Shin, Gloria	01/03/2024	I'm sending a request under FOIA. I reached out to HUD with discrimination claims in 2021. I spoke with someone on the phone where I got the sense it wasn't being taken very seriously. I was told what would happen would be an interview style questioning to accused persons. DeJohn, Amber	01/04/2024	HUD Headquarters Attn: Deborah R. Snowden Office of the Executive Secretariat U.S. Department of Housing and Urban Development 451 7th St. SW, Room 10139 Washington, DC 20410 Dear Ms. Snowden: My colleagues and I are researching changes in HUD counseling services to assess how these services are changing over time concomitantly with access to high-speed internet providers. Our hypothesis is that some communities may face precarious access to counseling services as resources are shifted to online e-government, and suspect this will have an impact on foreclosures. We intend to look at a ten-year period, 2008-2018, as a sample size by which to assess the efficacy of HUD counseling in preventing foreclosures. As such, pursuant to the Freedom of Information Act, I hereby request the following records: 1) Any documents reflecting the following information: a. The physical office locations of HUD counseling services nationwide from 2008-2018 at the site level (e.g., latitudes and longitudes) 2) Any documents which provide a list of counseling services offered by HUD from 2008-2018, and the beginning (or end) date of their availability 3) Any documents which provide a list of service modalities for counseling services offered by HUD (e.g., by phone, in person, in groups) from 2008-2018 To our knowledge, HUD already publishes current data of the above. However, historical data would allow us to test our theories. In order to help determine my fee requestor status, I am an Assistant Professor at Florida State University in the Department of Geography and Public Health, and I am seeking these documents for my academic research purposes. These records are not for commercial use. I would also like to request a waiver of all fees in that the disclosure of the requested information is in the public interest and will contribute significantly to the public's understanding of how e-government services interact with the digital divide to influence mortgage outcomes. Should you find that fees are still applicable, however, I ask that you notify me in advance of providing the documents, and include the amount owed. The Freedom of Information Act requires a response to this request within twenty business days. If access to the records I am requesting will take longer than this amount of time, please contact me with information regarding when I may expect to receive the documents I have requested. I request that responsive records be provided in an electronic format via email. Should you deny any or all of this request, please cite each specific exemption you feel justifies such a refusal and notify me of the appeal procedures available to me. Thank you for your consideration of this request. I sincerely appreciate your time and assistance. If I can be of assistance in clarifying this request, please do not hesitate to contact me. Womack, Mellissa	01/26/2024	I would like the regulation and manual for the section of HUD that determines how long discrimination investigations are to take. For example, a discrimination investigation should take no longer than 2 years. That is the only document that I am requesting, and it should be minimal pages. This could be just one page.	24-FI-HQ-00488	01/26/2024	Other Reasons - Request Withdrawn

Ingrams, Alex	01/29/2024	To Whom It May Concern, I would like to access the public comments submitted as part of HUD's regulatory proposal in the docket numbers FR-4727-P-01, HUD-2019-0044-0001, HUD-2020-0011-0001, HUD-2020-0017-0001 and HUD-2020-0047-20484. 1. FR-4727-P-01 As part of the proposed rule, 'Real Estate Settlement Procedures Act (RESPA): Proposed Rule To Simplify and Improve the Process of Obtaining Mortgages and Reduce Consumer Settlement Costs', HUD invited public comments in 2002. According to the docket information on regulations.gov, there were 1,228 public comments received. However, only 1,110 were made public on regulations.gov. That means that 118 public comments are missing. 2. HUD-2019-0044-0001 As part of the proposed rule, 'Housing and Community Development Act of 1980: Verification of Eligible Status', HUD invited public comments in 2019. According to the docket information on regulations.gov, there were 30,450 public comments received. However, only 10,790 were made public on regulations.gov. That means that 19,660 public comments are missing. 3. HUD-2020-0011-0001 As part of the proposed rule, 'Affirmatively Furthering Fair Housing', HUD invited public comments in 2020. According to the docket information on regulations.gov, there were 19,561 public comments received. However, only 1,510 were made public on regulations.gov. That means that 18,051 public comments are missing. 4. HUD-2020-0017-0001 As part of the proposed rule, 'Equal Participation of Faith- Based Organizations in HUD Programs and Activities: Implementation of Executive Order 13831', HUD invited public comments in 2020. According to the docket information on regulations.gov, there were 2,495 public comments received. However, only 503 were made public on regulations.gov. That means that 1,992 public comments are missing. 5. HUD-2020-0047-20484 As part of the proposed rule, 'Making Admission or Placement Determinations Based on Sex in Facilities Under Community Planning and Development Housing Programs', HUD invited public comments in 2020. According to the docket information on regulations.gov, there were 66,399 public comments received. However, only 20,480 were made public on regulations.gov. That means that 45,919 public comments are missing. I understand that there are often good reasons for withholding some comments (e.g., duplicate comments, silly comments, obscene comments etc). However, I would like to see the original missing comments to understand better what those comments contained. I am a U.S. citizen but I currently work at Leiden University in the Netherlands where I am carrying out research on the regulatory public comments process in the US federal government. I would be grateful if you could share the public comments with me in an electronic file such as a PDF or an excel document. If preferable, I can also receive hard copies of the files to my address in the United States that I include with this FOI request. I do not need to receive all of the comments but just the missing ones. If it is not possible to separate the missing from the total then I would also happily receive the total number of comments. Sincerely, Alex Ingrams	24-FI-HQ-00895	-	-

Sagert, Jacob	01/29/2024	Dear FOIA Officer: Pursuant to the Freedom of Information Act (FOIA), 5 U.S.C. § 552, and the implementing regulations of your agency, the American First Policy Institute (AFPI) makes the following request for records. FOIA requests have disclosed that the Biden Administration is directing all agency political appointees to participate in DEIA (Diversity, Equity, Inclusion, and Accessibility) training sessions. Acquired records, specifically from the NLRB, have shown that these DEIA training sessions, along with internal email correspondence, have included policy guidance regarding "Respect for Transgender, Nonbinary, and Gender Nonconforming People"; the "Use of chosen/correct names in Agency systems"; "Onboarding"; "Forms"; "Training"; "OM Memo[s]". These uncovered records (can be provided upon request), along with the Biden administration's express commitment to the federal government-wide implementation of DEIA principles through E.O. 13988 of January 20, 2021 (Preventing and Combating Discrimination on the Basis of Gender Identity or Sexual Orientation)? and E.O. 14035 of June 25, 2021 (Diversity, Equity, Inclusion, and Accessibility in the Federal Workplace) serve as the impetus for AFPI's desire to seek records relating to gender identity and/or sexual orientation DEIA sessions to shed light on the role of DEIA, specifically as it relates to gender identity and/or sexual orientation in the federal government under the Biden Administration, as well as political appointees' management priorities and the potential subsequent measures that are taken by management when federal employees are deemed to have violated gender identity and/or sexual orientation policy. Further evidence of the Biden administration's commitment can be found in the U.S. Department of Health and Human Services (HHS) as it has told its employees that it was imposing a gender pronoun mandate as part of its new Gender Identity Non-Discrimination and Inclusion Guidance: https://www.hhs.gov/about/news/2023/07/11/hhs-issues-proposed-rule-advance-non-discrimination-health-human-service-programs-lgbtqi-community.html ; YouTube video announcing HHS' new Gender Identity Non-Discrimination and Inclusion Guidance: https://www.youtube.com/watch?v=Zm3p1nKTPs8 . I'm ordering a title report to get recorded document timeline of each recorded documents. There are two assignments to Selene that cloud quashing each other out. The house is owned by (b)(6) (b)(6) my friend I'm helping to gather as much information as I can. The law firm is confused who the servicer is theirselves, why they didn't mention Selene to start with and never provided a proof of claim showing interest rate or anything, how I know they lie who they represent. I can get documentation, I was trying to get in writing if you dealt with US Bank Trust NA show what capacity of power to foreclose they have only being a MBS holder of securities not a lender? Lundin, Bruce	01/30/2024	I am requesting *specific rental records*(from a business)of a vacation home that I rented from Wischis-Florida.com LLC (a real brick & mortar business in Florida)from 1/15/2023-4/15/2023. On 2/9/2022, I used my Mastercard to pay the required 20% downpayment of (b)(6) On 12/27/2022, I was severely injured in a fall, where I suffered a severe Brain Bleed, and fractured 2 vertebrae in my spine. I spent a week in Critical Care at Munson Medical Center in Traverse City Michigan. I was released wearing a full neck and full body brace and given orders to not drive a car and receive mandatory 24-hour attendant care for 4 months. My family drove me to Chicago, where I had constant observation, driver to Dr. appointments, etc. I made plans to have a family member drive me to, and stay at the rental home, but was then informed that I was not allowed to be in a car for long distances, as my bones were healing. After learning this, between 1/8 to 10/2023, I called the agency to ask them to re-rent the home, and to release me from my contractual obligation, and they did, (they claim)for all but 5 un-rented days. Other than that first phone call, all correspondence was email. Their contract states that deposits are non-refundable, however, on line 23 it states(about re-renting the dates I contracted)." If we succeed, the amount to be paid by you decreases accordingly". The agency has refused to acknowledge this admittance in their contract and reimburse my deposit (minus the 5 days and a couple of other items). I need * legal business copies that provide proof of the days re-rented in my contract to use as evidence so that I may sue them in Small Claims court to prove they "double-dipped" by taking my money and the re-renters money for the same days. I am requesting the dates from 1/15/2023 to /4/15/2023- without them, I don't have a case. From what I've heard from BBB and other gov't agencies, this practice of ripping off seniors who fall into this predicament is common. Note: I have asked for these documents and tried tirelessly to work with this agency to solve this but they refuse.	24-FI-RO4-00963	02/05/2024	Other Reasons - Not Agency Record

I'm not interested in playing games or delaying the proceedings any further. I demand that you provide the requested information immediately or I will file a formal complaint and seek legal action. Additionally, I find it concerning that when I called to ask for the individual who sent me the letter, I was told that they never worked there. Baracker, Robert	02/12/2024	This letter is to submit a FOIA request regarding my discrimination complaint submitted and received by (b)(6) Office of Fair Housing, in April of 2023. On June 8, 2023, (b)(6) advised me that he was submitting my complaint for review and signature to investigation staff. My last communication with (b)(6) was a December 04, 2023, e-mail (copy attached) requesting a status report of progress on complaint along with submission of questions regarding investigation activities. I have made numerous requests for status of complaint per HUD's investigation template "IN THE LOOP" provision with no responses from your offices. Therefore, this is why I am submitting this request under the provisions of "FREEDOM OF INFORMATION ACT REQUEST". Specifically, I am requesting a status report of my discrimination complaint submitted by Mt. Harvey to investigation staff and responses to my questions raised in the December 04, 2023, request to (b)(6). In reading the regulations I understand HUD has up to a year to conduct the investigation. My concern is that one year is approaching and I have not even been interviewed nor have any responses to my inquiries regarding the status of complaint investigation been provided. While I await HUD investigation of my complaint I and my family (all Native Americans) have lost use of our home and property due to third party harassment by an Elk Park Meadow's Home Owners Association member and the HOA Board of Directors. The HOA Board of Directors refused to enforce bylaws and restrictive covenants against an Association member who threatened me and a quest (also Native American) with physical assault and intimidation with discharge of firearm. I filed two complaints with the HOA who not only had a responsibility to act but also had the authority to effect corrective action. The HOA Board's lack of action was reprisal for being implicated in the illegal construction of an ATV gate into National Forest property adjacent to HOA property. In the absence of HOA action, I filed a complaint with the Colorado District Court in Pagosa Springs and through trial was granted a Permanent Protective Order against the HOA member. Even with the Court Order, my family out of concern for safety have not used the home or property. As State laws governing HOAs mandates HOA responsibilities to its members there are no enforcement provisions to require HOA compliance with their responsibilities. This leaves HOA's free to ignore their responsibilities and selectively discriminate against those raising concerns. I am providing this additional explanation in the hope the HUD would fill the void and bring justice and resolution to my complaint. That hope is not diminished by the non- responses to my status information requests regarding disposition of my discrimination complaint. I am a retired Federal SES member and fully appreciate that you can initiate necessary action to address my concerns. I thank you in advance for your prompt response. Basche, Monica	02/15/2024	We are requesting documents HUD issued to Bank of America and its third-party property maintenance provider, Safeguard Properties Management. Both Bank of America and Safeguard are considered "servicers" under HUD regulations. Specifically, we are requesting demand letters, bypass agreements, non-performance letters, Preliminary Notices of Intent to Reconvey ("PNOIRs"), and HUD Property Inspection Reports, with accompanying pictures, that HUD has sent to Bank of America or Safeguard—for the 1,405 properties on our list. Sometimes these properties are called "Real Estate Owned" or "REO" properties, meaning "defaulted FHA insurance properties."1 To provide further clarification on these requested documents, I have supplied additional information on them below. • Demand letter – A demand letter "establish[es] a debt to FHA for the cost of work needed."2 A demand letter is issued to the servicer when HUD is seeking reimbursement of funds due to mortgagee neglect or insufficient supporting documentation of completed work. • Bypass agreement – A bypass agreement is an agreement with the servicer that requires it to complete repairs on an FHA property within a certain number of days to avoid reconveyance to the servicer from HUD.3 • Non-performance letter – A non-performance letter is issued when insufficient or improper preservation work is found on a property conveyed to HUD, but no servicer response is required. • PNOIR – HUD issues the servicer a PNOIR when it intends to reconvey a property. The PNOIR lists the reasons for intended reconveyance, which the servicer has the opportunity to appeal.4 • HUD Property Inspection Reports– A HUD Property Inspection Report is generated by FHA's maintenance contractors who must conduct an in-person inspection within two days of an FHA property being conveyed from the servicer to HUD to determine if there are any deficiencies that would warrant reconveying the property to the servicer.5 These reports are uploaded into FHA's asset disposition system.6 Deficiencies identified in an inspection report typically provide the basis for the PNOIR. I hope that these descriptions of the documents provide the additional information necessary for HUD to process our FOIA request. I would be happy to discuss the documents we are requesting from HUD via telephone if it would be helpful. You can reach me at (b)(6) Thank you in advance for your assistance with this.	24-FI-HQ-01066	-	-

Phillipson, Dennis	03/04/2024	See attached: Under the Freedom of Information Act (5 U.S.C. 552), I am requesting access to and copies of all records and documents, including but not limited to emails, memos, notes, reports, internal and external communications, meeting minutes, financial statements, compliance audit reports, and any other relevant materials, pertaining to any investigations conducted by or involving the Department of Housing and Urban Development (HUD) concerning Avalon Bay Apartments (NYSE: AVB). Woods, Cheryl	03/25/2024	I have an immediate need for the complete records (FHA Case Number: (b)(6), especially all documents regarding the mortgagees: 1. Sun West Mortgage Company, NMLS ID 3277, Loan Number: (b)(6) 2. Carrington Mortgage Company NMLS ID 2600, Loan Number: (b)(6) that were completed, submitted, or required by me, and the mortgage lenders, including the revoking of the HUD 203(k) Indemnification and the date that HUD informed the mortgage to credit my 203(k) mortgage loan the unused escrowed renovation funds that Sun West held on to and was not used (the escrow funds) by May 1, 2020,. So, to clarify I requesting a copy of my 203(k) documents and correspondence (emails, etc) to and from the mortgagees, me, and HUD. I apologize for the lateness of my request. Despite submitting numerous requests telephonically and in emails to HUD (answers@hud.gov and pcservicing@hud.gov) it was only yesterday and today, that I was made aware of how and where to submit a FIOA request. I need the records urgently in preparation for a San Joaquin Cty, Stockton (CA) Civil Case No.: STK-CV-2022-2903 (against the mortgagees), scheduled for 16 Feb 2024, in Dept 10A at 9:00 a.m. and I need the records to submit to the Office of the Honorable Congressman Josh Harder, 9th Dist, CA who is assisting me with issues outside of HUD purview as HUD has concluded their investigation of my complaints. The records may be emailed to me: Cheryl Woods (b)(6) Stockton, CA 95202(b)(6) If you need to speak with me please email a timeframe because of my mobility issues my cell phone goes to voicemail often before I can answer incoming calls. The best time to reach me is between 10:00 a.m. and 2:00 p.m.. PT. Sincerely, Cheryl Woods	24-FI-RO9-01319	06/07/2024	Granted/Denied in Part

Christian, G Harold	03/28/2024	Please provide public records via email to (b)(6) When attempting to communicate with HUD via email, I am informed that HUD "only accepts messages from people in its organization or on its allowed senders list." Please provide exact copies of records, evidencing or reflecting (1) HUD's email policies, including blocking emails from the public that are not on HUD's "allowed senders list"; (2) all legal authorities (memorandum, rules, policy, court ruling, legal opinion, etc.) upon which HUD relies on to block the public's email correspondence; (3) The name of the Agency/Component/Station responsible for enforcing HUD's email policy; and (4) The postal address of Agency/Component/Station responsible for enforcing HUD's email policy. We contend withholding records on the basis of any privacy exemptions would be improper because any purported privacy concerns are de minimis and public interest weighs heavily in favor of disclosure. For over 15 years, we have assisted the public avoid the permanent loss of funds related to underlying obligations of non-negotiated United States government issued checks by helping payees obtain reissue prior to the 6-year statute of limitations imposed by the Barring Act (after which the United States government receives a financial windfall). See Barring Act, at 31 U.S.C. 3702(b), specifying claims against the United States must be presented to the appropriate official or agency within six years after the claim accrues. Matter of Robert O. Schultz, B-261461 (November 27, 1995). Further, any privacy concerns are far outweighed by the public interest because the information is likely to contribute significantly to public understanding of the operations or activities of the government, including, the ability of the public (i) to submit a claim for the underlying obligation of an uncashed check to the appropriate agency prior to the expiration of the 6-year period of limitations imposed by the Barring Act, (ii) to not permanently lose the right to claim its money because payee information has been withheld, and (iii) to not have email to the appropriate agency officer(s) responsible for reissue blocked or rejected.	24-FI-HQ-01216	03/28/2024	Other Reasons - Request Withdrawn

Levinger, Leah	03/29/2024	Dear HUD FOIA officer, Thank you for your work. In this FOIA request, we seek HUD financial and administrative records related to the tenancy of two households who reside at a HUD-assisted apartment complex called "Veterans Terrace." Veterans Terrace is a project-based section 8 multifamily development located in East Hartford, Connecticut. It has been assigned HUD Property ID (b)(6) and HAP Contract # CT26H045012. The names of the heads of households on behalf of whom we seek these records are (b)(6) (often mis-spelled by the owner with a "g" as (b)(6)) and (b)(6). We understand HUD's integrated financial management system called "TRACS" ("Tenant Rental Assistance Certification System") contains all of the information we seek. We seek records for the period from 1/1/21 through 3/31/24 for each tenant household showing: (1) the amounts and dates of each of the housing assistance payments made by HUD on behalf of the household; (2) the dates of each of the household's annual certifications and interim recertifications, along with records of the Assistance Payment ("AP") due from HUD and the Total Tenant Payment ("TTP") due, as calculated from each recertification; and (3) any information in HUD's TRACS system regarding any subsidy terminations recorded by the owner against the household. We seek these records in a disaggregated format which enables us to clearly distinguish between the records related to (b)(6) tenancy versus the records related to (b)(6) tenancy. Attached, please find releases from both heads of household authorizing you to share the requested records with us, along with screenshots of some of the TRACS automated queries we believe may be relevant to the requested document production. If you have any questions regarding our request, or need any additional information, please don't hesitate to contact me at (b)(6) or by phone at (b)(6). Thank you for your work to facilitate government transparency and thereby protect the rule of law. Sincerely, Leah Levinger (Date Range for Record Search: From 01/01/2021 To 03/31/2024)	24-FI-RO1-01410	04/17/2024	Granted in Full
