The Project Application Appeal Process

Introduction

Welcome to the Special NOFO to Address Unsheltered and Rural Homelessness Project Application Appeal Process Navigational Guide. This navigational guide covers important information about completing the Project Application appeal process in *e-snaps* for a recipient whose project application was rejected in the local Continuum of Care (CoC) competition during the Special NOFO to Address Unsheltered and Rural Homelessness funding process. Per 24 CFR 578.35(c), Project Applicants that believe they were denied the opportunity to participate in the local CoC planning process in a reasonable manner and whose projects were rejected by the CoC may appeal these actions directly with HUD by submitting a Solo Applicant Project Application prior to the application deadline.

Prior to using this navigational guide, all Project Applicants **must** have completed the Project Applicant Profile and submitted an Unsheltered Homelessness Set Aside or Rural Set Aside Project Application to the CoC by the local deadline.

The [Special NOFO to Address Unsheltered and Rural Homelessness Program Competition NOFO](#) lists the application deadline. CoCs are to review and approve or reject all Project Applications no later than 15 days prior to the CoC Program Competition application deadline.

Only those organizations that meet these criteria should participate in the appeal process. If the criteria cited above are met, the Project Applicant will have the opportunity to submit a Notice of Intent to Appeal and apply as a Solo Project Applicant directly to HUD through *e-snaps*. In order for a Project Application to be considered for funding, it must meet these criteria and submit the Solo Applicant appeal project application to HUD prior to the application deadline that is provided in the Special NOFO to Address Unsheltered and Rural Homelessness Program Competition NOFO.

NOTE:

Solo Applicant Appeal Project Applications may be for Unsheltered Homelessness Set Aside or Rural Set Aside projects and are completed exactly as the Project Applicant completed the original application in e-snaps.

The Project Application Appeal Process

Objectives

By the end of this navigational guide, you should be able to submit the Project Application as a Solo Applicant along with the Notice of Intent to Appeal directly to HUD.

Posted Resources

HUD has determined that some CoC and *e-snaps*-related resources need to be posted to HUD.gov as HUD's official website, rather than to the HUD Exchange, which focuses on technical resources for communities and grant recipients. Special CoC NOFO information (e.g., detailed instructions), including the Special NOFO *e-snaps* Navigational Guides, will be published and updated on HUD.gov. Many of the other CoC and *e-snaps*-related technical resources will remain on the HUD Exchange.

Have a question?

The *e-snaps* AAQ on HUD Exchange is no longer active. Send questions related to the Special NOFO or navigating *e-snaps* to the appropriate HUD.gov email address:

- SpecialCoCNOFO@hud.gov for questions about the NOFO, competition, and applications.
- e-snaps@hud.gov for questions about *e-snaps* technical issues such as creating an individual user profile, lockouts/password resets, requesting access to a CoC's or Project Applicant's *e-snaps* account, navigating *e-snaps*, updating the Applicant Profile, identifying the funding opportunity, creating a project, and accessing the application on the "Submissions" screen.

In your email, please provide:

- The specific details regarding the issue you are encountering;
- The steps you have taken up to the point the issue occurs; and
- Any error messages.

The Project Application Appeal Process

Overview of this Navigational Guide

This navigational guide focuses on submitting a project application in *e-snaps* to be considered for appeal, which includes submitting the relevant details of a Project Applicant's experience of not being able to participate in the CoC planning process. It provides instructions for the specific screens and forms that identify an Unsheltered Homelessness Set Aside or Rural Set Aside Project Application as an Appeal Project Application. The navigational guides on the Project Applicant Profile and Project Application are available at:

- https://www.hud.gov/program_offices/comm_planning/coc/specialCoCNOFO.

This navigational guide will not review the Project Applicant Profile, registering for a Special NOFO to Address Unsheltered and Rural Homelessness funding opportunity, or the Project Application in its entirety.

Accessing the Project Application to submit an Appeal. This section identifies the steps to accessing the Project Application. As with all Project Applications, the Project Applicant Profile must be complete before the Project Applicant can resubmit a Project Application with a Notice of Intent to Appeal. There is no need to "re-register" for a funding opportunity, but the Project Applicant needs to create a project on the Projects screen to establish the new Appeal Project Application on the Submissions screen.

Project Application Appeal Forms. Project Applicants will need to enter all the project information, even though they had already entered the information in the original submission. The Project Applicant will also identify the project as an appeal. Project Applicants submitting an appeal will be required to complete new forms in addition to the regular Project Application. This section provides instructions for completing the additional screens. After all required information is provided, the Project Applicant will submit the Project Application and Notice of Intent to Appeal directly to HUD via *e-snaps*.

Next Steps. Once the Project Applicant completes the Application Appeal Process according to the instructions provided on screen 8A, the Notice of Intent to Appeal will serve as the HUD-recognized Notice of Intent to Appeal required by 24 CFR 578.35(b)(2). Following the announcement of awards, the Project Applicant must complete the additional steps for the Application Appeal Process as outlined in Section X of the Special NOFO to Address Unsheltered and Rural Homelessness Program Competition NOFO.

The Project Application Appeal Process

Special NOFO Project Application Appeal Process

Completing the Project Application Appeal Process forms in *e-snaps* is identical to completing an Unsheltered Homelessness Set Aside or Rural Set Aside project with a few exceptions. This section identifies the steps for completing the Project Detail screen as well as the additional screens required in *e-snaps* for Project Applicants appealing a CoC rejection in the local competition process and applying directly to HUD for funding consideration.

To complete the Project Application Appeal Process, Project Applicants will follow the steps for completing the Project Application as they did in their original submissions.

NOTE:

Some data will populate from the Applicant Profile (i.e., e-snaps will bring it forward).

Review the populated data. *If any information is incorrect, you must correct it in the Project Applicant Profile. Select “Save” at the bottom of the screen after you make each revision.*

Once you have made all of the necessary corrections to your Applicant Profile, proceed to the “Submission Summary” screen and select “Complete.”

When you return to the Project Application, the screen will show the corrected information.

The Project Application Appeal Process

Accessing the Application on the Submissions screen

Access the Project Application through the "Submissions" screen.

Both the original and the appeal projects will have the same name; therefore, make sure to select the correct project. The newly created Project Application will have the most recent "Created Date" and will be listed as Open. The original rejected submission will be listed as Completed.

The following steps provide instructions on how to complete this screen.

The "Submission Summary" screen shows the Project Application forms. In the "Last Updated" column, the system will identify the following:

- A date if the screen is complete.
- "No Input Required" if there is no input required.
- "Please Complete" if more information is needed.

In the "Complete" column, the system will identify the following:

- A green check if the screen is complete.
- A red "X" if more information is needed.
- A dash if there is no input required.

Users in *e-snaps* can go back to any screen by selecting the screen name on the left menu. Remember to select "Save" after any changes.

Once the required information has been entered and the attachments have been uploaded, select the "Submit" button on the "Submission Summary" screen.

Troubleshooting When You Cannot Submit the Appeal Project Application

Project Applicants may encounter issues when trying to submit the Project Application. If the “Submit” button is gray (i.e., “grayed-out”), it is not active and you cannot select it. You will not be permitted to complete your form at this time. The “Submit” button will appear gray if the information is missing on any of the required Project Application forms or in the Applicant Profile.

8B. Submission Summary

Applicant must click the submit button once all forms have a status of Complete.

The Project Application Appeal Process

Steps

1. Review the "Submission Summary" screen to determine which Project Application form needs to be completed. For the items that state "Please Complete," either select the link under the "Page" column or select the item on the left menu bar.
2. Complete the screen, saving the information on each screen.
3. Return to the Submission Summary screen to select the "Submit" button.

What the "Last Updated" column tells you. A date identifies a form with complete information for all required fields. It is the most recent date on which the completed form was saved.

- "Please Complete" identifies a form with information missing in one or more required fields.
- "No Input Required" identifies the screens that are not required for completion by all projects. You are strongly encouraged to double-check these forms to ensure that all appropriate project information is completed.

What the "Notes" section at the bottom of the screen tells you. Notes are not a standard section on the "Submission Summary" screen, so you will not see this section all the time.

- If Notes appear on the screen, they are located under the two-column list and above the navigational buttons.
- The Notes provide information on the errors in the Project Application. Some Notes include a link to the applicable form and error(s).

NOTE:

If you are still unable to submit the Appeal Project Application after following these instructions, please email the HUD e-snaps Help Desk at:

- e-snaps@hud.gov.

Please provide specific details regarding the issue you are encountering, the steps you have taken up to the point the issue occurs, and any error messages.

Please also provide a screenshot whenever possible.

The Project Application Appeal Process

Next Steps

You have successfully submitted your Solo Appeal Project Application.

Once the Special NOFO to Address Unsheltered and Rural Homelessness funding process application submission deadline has passed, HUD will review all project applications, including any Solo Appeal Applications received by the application submission date. Solo Applicants and CoCs must follow the process outlined in Section X.C of the Special NOFO to Address Unsheltered and Rural Homelessness Program NOFO and submit the required evidence to HUD by the required deadlines. HUD can only consider Solo Appeal Applications once all the required evidence has been submitted.

For additional details regarding the Appeal Project Application process, please review the Special NOFO, located on the Special NOFO to Address Rural and Unsheltered Homelessness Program Competition page at:

- https://www.hud.gov/program_offices/comm_planning/coc/specialCoCNOFO.
