Project Description: This ARRA funded portion project is complete. Exterior ramp and railing work was completed this quarter. Seventeen (17) units had cabinet, door and bathroom work done. New Energy Star refrigerators were installed, too. Asbestos abatement was done on all units. The non-ARRA portion is still underway. Part of the work completed did not meet code, so we hired a consultant to write a report that was delivered to HUD, the A&E firm, and the contractor. We are hoping to come to a quick resolution with the A&E firm.
