CNA e-Tool P282 Release

**U.S. Department of Housing and Urban
Development**

March 26, 2026

Release Date: 3/26/2026

This release includes the following updates to enhance system performance and usability.

The application framework, Spring Boot, has been upgraded from version 2.7.2 to 3.5.9, and the application servers have been upgraded to JBoss Enterprise Application Platform (EAP) 8 to improve stability, security, and maintainability. The Reserve for Replacement data export function has been enhanced to match the data displayed on the page. Additionally, tooltips have been added to the STD EUL field on the Components, Alts & Recs page, providing brief descriptions to guide users during data entry.
