**I. PURPOSE**

This notice announces revisions to Attachment I of [Notice H 2023-10/PIH 2023-27](#). HUD is exercising its discretion, as authorized by HOTMA,<sup>1</sup> to revise via notice the standard that Public Housing Agencies (PHAs) and Multifamily Housing (MFH) Owners will use to determine whether to conduct an interim reexamination of income and household composition in compliance with the requirements of Sections 102 and 104 of HOTMA.<sup>2</sup>

The prior version of Attachment I of Notice H 2023-10/PIH 2023-27, published on February 2, 2024 (now referred to as Revision 2) is superseded.

**II. APPLICABILITY**

This notice applies to PHAs administering Office of Public and Indian Housing (PIH) programs, including Housing Choice Vouchers, Project-Based Vouchers, Moderate Rehabilitation, Moderate Rehabilitation Single Room Occupancy, Public Housing, and the Moving to Work (MTW) Demonstration.<sup>3</sup> It also applies to programs administered by

### III. DESCRIPTION OF REVISIONS

Attachment I of Notice H 2023-10/PIH 2023-27 is revised to require PHAs and MFH Owners to conduct interim reexaminations when a household adds or removes household members, including family members, foster adults, foster children, and live-in aides, regardless if the change in household composition results in a decrease, increase, or no change in the family's annual adjusted income.

PHAs and MFH Owners with a written policy to not conduct interim reexaminations for increases in annual adjusted income during the last 3 months of a recertification period are not required to conduct interim reexaminations due to the addition or removal of a household member in that period; instead, they will report such change at the next annual reexamination.

When conducting an interim reexamination, PHAs/MFH Owners must not consider any increases in earned income outside of the exceptions specified in Revision 3.

HUD is republishing Notice H 2023-10/PIH 2023-27 with the revised Attachment I as Revision 3 for ease of reference.
