CNA e-Tool P282 Release

**U.S. Department of Housing and Urban
Development**

November 25, 2025

System-Wide Terminology Refresh (Release Date: 11/25/2025):

Terminology throughout the eTool has been updated to improve clarity and ensure consistent naming conventions. This refresh enhances user understanding and aligns system terminology across modules.

Revised Severity of GR Flag (Release Date: 11/25/2025):

The severity of the existing GR validation flag has been revised to a warning level. This adjustment allows users to continue their work while still being made aware of potential issues.

Copy-Paste Function Enhancement (Release Date: 11/25/2025):

The copy-paste function has been updated to support editable Standard EUL input. This enhancement ensures alignment with UI functionality and promotes consistency across the application.

508 Standard Compliance Update (Release Date: 11/25/2025): In this release, we enhance section 508 compliance:

- Added accessible names to 11 elements on the Components/Alternatives/Recs page to meet Section 508 requirements and improve screen reader support.
