for a family member, and the reason for

such reduction, and will also inform the SOUTH PITTSBURG Housing Authority of any subsequent changes in the term or amount of such specified welfare benefit reduction. The SOUTH PITTSBURG Housing Authority will use this information to determine the amount of imputed welfare income for a family.

- c. A family's annual income includes imputed welfare income in family annual income, as determined at an interim or regular reexamination of family income and composition during the term of the welfare benefits reduction (as specified in information provided to the SOUTH PITTSBURG Housing Authority by the welfare agency).
- d. The amount of the imputed welfare income is offset by the amount of additional income a family receives that commences after the time the sanction was imposed. When such additional income from other sources is at least equal to the imputed welfare income, the imputed welfare income is reduced to zero.
- e. The SOUTH PITTSBURG Housing Authority will not include imputed welfare income in annual income if the family was not an assisted resident at the time of the sanction.
- f. If a resident is not satisfied that the SOUTH PITTSBURG Housing Authority has calculated the amount of imputed welfare income in accordance with HUD requirements, and if the SOUTH PITTSBURG Housing Authority denies the family's request to modify such amount, then the SOUTH PITTSBURG Housing Authority shall give the resident written notice of such denial, with a brief explanation of the basis for the SOUTH PITTSBURG Housing Authority's determination of the amount of imputed welfare income. The SOUTH PITTSBURG Housing Authority's notice shall also state that if the resident does not agree with the determination, the resident may grieve the decision in accordance with our grievance policy. The resident is not required to pay an escrow deposit for the portion of the resident's rent attributable to the imputed welfare income in order to obtain a grievance hearing.

3. Relations with welfare agencies

- a. The SOUTH PITTSBURG Housing Authority will ask welfare agencies to inform it of any specified welfare benefits reduction for a family member, the reason for such reduction, the term of any such reduction, and any subsequent welfare agency determination affecting the amount or term of a specified welfare benefits reduction. If the welfare agency determines a specified welfare

benefits reduction for a family member, and gives the SOUTH PITTSBURG Housing Authority written notice of such reduction, the family's annual incomes shall include the imputed welfare income because of the specified welfare benefits reduction.

- b. The SOUTH PITTSBURG Housing Authority is responsible for determining the amount of imputed welfare income that is included in the family's annual income as a result of a specified welfare benefits reduction as determined by the welfare agency and specified in the notice by the welfare agency to the housing authority. However, the SOUTH PITTSBURG Housing Authority is not responsible for determining whether a reduction of welfare benefits by the welfare agency was correctly determined by the welfare agency in accordance with welfare program requirements and procedures, nor for providing the opportunity for review or hearing on such welfare agency determinations.
 - c. Such welfare agency determinations are the responsibility of the welfare agency, and the family may seek appeal of such determinations through the welfare agency's normal due process procedures. The SOUTH PITTSBURG Housing Authority shall rely on the welfare agency notice to the SOUTH PITTSBURG Housing Authority of the welfare agency's determination of a specified welfare benefits reduction.
- G. Periodic and determinable allowances, such as alimony, child support payments, and regular contributions or gifts received from organizations or from persons not residing in the dwelling.
 - H. All regular pay, special pay, and allowances of a member of the Armed Forces. (Special pay to a member exposed to hostile fire is excluded.)

- A. Income from employment of children (including foster children) under the age of 18 years;

A resident service stipend is a modest amount (not to exceed \$200 per month) received by a resident for performing a service for the Housing Authority or owner, on a part-time basis, that enhances the quality of life in the development. Such services may include, but are not limited to, fire patrol, hall monitoring, lawn maintenance, resident initiatives coordination, and serving as a member of the SOUTH PITTSBURG Housing Authority governing board. No resident may receive more than one such stipend during the same period of time;
 - 5. Incremental earnings and benefits resulting to any family member from participation in qualifying State or local employment training programs (including training programs not affiliated with a local government) and training of a family member as resident management staff. 9. Adoption assistance payments in excess of \$480 per adopted child;

This exclusion (paragraph 11) will not apply for any family who concurrently is eligible for exclusion #10. Additionally, this exclusion is only available to the following families:
 - a. Families whose income increases as a result of employment of a family member who was previously unemployed for one or more years.
 - b. Families whose income increases during the participation of a family member in any economic self-sufficiency or other job training program.
 - c. Families who are or were, within 6 months, assisted under a State TANF or Welfare-to-Work program.

During the second cumulative 12-month period after the date of initial hire, 50% of the increased income shall be excluded from income.

The disallowance of increased income of an individual family member is limited to a lifetime 48-month period. It only applies for 12 months of the 100% exclusion and 12 months of the 50% exclusion.

(While HUD regulations allow for the housing authority to offer an escrow account in lieu of having a portion of their income excluded under this paragraph, it is the policy of this housing authority to provide the exclusion in all cases.)

11. Deferred periodic amounts from supplemental security income and Social Security benefits that are received in a lump sum amount or in prospective monthly amounts;

12. Amounts received by the family in the form of refunds or rebates under State or local law for property taxes paid on the dwelling unit;

 - 3. Terminate the lease and evict for failure to report income; or
 - 4. Terminate the lease, evict for failure to report income, and collect the back rent due to the agency.

11.5 COOPERATING WITH WELFARE AGENCIES

The SOUTH PITTSBURG Housing Authority will make its best efforts to enter into cooperation agreements with local welfare agencies under which the welfare agencies will agree:

- A. To target assistance, benefits and services to families receiving assistance in the public housing and Section 8 tenant-based assistance program to achieve self-sufficiency; and
- B. To provide written verification to the SOUTH PITTSBURG Housing Authority concerning welfare benefits for families applying for or receiving assistance in our housing assistance programs.

11.6 COOPERATING WITH LAW ENFORCEMENT AGENCIES

The SOUTH PITTSBURG Housing Authority will comply, on a case-by-case basis, with information requests from Federal, State or local law enforcement officers regarding possible fugitive felons and/or a parole or probation violators. The SOUTH PITTSBURG

Housing Authority will supply upon legitimate request (1) the current address, (2) Social Security number and (3) photograph (if available) of any recipient of assistance.

The Federal, State or local enforcement officer must submit a request that is (1) written, (2) on law enforcement agency letterhead, and (3) is signed by the requesting officer and his or her immediate supervisor. The request for information must provide the name of the fugitive felon and/or parole or probation violator being sought, and may include other personal information used for identification. The request should also comply with the following requirements:

13. 12.0 VERIFICATION

The SOUTH PITTSBURG Housing Authority will verify information related to waiting list preferences, eligibility, admission, and level of benefits prior to admission. Periodically during occupancy, items related to eligibility and rent determination shall also be reviewed and verified. Income, assets, and expenses will be verified, as well as disability status, need for a live-in aide and other reasonable accommodations; full-time student status of family members 18 years of age and older; Social Security numbers; and citizenship/eligible non-citizen status. Age and relationship will only be verified in those instances where needed to make a determination of level of assistance.

12.1 ACCEPTABLE METHODS OF VERIFICATION

Age, relationship, U.S. citizenship, and Social Security numbers will generally be verified with documentation provided by the family. For citizenship, the family's certification will be accepted. (Or, for citizenship, documentation such as listed below will be required.) Verification of these items will include photocopies of the Social Security cards and other documents presented by the family, the INS SAVE approval code, and forms signed by the family.

Other information will be verified by the following verification methods acceptable to HUD, in the order of preference indicated:

1. Up-front Income Verifications (UIV)

UIV is the verification of income through an independent source that systematically maintains income information in computerized form for a large number of individuals.

Current UIV resources include the following:

- a. Enterprise Income Verification (EIV)** – The EIV System is a web-based application, which provides PHAs with employment, wage, unemployment compensation and social security benefit information of tenants who participate in the Public Housing and various Section 8 programs under the jurisdiction of the Office of Public and Indian Housing (PIH). Information in EIV is derived from computer matching programs initiated by HUD with the Social Security Administration (SSA) and the U.S. Department of Health and Human Services (HHS), for all program participants with valid personal identifying information (name, date of birth (DOB), and social security number (SSN)) reported on the form HUD-50058. Use of the EIV system in its entirety is mandatory for all annual and interim re-examinations. The SOUTH PITTSBURG Housing Authority will monitor the following EIV reports on a monthly basis – (1) Deceased Tenants Report, (2) Identity Verification Report, and the (3) Immigration Report. In addition, it will monitor on a quarterly basis the following EIV reports – (1) Income Discrepancy Report, Multiple Subsidy Report, and the New Hires Report.
- b. State Wage Information Collection Agencies (SWICAs)**
- c. State systems for the Temporary Assistance for Needy Families (TANF) program**
- d. Credit Bureau Information (CBA) credit reports**
- e. Internal Revenue Service (IRS) Letter 1722**
- f. Private sector databases (e.g. The Work Number)**

The SOUTH PITTSBURG Housing Authority will use additional UIV resources as they become available. This will be done before, during and/or after examinations and/or re-examinations of household income as appropriate.

It is important to note that UIV data will only be used to verify a participant's eligibility for participation in a rental assistance program and to determine the

level of assistance the participant is entitled to receive and only by properly trained persons whose duties require access to this information. Any other use, unless approved by the HUD Headquarters UIV Security System Administrator, is specifically prohibited and will not occur.

No adverse action can be taken against a participant until the SOUTH PITTSBURG Housing Authority has independently verified the UIV information and the participant has been granted an opportunity to contest any adverse findings through the established grievance procedure. The consequences of adverse findings may include the SOUTH PITTSBURG Housing Authority requiring the immediate payment of any over-subsidy, the entering into a repayment agreement, eviction, criminal prosecution, or any other appropriate remedy.

Furthermore, the information the SOUTH PITTSBURG Housing Authority derives from the UIV system will be protected to ensure that it is utilized solely for official purposes and not disclosed in any way that would violate the privacy of the affected individuals.

The EIV Income Report must remain in the tenant file for the duration of tenancy and no longer than three years from the end of participation (EOP) date. The SOUTH PITTSBURG Housing Authority is required to maintain at a minimum, the last three years of the form HUD-50058, and supporting documentation for all annual and interim reexaminations of family income. All records are to be maintained for a period of at least three years from the effective date of the action. Once the data has served its purpose, it shall be destroyed by either burning or shredding the data.

2. Third-Party Written Verifications

An original or authentic document generated by a third-party source dated either within the 60-day period preceding the reexamination or the SOUTH PITTSBURG Housing Authority request date. Such documentation may be in the possession of the tenant (or applicant), and is commonly referred to as tenant-provided documents. It is HUD's position that such tenant-provided documents are written third-party verification since these documents originated from a third-party source. The SOUTH PITTSBURG Housing Authority may, at its discretion, reject any tenant-provided documents and follow up directly with the source to obtain necessary verification of information.

Examples of acceptable tenant-provided documentation (generated by a third-party source) include, but are not limited to: pay stubs, payroll summary report, employer notice/letter of hire/termination, SSA benefit verification letter, bank statements, child support payment stubs, welfare benefit letters and/or printouts, and unemployment monetary benefit notices. Current acceptable tenant-provided documents will be used for income and rent determinations.

The SOUTH PITTSBURG Housing Authority will obtain two current and consecutive pay stubs for determining annual income from wages. For new income sources or when two pay stubs are not available, the SOUTH PITTSBURG Housing Authority will project income based on the information from a traditional written third-party verification form or the best available information.

Note: Documents older than 60 calendar days (from the SOUTH PITTSBURG Housing Authority interview/determination or request date) is acceptable for confirming effective dates of income.

Third-party written verifications may also be used to supplement Up-front Income Verifications. They will be utilized when there is a discrepancy of \$200 a month or more and the participant disputes the UIV results.

Note: Social Security benefit information in EIV is updated every three months. If the tenant agrees with the EIV-reported benefit information, PHAs do not need to obtain or request a benefit verification letter from the tenant.

3. Written Third-Party Verification Form

Also known as traditional third-party verification. A standardized form to collect information from a third-party source is distributed by the SOUTH PITTSBURG Housing Authority. The form is completed by the third-party by hand (in writing or typeset) when sent the form by the SOUTH PITTSBURG Housing Authority.

HUD recognizes that third-party verification request forms sent to third-party sources often are not returned. In other instances, the person who completes the verification form may provide incomplete information; or some tenants may collude with the third-party source to provide false information; or the tenant intercepts the form and provides false information.

HUD requires the SOUTH PITTSBURG Housing Authority to rely on documents that originate from a third-party source's computerized system and/or database, as this process reduces the likelihood of incorrect or falsified information being provided on the third-party verification request form. The use of acceptable tenant-provided documents, which originate from a third-party source, will improve the integrity of information used to determine a family's income and rent and ultimately reduce improper subsidy payments. This verification process will also streamline the income verification process.

The SOUTH PITTSBURG Housing Authority will allow XXX (XX) calendar days for the return of third-party written verifications prior to continuing on to the next type of verification.

4. **Third-Party Oral Verifications**

This type of verification includes direct contact with the source, in person or by telephone. When this method is used, staff members will be required to document in writing with whom they spoke, the date of the conversation, the telephone number, and the facts obtained.

The SOUTH PITTSBURG Housing Authority will allow 5 calendar days for the return of third-party oral verifications prior to continuing on to the next type of verification.

5. **Review of Documents**

When UIV, written and oral third-party verifications are not available within the 5 calendar day period allowed in paragraph 3 and 5 calendar day period allowed in paragraph 4 above, the Housing Authority will use the information received by the family, provided that the documents provide complete information. Photocopies of the documents, excluding government checks, provided by the family will be maintained in the file. In cases in which documents are viewed and cannot be photocopied, staff reviewing the documents will complete a written statement as to the contents of the document(s).

6. **Self-Certification and Self-Declaration**

When UIV, written and oral third-party verifications are not available within the 5 calendar day period allowed in paragraph 3 and 5 calendar day period allowed in paragraph 4 above, and hand-carried verification cannot be obtained, the Housing Authority will accept a statement detailing information needed, signed by the head, spouse, co-head, or other adult family member.

Verification forms and reports received will be contained in the applicant/tenant file. Oral third-party documentation will include the same information as if the documentation had been written, i.e. name, date of contact, amount received, etc.

When any verification method other than Up-front Income Verification is utilized, the SOUTH PITTSBURG Housing Authority will document the reason for the choice of the verification methodology in the applicant/resident's file.

The following chart comes from PIH Notice 2010-19.

Level	Verification Technique	Ranking

4	Written Third-Party Verification	High (Mandatory to supplement EIV-reported income sources and when EIV has no data; Mandatory for non-EIV reported income sources; Mandatory when participant disputes EIV-reported employment and income information and is unable to provide acceptable documentation to support dispute)

Prior to being admitted or at the first reexamination, all eligible non-citizens who are 62 years of age or older will be required to sign a declaration under penalty of perjury. They will also be required to show proof of age.

Prior to being admitted or at the first reexamination, all eligible non-citizens must sign a declaration of their status and a verification consent form and provide their original INS documentation. The SOUTH PITTSBURG Housing Authority will make a copy of the individual's INS documentation and place the copy in the file. The SOUTH PITTSBURG Housing Authority will also verify their status through the INS SAVE system. If the INS SAVE system cannot confirm eligibility, the SOUTH PITTSBURG Housing Authority will mail information to the INS in order that a manual check can be made of INS records.

Family members who do not claim to be citizens, nationals, or eligible non-citizens must be listed on a statement of non-eligible members and the list must be signed by the head of the household.

Non-citizen students on student visas, though in the country legally, are not eligible to be admitted to public housing. If they are members of families that include citizens, the rent must be pro-rated.

Any family member who does not choose to declare their status must be listed on the statement of non-eligible members.

If no family member is determined to be eligible under this section, the family's eligibility will be denied.

The family's assistance will not be denied, delayed, reduced, or terminated because of a delay in the process of determining eligible status under this section, except to the extent that the delay is caused by the family.

If the SOUTH PITTSBURG Housing Authority determines that a family member has knowingly permitted an ineligible non-citizen (other than any ineligible non-citizens listed on the lease) to permanently reside in their public housing unit, the family will be evicted. Such family will not be eligible to be readmitted to public housing for a period of 24 months from the date of eviction or termination.

12.4 VERIFICATION OF SOCIAL SECURITY NUMBERS

Prior to admission, every family member regardless of age must provide the SOUTH PITTSBURG Housing Authority with a complete and accurate Social Security Number unless they do not contend eligible immigration status. New family members must provide this verification prior to being added to the lease. If the new family member is under the age of six and has not been assigned a Social Security Number, the family shall

have ninety (90) calendar days after starting to receive the assistance to provide a complete and accurate Social Security Number. The SOUTH PITTSBURG Housing Authority may grant one ninety (90) day extension for newly-added family members under the age of six if in its sole discretion it determines that the person's failure to comply was due to circumstances that could not have reasonably been foreseen and was outside the control of the person.

If a person is already a program participant and has not disclosed his or her Social Security Number, it must be disclosed at the next re-examination or re-certification. Participants aged 62 or older as of January 31, 2010 whose initial eligibility determination was begun before January 31, 2010 are exempt from the required disclosure of their Social Security Number. This exemption continues even if the individual moves to a new assisted unit.

The best verification of the Social Security Number is the original Social Security card. If the card is not available, the SOUTH PITTSBURG Housing Authority will accept an original document issued by a federal or state government agency, which contains the name of the individual and the Social Security Number of the individual, along with other identifying information of the individual or such other evidence of the Social Security Number as HUD may prescribe in administrative instructions.

If a member of an applicant family indicates they have a Social Security Number, but cannot readily verify it, the family cannot be assisted until verification is provided.

If an individual fails to provide the verification within the time allowed, the family will be denied assistance or will have their assistance terminated. The SOUTH PITTSBURG Housing Authority may grant one ninety (90) day extension from termination if in its sole discretion it determines that the person's failure to comply was due to circumstances that could not have reasonably been foreseen and there is a reasonable likelihood that the person will be able to disclose a Social Security Number by the deadline.

12.5 TIMING OF VERIFICATION

Verification information must be dated within ninety (90) calendar days of certification or reexamination. If the verification is older than this, the source will be contacted and asked to provide information regarding any changes.

When an interim reexamination is conducted, the Housing Authority will verify and update all information related to family circumstances and level of assistance. (Or, the Housing Authority will only verify and update those elements reported to have changed.)

12.6 FREQUENCY OF OBTAINING VERIFICATION

Household composition will be verified annually. The frequency that household income will be verified depends on the type of rent method chosen by the family.

For each family member, citizenship/eligible non-citizen status will be verified only once unless the family member is an eligible immigrant in a transitional stage of admission. In this situation, their status must be updated until they are admitted for permanent residency. This verification will be obtained prior to admission. If the status of any family member was not determined prior to admission, verification of their status will be obtained at the next regular reexamination. Prior to a new member joining the family, their citizenship/eligible non-citizen status will be verified.

For each family member, verification of Social Security number will be obtained only once. This verification will be accomplished prior to admission. When a family member who did not have a Social Security number at admission receives a Social Security number, that number will be verified at the next regular reexamination.

12.7 SPECIAL VERIFICATION FOR ADULT STUDENTS

In addition to other verification procedures, student head of households must provide a written signed certification that the student does or does not receive any financial support from his or her parents or guardians and whether or not the student is receiving an athletic scholarship. If support is received, the certification must state the amount of the anticipated support. The SOUTH PITTSBURG Housing Authority shall verify using normal third party verification procedures that amount by communicating directly with the supporting person(s). If an athletic scholarship is involved, the SOUTH PITTSBURG Housing Authority shall determine if any of the scholarship is available for housing costs.

12.8 DISCREPANCIES IN VERIFIED INFORMATION

An EIV Income Report shall be pulled from the system before annual or interim reexamination are conducted for any family and compared with family-reported information. If the EIV report reveals an income source that was not reported by the tenant or a substantial difference (defined as \$2400 or more annually) in the reported income information, the SOUTH PITTSBURG Housing Authority will:

- A. Discuss the income discrepancy with the tenant; and
- B. Request the tenant to provide any documentation to confirm or dispute the unreported or underreported income and/ or income sources; and
- C. In the event the tenant is unable to provide acceptable documentation to resolve the income discrepancy, the SOUTH PITTSBURG Housing Authority will request from the third-party source, any information necessary to resolve the income discrepancy; and
- D. If applicable, determine the tenant's underpayment of rent as a result of unreported or underreported income, retroactively*; and
- E. Take any other appropriate action.

*The SOUTH PITTSBURG Housing Authority will determine the retroactive rent as far back as the existence of complete file documentation (form HUD-50058 and supporting documentation) to support such retroactive rent determinations.

The tenant will be provided an opportunity to contest the SOUTH PITTSBURG Housing Authority's determination of tenant rent underpayment. Tenants will be promptly notified in writing of any adverse findings made on the basis of the information verified through the aforementioned income discrepancy resolution process. The tenant may contest the findings in accordance with established grievance procedures. The SOUTH PITTSBURG Housing Authority will not terminate, deny, suspend, or reduce the family's assistance until the expiration of any notice or grievance period.

When there is an unsubstantial or no disparity between tenant-reported and EIV-reported income information, the SOUTH PITTSBURG Housing Authority will obtain from the tenant, any necessary documentation to complete the income determination process. As noted previously, the SOUTH PITTSBURG Housing Authority may reject any tenant-provided documentation, if the Authority deems the documentation unacceptable. Documentation provided by the tenant will only be rejected for only the following reasons:

- A. The document is not an original; or
- B. The original document has been altered, mutilated, or is not legible; or
- C. The document appears to be a forged document (i.e. does not appear to be authentic).

The SOUTH PITTSBURG Housing Authority will explain to the tenant, the reason(s) the submitted documents are not acceptable and request the tenant to provide additional documentation. If at any time, the tenant is unable to provide acceptable documentation that the SOUTH PITTSBURG Housing Authority deems necessary to complete the income determination process, the Authority will submit a traditional third-party verification form to the third-party source for completion and submission to the SOUTH PITTSBURG Housing Authority.

If the third-party source does not respond to the SOUTH PITTSBURG Housing Authority's request for information, the Authority is required to document the tenant file of its attempt to obtain third-party verification and that no response to the third-party verification request was received.

The SOUTH PITTSBURG Housing Authority will then pursue lower level verifications in accordance with the verification hierarchy.

14. 13.0 DETERMINATION OF TOTAL TENANT PAYMENT AND TENANT RENT

13.1 FAMILY CHOICE

At admission and each year in preparation for their annual reexamination, each family is given the choice of having their rent determined under the income method or having their rent set at the flat rent amount.

- A. Families who opt for the flat rent will be required to go through the income reexamination process every three years, rather than the annual review they would otherwise undergo. Their family composition must still be reviewed annually.
- B. Families who opt for the flat rent may request to have a reexamination and return to the income based method at any time for any of the following reasons:
 - 1. The family's income has decreased.
 - 2. The family's circumstances have changed increasing their expenses for childcare, medical care, etc.
 - 3. Other circumstances creating a hardship on the family such that the income method would be more financially feasible for the family.
- C. Families have only one choice per year except for financial hardship cases. In order for families to make informed choices about their rent options, the SOUTH PITTSBURG will provide them with the following information whenever they have to make rent decisions:
 - 1. The SOUTH PITTSBURG Housing Authority's policies on switching types of rent in case of a financial hardship; and
 - 2. The dollar amount of tenant rent for the family under each option. If the family chose a flat rent for the previous year, the SOUTH PITTSBURG Housing Authority will provide the amount of income-based rent for the subsequent year only the year the SOUTH PITTSBURG Housing Authority conducts an income reexamination or if the family specifically requests it and submits updated income information.

13.2 THE INCOME METHOD

The total tenant payment is equal to the highest of:

- A. 10% of the family's monthly income;
- B. 30% of the family's adjusted monthly income; or

- C. If the family is receiving payments for welfare assistance from a public agency and a part of those payments, adjusted in accordance with the family's actual housing costs, is specifically designated by such agency to meet the family's housing costs, the portion of those payments which is so designated. If the family's welfare assistance is ratably reduced from the standard of need by applying a percentage, the amount calculated under this provision is the amount resulting from one application of the percentage; or
- D. The minimum rent of **\$50**.

13.3 MINIMUM RENT

The SOUTH PITTSBURG Housing Authority has set the minimum rent at **\$50**. If the family requests a hardship exemption, however, the SOUTH PITTSBURG Housing Authority will suspend the minimum rent beginning the month following the family's request until the Housing Authority can determine whether the hardship exists and whether the hardship is of a temporary or long-term nature.

- A. A hardship exists in the following circumstances:
 - 1. When the family has lost eligibility for or is waiting an eligibility determination for a Federal, State, or local assistance program, including a family that includes a member who is a non-citizen lawfully admitted for permanent residence under the Immigration and Nationality Act who would be entitled to public benefits but for title IV of the Personal Responsibility and Work Opportunity Act of 1996;
 - 2. When the family would be evicted because it is unable to pay the minimum rent;
 - 3. When the income of the family has decreased because of changed circumstances, including loss of employment; and
 - 4. When a death has occurred in the family.
- B. No hardship. If the Housing Authority determines there is no qualifying hardship, the minimum rent will be reinstated, including requiring back payment of minimum rent for the time of suspension.
- C. Temporary hardship. If the Housing Authority reasonably determines that there is a qualifying hardship but that it is of a temporary nature, the minimum rent will be not be imposed for a period of 90 calendar days from the beginning of the suspension of the minimum rent. At the end of the 90-day period, the minimum rent will be imposed retroactively to the time of suspension. The Housing Authority will offer a repayment agreement in accordance with Section 19 of this

policy for any rent not paid during the period of suspension. During the suspension period the Housing Authority will not evict the family for nonpayment of the amount of tenant rent owed for the suspension period.

- D. Long-term hardship. If the Housing Authority determines there is a long-term hardship, the family will be exempt from the minimum rent requirement until the hardship no longer exists.
- E. Appeals. The family may use the grievance procedure to appeal the Housing Authority's determination regarding the hardship. No escrow deposit will be required in order to access the grievance procedure.

13.4 THE FLAT RENT

The SOUTH PITTSBURG Housing Authority has set a flat rent for each public housing unit. In doing so, it considered the size and type of the unit, as well as its age, condition, amenities, services, and neighborhood. The SOUTH PITTSBURG Housing Authority determined the market value of the unit and set the rent at the market value. The amount of the flat rent will be reevaluated annually and adjustments applied. Affected families will be given a 30-day notice of any rent change. Adjustments are applied at the end of the annual lease (for more information on flat rents, see Section 15.3).

The SOUTH PITTSBURG Housing Authority will post the flat rents at each of the developments and at the central office. Flat rents are incorporated in this policy upon approval by the Board of Commissioners.

There is no utility allowance for families paying a flat rent because the SOUTH PITTSBURG Housing Authority has already factored who pays for the utilities into the flat rent calculation..

13.5 CEILING RENT [DELETE IF NO CEILING RENTS AS OF 10/1/99]

The SOUTH PITTSBURG Housing Authority has set a ceiling rent for each public housing unit prior to October 1, 1999. The amount of the ceiling rent will be reevaluated annually and the adjustments applied. Affected families will be given a 30-day notice of any rent change. Adjustments are applied on the anniversary date for each affected family.

The SOUTH PITTSBURG Housing Authority will post the ceiling rents at each of the developments and at the central office. Ceiling rents are incorporated in this policy upon approval by the Board of Commissioners.

13.6 RENT FOR FAMILIES UNDER THE NONCITIZEN RULE

A mixed family will receive full continuation of assistance if all of the following conditions are met:

- A. The family was receiving assistance on June 19, 1995;
- B. The family was granted continuation of assistance before November 29, 1996;
- C. The family's head or spouse has eligible immigration status; and
- D. The family does not include any person who does not have eligible status other than the head of household, the spouse of the head of household, any parent of the head or spouse, or any child (under the age of 18) of the head or spouse.

The family's assistance is prorated in the following manner:

- A. Determine the 95th percentile of gross rents (tenant rent plus utility allowance) for the SOUTH PITTSBURG Housing Authority. The 95th percentile is called the maximum rent.
- B. Subtract the family's total tenant payment from the maximum rent. The resulting number is called the maximum subsidy.
- C. Divide the maximum subsidy by the number of family members and multiply the result times the number of eligible family members. This yields the prorated subsidy.
- D. Subtract the prorated subsidy from the maximum rent to find the prorated total tenant payment. From this amount subtract the full utility allowance to obtain the prorated tenant rent.

13.7 UTILITY ALLOWANCE

The SOUTH PITTSBURG Housing Authority shall establish a utility allowance for all check-metered utilities and for all tenant-paid utilities. The allowance will be based on a reasonable consumption of utilities by an energy-conservative household of modest circumstances consistent with the requirements of a safe, sanitary, and healthful environment. In setting the allowance, the SOUTH PITTSBURG Housing Authority will review the actual consumption of tenant families as well as changes made or anticipated due to modernization (weatherization efforts, installation of energy-efficient appliances, etc). Allowances will be evaluated at least annually as well as any time utility rate changes by 10% or more since the last revision to the allowances.

The utility allowance will be subtracted from the family's income-based rent to determine the amount of the Tenant Rent. The Tenant Rent is the amount the family owes each month to the SOUTH PITTSBURG Housing Authority. The amount of the utility allowance is then still available to the family to pay the cost of their utilities. Any utility cost above the allowance is the responsibility of the tenant. Any savings resulting from utility costs below the amount of the allowance belongs to the tenant.

For SOUTH PITTSBURG Housing Authority paid utilities, the SOUTH PITTSBURG Housing Authority will monitor the utility consumption of each household. Any consumption in excess of the allowance established by the SOUTH PITTSBURG Housing Authority will be billed to the tenant monthly.

Utility allowance revisions based on rate changes shall be effective retroactively to the first day of the month following the month in which the last rate change took place. Revisions based on changes in consumption or other reasons shall become effective at each family's next annual reexamination.

Families with high utility costs are encouraged to contact the SOUTH PITTSBURG Housing Authority for an energy analysis. The analysis may identify problems with the dwelling unit that once corrected will reduce energy costs. The analysis can also assist the family in identifying ways they can reduce their costs.

Requests for relief from surcharges for excess consumption of SOUTH PITTSBURG Housing Authority purchased utilities or from payment of utility supplier billings in excess of the utility allowance for tenant-paid utility costs may be granted by the SOUTH PITTSBURG Housing Authority on reasonable grounds. Requests shall be granted to families that include an elderly member or a member with disabilities. Requests by the family shall be submitted under the Reasonable Accommodation Policy. Families shall be advised of their right to individual relief at admission to public housing and at time of utility allowance changes.

13.8 PAYING RENT

Rent and other charges are due and payable on the first day of the month. All rents should be paid at **South Pittsburg Housing Authority office**. Reasonable accommodations for this requirement will be made for persons with disabilities. As a safety measure, no cash shall be accepted as a rent payment.

If the rent is not paid by the **5th day** of the month, a Notice to Vacate will be issued to the tenant. In addition, a **\$20** late charge or **\$1** a day, whichever is greater, will be assessed to the tenant. If rent is paid by a personal check and the check is returned for insufficient funds, this shall be considered a non-payment of rent and will incur the late charge plus an additional charge of **\$10** for bank charges and/or processing costs.

15. 14.0 COMMUNITY SERVICE

14.1 GENERAL

In order to be eligible for continued occupancy, each adult family member must either (1) contribute eight hours per month of community service (not including political activities), or (2) participate in an economic self-sufficiency program, or (3) perform eight hours per month of combined activities as previously described unless they are exempt from this

requirement. The eight hours of activity must be performed each month. An individual may not skip a month and then double up the following month unless special circumstances warrant it.

14.2 EXEMPTIONS

The following adult family members of tenant families are exempt from this requirement:

- A. Family members who are 62 or older.
- B. Family members who are blind or disabled as defined under 216(I)(1) or 1614 of the Social Security Act (42 U.S.C. 416(I)(1) and who certifies that because of this disability she or he is unable to comply with the community service requirements.

 - 10. Education directly related to employment in the case of a recipient who has not received a high school diploma or a certificate of high school equivalency;

11. Satisfactory attendance at secondary school or in a course of study leading to a certificate of general equivalence, in the case of a recipient who has not completed secondary school or received such a certificate; and
 12. The provision of childcare services to an individual who is participating in a community service program.
- E. Family members who are or would be exempt from work activity under part A title IV of the Social Security Act or under any other State welfare program, including the welfare-to-work program.
- F. Family members receiving assistance, benefits or services under a State program funded under part A title IV of the Social Security Act or under any other State welfare program, including welfare-to-work and who are in compliance with that program.

14.3 NOTIFICATION OF THE REQUIREMENT

The SOUTH PITTSBURG Housing Authority shall identify all adult family members who are apparently not exempt from the community service requirement.

The SOUTH PITTSBURG Housing Authority shall notify all such family members of the community service requirement and of the categories of individuals who are exempt from the requirement. The notification will provide the opportunity for family members to claim and explain an exempt status in writing. The SOUTH PITTSBURG Housing Authority shall verify such claims. If a resident does not agree with the SOUTH PITTSBURG Housing Authority's determination, he or she can appeal by following the Grievance Policy. Changes in exempt or non-exempt status of a resident shall be reported by the resident to the SOUTH PITTSBURG Housing Authority within ten (10) calendar days of the change.

The notification will advise families that their community service obligation will begin upon the effective date of their first annual reexamination on or after **July 1, 2000**. For families paying a flat rent, the obligation begins on the date their annual reexamination would have been effective had an annual reexamination taken place. It will also advise them that failure to comply with the community service requirement will result in ineligibility for continued occupancy at the time of any subsequent annual reexamination.

14.4 VOLUNTEER OPPORTUNITIES

Community service includes performing work or duties in the public benefit that serve to improve the quality of life and/or enhance resident self-sufficiency, and/or increase the self-responsibility of the resident within the community.

An economic self-sufficiency program is one that is designed to encourage, assist, train or facilitate the economic independence of participants and their families or to provide

work for participants. These programs may include programs for job training, work placement, basic skills training, education, English proficiency, work fare, financial or household management, apprenticeship, and any program necessary to ready a participant to work (such as substance abuse or mental health treatment).

The SOUTH PITTSBURG Housing Authority will coordinate with social service agencies, local schools, and the Human Resources Office in identifying a list of volunteer community service positions.

Together with the resident advisory councils, the SOUTH PITTSBURG Housing Authority may create volunteer positions such as hall monitoring, litter patrols, and supervising and record keeping for volunteers.

14.5 THE PROCESS

Upon admission or at the first annual reexamination on or after **July 1, 2000**, and each annual reexamination thereafter, the SOUTH PITTSBURG Housing Authority will do the following:

- A. Provide a list of volunteer opportunities to the family members.
- B. Provide information about obtaining suitable volunteer positions.
- C. Provide a volunteer time sheet to the family member. Instructions for the time sheet require the individual to complete the form and have a supervisor date and sign for each period of work.
- D. Assign family members to a volunteer coordinator who will assist the family members in identifying appropriate volunteer positions and in meeting their responsibilities. The volunteer coordinator will track the family member's progress monthly and will meet with the family member as needed to best encourage compliance.
- E. At least thirty (30) calendar days before the family's next lease anniversary date, the volunteer coordinator will advise the SOUTH PITTSBURG Housing Authority whether each applicable adult family member is in compliance with the community service requirement.

14.6 NOTIFICATION OF NON-COMPLIANCE WITH COMMUNITY SERVICE REQUIREMENT

The SOUTH PITTSBURG Housing Authority will notify any family found to be in noncompliance of the following:

- A. The family member(s) has been determined to be in noncompliance;

- B. That the determination is subject to the grievance procedure, a right to be represented by counsel, and the opportunity to any available judicial remedy; and
- C. That, unless the family member(s) enter into an agreement to comply, the lease will not be renewed or will be terminated;

14.7 OPPORTUNITY FOR CURE

The SOUTH PITTSBURG Housing Authority will offer the family member(s) the opportunity to enter into an agreement prior to the anniversary of the lease. The agreement shall state that the family member(s) agrees to enter into an economic self-sufficiency program or agrees to contribute to community service for as many hours as needed to comply with the requirement over the past 12-month period. It will state the number of hours that the family member is deficient. The cure shall occur over the 12-month period beginning with the date of the agreement and the resident shall at the same time stay current with that year's community service requirement. The first hours a resident earns go toward the current commitment until the current year's commitment is made.

The volunteer coordinator will assist the family member in identifying volunteer opportunities and will track compliance on a monthly basis.

If any applicable family member does not accept the terms of the agreement, does not fulfill their obligation to participate in an economic self-sufficiency program, or falls behind in their obligation under the agreement to perform community service, the SOUTH PITTSBURG Housing Authority shall take action to terminate the lease unless the noncompliant family member no longer lives in the unit.

14.8 PROHIBITION AGAINST REPLACEMENT OF AGENCY EMPLOYEES

In implementing the service requirement, the SOUTH PITTSBURG Housing Authority may not substitute community service or self-sufficiency activities performed by residents for work ordinarily performed by its employees or replace a job at any location where residents perform activities to satisfy the service requirement.

16. 15.0 RECERTIFICATIONS

At least annually, the SOUTH PITTSBURG Housing Authority will conduct a reexamination of family income and circumstances. The results of the reexamination determine (1) the rent the family will pay, and (2) whether the family is housed in the correct unit size.

15.1 GENERAL

The SOUTH PITTSBURG Housing Authority will send a notification letter to the family letting them know that it is time for their annual reexamination, giving them the option of

selecting either the flat rent or income method, and scheduling an appointment if they are currently paying an income rent. If the family thinks they may want to switch from a flat rent to an income rent, they should request an appointment. At the appointment, the family can make their final decision regarding which rent method they will choose. The letter also includes, for those families paying the income method, forms for the family to complete in preparation for the interview. The letter includes instructions permitting the family to reschedule the interview if necessary. The letter tells families who may need to make alternate arrangements due to a disability that they may contact staff to request an accommodation of their needs.

During the appointment, the SOUTH PITTSBURG Housing Authority will determine whether family composition may require a transfer to a different bedroom size unit, and if so, the family's name will be placed on the transfer list.

Also, during the recertification, each household shall be asked whether any member is subject to the lifetime registration requirement under a state registration program. The Housing Authority will verify this information using the Dru Sjodin National Sex Offender Database and document this information in the same method used at admission. For any admissions after June 25, 2001 (the effective date of the Screening and Eviction for Drug Abuse and Other Criminal Activity final rule), if the recertification screening reveals that the tenant or a member of the tenant's household is subject to a lifetime sex offender registration requirement, or that the tenant has falsified information or otherwise failed to disclose his or her criminal history on their application and/or recertification forms, the Housing Authority will pursue eviction of the household.

If a family is about to be evicted from housing based on either the criminal check or the sex offender registration program, the applicant will be informed of this fact and given an opportunity to dispute the accuracy of the information before the eviction occurs.

15.2 MISSED APPOINTMENTS

If the family fails to respond to the letter and fails to attend the interview, a second letter will be mailed. The second letter will advise of a new time and date for the interview, allowing for the same considerations for rescheduling and accommodation as above. The letter will also advise that failure by the family to attend the second scheduled interview will result in the SOUTH PITTSBURG Housing Authority taking eviction actions against the family.

15.3 FLAT RENTS

The annual letter to flat rent payers regarding the reexamination process will state the following:

- A. Each year at the time of the annual reexamination, the family has the option of

selecting a flat rent amount in lieu of completing the reexamination process and having their rent based on the income amount.

- B. The amount of the flat rent.
 - C. A fact sheet about income rents that explains the types of income counted, the most common types of income excluded, and the categories of allowances that can be deducted from income.
 - D. Families who opt for the flat rent will be required to go through the income reexamination process every three years, rather than the annual review they otherwise would undergo.
 - E. Families who opt for the flat rent may request to have a reexamination and return to the income based method at any time for any of the following reasons:
 - 1. The family's income has decreased.
 - 2. The family's circumstances have changed increasing their expenses for childcare, medical care, etc.
 - 3. Other circumstances creating a hardship on the family such that the income method would be more financially feasible for the family.
- Once a family returns to the income based method during their “lease year” they cannot go back to a flat rent until their next regular annual reexamination.
- F. The dates upon which the SOUTH PITTSBURG Housing Authority expects to review the amount of the flat rent, the approximate rent increase the family could expect, and the approximate date upon which a future rent increase could become effective.
 - G. The name and phone number of an individual to call to get additional information or counseling concerning flat rents.
 - H. A certification for the family to sign accepting or declining the flat rent.

Each year prior to their anniversary date, SOUTH PITTSBURG Housing Authority will send a reexamination letter to the family offering the choice between a flat rent or an income rent. The opportunity to select the flat rent is available only at this time. At the appointment, the SOUTH PITTSBURG Housing Authority may assist the family in identifying the rent method that would be most advantageous for the family. If the family wishes to select the flat rent method without meeting with the SOUTH PITTSBURG Housing Authority representative, they may make the selection on the form and return the form to the SOUTH PITTSBURG Housing Authority. In such case, the SOUTH PITTSBURG Housing Authority will cancel the appointment and solely verify the family

size and whether it is in an appropriate size unit.

15.4 THE INCOME METHOD

During the interview, the family will provide all information regarding income, assets, deductions (eligible expenses), and other information necessary to determine the family's share of rent. The family will sign the HUD consent form and other consent forms that later will be mailed to the sources that will verify the family circumstances.

Upon receipt of verification, the SOUTH PITTSBURG Housing Authority will determine the family's annual income and will calculate their rent as follows.

The total tenant payment is equal to the highest of:

- A. 10% of the family's monthly income;
- B. 30% of the family's adjusted monthly income;
- C. The welfare rent; or
- D. The minimum rent.

The family shall be informed of the results of the rent calculation under both the Income Method and the Flat Rent and given their choice of which rent to pay.

15.5 EFFECTIVE DATE OF RENT CHANGES FOR ANNUAL REEXAMINATIONS

The new rent will generally be effective upon the anniversary date with thirty (30) calendar days notice of any rent increase to the family.

If the rent determination is delayed due to a reason beyond the control of the family, then any rent increase will be effective the first of the month after the month in which the family receives a 30-day notice of the amount. If the new rent is a reduction and the delay is beyond the control of the family, the reduction will be effective as scheduled on the anniversary date.

If the family caused the delay, then any increase will be effective on the anniversary date. Any reduction will be effective the first of the month after the rent amount is determined.

15.6 INTERIM REEXAMINATIONS

During an interim reexamination, only the information affected by the changes being reported will be reviewed and verified.

Families are required to report the following changes to the SOUTH PITTSBURG Housing Authority between regular reexaminations. If the family's rent is being

determined under the income method, these changes will trigger an interim reexamination. The family shall report these changes within ten (10) calendar days of their occurrence.

- A. A member has been added to the family through birth or adoption or court-awarded custody.
- B. A household member is leaving or has left the family unit.

In order to add a household member other than through birth, adoption, or court-awarded custody, the family must request that the new member be added to the lease. Before adding the new member to the lease, the individual must complete an application form stating their income, assets, and all other information required of an applicant. The individual must provide their Social Security number and must verify their citizenship/eligible immigrant status. (Their housing will not be delayed due to delays in verifying eligible immigrant status other than delays caused by the family.) The new family member will go through the screening process similar to the process for applicants. The SOUTH PITTSBURG Housing Authority will determine the eligibility of the individual before adding them to the lease. If the individual is found to be ineligible or does not pass the screening criteria, they will be advised in writing and given the opportunity for an informal review. If they are found to be eligible and do pass the screening criteria, their name will be added to the lease. At the same time, if the family's rent is being determined under the income method, the family's annual income will be recalculated taking into account the circumstances of the new family member. The effective date of the new rent will be in accordance with Section 15.8.

A resident requesting a live-in-aide will be required to provide verification of the need for a live-in-aide. In addition, before approval of the live-in-aide, the individual (live-in-aide) must complete an application form for purposes of determining citizenship/eligible immigrant status and the live-in-aide will go through the screening process similar to the process for applicants. The SOUTH PITTSBURG Housing Authority will determine the eligibility of the live-in-aide before approval can be granted. If the individual is found to be ineligible or does not pass the screening criteria, the resident will be advised in writing and given the opportunity for an informal review. Under no circumstances will the live-in-aide be added to the lease or be considered the last remaining member of a tenant family.

Families are not required to, but may at any time, request an interim reexamination based on a decrease in income, an increase in allowable expenses, or other changes in family circumstances. Upon such request, the SOUTH PITTSBURG Housing Authority will take timely action to process the interim reexamination and recalculate the tenant's rent.

15.7 SPECIAL REEXAMINATIONS

If a family's income is too unstable to project for twelve (12) months, including families that temporarily have no income (0 renters) or have a temporary decrease in income, the

SOUTH PITTSBURG Housing Authority may schedule special reexaminations every **60** calendar days until the income stabilizes and an annual income can be determined.

15.8 EFFECTIVE DATE OF RENT CHANGES DUE TO INTERIM OR SPECIAL REEXAMINATIONS

Unless there is a delay in reexamination processing caused by the family, any rent increase will be effective the first of the second month after the month in which the family receives notice of the new rent amount. If the family causes a delay, then the rent increase will be effective on the date it would have been effective had the process not been delayed (even if this means a retroactive increase).

If the new rent is a reduction and any delay is beyond the control of the family, the reduction will be effective the first of the month after the interim reexamination should have been completed.

If the new rent is a reduction and the family caused the delay or did not report the change in a timely manner, the change will be effective the first of the month after the rent amount is determined.

17. 16.0 UNIT TRANSFERS

16.1 OBJECTIVES OF THE TRANSFER POLICY

The objectives of the Transfer Policy include the following:

- A. To address emergency situations.
- B. To fully utilize available housing resources while avoiding overcrowding by ensuring that each family occupies the appropriate size unit.
- C. To facilitate a relocation when required for modernization or other management purposes.
- D. To facilitate relocation of families with inadequate housing accommodations.
- E. To provide an incentive for families to assist in meeting the SOUTH PITTSBURG Housing Authority's deconcentration goal, if appropriate.
- F. To eliminate vacancy loss and other expenses due to unnecessary transfers.

16.2 CATEGORIES OF TRANSFERS

Category A: Emergency transfers. These transfers are necessary when conditions pose an immediate threat to the life, health, or safety of a family or one of its members. Such

situations may involve defects of the unit or the building in which it is located, the health condition of a family member, a hate crime, the safety of witnesses to a crime, or a law enforcement matter particular to the neighborhood.

Category B: Immediate administrative transfers. These transfers are necessary in order to permit a family needing accessible features to move to a unit with such a feature or to enable modernization, revitalization, disposition or demolition work to proceed. When an accessible unit becomes available, it shall first be offered to families needing it who reside on the site that has the vacancy, then to other public housing residents needing the special accessibility features, and finally to appropriate people on the waiting list.

Category C: Regular administrative transfers. These transfers are made to offer incentives to families willing to help meet certain SOUTH PITTSBURG Housing Authority occupancy goals, to correct occupancy standards where the unit size is inappropriate for the size and composition of the family, to allow for non-emergency but medically advisable transfers, and other transfers approved by the SOUTH PITTSBURG Housing Authority when a transfer is the only or best way of solving a serious problem.

16.3 DOCUMENTATION

When the transfer is at the request of the family, the family may be required to provide third party verification of the need for the transfer.

16.4 INCENTIVE TRANSFERS [THIS ENTIRE SUB-SECTION IS OPTIONAL]

Transfer requests will be encouraged and approved for families who live in a development where their income category (below or above 30% of area median) predominates and wish to move to a development where their income category does not predominate.

Families living in multifamily developments have the opportunity to transfer to scattered-site housing. Families approved for such transfers will meet the following eligibility criteria:

- A. Have been a tenant for three years;
- B. For a minimum of one year, at least one adult family member is enrolled in an economic self-sufficiency program or is working at least thirty-five (35) hours per week, the adult family members are 62 years of age or older or are disabled or are the primary care givers to others with disabilities;
- C. Adult members who are required to perform community service have been current in these responsibilities since the inception of the requirement or for one year whichever is less;
- D. The family is current in the payment of all charges owed to the SOUTH

PITTSBURG Housing Authority and has not paid late rent for at least one year;

- E. The family passes a current housekeeping inspection and does not have any record of housekeeping problems during the last year;
- F. The family has not materially violated the lease over the past two years by disturbing the peaceful enjoyment of their neighbors, by engaging in criminal or drug-related activity, or by threatening the health or safety of tenants or Housing Authority staff;
- G. Participates in a series of classes conducted by the SOUTH PITTSBURG Housing Authority on basic home and yard care.

16.5 PROCESSING TRANSFERS

Transfers on the waiting list will be sorted by the above categories and within each category by date and time.

Transfers in category A and B will be housed ahead of any other families, including those on the applicant waiting list. Transfers in category A will be housed ahead of transfers in category B.

Transfers in category C will be housed along with applicants for admission at a ratio of one transfer for every **10** admissions.

Upon offer and acceptance of a unit, the family will execute all lease up documents and pay any rent and/or security deposit within two (2) business days of being informed the unit is ready to rent. The family will be allowed seven (7) calendar days to complete a transfer. The family will be responsible for paying rent at the old unit as well as the new unit for any period of time they have possession of both. The prorated rent and other charges (key deposit and any additional security deposit owing) must be paid at the time of lease execution.

The following is the policy for the rejection of an offer to transfer:

- A. If the family rejects with good cause any unit offered, they will not lose their place on the transfer waiting list.
- B. If the transfer is being made at the request of the SOUTH PITTSBURG Housing Authority and the family rejects two offers without good cause, the SOUTH PITTSBURG Housing Authority will take action to terminate their tenancy. If the reason for the transfer is that the current unit is too small to meet the SOUTH PITTSBURG Housing Authority's optimum occupancy standards, the family may request in writing to stay in the unit without being transferred so long as their occupancy will not exceed two people per living/sleeping room.

- C. If the transfer is being made at the family's request and the rejected offer provides deconcentration incentives, the family will maintain their place on the transfer list and will not otherwise be penalized.
- D. If the transfer is being made at the family's request, the family may, without good cause and without penalty, turn down one offer that does not include deconcentration incentives. After turning down a second such offer without good cause, the family's name will be removed from the transfer list.

16.6 COST OF THE FAMILY'S MOVE

The cost of the transfer generally will be borne by the family in the following circumstances:

- A. When the transfer is made at the request of the family or by others on behalf of the family (i.e., by the police);
- B. When the transfer is needed to move the family to an appropriately sized unit, either larger or smaller;

or

- C. When the transfer is needed because action or inaction by the family caused the unit to be unsafe or uninhabitable.

The cost of the transfer will be borne by the SOUTH PITTSBURG Housing Authority in the following circumstances:

- A. When the transfer is needed in order to carry out modernization, disposition or demolition activities; or
- B. When action or inaction by the SOUTH PITTSBURG Housing Authority has caused the unit to be unsafe or inhabitable; or
- C. When the transfer is necessitated because a family with disabilities needs the accessible unit into which the transferring family moved.

The responsibility for moving costs in other circumstances will be determined on a case by case basis.

16.7 TENANTS IN GOOD STANDING

When the transfer is at the request of the family, it will not be approved unless the family is in good standing with the SOUTH PITTSBURG Housing Authority. This means the family must be in compliance with their lease, current in all payments to the Housing Authority, and must pass a housekeeping inspection.

16.8 TRANSFER REQUESTS

A tenant may request a transfer at any time by completing a transfer request form. In considering the request, the SOUTH PITTSBURG Housing Authority may request a meeting with the tenant to better understand the need for transfer and to explore possible alternatives. The SOUTH PITTSBURG Housing Authority will review the request in a timely manner and if a meeting is desired, it shall contact the tenant within ten (10) business days of receipt of the request to schedule a meeting.

The SOUTH PITTSBURG Housing Authority will grant or deny the transfer request in writing within ten (10) business days of receiving the request or holding the meeting, whichever is later.

If the transfer is approved, the family's name will be added to the transfer waiting list.

If the transfer is denied, the denial letter will advise the family of their right to utilize the grievance procedure.

16.9 RIGHT OF THE SOUTH PITTSBURG HOUSING AUTHORITY IN TRANSFER POLICY

The provisions listed above are to be used as a guide to ensure fair and impartial means of assigning units for transfers. It is not intended that this policy will create a property right or any other type of right for a tenant to transfer or refuse to transfer.

18. 17.0 INSPECTIONS

An authorized representative of the SOUTH PITTSBURG Housing Authority and an adult family member will inspect the premises prior to commencement of occupancy. A written statement of the condition of the premises will be made, all equipment will be provided, and the statement will be signed by both parties with a copy retained in the SOUTH PITTSBURG Housing Authority file and a copy given to the family member. An authorized SOUTH PITTSBURG Housing Authority representative will inspect the premises at the time the resident vacates and will furnish a statement of any charges to be made provided the resident turns in the proper notice under State law. The resident's security deposit can be used to offset against any SOUTH PITTSBURG Housing Authority damages to the unit.

17.1 MOVE-IN INSPECTIONS

The SOUTH PITTSBURG Housing Authority and an adult member of the family will inspect the unit prior to signing the lease. Both parties will sign a written statement of the condition of the unit. A copy of the signed inspection will be given to the family and the original will be placed in the tenant file.

17.2 ANNUAL INSPECTIONS

The SOUTH PITTSBURG Housing Authority will inspect each public housing unit annually to ensure that each unit meets the SOUTH PITTSBURG Housing Authority's housing standards. Work orders will be submitted and completed to correct any deficiencies.

17.3 PREVENTATIVE MAINTENANCE INSPECTIONS

This is generally conducted along with the annual inspection. This inspection is intended to keep items in good repair. It checks weatherization; checks the condition of the smoke detectors, water heaters, furnaces, automatic thermostats and water temperatures; checks for leaks; and provides an opportunity to change furnace filters and provide other minor servicing that extends the life of the unit and its equipment.

17.4 SPECIAL INSPECTIONS

A special inspection may be scheduled to enable HUD or others to inspect a sample of the housing stock maintained by the SOUTH PITTSBURG Housing Authority.

17.5 HOUSEKEEPING INSPECTIONS

Generally, at the time of annual reexamination, or at other times as necessary, the SOUTH PITTSBURG Housing Authority will conduct a housekeeping inspection to ensure the family is maintaining the unit in a safe and sanitary condition.

17.6 NOTICE OF INSPECTION

For inspections defined as annual inspections, preventative maintenance inspections, special inspections, and housekeeping inspections, the SOUTH PITTSBURG Housing Authority will give the tenant at least two (2) calendar days written notice.

17.7 EMERGENCY INSPECTIONS

If any employee and/or agent of the SOUTH PITTSBURG Housing Authority has reason to believe that an emergency exists within the housing unit, the unit can be entered without notice. The person(s) that enters the unit will leave a written notice to the resident that indicates the date and time the unit was entered and the reason why it was necessary to enter the unit.

17.8 PRE-MOVE-OUT INSPECTIONS

When a tenant gives notice that they intend to move, the SOUTH PITTSBURG Housing Authority will offer to schedule a pre-move-out inspection with the family. The inspection allows the SOUTH PITTSBURG Housing Authority to help the family identify any problems which, if left uncorrected, could lead to vacate charges. This

inspection is a courtesy to the family and has been found to be helpful both in reducing costs to the family and in enabling the SOUTH PITTSBURG Housing Authority to ready units more quickly for the future occupants.

17.9 MOVE-OUT INSPECTIONS

The SOUTH PITTSBURG Housing Authority conducts the move-out inspection after the tenant vacates to assess the condition of the unit and determine responsibility for any needed repairs. When possible, the tenant is notified of the inspection and is encouraged to be present. This inspection becomes the basis for any claims that may be assessed against the security deposit.

19. 18.0 PET POLICY

18.1 EXCLUSIONS

This policy does not apply to service animals, support animals, assistance animals, or therapy animals that are used to assist persons with disabilities. These animals are allowed in all public housing facilities with no restrictions other than those imposed on all tenants to maintain their units and associated facilities in a decent, safe, and sanitary manner and to refrain from disturbing their neighbors. The person requesting this exclusion to the Pet Policy of this housing authority must have a disability and the accommodation must be necessary to afford the person with a disability an equal opportunity to use and enjoy a dwelling.

To show that a requested accommodation may be necessary, there must be an identifiable relationship, or nexus, between the requested accommodation and the person's disability. The SOUTH PITTSBURG Housing Authority will verify the existence of the disability, and the need for the accommodation—if either is not readily apparent. Accordingly, persons who are seeking a reasonable accommodation for an emotional support animal will be required to provide documentation from a physician, psychiatrist, social worker, or other mental health professional that the animal provides support that alleviates at least one of the identified symptoms or effects of the existing disability.

In addition, the SOUTH PITTSBURG Housing Authority is not required to provide any reasonable accommodation that would pose a direct threat to the health or safety of others. Thus, if the particular animal requested by the individual with a disability has a history of dangerous behavior, we will not accept the animal into our housing. Moreover, we are not required to make a reasonable accommodation if the presence of the assistance animal would (1) result in substantial physical damage to the property of others unless the threat can be eliminated or significantly reduced by a reasonable accommodation; (2) pose an undue financial and administrative burden; or (3) fundamentally alter the nature of the provider's operations.

18.2 PETS IN PUBLIC HOUSING

The SOUTH PITTSBURG Housing Authority allows for pet ownership in its developments with the written pre-approval of the Housing Authority. Residents are responsible for any damage caused by their pets, including the cost of fumigating or cleaning their units. In exchange for this right, resident assumes full responsibility and liability for the pet and agrees to hold the SOUTH PITTSBURG Housing Authority harmless from any claims caused by an action or inaction of the pet.

18.3 APPROVAL

Residents must have the prior written approval of the Housing Authority before moving a pet into their unit. Residents must request approval on the Authorization for Pet Ownership Form that must be fully completed before the Housing Authority will approve the request. Residents must give the Housing Authority a picture of the pet so it can be identified if it is running loose.

18.4 TYPES AND NUMBER OF PETS

The SOUTH PITTSBURG Housing Authority will allow only common household pets. This means only domesticated animals such as a dog, cat, bird, rodent (including a rabbit), fish in aquariums or a turtle will be allowed in units. Common household pets do not include reptiles (except turtles). If this definition conflicts with a state or local law or regulation, the state or local law or regulation shall govern.

All dogs and cats must be spayed or neutered before they become six months old. A licensed veterinarian must verify this fact.

Only **1** pet per unit will be allowed according to this schedule.

Unit Size	Pets
Zero Bedroom	1
One Bedroom	1
Two Bedrooms	1
Three Bedrooms	1
Four or More Bedrooms	1

Any animal deemed to be potentially harmful to the health or safety of others, including attack or fight trained dogs, will not be allowed.

No animal may exceed **30** pounds in weight projected to full adult size.

18.5 INOCULATIONS

In order to be registered, pets must be appropriately inoculated against rabies, distemper and other conditions prescribed by state and/or local ordinances. They must comply with all other state and local public health, animal control, and anti-cruelty laws including any licensing requirements. A certification signed by a licensed veterinarian or state or local

official shall be annually filed with the SOUTH PITTSBURG Housing Authority to attest to the inoculations.

18.6 *PET DEPOSIT*

A pet deposit of **\$300** is required at the time of registering a pet. \$150 of the deposit is refundable when the pet or the family vacates the unit, less any amounts owed due to damage beyond normal wear and tear.

18.7 *FINANCIAL OBLIGATION OF RESIDENTS*

Any resident who owns or keeps a pet in their dwelling unit will be required to pay for any damages caused by the pet. Also, any pet-related insect infestation in the pet owner's unit will be the financial responsibility of the pet owner and the SOUTH PITTSBURG Housing Authority reserves the right to exterminate and charge the resident.

18.8 *NUISANCE OR THREAT TO HEALTH OR SAFETY*

The pet and its living quarters must be maintained in a manner to prevent odors and any other unsanitary conditions in the owner's unit and surrounding areas.

Repeated substantiated complaints by neighbors or SOUTH PITTSBURG Housing Authority personnel regarding pets disturbing the peace of neighbors through noise, odor, animal waste, or other nuisance may result in the owner having to remove the pet or move him/herself.

Pets who make noise continuously and/or incessantly for a period of 10 minutes or intermittently for one half hour or more to the disturbance of any person at any time of day or night shall be considered a nuisance.

18.9 *DESIGNATION OF PET AREAS*

Pets must be kept in the owner's apartment or on a leash at all times when outside the unit (no outdoor cages may be constructed). Pets will be allowed only in designated areas on the grounds of the property if the SOUTH PITTSBURG Housing Authority designates a pet area for the particular site. Pet owners must clean up after their pets and are responsible for disposing of pet waste.

With the exception of assistive animals no pets shall be allowed in the community room, community room kitchen, laundry rooms, public bathrooms, lobby, beauty shop, hallways or office in any of our sites.

To accommodate residents who have medically certified allergic or phobic reactions to dogs, cats, or other pets, those pets may be barred from certain wings (or floors) in our development(s)/building(s). This shall be implemented based on demand for this service.

18.10 MISCELLANEOUS RULES

Pets may not be left unattended in a dwelling unit for over **6** hours. If the pet is left unattended and no arrangements have been made for its care, the HA will have the right to enter the premises and take the uncared for pet to be boarded at a local animal care facility at the total expense of the resident.

Pet bedding shall not be washed in any common laundry facilities.

No pit bulls or rottweilers will be allowed.

Residents must take appropriate actions to protect their pets from fleas and ticks.

All dogs must wear a tag bearing the resident's name and phone number and the date of the latest rabies inoculation.

Pets cannot be kept, bred or used for any commercial purpose.

Residents owning cats shall maintain waterproof litter boxes for cat waste. Refuse from litter boxes shall not accumulate or become unsightly or unsanitary. Litter shall be disposed of in an appropriate manner.

A pet owner shall physically control or confine his/her pet during the times when Housing Authority employees, agents of the Housing Authority or others must enter the pet owner's apartment to conduct business, provide services, enforce lease terms, etc.

If a pet causes harm to any person, the pet's owner shall be required to permanently remove the pet from the Housing Authority's property within 24 hours of written notice from the Housing Authority. The pet owner may also be subject to termination of his/her dwelling lease.

A pet owner who violates any other conditions of this policy may be required to remove his/her pet from the development within 10 calendar days of written notice from the Housing Authority. The pet owner may also be subject to termination of his/her dwelling lease.

The Housing Authority's grievance procedures shall be applicable to all individual grievances or disputes arising out of violations or alleged violations of this policy.

18.11 VISITING PETS

Pets that meet the size and type criteria outlined above may visit the projects/buildings where pets are allowed for up to two weeks without SOUTH PITTSBURG Housing Authority approval. Tenants who have visiting pets must abide by the conditions of this policy regarding health, sanitation, nuisances, and peaceful enjoyment of others. If visiting pets violate this policy or cause the tenant to violate the lease, the tenant will be

required to remove the visiting pet.

18.12 REMOVAL OF PETS

The SOUTH PITTSBURG Housing Authority, or an appropriate community authority, shall require the removal of any pet from a project if the pet's conduct or condition is determined to be a nuisance or threat to the health or safety of other occupants of the project or of other persons in the community where the project is located.

In the event of illness or death of pet owner, or in the case of an emergency which would prevent the pet owner from properly caring for the pet, the SOUTH PITTSBURG Housing Authority has permission to call the emergency caregiver designated by the resident or the local Pet Law Enforcement Agency to take the pet and care for it until family or friends would claim the pet and assume responsibility for it. Any expenses incurred will be the responsibility of the pet owner.

20. 19.0 REPAYMENT AGREEMENTS

When a resident owes the SOUTH PITTSBURG Housing Authority retroactive rent or back charges and is unable to pay the balance by the due date, the resident may request that the SOUTH PITTSBURG Housing Authority allow them to enter into a Repayment Agreement. The SOUTH PITTSBURG Housing Authority has the sole discretion of whether to accept such an agreement. All Repayment Agreements must assure that the full payment is made within a period not to exceed 12 months. If feasible, the total amount paid will not exceed 40% of monthly adjusted income. All Repayment Agreements must be in writing and signed by both parties. They must include the following elements:

- A. Reference to the paragraphs in the Public Housing lease whereby the tenant is in non-compliance and may be subject to termination of tenancy or assistance, or both.
- B. The monthly retroactive rent repayment amount is in addition to the family's regular rent contribution and is payable to the PHA.
- C. The terms of the agreement may be renegotiated if there is a decrease or increase in the family's income.
- D. Late and missed payments constitute default of the repayment agreement and may result in termination of tenancy and/or assistance.

Refusal to enter into a Repayment Agreement for monies owed will subject the family to eviction procedures.

21. 20.0 TERMINATION

20.1 TERMINATION BY TENANT

The tenant may terminate the lease at any time upon submitting a 14-day written notice. If the tenant vacates prior to the end of the thirty (14) calendar days, they will be responsible for rent through the end of the notice period or until the unit is re-rented, whichever occurs first.

20.2 TERMINATION BY THE HOUSING AUTHORITY

Twelve months after the SOUTH PITTSBURG Housing Authority has implemented the mandated Community Service Requirement, it will not renew the lease of any non-exempt family that is not in compliance with the Community Service Requirement or approved Agreement to Cure. If they do not voluntarily leave the property, eviction proceedings will begin.

The SOUTH PITTSBURG Housing Authority will terminate the lease for serious or repeated violations of material lease terms. Such violations include, but are not limited to, the following:

- A. Nonpayment of rent or other charges;
- B. A history of late rental payments;
- C. Failure to provide timely and accurate information regarding family composition, income circumstances, or other information related to eligibility or rent;
- D. Failure to allow inspection of the unit;
- E. Failure to maintain the unit in a safe and sanitary manner;
- F. Assignment or subletting of the premises;
- G. Use of the premises for purposes other than as a dwelling unit (other than for housing authority approved resident businesses);
- H. Destruction of property;
- I. Acts of destruction, defacement, or removal of any part of the premises or failure to cause guests to refrain from such acts;
- J. Any violent or drug-related criminal activity on or off the premises, not just on or near the premises. This includes any tenant, member of the tenant's household or guest, and any such activity engaged in on the premises by any other person under the tenant's control. This includes but is not limited to the manufacture of methamphetamine on the premises of the SOUTH PITTSBURG Housing Authority or on the premises of any other federally assisted housing;

- K. Non-compliance with Non-Citizen Rule requirements;
- L. Permitting persons not on the lease to reside in the unit more than fourteen (14) calendar days each year without the prior written approval of the Housing Authority;
- M. Any activity that threatens the health, safety, or right to peaceful enjoyment of the premises by other residents or employees of the Authority by the resident, household members, or guests of the resident or threatens the health, safety, or right to peaceful enjoyment of their residences by persons residing in the immediate vicinity of the premises is grounds for termination of tenancy;
- N. Alcohol abuse that the SOUTH PITTSBURG Housing Authority determines interferes with the health, safety, or right to peaceful enjoyment of the premises by other residents;
- O. Failure to perform required community service or be exempted therefrom;
- P. The SOUTH PITTSBURG Housing Authority will take immediate action to evict any household that includes an individual who is subject to a lifetime registration requirement under a State sex offender registration program;
- Q. Determination that a household member is illegally using a drug or when the SOUTH PITTSBURG Housing Authority determines that a pattern of illegal use of a drug interferes with the health, safety, or right to peaceful enjoyment of the premises by other residents. R. Criminal activity as shown by a criminal record. In such cases the SOUTH PITTSBURG Housing Authority will notify the household of the proposed action to be based on the information and will provide the subject of the record and the tenant with a copy of the criminal record before the SOUTH PITTSBURG Housing Authority grievance hearing or court trial concerning the termination of tenancy or eviction. The tenant will be given an opportunity to dispute the accuracy and relevance of that record in the grievance hearing or court trial;
- S. Disconnecting a smoke detector in any manner, removing any batteries from a smoke detector or failing to notify the Housing Authority if the smoke detector is inoperable for any reason;; and
- T. Other good cause.
- U. if the dwelling unit is without power for a period of (36) hours

If an individual or family's lease is terminated for criminal activity, the SOUTH PITTSBURG Housing Authority will notify the local post office serving the development that the individual or family no longer lives there.

In deciding to terminate a tenancy for criminal activity or alcohol abuse, the SOUTH PITTSBURG Housing Authority will consider circumstances relevant to the particular case such as the seriousness of the offending action, the extent of participation by the leaseholder in the offending action, the effects that the eviction would have on family members not involved in the offending activity, and the extent to which the leaseholder has shown personal responsibility and has taken all reasonable steps to prevent or mitigate the offending action.

AND/OR

In deciding to terminate a tenancy for criminal activity or alcohol abuse, the SOUTH PITTSBURG Housing Authority will require a leaseholder to exclude a household member in order to continue to reside in the assisted unit, where that household member has participated in or been culpable for an action or failure to act that warrants the termination.

AND/OR

In deciding to terminate a tenancy for illegal drug use or a pattern of illegal drug use by a household member who is no longer engaging in such use, or for abuse or a pattern of abuse of alcohol by a household member who is no longer engaging in such abuse, the SOUTH PITTSBURG Housing Authority may consider whether such household member:

1. Is participating in a supervised drug or alcohol rehabilitation program;
2. Has successfully completed a supervised drug or alcohol rehabilitation program; or
3. Has otherwise been successfully rehabilitated.

For this purpose, SOUTH PITTSBURG Housing Authority may require the leaseholder to submit evidence of one of the above 3 statements.

20.2A VAWA PROTECTIONS

Under the Violence Against Women Act (VAWA), public housing residents have the following specific protections, which will be observed by the SOUTH PITTSBURG Housing Authority:

An incident or incidents or actual or threatened domestic violence, dating violence, or stalking will not be construed as a serious or repeated violation of the lease by the victim or threatened victim of that violence, and shall not in itself be good cause for terminating the assistance, tenancy, or occupancy rights of the victim of such violence.

The Housing Authority may terminate the assistance to remove a lawful occupant or tenant who engages in criminal acts or threatened acts of violence or stalking to family members or others without terminating the assistance or evicting victimized lawful occupants. This is also true even if the household member is not a signatory to the lease. Under VAWA, the SOUTH PITTSBURG Housing Authority is granted the authority to bifurcate the lease.

The Housing Authority will honor court orders regarding the rights of access or control of the property.

There is no limitation on the ability of the Housing Authority to evict for other good cause unrelated to the incident or incidents of domestic violence, dating violence or stalking, other than the victim may not be subject to a “more demanding standard” than non-victims.

There is no prohibition on the Housing Authority evicting if it “can demonstrate an actual and imminent threat to other tenants or those employed at or providing service to the property if that tenant’s (victim’s) tenancy is not terminated.” An actual and imminent threat consists of a physical danger that is real, would occur within an immediate timeframe, and could result in death or serious bodily harm. In determining whether an individual would pose an actual and imminent threat, the factors to be considered include: the duration of the risk, the nature and severity of the potential harm, the likelihood that the potential harm will occur, and the length of time before the potential harm would occur.

Any protections provided by law which give greater protection to the victim are not superseded by these provisions.

The SOUTH PITTSBURG Housing Authority shall require verification in all cases where an individual claims protection against an action involving such individual proposed to be taken by the Housing Authority. Types of acceptable verifications are outlined below, and must be submitted within 14 business days after receipt of the Housing Authority’s written request for verification.

20.2B VERIFICATION OF DOMESTIC VIOLENCE, DATING VIOLENCE OR STALKING

The SOUTH PITTSBURG Housing Authority shall require verification in all cases where an individual claims protection against an action involving such individual proposed to be taken by the Housing Authority.

- A. *Requirement for Verification.*** The law allows, but does not require, the SOUTH PITTSBURG Housing Authority to verify that an incident or incidents of actual or threatened domestic violence, dating violence, or stalking claimed by a tenant or other lawful occupant is bona fide and meets the requirements of the applicable definitions set forth in this policy. The Housing Authority shall require

verification in all cases where an individual claims protection against an action involving such individual proposed to be taken by the Housing Authority.

Verification of a claimed incident or incidents of actual or threatened domestic violence, dating violence or stalking may be accomplished in one of the following three ways:

1. ***HUD-approved form (HUD-50066)*** - By providing to the Housing Authority a written certification, on the form approved by the U.S. Department of Housing and Urban Development (HUD), that the individual is a victim of domestic violence, dating violence or stalking that the incident or incidents in question are bona fide incidents of actual or threatened abuse meeting the requirements of the applicable definition(s) set forth in this policy. The incident or incidents in question must be described in reasonable detail as required in the HUD-approved form, and the completed certification must include the name of the perpetrator.
 2. ***Other documentation*** - by providing to the Housing Authority documentation signed by an employee, agent, or volunteer of a victim service provider, an attorney, or a medical professional, from whom the victim has sought assistance in addressing the domestic violence, dating violence or stalking, or the effects of the abuse, described in such documentation. The professional providing the documentation must sign and attest under penalty of perjury (28 U.S.C. 1746) to the professional's belief that the incident or incidents in question are bona fide incidents of abuse meeting the requirements of the applicable definition(s) set forth in this policy. The victim of the incident or incidents of domestic violence, dating violence or stalking described in the documentation must also sign and attest to the documentation under penalty of perjury.
 3. ***Police or court record*** – by providing to the Housing Authority a Federal, State, tribal, territorial, or local police or court record describing the incident or incidents in question.
- B. *Time allowed to provide verification/failure to provide.*** An individual who claims protection against adverse action based on an incident or incidents of actual or threatened domestic violence, dating violence or stalking, and who is requested by the Housing Authority to provide verification, must provide such verification within 14 business days after receipt of the written request for verification. Failure to provide verification, in proper form within such time will result in loss of protection under VAWA and this policy against a proposed adverse action. The submission of false information may be the basis for the termination of assistance or for eviction.
- C. *Managing conflicting documentation.*** In cases where the SOUTH PITTSBURG Housing Authority receives conflicting certification documents from two or more members of a household, each claiming to be a victim and naming one or more of

the other petitioning household members as the perpetrator, the SOUTH PITTSBURG Housing Authority may determine which is the true victim by requiring third-party documentation as described in 24 CFR 5.2007 and in accordance with any HUD guidance as to how such determinations will be made. The SOUTH PITTSBURG Housing Authority shall honor any court orders addressing rights of access or control of the property, including civil protection orders issued to protect the victim and issued to address the distribution or possession of property among the household.

20.2C CONFIDENTIALITY

All information provided under VAWA including the fact that an individual is a victim of domestic violence, dating violence, or stalking, shall be retained in confidence and shall not be entered into any shared database or provided to any related entity except to the extent that the disclosure is:

- A. Requested or consented to by the individual in writing;
- B. Required for used in an eviction proceeding; or
- C. Otherwise required by applicable law.

The SOUTH PITTSBURG Housing Authority shall provide its tenants notice of their rights under VAWA including their right to confidentiality and the limits thereof.

20.3 TERMINATIONS FOR CRIMINAL ACTIVITY [INSERT ONLY IF YOUR STATE IS A HUD-DETERMINED “DUE PROCESS” STATE]

- A. The term “due process determination” means a determination by HUD that law covering the SOUTH PITTSBURG Housing Authority’s jurisdiction requires that residents must be given the opportunity for a hearing in court which provides the basic elements of due process before eviction from the dwelling unit.
- B. HUD has issued a due process determination that the law of this State requires that residents be given the opportunity for a hearing in a court that provides the basic elements of due process before eviction from a dwelling unit. The SOUTH PITTSBURG Housing Authority has therefore determined that this Grievance Procedure shall not be applicable to any termination of tenancy or eviction for:
 - 1. Any criminal activity that threatens the health, safety, or right to peaceful enjoyment of the SOUTH PITTSBURG Housing Authority’s public housing premises by other residents or employees of the Housing Authority;
 - 2. Any violent or drug-related criminal activity on or off such premises; or
 - 3. Any activity resulting in a felony conviction.

20.4 ABANDONMENT

The SOUTH PITTSBURG Housing Authority will consider a unit to be abandoned when a resident has both fallen behind in rent **AND** has clearly indicated by words or actions an intention not to continue living in the unit.

When a unit has been abandoned, an SOUTH PITTSBURG Housing Authority representative may enter the unit and remove any abandoned property. It will be stored in a reasonably secure place. A notice will be mailed to the resident stating where the property is being stored and when it will be sold. If the SOUTH PITTSBURG Housing Authority does not have a new address for the resident, the notice will be mailed to the unit address so it can be forwarded by the post office.

If the total value of the property is estimated at less than **\$1000.00**, the SOUTH PITTSBURG Housing Authority will mail a notice of the sale or disposition to the resident and then wait **(30) calendar days**. Family pictures, keepsakes, and personal papers cannot be sold or disposed of until **30** calendar days after the SOUTH PITTSBURG Housing Authority mails the notice of abandonment.

If the estimated value of the property is more than **\$1000.00** the SOUTH PITTSBURG Housing Authority will mail a notice of the sale or disposition to the resident and then wait **30** calendar days before sale or disposition. Personal papers, family pictures, and keepsakes can be sold or disposed of at the same time as other property.

Any money raised by the sale of the property goes to cover money owed by the family to the SOUTH PITTSBURG Housing Authority such as back rent and the cost of storing and selling the goods. If there is any money left over and the family's forwarding address is known the SOUTH PITTSBURG Housing Authority will mail it to the family. If the family's address is not known, the SOUTH PITTSBURG Housing Authority will keep it for the resident for one year. If it is not claimed within that time, it belongs to the SOUTH PITTSBURG Housing Authority.

Within **30** calendar days of learning of an abandonment, the SOUTH PITTSBURG Housing Authority will either return the deposit or provide a statement of why the deposit is being kept.

20.5 RETURN OF SECURITY DEPOSIT

After a family moves out, the SOUTH PITTSBURG Housing Authority will return the security deposit within **30 calendar days** or give the family a written statement of why all or part of the security deposit is being kept. The rental unit must be restored to the same conditions as when the family moved in, except for normal wear and tear. Deposits will not be used to cover normal wear and tear or damage that existed when the family moved in.

If State law requires the payment of interest on security deposits, it shall be complied with.

The SOUTH PITTSBURG Housing Authority will be considered in compliance with the above if the required payment, statement, or both, are deposited in the U.S. mail with first class postage paid within **30** calendar days.

20.6 THE EIV'S DECEASED TENANTS REPORT

The SOUTH PITTSBURG Housing Authority shall generate the EIV's Deceased Tenants Report monthly shortly before either the end of the month or creating rent statements to see if the system flags deceased residents. The SOUTH PITTSBURG Housing Authority shall review the report and follow up with any listed families immediately and take any necessary corrective action as set forth in PIH Notice 2010-50 or successor publications.

If it is a single member household, the Housing Authority shall immediately visit the unit and determine if it is vacant or occupied by an unauthorized person. If improperly occupied, the Housing Authority shall take immediate eviction actions under state law. If the property is occupied by a live-in-aide to the deceased person, the aide must move out immediately and is not eligible for continued occupancy or rental assistance.

22. 21.0 SUPPORT FOR OUR ARMED FORCES

A major and important component of our armed forces are the part-time military personnel that serve in various Reserve and National Guard units. The SOUTH PITTSBURG Housing Authority is very supportive of these men and women. An unfortunate fact of service in both the Reserves and National Guard is that from time to time their personnel are activated to full-time status and asked to serve our country in a variety of ways and circumstances. Whenever the Federal Government activates Reserve and/or National Guard personnel, the SOUTH PITTSBURG Housing Authority wants to support these brave warriors in the following manners:

- A. If a family finds it necessary for another adult to temporarily move into a unit solely to serve as a temporary guardian for children residing in the unit, the income received by the temporary guardian will not be counted in determining family income.
- B. Although typically a criminal background check is required before anyone can move into a public housing unit, this requirement will be waived for a temporary guardian. Instead, the background check will occur after the person moves in. If the results of the check dictate that the person is ineligible for public housing, the family shall be given a reasonable time to find a replacement temporary guardian.
- C. Recognizing that activation in the Reserves or National Guard can be very disruptive to a family's income, the SOUTH PITTSBURG Housing Authority will

expeditiously re-evaluate a resident's rent if requested to do so and will exercise reasonable restraint if the activated resident has trouble paying their rent.

- D. Typically a unit cannot be held by a family that is not residing in it as their primary residence. If all members of a military family are temporarily absent from the unit because a member of the family has been called to active duty, the family can retain control of the unit by paying the required rent and returning to the unit within 30 calendar days of the conclusion of the active duty service.

23. 22.0 ANTI-FRAUD POLICY

The SOUTH PITTSBURG Housing Authority is fully committed to combating fraud in its public housing program. It defines fraud as a single act or pattern of actions that include false statements, the omission of information, or the concealment of a substantive fact made with the intention of deceiving or misleading the SOUTH PITTSBURG Housing Authority. It results in the inappropriate expenditure of public housing funds and/or a violation of public housing requirements.

Although there are numerous different types of fraud that may be committed, the two most common are the failure to fully report all sources of income and the failure to accurately report who is residing in the residence. The SOUTH PITTSBURG Housing Authority shall aggressively attempt to prevent all cases of fraud.

When a fraudulent action is discovered, the SOUTH PITTSBURG Housing Authority shall take action. It shall do one or more of the following things depending on circumstances and what it determines appropriate:

- A. Require the resident to immediately repay the amount in question;
- B. Require the resident to enter into a satisfactory repayment agreement as set forth in a previous section of this Policy;
- C. Terminate the resident's tenancy;
- D. Refer the case for criminal prosecution; or
- E. Take such other action as the SOUTH PITTSBURG Housing Authority deems appropriate.

Tenant Rent: The amount payable monthly by the family as rent to the housing authority. Where all utilities (except telephone) and other essential housing services are supplied by the housing authority or owner, tenant rent equals total tenant payment. Where some or all utilities (except telephone) and other essential housing services are supplied by the housing authority and the cost thereof is not included in the amount paid as rent, tenant rent equals total tenant payment less the utility allowance. (24 CFR 5.603(d))

Third-Party (verification): Written or oral confirmation of a family's income, expenses, or household composition provided by a source outside the household.

Total Tenant Payment (TTP):

- A. Total tenant payment for families whose initial lease is effective on or after August 1, 1982:
 1. Total tenant payment is the amount calculated under Section 3(a)(1) of the 1937 Act which is the higher of :
 - a. 30% of the family's monthly adjusted income;
 - b. 10% of the family's monthly income; or

- c. If the family is receiving payments for welfare assistance from a public agency and a part of such payments, adjusted in accordance with the family's actual housing costs, is specifically designated by such agency to meet the family's housing costs, the portion of such payments which is so designated.

If the family's welfare assistance is ratably reduced from the standard of need by applying a percentage, the amount calculated under section 3(a)(1) shall be the amount resulting from one application of the percentage.

2. Total tenant payment for families residing in public housing does not include charges for excess utility consumption or other miscellaneous charges.
- B. Total tenant payment for families residing in public housing whose initial lease was effective before August 1, 1982: Paragraphs (b) and (c) of 24 CFR 913.107, as it existed immediately before November 18, 1996), will continue to govern the total tenant payment of families, under a public housing program, whose initial lease was effective before August 1, 1982.

Utility Allowance: If the cost of utilities (except telephone) and other housing services for an assisted unit is not included in the tenant rent but is the responsibility of the family occupying the unit, an amount equal to the estimate made by a housing authority of the monthly cost of a reasonable consumption of such utilities and other services for the unit by an energy-conservative household of modest circumstances consistent with the requirements of a safe, sanitary, and healthful living environment. (24 CFR 5.603)

Utility Reimbursement: The amount, if any, by which the utility allowance for the unit, if applicable, exceeds the total tenant payment for the family occupying the unit. (24 CFR 5.603)

VAWA: The Violence Against Women and Department of Justice Reauthorization Act of 2005 (Pub. L. 109-162, approved August 28, 2006), as amended by the U.S. Housing Act of 1937 (42 U.S.C. 1437d and 42 U.S. 1437f).

Very Low-Income Families: Families whose incomes do not exceed 50% of the median family income for the area, as determined by HUD with adjustments for smaller and larger families, except that HUD may establish income ceilings higher or lower than 50% of the median for the area if HUD finds that such variations are necessary because of unusually high or low family incomes.

Victims of Domestic Violence: Individuals or families who have been or are being subjected to or victimized by violence by a member of the family or household. The SOUTH PITTSBURG Housing Authority will require evidence that the family has been displaced as result of fleeing violence in the home. Individuals and families are also eligible for this preference if there is

proof that the individual or family is currently living in a situation where they are being subjected to or victimized by violence in the home. Evidence or proof may include a Protection from Abuse Order, police report, or written verification that the individual or family is living in an emergency shelter because the individual or family has been subjected to or victimized by violence by a member of the family or household. The following criteria are used to establish an individual's or a family's eligibility for this preference:

- A. Verified actual or threatened physical violence directed against the applicant or the applicant's family by a spouse or other household member who lives in the unit with the family or where the family has fled its housing to escape from an abuser.
- B. The actual or threatened violence must have occurred within the past 30 calendar days or be of a continuing nature.

An applicant who lives in a violent neighborhood or is fearful of other violence outside the household is not considered involuntarily displaced as a result of domestic violence.

The applicant must certify that the abuser will not reside with the applicant unless the Housing Authority gives prior written approval.

The Housing Authority will approve the return of the abuser to the household under the following conditions:

- A. The Housing Authority verifies that the abuser has received therapy or counseling that appears to minimize the likelihood of the recurrence of violent behavior.
- B. A counselor, therapist or other appropriate professional recommends in writing that the individual be allowed to reside with the family.

If the abuser returns to the family without approval of the Housing Authority, the Housing Authority will deny or terminate assistance for breach of the certification.

If the family requests it, the SOUTH PITTSBURG Housing Authority will try to ensure that the new location of the family is concealed.

Violent criminal activity: means any criminal activity that has as one of its elements the use, attempted use, or threatened use of physical force substantial enough to cause, or be reasonably likely to cause, serious bodily injury or property damage.

Welfare Assistance: Welfare or other payments to families or individuals, based on need, that are made under programs funded, separately or jointly, by Federal, State or local governments (including assistance provided under the Temporary Assistance for Needy Families (TANF) program, as that term is defined under the implementing regulations issued by the Department of Health and Human Services at 45 CFR 260.31).

45 CFR 260.31 defines the term “assistance” to include cash, payments, vouchers, and other forms of benefits designed to meet a family's ongoing basic needs (i.e., for food, clothing, shelter, utilities, household goods, personal care items, and general incidental expenses).

It includes such benefits even when they are:

- A. Provided in the form of payments by a TANF agency, or other agency on its behalf, to individual recipients; and
- B. Conditioned on participation in work experience or community service (or any other work activity under 45 CFR 261.30).

Except where excluded later in this definition, it also includes supportive services such as transportation and childcare provided to families who are not employed.

The term “assistance” excludes:

- A. Nonrecurrent, short-term benefits that:
 - 1. Are designed to deal with a specific crisis situation or episode of need;
 - 2. Are not intended to meet recurrent or ongoing needs; and
 - 3. Will not extend beyond four months.
- B. Work subsidies (i.e., payments to employers or third parties to help cover the costs of employee wages, benefits, supervision, and training);
- C. Supportive services such as child care and transportation provided to families who are employed;
- D. Refundable earned income tax credits;
- E. Contributions to, and distributions from, Individual Development Accounts;
- F. Services such as counseling, case management, peer support, childcare information and referral, transitional services, job retention, job advancement, and other employment-related services that do not provide basic income support; and
- G. Transportation benefits provided under a Job Access or Reverse Commute project, pursuant to section 404(k) of the Act, to an individual who is not otherwise receiving assistance.

Welfare Rent: In "as-paid" welfare programs, the amount of the welfare benefit designated for shelter and utilities.

Written notification: All written notifications required in this policy shall be hand delivered with a signed receipt or mailed via first class mail unless specified otherwise.
