Deadline Extension for HIC and PIT Count Data Submission – Friday, May 6, 2022

Thank you for your tremendous efforts on collecting and submitting the 2022 Housing Inventory Count (HIC) and Point-in-Time (PIT) count data. HUD is aware that some communities are experiencing technical issues with HUD’s Homelessness Data Exchange (HDX) 1.0 portal. Given these issues, HUD is extending the HIC and PIT count data deadline for submitting data in HDX 1.0 portal to Friday, May 6, 2022 at 5:00 PM EDT.

Thank you for your partnership and incredible work to serve those experiencing homelessness and for your ongoing commitment to and progress towards ending homelessness.
