

Felicia D. Denman

Ms. Denman is a Financial Analyst in the Finance Division of REAC. She has extensive experience working with a variety of Public Housing Authorities under the supervision of a REAC Assessment Manager. Prior to joining HUD Ms. Denman worked as an accounting technician for eight years with the United States Air Force. She has participated in Governmental GAAP, GAAP Research and PHA GAAP training conducted by George Washington University and KPMG. Felicia was an active participant in REAC's pilot testing project of the FASS Releases 3.0 and 3.0.1 and has become proficient in the submission and analysis of financial information.

Ms. Denman has a Bachelors Degree in Business Administration and will be a CPA candidate.
