CY 2027 Elderly/Disabled Services Coordinator (EDSC) Program

The subsidy amount for the EDSC program is entered on Section 3, Line 07, "Self-sufficiency" add-on, of the form HUD-52723. The EDSC Program is not the same as the former ROSS-Elderly & Persons with Disabilities Program or current ROSS-Service Coordinators Program that is awarded by competition through the Super-NOFA each year. Only PHAs that received funding in 1995 through the EDSC program are eligible to receive operating fund (OpFund) grant to finance this activity. At that point, the group of eligible PHAs was frozen and only those PHAs could receive renewals of this funding.

The EDSC Excel spreadsheet posted on the CY 2027 OpFund web page contains the CY 2027 listing (please note that PHAs that share with another PHA are included on this list). Eligible PHAs may obtain their CY 2027 EDSC funding level by multiplying their total CY 2026 EDSC funding level by the CY 2027 PEL inflation factor (Section 3, Part A, Line 02, form HUD-52723) and making a reasonable allocation to the project level at the discretion of the PHA.

EDSC amounts may be allocated differently across projects each year if the total does not exceed the amount for which the PHA is eligible. It is important to note that if a PHA's public housing inventory (i.e., number of units in IMS/PIC — subject to the ACC) decreases (e.g., due to Rental Assistance Demonstration (RAD) conversion), the PHA's EDSC (funded as an OpFund grant add-on) decreases proportionately.

For some MTW agencies, these funds are already figured into their Funding Allocation in their MTW Agreement Attachment A. If you have questions about this program or believe there is an error on the list, please contact ROSS-PIH@hud.gov.
