Public Reporting Burden for this collection of information is estimated to average .75 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. This agency may not collect this information, and you are not required to complete this form, unless it displays a currently valid OMB control number. This information is required by Section 9(a) of the U.S. Housing Act of 1937, as amended, and by 24 CFR Part 990 HUD regulations. HUD makes payments for the operation and maintenance of low-income housing projects to PHAs. The Operating Fund determines the amount of operating subsidy to be paid to PHAs. PHAs provide information on the Project Expense Level (PEL), Utilities Expense Level (UEL), Other Formula Expenses (Add-ons) and Formula Income - the major Operating Fund components. HUD reviews the information to determine each PHA's Formula Amount and the funds to be obligated for the Funding Period to each PHA based on the appropriation by Congress. HUD also uses the information as the basis for requesting annual appropriations from Congress. Responses to the collection of information are required to obtain a benefit. The information requested does not lend itself to confidentiality.

Column D: Funding to be provided to the project before reconciliation (Col B - Col C). This amount can be negative indicating that the project has received more funding than eligibility.

Column E: Actual funding provided to the project after reconciliation. This amount cannot be negative.

Column F: In cases where a PHA as a whole may have received more funding than eligibility, this column represents the overfunded amount at the PHA level.

Column G: Amount deobligated during the year for the project. No action is required by the PHA.

Column H: If PHA as a whole received more funding than eligibility and HUD was not able to deobligate funds during the year (i.e., Col F exceeds Col G), funds will have to be recaptured. HUD will provide instructions to the affected PHAs and Field Offices on further action required.
