Property will serve (2) low-income households under the special needs population who are victims of domestic violence who are homeless or at risk of homeless under a transitional housing project, local community agency will provide the housing subsidy assistance. Property location is in the City of Richland, Benton County (Delafield Avenue, project area qualifies under the City’s definition for low moderate census tract).</p> <p>** KHA anticipates to Section 8 Project-Base 13-16 units for the special needs population of low-income households who are either homeless/at-risk of homeless, disabled, developmentally disabled, domestic violence victims, veterans, etc. KHA will continue to seek viable property acquisition in eligible low census tract in the City of Kennewick or City of Richland, Benton County, and funding sources at this time for the anticipated project. By project-basing vouchers it will meet project funding purposes and will sustain viability for the low-income housing project. In 2011, KHA had ceased its anticipated project due to the current economy/recession resulting with insufficient funding to support the project. KHA will continue its efforts for this goal by identifying, securing appropriate funding and community partnerships for this project.</p> <p>**KHA will continue to identify and address all viable options and resources within its agency capacity to partner with community agencies to expand its housing stock in providing either transitional or long-term affordable housing for special needs population identified as under-served within its community. Barriers that would impede for KHA not meeting its goals and objectives to expand its housing stock would be major items such as but not limited to insufficient funding and viable community partnership constraints.</p> <p>(b) Identify the specific location(s) where the public may obtain copies of the 5-Year and Annual PHA Plan. For a complete list of PHA Plan elements, see Section 6.0 of the instructions.</p> <p>**Agency Plans are available at the main Administration Office of the PHA (Housing Authority)</p>

Housing Needs. Based on information provided by the applicable Consolidated Plan, information provided by HUD, and other generally available data, make a reasonable effort to identify the housing needs of the low-income, very low-income, and extremely low-income families who reside in the jurisdiction served by the PHA, including elderly families, families with disabilities, and households of various races and ethnic groups, and other families who are on the public housing and Section 8 tenant-based assistance waiting lists. The identification of housing needs must address issues of affordability, supply, quality, accessibility, size of units, and location.

KHA Waiting List(s):

**Out of the total percent (100%) of KHA's waiting lists for its Public Housing Program & Section 8 Programs the following housing needs are identified (data is derived from combining both program waiting lists together):

Income: $\frac{81}{100}$ % "households who are "extremely low income"(30% of Areas Median Income Guidelines),
 $\frac{16}{100}$ % "households who are "low-income (30% but 50% of Areas Median Income Guidelines)
 $\frac{2}{100}$ % "households who are "low-income (50% but 80% of Areas Median Income

Household Composition: $\frac{58}{100}$ % With children
 $\frac{5}{100}$ % Elderly
 $\frac{11}{100}$ % With Disabilities

Race/Ethnicity: $\frac{84}{100}$ % White
 $\frac{29}{100}$ % Hispanic/Latino
 $\frac{12}{100}$ % Black/African American
 $\frac{1}{100}$ % Asian

Needed Bedroom Size Units: 1 Bd = $\frac{37}{100}$ %
2 Bd = $\frac{47}{100}$ %
3 Bd = $\frac{13}{100}$ %
4 Bd = $\frac{3}{100}$ %
5 Bd = $\frac{>1}{100}$ %
6 (+) = No Need Identified

Tri-Cities Consolidated Plan:

Based on information provided by applicable Consolidated Plan (2010-2014 Tri-Cities Consolidate Plan – Consolidated Community Development & Affordable Housing Plan For The Cities of Kennewick, Richland & Pasco) the following information reasonably addresses identification of housing needs in KHA's jurisdiction, however information is limited and/or is not provided within this data source (most current data, % for low income disabled, elderly, ethnicity, etc) **A total of 53% of Tri-Cities renter households who have incomes less than 50% of median income are paying more than 30% of their income for rental housing, cost burden individuals in the City of Kennewick is 53%, City of Richland is 54%, number/percentage of extremely low, low income (poverty) renters, high vacancy rate (approx. 98%), continued steady high rents, decreased general public assistance & low SSI benefits leads limited options for housing, especially affordable housing options, is a contributor to homelessness, at risk for homelessness for individuals and household (with/without children) and the special needs populations who are extremely low and low income to no income are at the highest risk (elderly, persons with disabilities, HIV/AIDS, drug/alcohol dependency, domestic violence victims, youth, etc.). Tri-Cities/Benton County has limited shelter housing, one (1) domestic violence shelter (Benton County) housing a max of 35 individuals (women/children), one (1) local Mission housing a max 54 beds for singles males, 4 beds for single female, 41 single male/female with children, 166 shelter vouchers for a given night stay. Short-term transitional housing vouchers there are 303 family beds, 159 individual beds. All data provided demonstrates the great and increasing need for more affordable long-term, shelter & transitional housing in KHA's jurisdiction. Consolidated Plan does not provide estimated or exact data for housing needs of accessibility, size of units, location and ethnicity.

Tri-Cities, Washington Crown Properties Management Apartment Rental Surveys:

Tri-Cities, Washington Crown Properties Management Apartment Rental Survey for September 2011 reported occupancy rate at 97% for the City of Kennewick, 95% for City of Richland. Survey reported occupancy rates remain steady over the last six months and year at approximately 98% for the City of Kennewick, 96% for the City Richland, resulting in housing hardship, homelessness and at risk for homelessness for extremely low and low income individuals/households with limited to no availability to rental housing (affordable/market rent units) and due to continued steady high occupancy rates and high rents since last year, the extremely low and low income households are competing for the same units and usually higher income households will be offered the units (reflecting a market still under pressure).

Benton & Franklin Counties 2012 Homeless Point-In-Time Count (PIT) – County Survey:

Benton & Franklin Counties 2012 Homeless Point-In-Time Count (PIT) results consisted over 1000 surveys, indicated there are 542 individuals for literally homelessness. Benton Franklin Department of Human Services (responsible agency for the PIT Count) is still calculating homeless data from the count regarding sheltered homeless and other subcategories at this time.

 - The PHA shall take reasonable measures to assure that such waiting list is consistent with affirmatively furthering fair housing;
 - The PHA provides for review of its site-based waiting list policy to determine if it is consistent with civil rights laws and certifications, as specified in 24 CFR part 903.7(c)(1).

18. The PHA will comply with the policies, guidelines, and requirements of OMB Circular No. A-87 (Cost Principles for State, Local and Indian Tribal Governments), 2 CFR Part 225, and 24 CFR Part 85 (Administrative Requirements for Grants and Cooperative Agreements to State, Local and Federally Recognized Indian Tribal Governments).
