Please check the following items that are applicable to you.

- 1. High school education or equivalent;
- 2. Specific technical knowledge in major building trades used in residential construction, including foundations, structures, framing, roofing, plumbing, heating, air conditioning, heating, interiors, insulation, property grounds, swimming pools, and all associated items.
- 3. General personal computer knowledge and skills utilizing Windows 95, or later version, office productivity software, and internet communication;
- 4. Three years experience in performing physical inspections of occupied multi-family properties. This may include experience as a construction inspector of multifamily real estate properties, commercial and medical facilities for determining compliance with construction requirements and/or as a superintendent of construction of a builder of multifamily properties, or have a record of performing acceptable multifamily property inspections.

- Resume with references (should reflect the above information)
- Photos (Digital or Hard Copy)

I certify that to the best of my knowledge, the above personnel information is true and accurate. I further acknowledge that any willful fictitious or fraudulent statements may result in fines or imprisonment or both pursuant to 18 U.S.C. 1001, 1010, or 1012v.
