Subject: Extension of Effective Date for Departmental Policy for Addressing Radon in the Environmental Review Process for Tribes, Tribally Designated Housing Entities, and Department of Hawaiian Home Lands

1. **Purpose:**
   This notice extends the effective date of Notice CPD-23-103, which established a departmental policy for addressing radon in the environmental review process, for Tribes, Tribally Designated Housing Entities (TDHEs), and Department of Hawaiian Home Lands.

2. **Background:**
   Notice CPD-23-103 clarified that radon must be considered in the contamination analysis for 24 CFR 50.3(i) or 58.5(i), as applicable, and detailed how environmental review preparers consider radon in the HUD environmental review. The notice became effective 90 days after issuance for non-Tribal recipients and on January 11, 2026, for Tribes, TDHEs, and Department of Hawaiian Home Lands recipients. On January 9, 2026, HUD issued Notice CPD-2026-001, which extends the effective date of Notice CPD-23-103 for Tribes, TDHEs and Department of Hawaiian Home Lands recipients by 120 days to May 11, 2026. On May 8, 2026, Notice CPD-2026-006 further extended the effective date of Notice CPD-23-103, for these entities to July 10, 2026. This notice further extends the effective date of Notice CPD-23-103 for these entities to October 1, 2026.

3. **Revision of Date:**
   The effective date of Notice CPD-23-103 is hereby extended to October 1, 2026 - for Tribes, TDHEs, and Department of Hawaiian Home Lands recipients.

4. **Further Information:**
   For questions regarding this notice, email HUDenvironmental@hud.gov.
