BUILDING

PENNSYLVANIA

Northern Appalachian Research

Laboratory

176 Straight Run Rd.

Wellsboro PA 16901

Landholding Agency: GSA

Property Number: 54202610003

Status: Surplus

GSA Number: PA-1176-AA

Directions:

The laboratory building houses heavy, specialized laboratory equipment, much of which appears to be difficult to remove. The laboratory presents multiple possible safety hazards that could make it inappropriate for homeless use.

Reasons:

Documented Deficiencies-Contamination

Comments:

The wet lab contains oversized drainage channels covered by wide, industrial grates that are not secure for walking or standing.
