Grant awards are limited as outlined in the table below: grants can only be spent on eligible activities to address lead based paint, and can only be spent at the designated IMS/PIC system Development(s)/AMP(s) identified in the application and subsequently approved in HUD's grant review process as noted in the table below. PHA's that spend grant funding for activities other than addressing lead based paint and/or outside of the limitations specified in the table below will be spending grant funds on ineligible activities and will be subject to sanctions for violation of the terms and conditions of the grant agreement including recapture of all funds spent on ineligible activities.
