

# Maryann D. Dantzler

---

Ms. Dantzler is an Assessment Manager in the Finance Division of REAC. She has over a year of experience as a REAC financial analyst and seven years of experience in auditing government programs, financial statements, and contracts. She also has experience in the preparation of financial statements and budget formulation and implementation.

As an auditor in the Office of the Inspector General for the Department of State, the U.S. Agency for International Development, and the Resolution Trust Corporation, Ms. Dantzler was responsible for conducting financial statements, contracts, and program audits. She assessed management controls, designed survey and audit programs, and researched background information pertaining to audits. She interviewed high-ranking officials and program officers of several government agencies and executives of private sector companies working in the international business industry. Ms. Dantzler wrote findings outlines, analyses, and audit reports as well as making recommendations to management to improve its operations.

Ms. Dantzler has a Bachelor's Degree in Accounting and a CPA in the Philippines.
