

Amended and Restated Moving to Work Agreement

This Amended and Restated Moving to Work Demonstration Agreement (Restated Agreement) is entered into on this 15th day of March by and between the United States of America through the U.S. Department of Housing and Urban Development (HUD) and the **King County Housing Authority** (Agency). The term of this Agreement shall begin on the Date of Execution by HUD and shall continue until the end of the Agency's 2018 Fiscal Year, subject to meeting the evaluation criteria described in Section IV, unless such term is otherwise extended by HUD; and

WHEREAS, Section 204 of the Omnibus Consolidated Rescissions and Appropriations Act of 1996 (Pub. L. 104-134) (1996 Appropriations Act) establishes the statutory framework known as the Public Housing/Section 8 Moving to Work (MTW) demonstration program; and

WHEREAS, Section 204(a) of the 1996 Appropriations Act provides that public housing agencies that administer Section 8 and public housing (Agencies) and the Secretary of HUD (Secretary) shall have the flexibility to design and test various approaches for providing and administering housing assistance that: 1) reduce cost and achieve greater cost effectiveness in Federal expenditures; 2) give incentives to families with children whose heads of household are either working, seeking work, or are participating in job training, educational or other programs that assist in obtaining employment and becoming economically self-sufficient; and 3) increase housing choices for low-income families (the three statutory objectives); and

WHEREAS, pursuant to Section 204(a) of the 1996 Appropriations Act, HUD may permit Agencies to combine funds appropriated under sections 8 and 9 of the 1937 Act, and may exempt Agencies from provisions of the 1937 Act and implementing regulations thereunder pertaining to Public and Indian Housing and section 8 voucher assistance; and

WHEREAS, the Secretary determined that the Agency satisfies the Secretary's selection criteria and selected the Agency to participate in MTW; and

WHEREAS, on the 8th day of September 2003, HUD and the Agency executed an MTW Agreement, and on 13th day of September 2004, HUD and the Agency executed an MTW Amendment, and on the 19th day of August 2005, HUD and the Agency executed an MTW Amendment, (collectively known as the Original MTW Agreement) governing the terms and conditions under which HUD authorizes the Agency to participate in MTW; and

WHEREAS, the parties have previously entered into one or more Annual Contributions Contracts (ACCs) setting forth the terms and conditions under which the Agency participates in the public housing and/or Section 8 Housing Choice Voucher programs administered by HUD; and

WHEREAS, the parties agree to execute this Restated Agreement, which hereby amends and replaces any Original MTW Agreement between HUD and the Agency; and

WHEREAS, it is a goal of the MTW demonstration to design and test innovative methods of providing housing and delivering services to low-income families in an efficient and cost effective manner, and HUD and the Agency agree to fully cooperate with each other in order to make the demonstration a success;

NOW, THEREFORE, in reliance upon and in consideration of the mutual representations and obligations hereunder, the parties do agree as follows:

I. Statutory Authorizations

- A. This Restated Agreement amends and replaces the Original MTW Agreement between HUD and the Agency. This Restated Agreement waives certain provisions of the United States Housing Act of 1937, as amended (1937 Act), and HUD's implementing requirements and regulations thereunder, as are set forth in the Statement of Authorizations (Attachment C), and the Legacy and Community-Specific Authorizations (Attachment D) only to the extent they are necessary to implement the Agency's Annual MTW Plan. Except as noted in Section I.B. below, this Restated Agreement supersedes the terms and conditions of one or more ACCs between the Agency and HUD, to the extent necessary for the Agency to implement its MTW demonstration initiatives as laid out in the Agency's Annual MTW Plan, as approved by HUD.
- B. Notwithstanding the preceding authority waiving certain provisions of the 1937 Act as necessary to implement the Agency's Annual MTW Plan, the following provisions of the 1937 Act, as otherwise applicable, shall continue to apply to the Agency and/or assistance received pursuant to the 1937 Act:
1. The terms "low-income families" and "very low-income families" shall continue to be defined by reference to Section 3(b)(2) of the 1937 Act (42 U.S.C. § 1437a(b)(2));
 2. Section 12 of the 1937 Act (42 U.S.C. § 1437j), as amended, shall apply to housing assisted under the demonstration, other than housing assisted solely due to occupancy by families receiving tenant-based assistance; and
 3. Section 18 of the 1937 Act (42 U.S.C. § 1437p, as amended by Section 1002(d) of Public Law 104-19, Section 201(b)(1) of Public Law 104-134, and Section 201(b) of Public Law 104-202), governing demolition and disposition, shall continue to apply to public housing notwithstanding any use of the housing under MTW.
- C. This Restated Agreement only waives certain provisions of the 1937 Act and its implementing regulations. Other federal, state and local requirements applicable to public housing shall continue to apply notwithstanding any term contained in this Restated Agreement or any Authorization granted thereunder. Accordingly, if any requirement applicable to public housing, outside of the 1937 Act, contains a provision that conflicts or is inconsistent with any authorization granted in this Restated Agreement, the MTW Agency remains subject to the terms of that requirement. Such requirements include, but are not limited to, the following: Appropriations Acts,

competitive HUD notices of funding availability under which the Agency has received an award, state and local laws, Federal statutes other than the 1937 Act, and OMB Circulars and requirements (including regulations promulgated by HUD thereunder in 24 C.F.R. part 85).

- D. The MTW Agency is authorized to conduct activities in accordance with the Statement of Authorizations (Attachment C) and in accordance with the Legacy and Community-Specific Authorizations (Attachment D), as applicable. In the event of a conflict between Attachment C and Attachment D, the authorizations in Attachment D will supersede those in Attachment C.

II. Requirements and Covenants

- A. The amount of assistance received under sections 8 or 9 of the 1937 Act by an Agency participating in the demonstration shall not be diminished by the Agency's participation in the MTW demonstration.
- B. The Agency agrees that any HUD assistance that the Agency is authorized to use under the MTW demonstration shall be used in accordance with the Agency's Annual MTW Plans, as may be applicable. The Agency hereby certifies that the Agency's governing board has approved this Restated Agreement, and each Annual MTW Plan issued prior to the date hereof, as applicable, and that a copy of each such board approval has been provided to HUD.
- C. The Agency shall hold at least one public hearing per Annual MTW submission, and make the Annual MTW Plan available for public comment for at least thirty (30) days. The Agency agrees to take into account public comments on the program design, including comments from current tenants/participants, to the extent such comments were provided.
- D. The Agency shall: (i) ensure that at least 75 percent of the families assisted are very low-income families, as defined in section 3(b)(2) of the 1937 Act, (ii) assist substantially the same total number of eligible low-income families under MTW, as would have been served absent the demonstration, and (iii) maintain a comparable mix of families by family size, as would have been served or assisted had the amounts not been used under the demonstration.
- E. When providing public housing, the Agency will ensure that it is safe, decent, sanitary, and in good repair, according to an inspection protocol established or approved by the Secretary. This in no way precludes the Agency from modifying its own inspection protocol as authorized in Attachments C and/or D as long as such protocol meets the housing quality standards established or approved by the Secretary.¹

¹ Agencies are still subject to state and local building codes, and housing codes, and state and local public housing law on inspections.

- F. The Agency agrees to keep project level budgeting and accounting, report financial statements in the Financial Data Schedule (FDS)², and abide by project level management reviews and fees. The Agency will conform to OMB Circular A-87 and the HUD definition of reasonable fees as defined in 24 CFR part 990, and HUD's Financial Management Guidebook 7475.1 and Supplement, as they may be amended.
- G. HUD will not score the Agency under HUD's Public Housing Assessment System (PHAS) or HUD's Section Eight Management Assessment Program (SEMAP), or their successor systems, unless the Agency elects to be scored. If the Agency elects to be scored, the agency will continue to be scored for the duration of the demonstration.
- H. The Agency agrees to cooperate fully with HUD and its contractors in the monitoring and evaluation of the MTW demonstration, to keep records, and to submit reports and other information to HUD as described in the Restated Agreement.
- I. The Agency shall comply with the requirements of the National Environmental Policy Act (NEPA) and other related federal laws and authorities identified in 24 C.F.R. Part 50 or Part 58, as applicable.
- J. The Agency will comply with all applicable nondiscrimination and equal opportunity requirements set forth in 24 C.F.R. § 5.105(a), and will administer its programs and activities in a manner affirmatively to further fair housing. In particular, the Agency must make reasonable accommodations needed by applicants and residents and must make units accessible in accordance with the Needs Assessment and Transition Plan as required under Section 504 of the Rehabilitation Act of 1973 and its implementing regulations.
- K. The Agency will comply with the terms of any applicable court orders or Voluntary Compliance Agreements that are in existence or may come into existence during the term of the Agreement. The Agency further agrees that it will cooperate fully with any investigation by the HUD Office of Inspector General or any other investigative and law enforcement agencies of the U.S. Government.
- L. Unless otherwise provided herein, this Restated Agreement does not apply to Section 8 assistance that is required:
 - 1. To meet existing contractual obligations of the Agency to a third party (such as Housing Assistance Payment contracts with owners under the Agency's Section 8 Housing Choice Voucher program);
 - 2. For payments to other public housing authorities under Section 8 portability billing procedures; or
 - 3. To meet particular purposes for which HUD has expressly committed the assistance to the Agency.

² The Agency agrees to comply with FDS submission requirements, including the requirement to submit project level financial data in the FDS.

The aforementioned covenants made by the Agency are not exclusive, as the Agency must also comply with all requirements applicable to public housing other than both those provisions of the 1937 Act, as amended from time to time, and its implementing regulations specifically waived by the Authorizations contained in this Restated Agreement.

III. Rent Reform Initiatives

The Agency shall establish a reasonable rent policy that is designed to encourage employment and self-sufficiency by participating families, consistent with the purpose of this demonstration. In developing its rent policy, the Agency must adopt a policy for addressing hardship cases. To meet the Department's purposes of evaluating the MTW demonstration, Agencies may randomly assign new participants into the MTW group, which will provide an alternate program/rent structure, and into a control group, which will continue to operate under the 1937 Act requirements, and collect useful participant data at the point of random assignment.

IV. Evaluation

- A. HUD will consider the following criteria when evaluating whether this Agency shall continue in the MTW Demonstration:
 - 1. The Agency is in compliance with this Restated Agreement.
 - 2. The Annual MTW Plans and Reports have been satisfactorily completed and submitted in a timely manner, consistent with this Restated Agreement; and
 - 3. The Agency has demonstrated, through the Annual MTW Plan and Report, that it has used its MTW designation (i.e., engaged in MTW Activities), as set forth in Section 204 of the 1996 Appropriations Act.
- B. If, after the evaluation during FY 2011 and FY 2014, HUD determines that the Agency fails to meet the above criteria, HUD can terminate this Restated Agreement.

V. Amendments and Continuation of Activities

- A. Amendment of this Restated Agreement. This Restated Agreement may be further amended upon mutual agreement of the Agency and HUD. Proposed amendments by the Agency to the Restated Agreement shall be submitted in writing to HUD's Office of Public and Indian Housing, or its successor, only after the Agency has conducted a public hearing, considered comments from the hearing in drafting the proposed amendment, and obtained an approval from the Agency's Board of Commissioners or Directors, as applicable. HUD will respond to the Agency in writing to either approve and execute or disapprove the amendment request. The Statement of Authorizations (Attachment C) may be unilaterally amended by HUD only in order to add to the existing authorizations. The Legacy and Community-Specific Authorizations (Attachment D) may be amended upon mutual agreement between HUD and the Agency. In the event of a conflict between Attachment C and Attachment D, the authorizations in Attachment D supersede the authorizations in Attachment C.
- B. Amendment of the Annual MTW Plan. Amendments to the Annual MTW Plan only need to be made if the proposed MTW activity falls outside the scope of the HUD-

approved Annual MTW Plan. An MTW activity is defined as an activity that an Agency participating in the MTW demonstration is authorized to undertake only by means of invoking an authorization included in Attachment C or Attachment D of this Restated Agreement, as opposed to an activity that a non-MTW agency could undertake pursuant to the conventional public housing and Section 8 Housing Choice Voucher programs' statutory and regulatory requirements. Proposed amendments by the Agency to the Annual MTW Plan shall be submitted in writing to HUD's Office of Public and Indian Housing, or its successor, only after the Agency has conducted a public hearing, considered comments from the hearing in drafting the proposed amendment, and obtained an approval from the Agency's Board of Commissioners or Directors, as applicable. HUD will respond in writing to either approve or disapprove the amendment request.

The letter requesting any amendment to the Annual MTW Plan should include the following information in relation to the proposed MTW Activity:

1. Description of the proposed activity;
2. Description of how the activity relates to at least one of the three statutory objectives;
3. Identification and discussion of the anticipated impact of the proposed MTW activity on the stated objective;
4. Description of the baselines and benchmarks that the Agency will use to measure the performance and progress of the MTW activities;
5. Description of the data collection process and metrics the Agency will use to measure how this activity will achieve one or more of the MTW statutory objectives; and
6. The specific provision of the 1937 Act or regulation that is waived under MTW that authorized the Agency to make this change, when applicable.

C. Continuation of Activities.

1. Not later than one year prior to expiration of this Restated Agreement, the Agency shall submit a transition plan to HUD. It is the Agency's responsibility to plan in such a manner that it will be able to end all features of the MTW Plan upon expiration of the Agreement, as HUD cannot guarantee that it will be able to extend any features of the Plan. The transition plan shall describe plans for phasing out of such authorizations/features. The plan shall also include any proposals of authorizations/features of the Restated Agreement that the Agency wishes to continue beyond the expiration of the Restated Agreement. The Agency shall specify the proposed duration, and shall provide justification for extension of such authorization/features. HUD will respond to the Agency in writing in a timely manner. Only authorizations/features specifically approved for extension shall continue beyond the term of the MTW Restated Agreement. The extended features shall remain in effect only for the duration and in the manner specified in the approved transition plan.

2. HUD will review and respond to timely-submitted transition plans within 75 days or they are deemed approved. To the extent that HUD has questions or feedback within this 75-day period, HUD will transmit such information within a sufficient time period for the Agency to respond and for HUD to approve a transition plan within 75 days of submission of the plan.

VI. Funding

- A. Funding Methodology. During the term of the MTW demonstration, HUD will provide the Agency with public housing operating subsidies, and modernization or capital funds (including development and replacement housing factor funds), and with tenant-based Section 8 assistance, as provided in Attachment A. If the Agency's Attachment A does not describe the funding methodology for any of these funding streams, the Agency's funding will be calculated according to standard HUD calculations of Agency benefits.
- B. Funding Disbursements. The Agency will receive its public housing operating subsidy and Section 8 tenant-based funding in accordance with the following calculation and disbursement requirements:
 1. Operating Fund subsidies
 - a. HUD shall calculate the allocation of Operating Fund subsidies to the Agency in accordance with Attachment A.
 - b. The Agency may use these funds for any eligible activity permissible under Section 9(e)(1) of the 1937 Act or, if the Agency proposes to use the funding as part of a block grant in its Annual MTW Plan, it may use these funds for any eligible activity permissible under Section 8(o), 9(d)(1) and 9(e)(1) consistent with this MTW Restated Agreement.
 2. Capital Funds and Other Grants
 - a. HUD shall calculate the allocation of Capital Fund grants (including replacement housing factor fund grants) to the Agency in accordance with Attachment A. Capital Funds will be disbursed in accordance with standard HUD procedures for the disbursement of public housing Capital Fund Grants.
 - (i) In requisitioning grant funds, the Agency will not be required to provide line item detail, but will request the funds using a single MTW line item; provided however, that the Agency may not accelerate draw downs of funds in order to fund reserves.
 - (ii) The Agency may use these funds for any eligible activity permissible under Section 9(d)(1) of the 1937 Act, or if the Agency proposes to use the funding as part of a block grant in its Annual MTW Plan, it may use these funds for any eligible activity permissible under

Section 8(o), 9(d)(1) and 9(e)(1) consistent with this MTW Restated Agreement.

- (iii) The Agency is subject to the requirements of Section 9(j) of the 1937 Act with respect to its Capital Fund Grants.
- b. Section 8 Tenant-Based Assistance
 - (i) HUD shall calculate the allocation of Section 8 Housing Choice Voucher funding to the Agency in accordance with Attachment A.
 - (ii) The Agency may use tenant-based Section 8 funds included in the MTW block grant for any eligible activity permissible under Section 8(o) of the 1937 Act or, if the Agency proposes to use the funding as part of a block grant in its Annual MTW Plan, it may use the funds for any eligible activity permissible under Section 8(o), 9(d)(1) and 9(e)(1) consistent with this MTW Restated Agreement.
- c. The Agency may submit for HUD consideration and approval alternative schedules for disbursement of public housing operating subsidy and Section 8 tenant-based funding to reduce the number of transactions and to address the time lag between making Housing Assistance Payments (HAP) for the large number of Section 8 participants from other jurisdictions (portables) and reimbursement by those jurisdictions. An Agency's request for consideration and approval of an alternative schedule for disbursement shall be subject to certain administrative limitations, such as only one request will be allowed per year.

VII. Administrative Responsibilities

A. Annual MTW Planning and Reporting.

1. Annual MTW Plans

- a. If the Agency has ten percent or more of its housing stock in MTW, the Agency will prepare and submit an Annual MTW Plan, in accordance with Attachment B, or equivalent HUD form as approved by OMB, in lieu of the Five (5) year and Annual Plans required by Section 5A of the 1937 Act.
- b. If the Agency has less than ten percent of its housing stock in MTW, the Agency will continue to complete the Five-Year and Annual Plans required by Section 5A of the 1937 Act. The Agency will also complete a Supplemental Annual MTW Plan, based on Attachment B, or equivalent HUD form as approved by OMB. Only information not included in either the Five-Year Plan or the Annual Plan will need to be included in the Supplemental Annual MTW Plan (herein also referred to as the Annual MTW Plan).

- c. Three (3) copies of the Annual MTW Plan shall be submitted to HUD: one copy will be provided to HUD Headquarters in hard-copy, one copy to HUD Headquarters in electronic format (i.e., PDF, or Word), and one copy to the Agency's local HUD Field Office.
- d. The Annual MTW Plan is due not later than seventy-five (75) days prior to the start of the Agency's fiscal year, unless otherwise approved by HUD, except in the first year of this Restated Agreement the Agency may submit an amendment to its MTW Plan if it wants to implement initiatives prior to the due date of the subsequent MTW Plan.
- e. Attachment B of this Restated Agreement, or equivalent HUD form as approved by OMB, provides a detailed description of the required elements of the Annual MTW Plan.
- f. The Annual MTW Plan will be submitted to HUD only after:
 - (i) The Agency has provided for citizen participation through public hearing and other appropriate means and is approved by the Board of Commissioners or Directors, as applicable, and
 - (ii) The Agency has taken into account public comments on the program design, including comments from current tenants/participants, to the extent such comments were provided. To document the foregoing, the Agency will submit with the Annual MTW Plan documentation that at least one public hearing was held, that the Plan was available for public comment for at least thirty (30) days, and that the Agency took no less than fifteen (15) days between the public hearing and the approval of the Plan by the Board of Commissioners or Board of Directors in order to incorporate any public comments into the Annual MTW Plan. The Agency will submit these documents to HUD in accordance with Attachment B, or equivalent HUD form as approved by OMB, and will keep these documents on file for HUD review.
- g. HUD shall notify the Agency in writing if HUD objects to any provisions or information therein. When the Agency submits its Annual MTW Plan seventy-five (75) days in advance of its fiscal year, HUD will respond to the Agency within seventy-five (75) days. If HUD does not respond to the Agency within seventy-five (75) days after an on-time receipt of the Agency's Annual MTW Plan, the Agency's Annual MTW Plan is approved and the Agency is authorized to implement that Plan. If HUD does not receive the Agency's Annual MTW Plan seventy-five (75) days before the beginning of the Agency's fiscal year, the Agency's Annual MTW Plan is not approved until HUD responds. Reasons that HUD may object to a provision or information in the Annual MTW Plan include, but are not limited to, the following:

- (i) The information required in Attachment B, or equivalent HUD form as approved by OMB, is not provided or is deemed insufficient;
 - (ii) The Agency's planned MTW activities are not permissible under MTW Authority or are inconsistent with requirements outside the 1937 Act³;
 - (iii) The Agency's planned MTW activities do not have a clear connection to the statutory goal of the MTW demonstration, which is to provide Agencies with the flexibility to design and test various approaches for providing and administering housing assistance that: (a) reduce cost and achieves greater cost effectiveness in Federal expenditures; (b) give incentives to families with children whose heads of household are either working, seeking work, or are participating in job training, educational or other programs that assist in obtaining employment and becoming economically self-sufficient; and (c) increase housing choices for low-income families; or
 - (iv) There are other good cause factors, such as material misrepresentation, in the submission.
- h. Once HUD approves an MTW Activity, the activity shall remain approved as long as it is included in the Agency's Annual MTW Plan submissions subsequent to the initial approval of the MTW Activity. The approval shall remain in effect until such time as the Agency proposes to modify the activity, initiative, or program.

2. Annual MTW Reports

- a. The Agency will prepare Annual MTW Reports, which will compare the Agency's activities with its Annual MTW Plan. The Annual MTW Report will provide the information necessary for HUD to assess the Agency's activities, in both regular operations and in activities authorized by MTW.
- b. Three (3) copies of the Annual MTW Report shall be submitted to HUD: one copy will be provided to HUD Headquarters in hard-copy, one copy to HUD Headquarters in electronic format (i.e., PDF, or Word), and one copy to the Agency's local HUD Field Office.
- c. The Annual MTW Report will be submitted to HUD for its review annually, no later than ninety (90) days after the end of the Agency's fiscal year.
- d. Attachment B of this Restated Agreement, or equivalent HUD form as approved by OMB, provides a detailed description of the required elements of the Annual MTW Report.

³ Even if HUD approves a MTW Plan that is inconsistent with an external requirement, such as a state law requirement, the Agency is still subject to the external requirement.

- e. HUD shall notify the Agency in writing if HUD requires additional information or clarifications to the information provided in the Annual MTW Report.
 - f. All HUD forms and other reporting mechanisms required by this Restated Agreement, including any required certifications, will, where appropriate, be included in either the Annual MTW Plan or the Annual MTW Report.
3. HUD reserves the right to request, and the Agency agrees to provide, any information required by law or required for sound administration of the public housing and Section 8 Housing Choice Voucher programs.

B. Other Data Submission Requirements.

1. The Agency will submit HUD-50058 data and/or HUD-50058 MTW (or their replacement forms) data to HUD's Public and Indian Housing Information Center (PIC) system, or its successor. (Note that the use of the HUD-50058 MTW form is restricted to the MTW agencies that have implemented MTW Activities that prevent use of the standard 50058 form.) These submissions will be in compliance with HUD's 50058 and/or 50058 MTW submission requirements for MTW public housing authorities. The Agency will maintain current building and unit information in the development module of the PIC Inventory Management System (IMS).
2. The Agency will provide basic data about the Agency (e.g., address, phone number, e-mail address, etc.) to HUD through the PIC/IMS system, or its successor system.
3. The Agency will complete an annual audit pursuant to the Office of Management and Budget (OMB) Circular A-133 (including the Compliance Supplement, as determined by the auditor to be relevant to MTW). The A-133 Audit must be submitted to HUD in accordance with HUD regulations; a separate copy of the most recently completed audit must be submitted to the Office of Public Housing Investments, or its successor Headquarters Office responsible for national oversight of the MTW demonstration.
4. The Agency will provide data to HUD through FDS, or its successor system, as required by the Public Housing Assessment System (PHAS) regulations and procedures as they may be amended.
5. The Agency will provide HUD with an electronic version of the Admissions and Continued Occupancy Policy and Administrative Plan upon HUD's request.
6. The Agency will provide HUD with a Performance and Evaluation Report for Capital Fund activities not included in the MTW Block Grant by including this as a supplement to Attachment B, or equivalent HUD form as approved by OMB.

In addition to the reporting requirements listed above, the Agency is required to comply with any and all HUD reporting requirements that are not specifically waived by HUD.

- C. Annual MTW Monitoring Site Visit. HUD and/or its contractors will conduct at least one formal Site Visit to the Agency each year. The purpose of these visits will be to confirm reported Agency activities, to review the status and effectiveness of the Agency's MTW strategies, and to identify and resolve outstanding MTW related issues. The Agency shall give HUD and/or its contractors unimpeded access to all requested sources of information including access to files, access to units, and an opportunity to interview Agency staff and assisted residents.
- D. Single Point of Contact. HUD and the Agency shall each appoint a liaison as a single point of contact in implementing the Restated Agreement.

VIII. Termination and Default

- A. If the Agency violates this Restated Agreement, HUD is authorized to take any corrective or remedial action described in this Article VIII for Agency default. HUD will give the Agency written notice of any default. The Agency will have the opportunity to cure such default within 30 days of the date of said notice, or to demonstrate within said time period, by submitting substantial evidence satisfactory to HUD, that it is not in default. If the default is not susceptible to being cured within said 30 day period, the Agency will demonstrate, to HUD's satisfaction, that the Agency has taken actions necessary to cure the default and that the default is curable within 90 days from the date of the default notice. Additionally, the Agency must covenant to prosecute such cure diligently and complete such cure within the 90 day period, unless HUD, in its sole judgment, determines that immediate action is necessary, and therefore has discretion to institute the remedies under Section VIII.C. of this Restated Agreement.
- B. The following are reasons that HUD may declare the Agency in default of this Restated Agreement:
 1. The Agency has not corrected HUD identified performance deficiencies within a reasonable period of time;
 2. Material misrepresentation in the application process that led to the Original MTW Agreement or this current Restated Agreement;
 3. Use of funds subject to this Restated Agreement for a purpose other than as authorized by this Restated Agreement;
 4. Material noncompliance with legislative, regulatory, or other requirements applicable to this Restated Agreement;
 5. Material breach of this Restated Agreement; and/or
 6. Material misrepresentation in the Annual MTW Plan or Report submission by the Agency.

- C. If the Agency is in default, HUD may, among other remedies, undertake any one or all of the following remedies:
1. Suspend payment or reimbursement for any MTW activities affected;
 2. Suspend the Agency's authority to make draws or receive or use funds for affected activities;
 3. Change the method of payment to the Agency;
 4. Require additional reporting by the Agency on the deficient areas and the steps being taken to address the deficiencies;
 5. Require the Agency to prepare and follow a HUD-approved schedule of actions and/or a management plan for properly completing the activities approved under this Restated Agreement;
 6. Suspend the MTW waiver authorization for the affected activities;
 7. Prohibit payment or reimbursement for any MTW Activities affected by the default;
 8. Require reimbursement by the Agency to HUD for amounts used in violation of this Restated Agreement;
 9. Reduce/offset the Agency's future funding;
 10. Terminate this Restated Agreement and require the Agency to transition out of MTW;
 11. Take any other corrective or remedial action legally available; and/or
 12. Implement administrative or judicial receivership of part or all of the Agency.
- D. The Agency may choose to terminate this Restated Agreement at any time. Upon HUD's receipt of written notification from the Agency and a copy of a board resolution approving termination, termination will be effective. The Agency will then begin to transition out of MTW, and will work with HUD to establish an orderly phase-out of MTW activities, consistent with Section IV C of this Restated Agreement.

This Agreement, including all Attachments, is effective upon execution, except as otherwise provided herein.

KCHA MTW Agreement

Attachment A

Calculation of Subsidies

During the term of this MTW Agreement, HUD will provide the King County Housing Authority (the "PHA") with operating subsidy, capital funds, and Section 8 assistance as described below:

Definitions in this Attachment:

Initial Year: The first PHA fiscal year in which the PHA begins operating under its MTW authority, which may be the same year as that in which this Agreement is executed. Specifically, for the purpose of calculating operating subsidy eligibility for inclusion in the MTW block grant, the Initial Year shall be the PHA's fiscal year beginning July 1, 2003. Section 8 funding is generally provided on a quarterly basis. For the purposes of Section 8 funding only, the initial period is the three month quarter commencing on July 1, 2003.

Base Year: The most recently completed Agency fiscal year prior to the Initial Year.

MTW Units: Units authorized for participation in MTW activities, as provided in Section 1 of the Appendix to this Agreement.

1. Operating Subsidy

The calculation of operating subsidy eligibility will continue in accordance with applicable operating subsidy formula law and regulations.

2. Capital Funds Program

A. The PHA's formula characteristics and grant amount will continue to be calculated in accordance with applicable law and regulations.

B. For modernization funds provided in years prior to the execution of this Agreement, the PHA may submit, and HUD will approve, a request to reprogram, by grant year, any unobligated funds for eligible MTW purposes. Such requests will be made in accordance with current procedures governing amendments to the Annual Plan, except that no public consultation will be necessary prior to submission of the request.

C. All funds programmed for MTW purposes will be recorded and drawn down from MTW-designated line items on relevant HUD forms.

3. Section 8 Tenant Based Assistance Units Eligible for Inclusion in Flexible Block Grant

- A. Conversion of a portion of existing Section 8 housing vouchers (those currently held by TANF recipients who are not in the Welfare to Work program and are not assisted via an enhanced Voucher) to Moving To Work units will be conducted according to instructions provided by HUD. A list of Section 8 units to be included in the block grant ("MTW units"), upon execution of this Agreement, was provided to HUD by the PHA.
- B. The number of Section 8 housing vouchers to be initially included in the block grant is 922. The number of MTW units may be adjusted during the term of this Agreement via procedures to be provided by HUD. Adjustments will be made only to add Vouchers held by TANF recipients who are assisted through a Family Unification Program (FUP) increment and only when the five-year FUP program term expires. (Note: this initial number may change based on actual data provided by the HA)

4. Calculation of Annual (Section 8) Subsidy

The calculation of funding is governed by the terms of the FY 2003 Omnibus Appropriations Act, which bases renewal funding on utilization in accordance with the terms of the MTW Agreement, and by any future appropriations requirements which may be enacted.

A. Initial year of MTW Participation:

The actual costs for the total Voucher program and the MTW cohort will be calculated, based on actual data provided by the housing agency, on form HUD-52681B for the months of February, March and April 2003 and additional HAP data provided by the PHA for the MTW cohort. Actual non-HAP costs will be apportioned to the MTW cohort based on the proportion of MTW units to the total Voucher program. The costs for the total program and for the cohort will be multiplied by the inflation factor established for the calculation of renewals (using the inflation factor, or annual adjustment factor (AAF) is published annually in the Federal Register (Table 1, the factor with the highest utility cost included) to arrive at an inflation-adjusted, MTW program cost (MTWPUC) for the initial funding period). The funding for the cohort will be deducted from the total that would have been provided for the entire program if the MTW program had not been initiated; the remaining voucher program will receive the remaining portion of the total funding.

AMENDMENT NO.1 TO MTW AGREEMENT

Between

U.S. Department of Housing and Urban Development

And

King County Housing Authority

This document amends the Moving to Work Agreement signed September 8, 2003 (hereinafter the "MTW Agreement"), entered into by and between the U. S. Department of Housing and Urban Development (HUD) and the King County Housing Authority (KCHA).

HUD and KCHA hereby agree to amend the Moving to Work Demonstration Agreement as follows:

As part of its overall MTW program, KCHA is authorized to strategically site self-sufficiency and anti-drug programs and services in order to assure efficient service delivery given the relatively unique geographic circumstances of the Authority's jurisdiction and developments. Rather than locate such programs at single sites in multiple developments, the Authority may locate programs and services at a few developments that can serve clusters of public housing developments. This may require locating services on more than one site in a few developments. This Amendment authorizes KCHA to pursue such an alternative in lieu of the provision in 24 CFR 990.108(b)(2)(iv) that limits approval of subsidy for units used for such programs and services to one site per development. KCHA will continue to limit the overall number of housing units used for self-sufficiency and anti-drug services to no more than one housing unit per development.

KCHA also is authorized to extend subsidy for these units beyond three years without the HUD approval stipulated in 24 CFR 990.108(b)(2) if KCHA self-certifies that no other sources for paying the non-utility operating costs of the units are available and that the conditions specified in 24 CFR 990.108(b)(2)(i) through (v) are still valid.

This Amendment is effective upon execution, except as otherwise provided herein.

AMENDMENT NO. 2 TO MTW AGREEMENT

Between

U.S. Department of Housing and Urban Development

And

King County Housing Authority

This document amends the Moving to Work Agreement signed September 8, 2003 (hereinafter the "MTW Agreement"), entered into by and between the U.S. Department of Housing and Urban Development (HUD) and the King County Housing Authority (KCHA)

The purpose of this Amendment is to add all non-Section 811 (5 year Mainstream) Vouchers not included in KCHA's initial Section 8 Block Grant to the Block Grant in order to allow KCHA to develop a consistent set of operating policies for its Section 8 Program and respond effectively to new Section 8 funding realities. HUD and KCHA hereby agree to amend the MTW Agreement as follows:

1. Replace the first sentence of Section IV.A.1 of the Agreement with:

"IV. Funding Issues

A. Single Fund Budget with Full Flexibility

Pursuant to Article I.B. of the MTW Agreement, the KCHA may combine its public housing operating subsidies and capital funds, and all tenant-based Section 8 rental assistance voucher funds, with the exception of 5 year Mainstream Vouchers, into a single, Authority-wide funding source, excluding funds like HOPE VI, which must be kept separate."

2. Replace the first paragraph of Section V.A. with:

"V. Changes to Section 8 Housing Voucher Choice Programs

A. The KCHA is authorized to merge all of its Section 8 tenant-based assistance, except for 5 year Mainstream Vouchers, into a single program with one set of rules and to create its own Local Leased Housing Program. Under all circumstances, the requirements of special-purpose vouchers (targeting, reporting, etc.) will be maintained. Under such a program, the KCHA will be authorized to determine the program's basic operational policies including, but not limited to, the following:"

3. Delete the entire Section V.B

4. Replace Section 4.B of Attachment A with the following:

4. Calculation of Annual (Section 8) Subsidy

B. Revised MTW Base Year and Subsequent Years of MTW Participation:

For the remainder of the Demonstration, the Authority will receive all of its Section 8 funding, except for 5 year Mainstream Vouchers, as a Block Grant based on its CY 2005 funding. The calculation of the initial amount of this funding would conform to the FFY 2005 Appropriations Act as outlined in Notice PIH 2005-1 and would include both HAP expense and Administrative fees as communicated to King County via letter dated January 21, 2005 as subsequently amended by HUD. The Authority and HUD agree that the amended and prorated baseline as of the date of this amendment is \$58,736,696.

The CY 2005 baseline Block Grant shall be adjusted to include any vouchers awarded prior to January 2005 where a full twelve-month's contract authority is not included in the baseline. In subsequent years, the block grant would also be adjusted for any incremental awards. Such awards would be added to the baseline upon their initial renewal.

Eligibility for funding in CY 2006 and for subsequent years under the MTW Demonstration would use the final CY 2005 Block Grant baseline and any pro-ration factor applied in accordance with future Appropriations Acts plus allowable Annual Adjustment Factors (AAF). With regard to baseline funding eligibility and adjustments

for incremental vouchers, it is the intent of HUD to apply the same funding methodology to KCHA as would be applied to non-MTW PHA's. KCHA shall be eligible for any increases in funding due to funding formulas or methodologies which may be enacted for non-MTW PHAs during the course of its Demonstration. Under this Agreement, however, KCHA's Prorated Baseline in CY 2005 and subsequent years, will be considered fully utilized for purposes of calculating future funding.

An amount equal to the balance of pre-2004 program reserves as of March 31, 2005 will be made available to KCHA. This is a one-time provision of reserves. KCHA understands that there are no pre-2004 reserves because such funds were not replenished when exhausted. Should HUD make available program reserves in the future, KCHA would be eligible to draw down its pro-rata share of such reserves as a one-time provision of block grant reserves pursuant to the methodology utilized for other MTW block grant Authorities.

This Amendment is effective February 1, 2005.

ATTACHMENT C**STATEMENT OF AUTHORIZATIONS****TO
AMENDED AND RESTATED MOVING TO WORK AGREEMENT
BETWEEN
U.S. DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT
AND
AGENCY****A. General Conditions**

1. This Statement of Authorizations describes the activities that the Public Housing Authority (Agency) may carry out under the Moving to Work (MTW) Demonstration program, subject to the terms and conditions of the Amended and Restated Moving to Work Demonstration Agreement (Restated Agreement) between the Agency and the U.S. Department of Housing and Urban Development (HUD).
2. Unless otherwise provided in Attachment D of the Restated Agreement, the Agency's MTW Demonstration Program applies to all of the Agency's public housing assisted units (including Agency-owned properties and units comprising a part of mixed-income, mixed finance communities) tenant-based Section 8 voucher assistance (hereinafter referred to as the "Housing Choice Voucher Program"), Section 8 project-based voucher assistance under Section 8(o) and Homeownership units developed using Section 8(y) voucher assistance.
3. The purpose of the Statement of Authorizations is to delegate to the Agency the authority to pursue locally driven policies, procedures and programs with the aim of developing better, more efficient ways to provide housing assistance and incentives to self-sufficiency to low, very-low, and extremely low-income families. The authorizations listed in this Attachment C are granted fully without requiring any additional HUD authorizations, as necessary to implement the activities described in the Annual MTW Plan. The Agency may proceed with activities based upon these authorizations once the activity has been included in the Annual MTW Plan, in accordance with Attachment B, and HUD has approved the Plan and activities. HUD will review and approve these documents to ensure that the Annual MTW Plan has provided meaningful citizen participation, taking into account comments from a public hearing and any other comments on the proposed program, as well as providing for, receiving, and meaningfully considering comments from current and prospective residents who would be affected. HUD will also review in order to ascertain that these activities are within the MTW authorizations provided by HUD.
4. The Agency reaffirms that it will comply with all applicable nondiscrimination and equal opportunity requirements set forth in 24 CFR 5.105(a), and will administer its programs and activities in a manner affirmatively to further fair housing. In particular, the Agency

must make reasonable modifications and accommodations needed by applicants and residents and must make units accessible in accordance with the Needs Assessment and Transition Plan as required under Section 504 of the Rehabilitation Act of 1973 and its implementing regulations.

B. Authorizations Related to Both Public Housing and Section 8 Housing Choice Vouchers

1. Single Fund Budget with Full Flexibility

This authorization waives certain provisions of Sections 8 and 9 of the 1937 Act and 24 C.F.R. 982, and 990 as necessary to implement the Agency's Annual MTW Plan.

- a. The Agency may combine funding awarded to it annually pursuant to Section 8(o), 9(d) and 9(e) of the 1937 Act into a single, authority-wide funding source ("MTW Funds"). However, section 9(d) funds are still subject to the obligation and expenditure deadlines and requirements provided in section 9(j) despite the fact that they are combined in a single fund. The funding amount for the MTW Funds may be increased by additional allocations of housing choice vouchers to which the Agency is entitled over the term of the Agreement. Special purpose vouchers will not be included in the MTW Funds during their initial term, though some may be included in the MTW Funds upon renewal.
- b. The Agency may use MTW Funds for any eligible activity under Sections 9(d)(1), 9(e)(1) and Section 8(o) of the 1937 Act. Within the scope of the permissible eligible activities, the Agency can carry out the purposes of the MTW Demonstration Program to provide flexibility in the design and administration of housing assistance to eligible families, to reduce cost and achieve greater cost effectiveness in Federal expenditures, to give incentives to families with children where the head of household is working, seeking work, or is preparing for work by participating in job training, educational programs, or programs that assist people to obtain employment and become economically self-sufficient, and to increase housing choices for low-income families, through activities that would otherwise be eligible under sections 8 and 9 of the 1937 Act, including, but not limited to, the following activities:
 - i. Provision of Capital funds or operating assistance to housing previously developed or operated pursuant to a contract between HUD and the Agency or newly acquired or developed pursuant to section ii below.
 - ii. The acquisition, new construction, reconstruction or moderate or substantial rehabilitation of housing (including, but not limited to, assisted living, or other housing as deemed appropriate by the Agency, in accordance with its mission), or commercial facilities consistent with the objectives of the demonstration. Such activities may include but are not limited to real property acquisition, site improvement, development of utilities and utility services and energy efficiency systems, conversion, demolition, financing, administration and planning costs, relocation and other related activities; provided, however, that prior HUD

approval is required for the development of any incremental public housing units, pursuant to Section 9(g)(3) of the 1937 Act.

- iii. The provision of housing or employment-related services or other case management activities, such as housing counseling in connection with rental or homeownership assistance, energy auditing, activities related to the provision of self-sufficiency and other services, employment counseling, education, training and other services related to assisting tenants, owners, contractors, and other persons or entities participating or seeking to participate in other housing or training and educational activities assisted pursuant to this section.
 - iv. The provision of management services, including preparation of work specifications, loan processing, inspections, tenant selection, management of tenant and project-based rental assistance and management of housing projects or other facilities or operations developed under this program.
 - v. The provision of safety, security, and law enforcement measures and activities appropriate to protect residents of housing from crime.
 - vi. The provision of Housing Choice Voucher assistance or project-based rental assistance (under Section 8(o)), alone or in conjunction with other private or public sources of assistance.
 - vii. The preservation of public housing and/or Housing Choice Voucher units currently serving people of low income or the acquisition and/or development of new units for people of low income, provided that all rehabilitation and construction is done in accordance with the requirements of Section 504 of the Rehabilitation Act and where applicable, the design and construction requirements of the Fair Housing Act.
 - viii. If the Agency chooses to establish single fund flexibility, the Agency is authorized to use housing assistance payments for purposes other than payments to owners, so long as these purposes are consistent with other eligible uses of section 8 and section 9 funds.
- c. These activities may be carried out by the Agency, by an entity, agent, or instrumentality of the Agency, a partnership, a grantee, contractor, or other appropriate party or legal entity.
 - d. The Agency's expenditures must comply with OMB Circular A-87, which provides basic guidelines for the use of federal funds, and with this MTW Agreement.
 - e. The Agency may use capital funds (including development and replacement housing factor funds) in accordance with this Agreement.

2. Partnerships with For-Profit and Non-Profit Entities

The Agency may partner with for-profit and non-profit entities, subject to 24 C.F.R. Part 85 and 941.602(d), including, mixed-income, mixed-finance development partners and third party management companies, as well as affiliates and instrumentalities of the Agency (“Agency Partners”), to implement and develop all or some of the initiatives that may comprise the Agency’s MTW Demonstration Program. The Agency may, with respect to MTW eligible activity and when working with or partnering with such partners, make available to Agency Partners the least restrictive regulatory requirements allowable based on Agency’s participation in the MTW Demonstration Program and that agreements with Agency Partners may reflect the implementation of less restrictive regulatory requirements. *This authorization waives certain provisions of Sections 13 and 35 of the 1937 Act and 24 C.F.R. 941 Subpart F as necessary to implement the Agency’s Annual MTW Plan.*

3. Definition of Elderly Family

The Agency is authorized to amend the definition of elderly to include families with a head of household or family member who is at least 55 years old, and must be in compliance with the all Fair Housing Requirements, in particular the Housing for Older Persons Act of 1995. *This authorization waives certain provisions of Section 3 (b)(3) and (G) of the 1937 Act and 24 C.F.R. 5.403 as necessary to implement the Agency’s Annual MTW Plan.*

4. Transitional/Conditional Housing Program

The Agency may develop and adopt new short-term transitional housing programs, consistent with an eligible use of section 8 and 9 funds, with supportive services in one or more buildings in collaboration with local community-based organizations and government agencies. Successful participants in these programs will be eligible for transfer to the Agency’s public housing or housing choice voucher programs. The Agency will ensure that these programs do not have a disparate impact on protected classes, and will be operated in a manner that is consistent with the requirements of Section 504 of the Rehabilitation Act. More specifically, under no circumstances will residents of such programs be required to participate in supportive services that are targeted at persons with disabilities in general, or persons with any specific disability. In addition, admission to any of the programs developed under this section will not be conditioned on the presence of a disability or a particular disability. This section is not intended to govern the designation of housing that is subject to Section 7 of the 1937 Act. *This authorization waives certain provisions of Sections 3, 4, 5, 8, and 9 of the 1937 Act and 24 C.F.R. 941, and 960 Subpart B as necessary to implement the Agency’s Annual MTW Plan.*

5. Investment Policies

Subject to HUD approval, the Agency is authorized to adopt investment policies consistent with state law to the extent such policies are in compliance with applicable OMB circulars and other federal laws. The Agency shall invest only in securities authorized under state law that will allow the flexibility to invest productively and efficiently. *This authorization waives certain provisions of Section 6(c)(4) of the 1937 Act and 24 C.F.R. 982.156 as necessary to implement the Agency’s Annual MTW Plan.*

C. Authorizations Related to Public Housing Only

1. Site Based or Geographic Area Waiting List System

The Agency is authorized to implement a locally designed waiting list system in lieu of the specific procedural requirements of 24 C.F.R. Part 903 provided that it provides applicants with a reasonable choice of location in accordance with title VI of the Civil Rights Act, the Fair Housing Act, and other applicable civil rights requirements. The Agency may implement additional site-based waiting lists under this MTW Agreement. Such additional site-based waiting lists will be developed, at the Agency's option, to address various situations, including, but not limited to the following: (1) any existing or new or mixed-income, mixed finance communities; (2) any on-site and/or off-site public housing replacement units developed in support of the Agency's redevelopment or HOPE VI efforts, if any; (3) any specially designated public housing or project-based communities; and (4) combining or separating waiting lists for Section 8 tenant-based or project-based assistance, public housing rental communities, homeownership opportunities, and mixed-income, mixed-finance communities. *This authorization waives certain provisions of Section 6(r) of the 1937 Act and 24 C.F.R. 903.7 as necessary to implement the Agency's Annual MTW Plan.*

2. Local Preferences and Admission and Continued Occupancy Policies and Procedures

The Agency is authorized to develop and adopt local preferences and admission policies and procedures for admission into the public housing program in lieu of HUD statutes, regulations or other requirements based in the 1937 Act so long as the families assisted qualify as low income, and that the total mix of families assisted meets the requirements of part I.C of the Amended and Restated MTW Agreement. The Agency is required to revise the Admissions and Continued Occupancy Policy (ACOP), to implement changes in public housing occupancy policy as a result of the MTW program. Regardless of changes to the Agency's adopted ACOP policies and procedures, the Agency must comply with Sections I(B)(1) and II(D) of this Agreement. The Agency is subject to state and local preferences law. *This authorization waives certain provisions of Section 3 of the 1937 Act and 24 C.F.R. 960.206 as necessary to implement the Agency's Annual MTW Plan.*

3. Deconcentration Policy

The Agency is authorized to develop and adopt a local policy designed to provide for deconcentration and income mixing in public housing communities. *This authorization waives certain provisions of Section 16(3)(B) of the 1937 Act and 24 C.F.R. 903.2 as necessary to implement the Agency's Annual MTW Plan.*

4. Initial, Annual and Interim Income Review Process

The Agency is authorized to restructure the initial, annual and interim review process in the public housing program in order to affect the frequency of the reviews and the methods and process used to establish the integrity of the income information provided. In addition, the Agency is expressly authorized to adopt a local system of income verification in lieu of the current HUD system. For example, the Agency may implement alternate time frames for validity of verification or adopt policies for verification of income and assets through sources other than those currently allowed under the 1937 Act. *This authorization waives certain provisions of sections 3(a)(1) and 3(a)(2) of the 1937*

Act and 24 C.F.R. 966.4 and 960.257, as necessary to implement the Agency's Annual MTW Plan.

5. Use of Public Housing as an Incentive for Economic Progress

ATTACHMENT D

LEGACY AND COMMUNITY-SPECIFIC AUTHORIZATIONS

TO

AMENDED AND RESTATED MOVING TO WORK AGREEMENT BETWEEN

U.S. DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT

AND

KING COUNTY HOUSING AUTHORITY

This Attachment D describes and authorizes activities which may be implemented by the King County Housing Authority (the "Agency") pursuant to the Amended and Restated MTW Agreement between the Agency and HUD dated _____, which together with any and all attachments, exhibits, and appendices thereto is hereinafter referred to as the "Amended and Restated Agreement." Notwithstanding any other provision of this Amended and Restated Agreement the Agency is authorized as follows:

A. USES OF MTW FUNDS

The Agency and HUD acknowledge that Section 204(a) of the Omnibus Consolidated Rescissions and Appropriations Act of 1996 (Pub. L. 104-134) provides that an agency participating in the MTW demonstration program may combine public housing operating and capital funds provided under Section 9 of the U.S. Housing Act of 1937 (the "1937 Act") and voucher program funds provided under Section 8 of the 1937 Act "to provide housing assistance for low-income families, as defined in section 3(b)(2) of the 1937 Act, and services to facilitate the transition to work on such terms and conditions as the agency may propose and the Secretary may approve."

The Agency and HUD further acknowledge that the terms of the agreement under which the Agency participated in the MTW demonstration program prior to the Amended and Restated MTW Agreement (the "Original MTW Agreement") did not state that the use of such combined public housing operating and capital funds and voucher program funds (collectively, "MTW Funds") was restricted to those uses specified in Sections 8 and 9 of the 1937 Act.

The Agency and HUD hereby agree that they do not intend for the Amended and Restated MTW Agreement to limit or restrict the authority to use MTW Funds as provided by the Original MTW Agreement, that notwithstanding any language to the contrary, those provisions in this Agreement or its attachments that restrict the use of funds to Sections 8 and 9 are repealed, and the Agency may use MTW Funds to provide housing assistance for low-income families, as defined in section 3(b)(2) of the 1937 Act, and services to facilitate the transition to work, whether or not any such use is authorized by Sections 8 or 9 of the 1937 Act, provided such uses are consistent with other

requirements of the MTW statute [i.e., including but not limited to the requirements to maintain a comparable mix of families and serve substantially the same number of families as would have been assisted if the Agency were not in the MTW demonstration, assuring that housing assisted under the demonstration meets housing quality standards established or approved by the Secretary, that at least 75 percent of the families assisted be very low income families, that the agency has established a reasonable rent policy that is designed to encourage employment and self-sufficiency by participating families, that the requirements of sections 12 of the 1937 Act are applied to any housing assisted under the demonstration other than housing assisted solely because of occupancy by families receiving tenant-based assistance, and that Section 18 of the 1937 Act shall continue to apply to public housing notwithstanding the use of any use of the housing under the demonstration] and have been proposed in an Agency's Annual MTW Plan and approved by HUD.

Notwithstanding the above, such funds remain Federal funds, and are subject to any and all other Federal requirements outside of the 1937 Act (e.g., including but not limited to Appropriations Acts, competitive HUD notices of funding availability under which the Agency has received an award, state and local laws, Federal statutes other than the 1937 Act, and OMB Circulars and requirements), as modified from time to time.

B. Administrative Issues.

1. Unless otherwise provided herein, the authorizations apply to all of KCHA's public housing assisted units (including KCHA-owned properties and units comprising a part of mixed-income, mixed finance communities), tenant-based Section 8 voucher assistance (hereinafter referred to as the "Housing Choice Voucher program"), Section 8 project-based assistance under Section 8(o) and Homeownership units developed using Section 8(y) voucher assistance.
2. Nothing in the Amended and Restated MTW Agreement is intended to restrict KCHA's authority, rights or benefits as a public housing agency under the 1937 Act, as amended, or under other federal requirements, or to limit KCHA's ability to implement programs and policies under MTW to the same extent that KCHA could do so if it were not an MTW participant.
3. Suspension of Current Evaluation and Reporting Requirements:

KCHA is designated a high performing agency under the current Public Housing Assessment System (PHAS) regulation. KCHA will continue its designation as a high performing agency until such time as the Department adopts a new PHAS regulation and KCHA can be fully scored under that regulation. At that time KCHA will no longer be designated a high performer. Thereafter, should KCHA wish to obtain high performer status, it must elect to be scored under the new PHAS regulation. KCHA may propose an alternative evaluation methodology in lieu of the PHAS regulation for approval by the Department. Such a methodology

shall at a minimum incorporate the indicators set forth in Section 6(j) of the 1937 Act, and shall utilize a third party to assess performance.

4. KCHA's implementation of a Local Asset Management program as authorized through participation in the MTW demonstration shall not negatively impact the Agency's Stop Loss status.
5. Adoption of State of Washington Investment Policies.
The Agency is authorized to adopt State of Washington Investment Policies that will allow the Agency the flexibility to invest its financial resources productively and efficiently, provided that these policies are consistent with applicable federal law and OMB circulars. The Agency shall invest only in securities authorized under the Washington State Housing Authority Law (RCW 35.82.070(6)).

C. Authorizations Related to Both Public Housing and Section 8 Housing Choice Vouchers.

1. Single Fund Budget with Full Flexibility
Amendments No. 1 and No. 2 to the Original MTW Agreement are hereby incorporated by reference into this Restated and Amended MTW Agreement as if set forth fully herein and shall be conformed to and interpreted in a manner that gives effect to their original intent in the context of this Restated and Amended MTW Agreement. In addition to the authorized uses of funding, including, without limitation, those specified in Section B.1.b of Attachment C to the Restated Agreement, the following actions are authorized:
 - a. Direct funding of resident and/or participant services including youth tutoring, case management, arts programs, resident councils, Section 3 business development, drug/alcohol prevention, intervention and treatment services to reduce drugs and drug-related criminal activity among program participants and to encourage community involvement, strengthen families, increase school performance and self-sufficiency of resident and/or participant households.
 - b. The operation, acquisition or preservation of locally developed housing programs.
 - c. Subject to HUD approval, KCHA is authorized to explore and implement project-based funding methods that more closely conform to private sector management models.
 - d. The Agency may maintain a reasonable operating reserve and replacement reserve consistent with sound public and private housing management practices. The Agency may pledge its future funding streams to obtain public and private financing, realizing that all future funding streams are subject to federal appropriations. The Agency may also mortgage its assets, subject to prior HUD approval on a case-by-case basis. HUD has an obligation to ensure that the projected benefits of such transactions exceed the risk to public housing assets.

- e. To acquire, develop and rehabilitate housing for low-income households, the Agency is authorized to borrow funds, including from its internal resources, amortize that debt in accordance with the prevailing interest rate, and earn interest on the loan at that rate.

2. Energy Performance Contracting.

- a. The Agency may, without prior approval from the Department, modify the current energy performance contract or enter into new performance contracts with Energy Service Companies (ESCOs), also called Energy Service Agreements (ESAs), and determine the terms and conditions of energy performance contracts, provided that, with respect to each contract, (i) the term does not exceed 20 years, and (ii) and the Agency maintains adequate file documentation demonstrating EPC performance. The Agency may also function as its own ESCo, provided that any financing complies with requirements (i) and (ii) of this paragraph. However, in agreeing to forego said prior approval, the Agency agrees that no security interest or physical encumbrance shall be placed on public housing property or public housing assets as part of any modified or future performance contract. If such a security interest or physical encumbrance is proposed, the Agency shall seek prior approval from the Department for said performance contract.
- b. The Agency is authorized to pledge its reserves or other funds for use during the term of the MTW demonstration to guarantee the payment of debt service in the event that projected energy savings are not adequate to cover the debt service costs for an energy conservation project undertaken during the term of the MTW demonstration. However, any action taken by the Agency in conjunction with a pledge of its reserves or other funds shall contain the following statement: "The Agency's obligations are not obligations of or guaranteed by HUD or the United States of America. No action taken pursuant to these documents shall result in any liability to the federal government. The Agency is solely responsible for such obligations and it makes such obligations at its own risk."
- c. In the event that the EPC(s) extends beyond the term of the MTW agreement, the Department reserves the right to determine reporting requirements for purposes of calculating Operating Subsidy. Where the EPC(s) extends beyond the term of the MTW Agreement, the rolling base consumption level for the project and utilities involved may be frozen for the entire term of the approved EPC(s), pursuant to 24 C.F.R. 990.185.
- d. EPC Reporting Requirements: For any EPC(s) in existence prior to the execution of this agreement, KCHA is authorized to utilize existing reporting requirements in lieu of those outlined in this section. For EPC(s) entered into after the execution of this Restated Agreement, each year the Agency shall report on the performance in its Annual MTW Report as described herein.

Reporting requirements include an audited consumption baseline and an annual measurement and verification of cost and consumption savings report. In addition, the Annual MTW Report will include the following data elements for each asset management project (AMP), by project number:

15. What Types of Energy Conservation Measures were installed at each AMP site.

Annual Reporting Requirements:

1. What is the Savings per unit;
2. What is the Savings per project (AMP);
3. Public Housing and Section 8 Transfer Policies.
Subject to Section 18 of the 1937 Act, KCHA is authorized to develop and adopt resident transfer policies that will govern transfers, including transfers between

the public housing and Section 8 programs. To the extent that it is not consistent with the 1937 Act or implementing regulations, the Agency shall identify the section of the Statute or implementing regulations that would be waived to implement this provision.

D. Authorizations Related to Public Housing Only.

1. Simplification of the Development and Redevelopment Process for Public Housing.

With HUD's prior approval, KCHA is authorized to develop and utilize a streamlined process for receiving HUD approval for mixed finance agreements and partnerships. For example, KCHA may submit for HUD approval, a model set of regulatory and loan documents that incorporate HUD's critical statutory and policy requirements for affordability and operations. If approved as to form, these documents may be used for applicable project financing efforts. With HUD's approval, KCHA will be authorized to self-certify such transactions within appropriate threshold levels and will not be required to receive HUD's prior approval before executing these transactions.

2. Subject to HUD approval, KCHA is authorized to develop local procedures and policies regarding the viability, best use and/or conversion of public housing developments in relation to current and projected site and market conditions, in lieu of HUD regulations or other requirements of the U.S. Housing Act of 1937.
3. Consistent with Section A., above, the Agency may use MTW funds to support and may authorize or license social service agencies to operate programs that provide assisted housing and social services to eligible residents in public housing property.

E. Authorizations Related to Section 8 Housing Choice Vouchers Only.

1. Development of a Local Program for Project-Based Section 8 Housing Choice Vouchers.

In lieu of authorizations of Attachment C, Sections D.7.a and D.7.b, KCHA is authorized to develop, adopt and implement reasonable local policies, processes and documents for project basing and administering the MTW portion of its Section 8 HCV vouchers, including but not limited to, the following:

- a. KCHA is authorized to project-base Housing Choice Voucher assistance at otherwise non-subsidized units controlled by KCHA that meet HQS standards without limitation as to the number of units that may receive project based assistance in a given building.

- b. KCHA is authorized to establish a reasonable competitive process and contract terms, including the length of the contract, for project-basing Housing Choice Voucher assistance at units owned by non-profit entities provided such units meet existing Housing Quality Standards, or any standards developed by KCHA and approved by HUD pursuant to the requirements of this Restated Agreement. KCHA will implement these competitive processes in accordance with Part 85 and existing HUD waivers.

KCHA shall be authorized to continue developing and implementing policies and procedures for project-basing MTW block grant funds in a manner that is similar to but may differ from the 1937 Act statute and requirements regarding the project-basing of Housing Choice Vouchers. Such program policies may include, without limitation, the following authorizations:

- a. KCHA may award Project Based assistance to agencies and have them, in turn, identify an owner with whom KCHA will contract.
- b. KCHA may revise the manner in which advertising and solicitation is performed and how awards are publicized.
- c. KCHA may allow for project-specific wait lists and/or take agency referrals rather than establish wait lists for special needs and homeless housing.
- d. KCHA is not required to take applicants directly off the Section 8 wait list or advertise the availability of project based wait lists to applicants on the Section 8 wait lists.
- e. KCHA may allow for unique preferences and occupancy standards to be established for each of its project based programs.
- f. KCHA is not required to offer continuing subsidy to participants leaving project-based units.
- g. KCHA may allow use of project-based subsidy for transitional housing.
- h. KCHA may establish unique payment standards for project based programs and may allow project-based rents to exceed tax-credit rents.
- i. KCHA may provide project-based assistance in another jurisdiction under an agreement with another agency.
- j. KCHA may allow project-based rules to mimic those of other government operating/rental subsidy sources in the case of developments with mixed financing and when project based subsidy is assigned to a former KCHA public housing development.

2. Section 8 Housing Choice Voucher Operational Policies and Procedures.

In addition to the Section 8 Housing Choice Voucher operational policy and procedure authorizations specified in Section D.1 of Attachment C to the Restated Agreement, the following authorizations will be allowed:

- a. KCHA is authorized to determine basic operational policies for Section 8 vouchers not included in the MTW Block Grant, provided that (i) the policies are consistent with the authorizations specified in the Restated Agreement and

Section D.1 of Attachment C; as long as under all circumstances KCHA ensures that (ii) the targeting to priority populations and reporting requirements of such special purpose vouchers as stipulated by the terms under which the original funding was appropriated are maintained. For example, vouchers awarded under the VASH and Mainstream program will continue to be targeted to populations stipulated under the funded ACC and KCHA will continue to maintain program reporting in accordance with the funding award; and (iii) to the extent that any such policy changes result in an increase in program costs, such costs shall be paid with MTW block grant funds and shall not result in any increased costs to HUD.

- b. KCHA may develop and adopt Family obligations under its Local Leased Housing program. To the extent that they are not consistent with the 1937 Act or implementing regulations, the Agency shall identify the section of the Statute or implementing regulations that would be waived to implement this provision.
- c. KCHA may develop and implement a shopping incentive policy.

**FIRST AMENDMENT
TO THE
MOVING TO WORK AGREEMENT**

This First Amendment to the Moving to Work (MTW) Agreement (“Agreement”) is entered into by and between the United States of America through the U.S. Department of Housing and Urban Development (“HUD”) and King County Housing Authority (Agency”) and is effective as of the effective date of the MTW Agreement, as defined below. Unless otherwise defined herein, all capitalized terms used herein shall have the same meanings ascribed to them in the Agreement.

AGREEMENT

1. **Termination.** Termination of the Agreement by HUD in accordance with Section IV of the MTW Agreement may only occur in accordance with the default and cure provisions of Section VIII of the Agreement, as modified by this First Amendment. The second sentence of Section VIII of the Agreement is deleted and replaced with the following: “HUD will give the Agency written notice of any default which shall identify with specificity the measures which the Agency must take to cure the default.”

2. **Remedies and Due Process.** HUD must follow all applicable statutory and regulatory requirements relating to any defaults and enforcement actions pertaining to this Agreement.

3. **Evaluation of MTW Demonstration.** If developed by HUD, HUD’s evaluation plan for the MTW Demonstration may be reviewed by the Agency in advance of implementation by HUD. The Agency has thirty (30) days to review the evaluation criteria and any objections to the evaluation will be forwarded to HUD for further consideration.

4. **Extension of Successful Demonstration Initiatives.** HUD will consider extending successful demonstration activities beyond the term of the MTW demonstration where legally permissible. To the extent that MTW activities will not continue past the term of the demonstration, the Agency shall fully cooperate with HUD in developing and implementing a transition plan for terminating the Agency’s MTW demonstration program and providing for the continued administration of the public housing and Section 8 programs, as applicable.

5. **Section I.E.** Section I.E. of the Agreement is deleted.

6. **Local Asset Management Program Within MTW.** Section II.F. of the Agreement is deleted and the following is substituted in lieu thereof:

F. Local Asset Management Program.

1. The Agency may design and implement a local asset management program for its Public Housing Program and shall describe such program in its Annual MTW Plan (or in its Annual MTW Report, if the Agency deems it appropriate). For purposes of this

Agreement, the term “Public Housing Program” means the operation of properties owned or subsidized by the Agency that are required by the U.S. Housing Act of 1937 (42 U.S.C. 1437, et seq.) to be subject to a public housing declaration of trust in favor of HUD. The Agency’s local asset management program shall include a description of how it is implementing property-based management, budgeting, accounting, and financial management and any deviations from HUD’s asset management requirements, as described below. The Agency may use the Annual MTW Report to provide information on asset management fees, including documentation in support of fees, allocation methodologies, indirect cost rates, and related items in support of the Agency’s local asset management program for its Public Housing Program. The Agency agrees that as part of its local asset management program it will adopt cost accounting and financial reporting methods that comply with OMB Circular A-87 (regarding cost allocation, and hereinafter, “A-87”), OMB Circular A-133 (regarding audit requirements), and generally accepted accounting practices (“GAAP”).

2. HUD and the Agency agree that the following principles and understandings apply to the Agency’s local asset management program for its Public Housing Program:
 - a. Costs incurred by the Agency under this Agreement must be necessary and reasonable, meet the statutory objectives of the MTW program, and be consistent with the single-fund budget authority described in this Agreement.
 - b. Under A-87, there is no universal rule for classifying costs as either direct or indirect. A cost may be direct with respect to some specific service or function, but indirect with respect to the final cost objective.
 - c. Costs shall be accorded consistent treatment. A cost may not be assigned as a direct cost if any other cost incurred for the same purpose in like circumstances has been allocated as an indirect cost; each item of cost will be treated consistently in like circumstances as either a direct or indirect cost.
 - d. Costs shall be determined in accordance with GAAP.
 - e. Costs must be adequately documented, as agreed upon by HUD and the Agency.
 - f. Requirements under 24 CFR 990.280 (b) (5) and other HUD guidance pertaining to excess cash flow for purposes of fungibility among projects will not apply to the Agency. The Agency will retain full authority to move MTW funds and project cash flow among projects, without limitation, under its local asset management program.
 - g. The Agency agrees that in designing its local asset management program for its Public Housing Program, it will use HUD’s asset management requirements (such as the chart of accounts, balance sheet, and direct/indirect cost determinations) as a starting point; provided, however, that the Agency may, in its discretion, deviate from such requirements if it describes such deviations and the reasons for such deviations in its local asset management program.

The cost allocation plan along with the indirect cost rate shall be described in the local asset management program. The Agency agrees to justify the indirect cost rate established and that the Annual Audit shall include a review and test of the rate's reasonableness.

5. **Establishment of Cost Objectives under MTW**

- a. **Multiple cost objectives.** If the Agency establishes multiple cost objectives (such as separate cost objectives for public housing properties, vouchers, capital funds, and services) under its MTW agreement, it may elect to use a fee-for-service methodology for one objective and an indirect cost rate methodology for other objectives, provided that the same cost objective may not use both a fee-for-service and a cost allocation/indirect cost rate methodology.
- b. **Option for a Single Cost Objective.** In accordance with A-87, the Agency may propose in the Annual MTW Plan that its MTW program is a single cost objective and may establish a cost accounting plan that uses a single indirect cost rate for the entire MTW program, which may include operating funds provided for the Public Housing Program. In doing so, the Agency agrees to provide a description of the cost accounting plan as part of its local asset management program, including how the indirect cost rate is determined (such as the grouping of costs and distribution base), and how that rate is applied across major functions. Use of such a single cost objective is subject to the Annual MTW Plan or Report approval process.

7. **Financial Reporting.** The Agency agrees to describe how it has assigned costs as part of its local asset management program in its Annual MTW Plan. The Agency agrees that irrespective of the cost accounting method selected above, a project-level accounting system will be used to track costs at the asset management property level. Any differences between the local asset management program and HUD's asset management requirements will be described in its Annual MTW Plan and Report in order to facilitate recording of actual property costs and submission of such cost information to HUD.

The Agency agrees to submit information to HUD through the following reporting systems, provided that HUD, in cooperation with the Agency, shall modify such systems, as necessary, so that they are capable of accepting reports from the Agency, as to both form and content, in a manner that is consistent with the Agency's authorizations under this Agreement and with the implementation of MTW:

- (a) PIH Information Center (PIC);
- (b) Voucher Management System (VMS);
- (c) HUD Financial Data Schedule (FDS) on an annual basis; and
- (d) The Annual Audit, with necessary supplemental schedules.

All such reporting shall be to the extent necessary for the Agency to report MTW activities consistent with the MTW Agreement. Should a report not be modified for MTW the Agency will continue to submit information through the Annual MTW Plan and Report.

The Agency may, in satisfaction of the annual audit requirement, submit its independently audited Comprehensive Annual Financial Report (CAFR), prepared consistent with its MTW financial structure and GAAP, and including supplemental un-audited balance sheets and income and expense statements for public housing properties.

All reporting under this section shall be subject to and shall not interfere with the Agency's right to combine and use public housing operating funds, public housing capital funds, and Section 8 voucher funds for the activities and in the manner described in the MTW Agreement.

HUD shall not limit through any asset management requirements or otherwise, including through any other provision of this Addendum or the MTW Agreement to the extent there is a conflict with this Attachment D, the Agency's ability (as provided in the MTW Agreement), to use a single fund budget as an authority-wide funding source for MTW activities.

8. Other Reporting.

Annual Plan and Report Under Attachment B. HUD affirms that it has obtained Office of Management and Budget ("OMB") approval for the information collection currently required by Attachment B to the Agency's Original MTW Agreement (HUD Form 50900, OMB Control Number 2577-0216; and hereafter, "Original Attachment B"). The Agency is not required to use the Attachment B to this Agreement (hereafter, "Revised Attachment B"), until such time as HUD has obtained approval from OMB of such Revised Attachment B.

Subject to the paragraph immediately above, the Agency agrees to submit information in accordance with Revised Attachment B for the fiscal year following such OMB approval; provided, however, that:

- i. if OMB does not approve a Revised Attachment B at least 120 days prior to the date for submission of the MTW Plan, then the Agency may defer compliance with Revised Attachment B until submission of the Annual MTW Plan and Report in the subsequent fiscal year;
- ii. the Annual MTW Report for a given fiscal year will use the same form of Attachment B as was used for that fiscal year's Annual MTW Plan; and
- iii. the Agency and HUD agree to use the first submission of Revised Attachment B to identify any problems and potential improvements in its use, as to both form and substance, and that HUD and the Agency will work together to modify Revised Attachment B, as necessary, in order to improve it as an information tool for subsequent fiscal years. The Agency and HUD further agree that Revised Attachment B may require modifications in subsequent years of the MTW Agreement and that HUD will facilitate a process to solicit comments from the Agency and modify Revised Attachment B as necessary.

CFDA Number. HUD affirms that it has received a Catalog of Federal Domestic Assistance ("CFDA") number from OMB for the MTW program. HUD will create a corresponding compliance supplement to assist auditors in performing the required audits of the Agency. HUD will develop such compliance supplement in consultation with the Agency and shall direct, and hereby does direct, any auditor of the Agency to consider such supplement and other related

supplements and OMB Circulars in determining the compliance requirements that could have a direct and material effect on the Agency's participation in the MTW program. The MTW compliance supplement issued by HUD shall have an effective date that provides the Agency with sufficient notice for implementation.

IN WITNESS WHEREOF, the parties have caused this First Amendment to be executed by their duly authorized representatives.
