

# Cheong S. Underwood

---

Ms. Cheong Underwood is a Financial Analyst in the Finance Division of REAC. She has worked in the Financial Management Division of over eighteen years. As a lead Budget Analyst with the Department of the Army, Cheong's responsibilities were to plan and carry out work in all phases of budget administration, including budget formulation and execution. As a Senior Accountant and Certifying Officer with the Department of Labor, Cheong served as principal advisor to that agency's Financial Manager. Currently, as an Auditor in the Real Estate Assessment Center of the Department of Housing and Urban Development, Cheong is responsible for reviewing audited and unaudited financial data along with other financial and compliance reports submitted by the PHAs.

Ms. Underwood has a Bachelors Degree in Accounting.
