Bozeman, Kendall	01/08/2025	Video footage of my apartment for various breaking and entering claims a neighbor/tenant standing by my door/apartment for a substantial amount of time even if they live right across from me listening to me in my apartment and making threatening, harassing comments to provoke a altercation. I have been reporting these incidents since 2022. I've had my locks changed 3 times since living in this apartment building, I moved in 2021 the 1st time I got them changed was in 2022 I tried to get them changed in 2023 but they kept telling me no because of backed rent and saying I had given a copy of the key to someone which isn't true The 2nd time I got the locks changed was in 2024 which I talked to the building manager and she got them changed the same day by the head of maintenance the 3rd time was the very next day in 2024 because the building supervisor checked the cameras only after I spoke with her boss and I'm not sure if he checked them with her but she called that morning and told me that someone was seen entering the apartment using a key that wasn't me and wasn't one of their staff and told me I need to stop giving out my key for someone to make a copy of my key which i never did I haven't had any company since before the first time I had the locks changed back in 2022 except for when I had a cleaning crew come in 2024 which I was there the entire time they cleaned the apartment and walked out with them without giving them access to the key of the apartment I'm currently on probation for incident with believed tenant standing by my door for a substantial amount of time and harassing making threatening comments trying to provoke a altercation breaking and entering my apartment using a copy of my key that morning the property supervisor called to inform me of the incident before she hung up i asked if she was going to call the police about what she saw she told me no if i have a problem with it then i should call the police in those exact words so i responded ok and called the police when the officer showed up he took down my information and my statement of what i was told on the phone by the property supervisor the name of the property supervisor and number she could be reached at i reached back out to the officer and he said she never answered and that he left multiple messages she did not reply to. I believe the tenant (he) got from the head of maintenance. Building manager recently told me they will not be checking the cameras for me anymore because they do nor see anything anytime they check which I strongly believe because of who is on the video footage other than myself	25-FI-RO1-01452	02/03/2025	Other Reasons - No Records

We contend invoking any privacy exemptions would be improper because our request is specific to a non-individual. The Supreme Court has ruled that non-individuals (such as corporations) do not have "personal privacy" interests. See FCC v. AT&T, Inc., No. 09-1279, 2011 WL 691243 (U.S. Mar. 1, 2011). Carpenter, Ralph	01/14/2025	I am requesting the information pertaining to the amount of money, total dollar amount, that HUD granted to the City of Modesto, California to provide help and assistance to the homeless. All the homeless has heard for years is "we are going to do this, and we are going to do that" and nothing gets done except new city departments are formed employing friends and families of the person running the department. We currently have a Housing Assessment Team that does nothing but tell a homeless person that they need housing. It's an example of the wasted funds. Modesto had to return a very large sum of HUD funds some years back, with our City Manager claiming "The City of Modesto will continue as usual in spite of having to return these funds" 1/13: requester provided time line: Jan. 1, 2015 through Jan. 1, 2025 (Date Range for Record Search: From 1/1/2015 To 1/1/2025)	25-FI-HQ-01459	-	-

Pacella, Leigh	02/05/2025	Hello, I am trying to know exactly how many Section 8 housing vouchers were distributed in Larimer County for the past 3 years, and how many went to each specific city inside Larimer County. I have been unable to apply for a voucher for the past 2 years as the distributor, Housing Catalyst, claims there are none available nor are they allowing citizens to	25-FI-RO8-01703	02/14/2025	Other Reasons - Records

		get on a waiting list. There was a small distribution of project based vouchers available in November 2024...but Housing Catalyst was unable to confirm how many vouchers were distributed. I am trying to reach out to our county commissioners and citywide leaders to impress upon them that the voucher program is very inadequate for the Larimer County community. I am trying to get the leaders to develop a program separately from Section 8, since it does not truly help enough people. I am particularly focused on assistance needed by seniors and disabled adults in Larimer County. I am hoping that the knowledge on how few vouchers are available or distributed will motivate our leaders to provide other assistance for renters. It is very disappointing for someone on disability that is also a senior to be told over and over that there is affordable housing being built...yet the availability for people with incomes below 30% AMI is very scant and definitely does not fulfill needs in Larimer County with rents going sky high, and still too high for me and many others whom have lived in Larimer County for over 40 years. We feel left out in the cold by current affordable available units. I intend to submit a letter to the editors of the local newspapers and city/county leaders to be more proactive by providing funds for housing to the counties' lowest earners. My only deadline is one created for myself to follow through with this information so that I can motivate action on this very important issue for many seniors and disabled adults. I currently reside in Loveland, but am desperately trying to find affordable housing in Ft. Collins where my friends and family live...and it's really very hard to find it. I thank you for your time. They surfaced out of nowhere during December 2024 claiming a debt on a lien to my house from 20 years ago. There is no information about the loan, notice of default, 2nd mortgage affidavit, Foreclosure notices for the loan, CURE, payoff, timeline of debt , rights under FDCPA, RESPA, TILA, Code of Virginia §8.01-246(2), Virginia §8.01-246(4), debt validation work paper – loan, HAMP, MOD, 1st / Last Payment, Letters, etc. They posted a foreclosure ad online to auction my property during the holiday to ensure minimum participation so nobody would know. I never got any bills about any debt or foreclosure lien in decades. It's also stressing and embarrassing to see your home posted on foreclosure auction, out of the blue. How can something like this happen? Right in the middle of xmas and new years eve? No account numbers associated with the debt(s), no total amount owed, no notice is provided, no details on how to dispute, no time on statue of limitation on the debt. My identity has been stolen 3x that I know of. Each instance resulted in time lost from job, health issues, and financial loss. But this one has maximum criminality. This is a crime causing irreparable damage to me and my family. As of Jan 15, my family is in the dark. We don't know what is going on with this foreclosure scam and what other scheme are in the works. We get a lot of solicitations, strangers showing up, calls offering to cash out, on and on. Please provide SOP associated with Zombie Loan Foreclosure. How many Zombie Loans do you have in your case file where the loan is supposedly modified, canceled, or settled during 2009 housing crisis, but now brought up in the junk market by a bunch of small LLC set on breaking rules. Abdallah, Alla	02/10/2025	Me and my family have been neglected and ignored by health officials and city officials who are responsible to provide resources for and hazardous environment or conditions for residents in the state. On Dec 16 2022 the city of Milwaukee decided to claim ownership of the property I and my family been living for the past eight years. I became a tenant for the city of Milwaukee. There was a problem! The house I live in is a duplex and before I became a tenant I was reaching out to Scott spiker the alderman here and many departments housing services and to police about an odor coming in my unit and effecting my families health! I found out 7 months after the city of Milwaukee decided to sell me the property the unit next to me was a rat infestation and pest that have been eating my children flesh and I didn't have a clue what was happening! The city and police came and saw and knew me and my family were in danger but they left and didn't offer us help. There was a deep freezer with meat inside rotting for eighteen months. There was food all over the unit with pests all over, maggots, roaches, rats. The city refused to clean it up and refuse to warn me or offer me and my family help to resources! I was bullied to leave or deal with it! I want Mike Mars and Cindy wright, city of Milwaukee property management. Scott spiker and his assistant Jeffrey in the city hall (DEI) and Mike staleiler health department now working for DNS held accountable! The DA who never called me or any investigation opened! We are requesting documents related to the grant application submitted by City of Stayton, particularly the narrative section plus any related document they are willing to share, a proposal which received a \$500,000 grant to rehabilitate two buildings. The grants are funded through HUD's HOPE VI Main Street Program. Details of the grant are the following: FY2020 HOPE VI Main Street Program (FR-6400-FA-03): HUD posted FY2020 HOPE VI Main Street Program on grants.gov October 29, 2020 (FR-6400-N-03). The competition closed on January 19, 2020. HUD rated and selected for funding based on selection criteria contained in the NOFO. This competition awarded \$1,500,000 to 3 recipients to provide grants to small communities to assist in the renovation of an historic or traditional central business district or "Main Street" area by replacing unused, obsolete, commercial space in buildings with affordable housing units. - https://archives.hud.gov/news/2021/pr21-063.cfm As for processing fees, we are a Puerto Rico based nonprofit organization dedicated to community development and affordable housing, are partners with local municipalities (cities) and are eager to know the details of the City of Stayton's proposal, for the benefit of affordable housing and LMI individuals, and not for commercial use. We are prepared to pay minimal processing fees, but we believe we fall under the category for free processing fees, so we formally request to waive all fees associated with this request. They surfaced out of nowhere during December 2024 claiming a debt on a lien to my house from 20 years ago. There is no information about the loan, notice of default, 2nd mortgage affidavit, Foreclosure notices for the loan, CURE, payoff, timeline of debt , rights under FDCPA, RESPA, TILA, Code of Virginia §8.01-246(2), Virginia §8.01-246(4), debt validation work paper – loan, HAMP, MOD, 1st / Last Payment, Letters, etc. They posted a foreclosure ad online to auction my property during the holiday to ensure minimum participation so nobody would know. I never got any bills about any debt or foreclosure lien in decades. It's also stressing and embarrassing to see your home posted on foreclosure auction, out of the blue. How can something like this happen? Right in the middle of xmas and new years eve? No account numbers associated with the debt(s), no total amount owed, no notice is provided, no details on how to dispute, no time on statute of limitation on the debt. My identity has been stolen 3x that I know of. Each instance resulted in time lost from job, health issues, and financial loss. But this one has maximum criminality. This is a crime causing irreparable damage to me and my family. As of Jan 15, my family is in the dark. We don't know what is going on with this foreclosure scam and what other scheme are in the works. We get a lot of solicitations, strangers showing up, calls offering to cash out, on and on. Please provide SOP associated with Zombie Loan Foreclosure. How many Zombie Loans do you have in your case file where the loan is supposedly modified, canceled, or settled during 2009 housing crisis, but now brought up in the junk market by a bunch of small LLC set on breaking rules. Arevalo, Ramiro	02/18/2025	Pursuant to the federal Freedom of Information Act, 5 U.S.C. § 552, I request access to Inspection reports for FY2019-2024 for HUD housing located in Arlington County, Virginia, and all records responsive to show funding provided to Arlington County from FY2019-2024 for Homeownership Production Fund, and HUD PRO housing grant funding in Arlington County in Virginia. I would like to receive the information in the following format: electronic, and in machine readable format. Preferably by email, but if this is not possible, I will accept the material on a CD mailed to my address. As a University Student, I am only required to pay for the direct cost of duplication after the first 100 pages. This information is being sought for research on the American University School of Public Affairs' affordable housing initiatives. Please waive any applicable fees. The release of the information is in the public interest because educational studies on federal funds, specifically used by Arlington County on affordable housing, affect me as a tax payer and as a homeowner in Arlington County. Of course, I reserve the right to appeal your decision to withhold any information or to deny a waiver of fees. I am making this request as a student conducting research. Since this information is of timely value, I would appreciate it if you could communicate with me by telephone or email rather than by mail if you have questions regarding this request. I also ask that this request be expedited under the terms of the Freedom of Information Act. Expedited processing is allowed for requests that show a "compelling need," and American University is primarily engaged in disseminating information with an urgency to inform the public concerning federal government activity. Under this provision, I ask that expedited processing be allowed with a certification of "compelling need." As the Act states, you have 10 days to decide whether to grant expedited processing. Our rationale for expedited processing under the "compelling need" stipulation is as follows: the need for research to be completed before the next county housing commissions meeting is essential to providing knowledge- based feedback on behalf of homeowners of Arlington County, with confirmation from properly informed research with evidence-based facts. I look forward to your reply, as the statute requires. (Date Range for Record Search: From 2/2/2019 To 2/2/2024)	25-FI-HQ-01805	-	-

Baker, Tracey	03/04/2025	I am requesting the reopening of all three HUD complaints that I have filed are reopened and investigated. The initial complaint was submitted on December 9, 2024, followed by additional complaints as more information became available. My original claim, along with its attachments, was closed due to "Failure to Respond." As a resident of a homeless shelter, I have reason to believe that an upper manager may have intentionally withheld mail from HUD, causing delays in my response. On February 27, 2025, I noted that the documented information related to housing assistance through the HMIS/CES (Coordinated Entry System) had been either removed or altered since the intake on September 28, 2023. At the time of intake, my HMIS# was either (b)(6) details that were not provided to me by the Housing Resource Specialist at "The Boulevard". Cimini, Kate	03/11/2025	I'm the investigative editor with The Baltimore Sun. I'm tracking the funds that were given to the city of Baltimore in the wake of Freddie Gray's death in police custody ten years ago, and I wanted to ask about a \$4m grant HUD gave the city of Baltimore in 2015 or 2016 to address lead paint. Are there any records that show what organization/s received the funds and what they did with it? Do we know how effectively the funds were used? I'm hoping to put a story together on this by the end of the month, so I'm hoping to get information back on this \$4m grant by the end of next week. Is that doable on your end? If not, is there someone I should reach out to who might have these records or be able to answer these questions?	25-FI-HQ-01988	-	-

Wirth, Krista	03/18/2025	This is a Freedom of Information Act (FOIA) request under 5 U.S.C. § 552 for the production and release of agency records that analyze state laws, or proposed state laws, that seek to regulate assistance animals, including emotional support animals, in housing (herein "state emotional support animal laws") during the time period beginning January 1, 2017, and ending March 13, 2025. For example, a 2017 memorandum to Joseph Pelletier, Director, FHAP Division, FHEO, from Allen Levy, Deputy Assistant General Counsel for Fair Housing Enforcement, provided an analysis of a proposed Virginia Senate Bill, S.B. 1228 (herein "2017 Virginia memo"). Memorandum from Allen W. Levy, Deputy Assistant Gen. Counsel for Fair Housing Enforcement, on Proposed Act to Amend Virginia Fair Housing Law Regarding Assistance Animals to Joseph A. Pelletier, Dir., FHAP Division, FHEO, U.S. Dept. of Housing and Urban Dev. (Jan. 24, 2017) (on file with author). This proposed state law addressed "the types of documentation that may be requested by a housing provider to verify an individual's disability and/or disability-related need for an assistance animal and the circumstances in which a reasonable accommodation request to maintain an assistance animal may be denied." Id. I am seeking memoranda that contain similar analyses. I am seeking analyses of state laws or, proposed state laws, including, but not limited to, the following: California Assembly Bill 468, Emotional Support Animals, effective January 1, 2022, and codified at Cal. Adams, Frances	03/18/2025	Subject: Request for Reverse Mortgage Contract and Property Sale Information. I hope you're doing well. I'm reaching out to request a copy of the contract we signed for my reverse mortgage. I still reside at the property address, though I do spend two to three days a week with my daughter and granddaughter. As I continue to age, I've encountered some health concerns that may make living alone more challenging in the future. If I decide to move in with one of them permanently, I'd like to understand the process for selling my property. Could you please provide details on the next steps and any timeframes involved in selling under these circumstances? I'd appreciate any information you can share to help me make the best decision for myself and my family. Thank you so much for your time and assistance. NA, Pankaj	03/19/2025	Please send this email to Carolyn Punter, Regional Director as her email address is STILL BLOCKING receipt of complaints. Your office is investigating the HUD complaints and familiar with other colleagues involved for these complaints. Based on Asian Indian origin there has been blatant discrimination on multiple complaint cases filed repeatedly in past. 1. Please provide update on the complaints filed many years ago. 2. Also provide name, email address of the person investigating this complaint submitted many years ago. This relates to employees of Section 8 office of Prince William county, in Woodbridge Virginia. This office has been doing racketeering of taxpayer funds for 15+ years per the attachments. It is shocking that this has been ongoing for such a long time while the individuals are getting promoted and tax payer funds racketeering continues. Multiple complaints have been ignored by same entities whom you / your office have been in communication with currently and in past as part of investigations. Attached are some documents related to complaints of Section 8 office of Prince William county with HUD hotline. No action was taken to date by HUD Hotline. The HUD officers involved in Washington DC and Region 3 of HUD overseeing this Section 8 office of Prince William county have purposefully blocked complainants. However they receive emails ONLY from specific individuals or entities. Kindly do a thorough investigation at the earliest of all individuals and entities involved. Inform if you need any thing else as your complaint system must have ALL past documents submitted.	24-FI-RO3-01885	03/19/2025	Granted in Full

Terry, Henry	03/20/2025	Dear HUD On or about Dec, 18 2024 worte hud requesting the following infomation. I believe HUD is being decietful and not providing/answering my record request. RE: Second Mortgage, written by Alice G Zahnd, on January 24 2006, (b)(6) Patchogue, NY 11772 NQ 5 8/15 New Owner seeks file and folder, Documents on the Second and First Mortgage. Dear Mr Adam Giantz , It was nice talking to you today:12/28/2024 I am formally requesting records pursuant to the two Mortgages written by Alice G Zahnd, on January 24 2006, the Second Mortgage written to HUD is believer to be identified as : (b)(6) 16 Bransford Street, Patchogue, NY 11772 as the New Owner I seeks file and folder, Documents on the Second and First Mortgage . [SEE ATTACHED COPIES] AS YOU KNOW, IVE BEEN SEEKING A meaningful response from HUD for a long time. I am looking for a letter or confirmation acknowledging that there is an absence of the Notice requirements set forth in the Mortgages. Moreover, confirmation that HUD is not in possession or did not receive the NOTICE requirements that are a prerequisite to Default. This context might help : HUD initially told me that PHH serviced the Second Mortgage, However, HUD contacted me sometime over the summer and apologized and said that HUD was mistaken and that PHH was not the Service provider of the Second Mortgage and that HUD was in fact the service provider. the issue of the NOTICES follow: The alleged First Mortgage Holder has made and maintains a series of false claims in 2008 that the borrower had passed when she had not. The Bank of America created a falsified Condolence letter asserting a Default on the Mortgage based upon a falsified 2008 Condolence letter. So I am looking for any real DEFAULT NOTICES. To that end, I have not been able to obtain any records of communication, of Default notices pursuant to ¶¶ 9, 16 and 20 of the two Mortgages; The Mortgage Documents read that the First Mortgage Holder has to contact HUD the Second Mortgage holder before Default. Moreover as a prerequisite for Default there must be Default Notices, between for the Borrower, and both The First Mortgage Holder and the Second mortgage holder: as well as between the two Mortgage Holders. I am requesting that the Secretary of Housing and Urban Development] and HUD provide a formal letter as to the failure [absence of Notice Records] of the parties to comply with ¶¶ 9, 16 and 20 of the First Mortgage and also the Second Mortgage. I have not been able to obtain any communication or confirmation of lack of communication and NOTICES between the ZAHND and the second mortgage holder the Secretary of Housing and Urban Development and the Defendant which is required in Default notices pursuant to paragraphs ¶¶ 9, 16 and 20 ¶of the Second Mortgage. Upon information and belief, on or about Oct 2008,The Bank of America made false statements to HUD and third parties in a Condolence letter, addressed to a Lawrence Maynes that Ms Zahnd the borrower had passed when she had not,. I hereby request this Record. This Death letter, as disturbing as it is, is being knowingly wrongfully used to improperly accelerate the First Mortgage. Please be forewarned The falsified Condolence letter [2008 Death Letter] may have been sent to more third parties and is being deceitfully used by subsequent financial institutions . I am looking for affirmative statements pursuant to FOIA that Banks have failed to meet the NOTICE requirements pursuant to both	25-FI-HQ-02071	03/31/2025	Other Reasons - Duplicate Request
