YHDP Renewal Project Application

Introduction

Welcome to the Renewal Project Application Navigational Guide for the Youth Homelessness Demonstration Program (YHDP). This guide covers important information about accessing and completing the YHDP Renewal Project Application.

Who should use this navigation guide?

This guide pertains **ONLY** to YHDP grant recipients who received awards for projects that are now eligible for renewal. To be eligible for renewal in FY 2023, a project must have an executed grant agreement by December 31, 2023, and have an expiration date in Calendar Year (CY) 2024 (between January 1, 2024, and December 31, 2024).

- If you are a YHDP grant recipient who has used *e-snaps* before to submit CoC Program Project Applicants, the process is the same; however, instead of using the Renewal Project Application FY 2023 funding opportunity, you will need to select the YHDP Project Application FY 2023 funding opportunity.
- If you are a YHDP grant recipient who has **never** used *e-snaps* before to submit any CoC Program Project Applications, there are steps you need to take before you can use this navigational guide to complete the Project Application forms. Keep reading and the guide will notify you when you need to take those preparatory steps.

How is a YHDP grant recipient referred to in the context of the CoC Program Competition?

The organization submitting the Project Application for YHDP renewal funding is the Project Applicant. The Project Applicant submits Project Applications to the Continuum of Care (CoC) Collaborative Applicant, which submits the entire funding application to the U.S. Department of Housing and Urban Development (HUD) on or before the CoC Program Competition deadline.

All Project Applicants are strongly encouraged to read the FY 2023 CoC Program Competition Notice of Funding Opportunity (NOFO) at https://www.hud.gov/program_offices/comm_planning/coc/competition.

Objectives

By the end of this navigational guide, you will be able to do the following:

- Access *e-snaps*
- Register for the FY 2023 YHDP Project Application funding opportunity
- Create the Project Application under the funding opportunity
- Enter the Project Application from the “Submissions” screen
- Complete and submit the YHDP Project Application to the Collaborative Applicant

Posted Resources

HUD has determined that some CoC- and *e-snaps*-related resources need to be posted to HUD.gov as HUD's official website, rather than to the HUD Exchange, which focuses on technical resources for communities and grant recipients. FY 2023 NOFO information (e.g., detailed instructions), including the FY 2023 *e-snaps* Navigational Guides, will be published and updated on HUD.gov. Many of the other CoC- and *e-snaps*-related technical resources will remain on the HUD Exchange.

HUD e-snaps and CoC NOFO Help Desks

The *e-snaps* Ask-A-Question (AAQ) on HUD Exchange is no longer active. Questions about *e-snaps* and the CoC Program NOFO Competition must be submitted to the appropriate HUD.gov email address, as follows:

- CoCNOFO@hud.gov for questions about the NOFO, competition, and applications.
- e-snaps@hud.gov for questions about *e-snaps* technical issues, including creating an individual user profile, lockouts/password resets, requesting access to a CoC's or Project Applicant's *e-snaps* account, navigating *e-snaps*, updating the Applicant Profile, identifying the funding opportunity, creating a project, and accessing the application on the Submissions screen.

YHDP Renewal Project Application

Overview of the Project Application Process

FY 2023 Project Applicants must complete the Project Applicant Profile and Project Application using *e-snaps*, a web-based portal accessible at <https://esnaps.hud.gov/>.

Each Project Applicant must complete a Project Applicant Profile and submit its Project Application(s) to the applicable CoC in *e-snaps* by the local submission deadline established by the CoC.

The CoCs will do the following:

1. Review and either approve and rank or reject properly submitted Project Applications.
2. Submit the CoC Application and CoC Priority Listing with all approved and ranked or rejected Project Applications as part of the CoC Consolidated Application to HUD.

YHDP Renewal Project Application

Overview of this Navigational Guide

The organization of material in this navigational guide corresponds with the different parts of the Project Application process, and the instructional steps follow the progression of screens in *e-snaps*.

- **Accessing e-snaps.** All *e-snaps* users need usernames and passwords to log in to the *e-snaps* system. In order to see an organization's Project Applicant Profile and Project Applications, the *e-snaps* user needs to be associated as a "registrant" with the organization's *e-snaps* account. This section identifies the steps to create user profiles and add/delete registrants.
- **Project Applicant Profile.** Project Applicants must review the Project Applicant Profile, update the information as needed, and select the "Complete" button in order to continue with the Project Application process.
 - The Project Applicant Profile section of this navigational guide briefly highlights key information for Project Applicants who are getting ready to complete their Project Applications.
 - For instructions on completing the Project Applicant Profile, go to the Project Applicant Profile navigational guide on the CoC Program Competition Resources page at https://www.hud.gov/program_offices/comm_planning/coc/competition
- **Establishing and accessing the Project Application.** After the Project Applicant Profile is complete, Project Applicants need to follow a series of steps in order to access the Project Application screens. The steps discussed in this section include registering the Project Applicant for the YHDP Project Application FY 2023 funding opportunity, creating an FY 2023 project, and accessing the Project Application screens from the Project Applicant's Submissions screen.
- **Project Application.** After accessing the YHDP Project Application, Project Applicants will complete a series of screens asking for information about the project for which they are requesting renewal funding. This section provides instructions for each screen. After providing all of the required information, the Project Applicant will submit the YHDP Project Application to the Collaborative Applicant via *e-snaps*.
- **Submitting the Project Application.** This section provides instructions on submitting the YHDP Project Application and includes troubleshooting tips and instructions for updating the Project Applicant Profile if the information pre-populating in the YHDP Project Application is incorrect. In addition, this section discusses what occurs after the Project Applicant submits the YHDP Project Application in *e-snaps* to the Collaborative Applicant. The Collaborative Applicant will review and either approve and rank or reject Project Applications.
- **Amending the Project Application.** The section on Submitting the Project Application includes instructions for amending the Project Application. If changes need to be made to the Project Application, the Collaborative Applicant will send the project back to the Project Applicant. Notification for sending a project back to the Project Applicant occurs outside of *e-snaps*. This process is similar to the process Project Applicants encountered during previous years' competitions. Once the Collaborative Applicant has finalized the CoC Priority Listing, it will submit the CoC Consolidated Application to HUD.

YHDP Renewal Project Application

Amending an Application

If the CoC amends the Project Application back to the Project Applicant for revision or correction, both of them must ensure the Project Application is resubmitted in e-snaps to the CoC and either approved and ranked (or re-ranked) or rejected before the CoC Priority Listing is submitted to HUD.

If a Project Application does not appear on the CoC Priority Listing, it will not be reviewed or considered for conditional award.

See [Project Application Changes](#) in this document.

YHDP Renewal Project Application

Highlights in e-snaps for the FY 2023 CoC Program Competition for YHDP Renewals

This section highlights items that are helpful for Project Applicants to know.

- **Round 1 YHDP Projects.** New in FY 2023, all Round 1 YHDP Renewal Projects and YHDP Replacement Projects replacing grants originally awarded Round 1 YHDP funding must be competitively ranked by the Collaborative Applicant, with a unique rank number, prior to submitting the CoC Priority Listing to HUD. Competitive Round 1 YHDP Renewal and Replacement Projects are projects that were initially awarded in the FY 2016 YHDP Competition. The CoC **does not rank** non-competitive YHDP Renewal, or non-competitive YHDP Replacement Project Applications originally awarded in the FY 2017 or later YHDP Competitions.
- **VAWA Costs Budget Line Item.** This new eligible activity category is not subject to the CoC program's spending caps on administrative costs under sections 423(a)(10), (11), and (12) of the McKinney-Vento Homeless Assistance Act. This activity may be included in new project applications. It may also be added to eligible renewal projects through expansion or added to eligible renewal projects by shifting funds from one or more eligible BLI(s) to the VAWA costs budget line item. Requests to shift funds in FY 2023 renewal applications may not exceed 10 percent of each BLI the funds are shifted from. See section III.B.4.a(3) of the FY 2023 CoC Program NOFO for more information on eligible VAWA costs.
- **Importing Data is Not an Option for YHDP Projects.** The importing of data from the previous year's Project Application only applies to returning renewal projects.
- **HUD 2880 (Applicant/Recipient Disclosure/Initial Report).** HUD Form 2880 is located in both the Project Applicant Profile and the Project Applications. HUD Form 2880 in the Applicant Profile pulls in information for all of the FY 2023 Project Applications, including the YHDP Project Applications. Instructions on completing the HUD Form 2880 are in:
 - <https://files.hudexchange.info/resources/documents/How-to-Complete-the-HUD-Form-2880-in-e-snaps.pdf>
- **Prepopulating of Data from the Project Applicant Profile.** Some data will automatically populate fields on several screens from the information entered into your Project Applicant Profile. If this information is incorrect, changes can be made by exiting the application and returning to the Project Applicant Profile.
- **The "Project Application" and "CoC Priority Listing."**
 - The Project Application includes the information submitted by renewal and new Project Applicants for funding consideration.
 - The CoC Priority Listing includes the New Project Listing, Renewal Project Listing, YHDP Project Listing, CoC Planning Project Listing, and if designated by HUD as a Unified Funding Agency (UFA), a UFA Project Listing.
- **Applicant Field and Dropdown Menu.** When *e-snaps* users log in to the system, they will see an "Applicant" field at the top of the screen. This field identifies the organization's account in which the user is working.

Users with *e-snaps* access to more than one organization's account will see a dropdown menu listing two or more organizations. This group of *e-snaps* users includes staff who work on multiple

YHDP Renewal Project Application

applications (e.g., staff at an agency that serves as the Collaborative Applicant as well as a Project Applicant submitting one or more Project Applications).

This feature appears when working on the Applicants, Funding Opportunity, Projects, and Submissions screens. Only the items (e.g., Projects) pertaining to the Applicant listed in the field appear on the screen. Users must ensure they are working in the correct Applicant account.

- **Collaborative Applicant.** During the CoC Program Competition, Project Applicants will see references to the "Collaborative Applicant." The Collaborative Applicant is the entity designated by the CoC to submit the CoC Program Registration and CoC Consolidated Application in the CoC Program Competition on behalf of the CoC.

YHDP Renewal Project Application

Accessing e-snaps

The Project Application is submitted electronically in *e-snaps* during the annual competition under the FY 2023 CoC Program Competition.

The screenshot shows the 'Front Office Portal' for e-snaps. On the left is a sidebar with links: 'Front Office Portal', 'Forgot your password?', 'Create Profile', and 'Contact Us'. The main area is titled 'Welcome to e-snaps' and contains a login form with 'Username:' and 'Password:' fields and a 'Login' button. Two callout boxes are present: one pointing to the login fields with the text 'Existing e-snaps users log in here' and another pointing to the 'Create Profile' link with the text 'If new to e-snaps, create a user profile'. The main content area also includes a welcome message, instructions for authorized users, and information about the CoC Program Registration and Application, including OMB Approval numbers and public reporting burdens.

NOTE:
Use your
own login

Each e-snaps user must have his or her unique login credentials.

Preferably, each organization will have at least two people with access to e-snaps—the Authorized Representative and one or more additional staff.

Existing Users

1. Go to <https://esnaps.hud.gov/>.
2. On the left menu bar, enter your username and password. You will then enter the *e-snaps* system and arrive at the "Welcome" screen.
 - If you have forgotten your password, send a request to e-snaps@hud.gov.

New e-snaps Users

1. Create an *e-snaps* username and password by selecting the "Create Profile" link.
2. Log in as instructed under Existing Users above.

YHDP Renewal Project Application

Give Staff Access to Your Organization's e-snaps Account

Having a user profile enables a person to access *e-snaps*; however, only individuals who have been associated with the organization as a registrant (also referred to as registered users) can enter information in the Project Applicant Profile and Project Applications associated with the organization.

For information on how to add and delete users, refer to the “Give Staff Access to Your Organization's e-snaps Account” resource at:

- <https://www.hudexchange.info/programs/e-snaps/>.

For a refresher on how to navigate through the e-snaps system, please visit:

- <https://www.hudexchange.info/programs/e-snaps/>.

YHDP Renewal Project Application

Project Applicant Profile

Project Applicants must complete the Project Applicant Profile before moving forward in the Project Application process. To complete the Project Applicant Profile, the Project Applicant needs to ensure the data entered in the profile screens are accurate and must select the “Complete” button on the “Submission Summary” screen.

- Note: YHDP Project Applicants who have **never** submitted any type of application in *e-snaps* must first establish the organization as a Project Applicant in *e-snaps*. An organization will establish itself as a Project Applicant **one time only**.

This section in the Renewal Project Application navigational guide highlights key information needed to successfully complete this step. It does NOT provide step-by-step instructions.

Resource

For step-by-step instructions on establishing a new Project Applicant Profile or updating an existing one, see the Project Applicant Profile Navigational Guide at:

- https://www.hud.gov/program_offices/comm_planning/coc/competition

- **Access the Applicant Profile.** To access the Project Applicant Profile, log in to *e-snaps*, select "Applicants" on the left menu bar, ensure that the correct Applicant name in the "Applicants" field at the top left side of the screen is selected, and select the orange folder to the left of the Applicant name on the screen.
- **Organizations that are Collaborative Applicants and Project Applicants.** If the organization applying for funding as a Project Applicant is also serving as the Collaborative Applicant, the organization will have two Applicant Profiles—one for the Project Applicant and one for the Collaborative Applicant.

The "Applicant" field dropdown menu at the top left side of the screen contains the list of Applicants that a user can access.

If you have issues with finding the correct Project Applicant, or other *e-snaps* technical issues, please contact the HUD *e-snaps* Help Desk at e-snaps@hud.gov.

For questions about the NOFO, competition, and applications, contact CoCNOFO@hud.gov.

Resource

*If you are a Collaborative Applicant and a Project Applicant applying for renewal project funds, you must have **two separate Applicant Profiles**—a Collaborative Applicant Profile and a Project Applicant Profile.*

If you need assistance, contact the e-snaps HUD Help Desk at:

- e-snaps@hud.gov.

Establish the Project Application

After the Project Applicant Profile is completed, Project Applicants can move to the next steps required to establish and access the Project Application screens. This section covers the following:

- Funding Opportunity Registration
- Projects
- Submissions

YHDP Renewal Project Application

Funding Opportunity Registration

All YHDP Project Applicants must register the organization for the YHDP Project Application FY 2023 funding opportunity. Registering for the funding opportunity enables YHDP Project Applicants to apply for YHDP renewal funds during the FY 2023 CoC Program Competition.

Terminology

"Registering" in this context means "indicating your intent to apply."

"Funding Opportunity" refers to "the type of grant." There are options when you select this screen, including CoC Planning, New, Renewal, UFA Costs, and YHDP.

On this screen, you are indicating your intent to apply for a specific type of grant

FY 2023 Project Application

This section identifies the steps for completing the YHDP Renewal Project Application screens in e-snaps.

General Guidelines for Navigating Through the Upcoming Screens

Some data may pre-populate from the Project Applicant Profile (i.e., e-snaps will bring it forward). Review the pre-populated data. If any information is incorrect, you must go back and correct it in the Project Applicant Profile.

If you are in the Project Application and you need to update the Project Applicant Profile, do not use the "View Applicant Profile" link on the left menu bar. Instead:

- *Select "Back to Submissions List."*
- *Select "Applicants" on the left menu bar, and select the orange folder next to the Applicant name.*
- *Ensure that the Applicant Profile is in "edit" mode.*
- *Make the appropriate corrections as needed and select "Save" at the bottom of the screen after you make each revision.*
- *Once you have made all of the necessary corrections to your Project Applicant Profile, continue to the "Submission Summary" screen and select "Complete."*
- *When you return to the Project Application, the screen will show the corrected information.*

If the corrected information does not populate the Project Application, do the following:

- *Log out of e-snaps.*
- *Log back in and navigate to the screen in the Applicant Profile where information needs to be corrected. If the information is incorrect, correct it and save it. If the information is correct, then edit it to something that is incorrect, save it, then change it back and save it.*
- *Navigate to the "Submission Summary" and select "Complete."*
- *Log out of e-snaps.*
- *Log in again. Navigate to your Project Application. The information should be updated.*

Saving: Select "Save" at the bottom of the screen after you make each revision. Once you have made all of the necessary corrections to your Project Applicant Profile, proceed to the "Submission Summary" screen and select "Complete." When you return to the Project Application, the screen will show the corrected information.

Review the instructions in the [Updating the Applicant Profile](#) section in this guide.

Before Starting the Project Application

To ensure that the Project Application is completed accurately, ALL project applicants should review the following information BEFORE beginning the application.

Things to Remember:

- Additional training resources can be found on the HUD.gov at https://www.hud.gov/program_offices/comm_planning/coc.
- Questions regarding the FY 2023 CoC Program Competition process must be submitted to CoCNOFO@hud.gov.
- Questions related to e-snaps functionality (e.g., password lockout, access to user's application account, updating Applicant Profile) must be submitted to e-snaps@hud.gov.
- Project applicants are required to have a Unique Entity Identifier (UEI) number and an active registration in the Central Contractor Registration (CCR)/System for Award Management (SAM) in order to apply for funding under the Fiscal Year (FY) 2023 Continuum of Care (CoC) Program Competition. For more information see FY 2023 CoC Program Competition NOFO.
- To ensure that applications are considered for funding, applicants should read all sections of the FY 2023 CoC Program NOFO.
- Detailed instructions can be found on the left menu within e-snaps. They contain more comprehensive instructions and so should be used in tandem with navigational guides, which are also found on the HUD Exchange.
- Before starting the project application, all project applicants must complete or update (as applicable) the Project Applicant Profile in e-snaps, particularly the Authorized Representative and Alternate Representative forms as HUD uses this information to contact you if additional information is required (e.g., allowable technical deficiency).
- Carefully review each question in the Project Application. Questions from previous competitions may have been changed or removed, or new questions may have been added, and information previously submitted may or may not be relevant. Data entered in the post award and amendment forms in e-snaps will not be imported into the project application.
- Rental assistance projects can only request the number of units and unit size as approved in the final HUD-approved Grant Inventory Worksheet (GIW).
- HUD reserves the right to reduce or reject any renewal project that fails to meet part 578 and the application requirements set forth in the FY 2023 CoC Program Competition NOFO.
- YHDP projects must state they were awarded under the YHDP program and answer the YHDP specific page that follows.

It instructs users to complete the form to disclose lobbying activities pursuant to 31 U.S.C. 1352, approved by OMB0348-0046. The form notes that HUD requires a new SF-LLL submitted with each annual CoC competition and completing this screen fulfills this requirement. It asks users to answer 'Yes' if their organization is engaged in lobbying associated with the CoC Program and answer the questions as they appear next on this screen. The requirement related to lobbying as explained in the SF-LLL instructions states: 'The filing of a form is required for each payment or agreement to make payment to any lobbying entity for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with a covered Federal action.' It also asks users to answer 'No' if their organization is NOT engaged in lobbying.

A question is posed: '* Does the recipient or subrecipient of this CoC grant participate in federal lobbying activities (lobbying a federal administration or congress) in connection with the CoC Program?'. A dropdown menu is shown with '-- select --' and a callout bubble says 'Select "Yes" or "No" to reveal additional questions'.

Recipient Performance

The CoC Program requires that existing renewal projects adhere to certain standards such as submitting a timely Annual Performance Report (APR), being in compliance with the 24 CFR part 578, and drawing funds quarterly from the electronic Line of Credit Control System (eLOCCS), etc.

The following steps provide instructions on completing all of the mandatory fields marked with an asterisk (*) on the “Recipient Performance” screen of the FY 2023 Project Application.

The screen asks the Project Applicant questions about capacity and performance as a HUD grant recipient in terms of timely submission of required reports, quarterly eLOCCS drawdowns, addressing HUD monitoring and/or OIG audit findings, and the recapture of any funds from the most recently expired grant term of the project.

The information provided on this screen will be verified by HUD.

Review the FY 2023 CoC Program Competition NOFO and the FY 2023 YHDP Renewal Project Application Detailed Instructions for information on accurately responding to the application questions.

The screenshot shows a web form titled "Recipient Performance". It contains four numbered questions, each with a dropdown menu labeled "-- select --".

1. Did you submit your previous year's Annual Performance Report (APR) on time?
2. Do you have any unresolved HUD Monitoring or OIG Audit finding(s) concerning any previous grant term related to this renewal project request?
3. Do you draw funds quarterly for your current renewal project?
4. Have any funds remained available for recapture by HUD for the most recently expired grant term related to this renewal project request?

At the bottom of the form, there are five buttons: "Save & Back", "Save", "Save & Next", "Back", and "Next".

Steps

1. Select "Yes," "No," or "Not Applicable" from the dropdown menu for each field on the screen. Depending on the selection, additional fields will appear, as identified in the screen capture on the next page.

A callout states: "If 'Yes,' fields 2a and 2b will appear". Below are text areas for "2a. If yes was selected, provide the date HUD or OIG issued the oldest unresolved finding(s):" and "2b. Explain why the finding(s) remains unresolved." with a "3500 characters remaining" indicator.
- Section 3:** "3. Do you draw funds quarterly for your current renewal project?" with a dropdown menu showing "No". A callout states: "If 'No,' field 3a will appear". Below is a text area for "3a. YHDP Renewal Project Application

YHDP Renewal Grant Consolidation Screen

The FY 2023 CoC Competition will continue offering opportunities to consolidate CoC projects. A few changes have occurred that differentiate the process from prior years.

1. YHDP Consolidations will submit individual applications.
 - YHDP Consolidations will ONLY submit individual YHDP Renewal Project Applications, identifying the YHDP renewal application that will survive and the YHDP renewal applications that will terminate. **Up to four grants may be included in a YHDP consolidation.**
2. HUD HQ will combine the data (e.g., units, budgets) for YHDP Consolidation requests from the YHDP individual project applications selected for conditional award and provide a data report with further instructions for the field office and conditional recipient.

As a reminder, YHDP projects are only eligible to consolidate with other YHDP projects.

All projects that are part of a renewal grant consolidation must expire in CY 2023 as confirmed on the FY 2023 Final GIW, must be to the same recipient, and must be for the same component and project type (i.e., PH-PSH, PH-RRH, Joint TH/PH-RRH, TH, SSO, SSO-CE, or HMIS).

Review the FY 2023 CoC Program Competition NOFO and the FY 2023 YHDP Renewal Project Application Detailed Instructions for information on accurately responding to the application questions.

YHDP Renewal Project Application

YHDP Renewal Grant Consolidation Screen

The FY2023 CoC Competition will continue offering opportunities to consolidate CoC projects.

- Consolidations will no longer be required to submit a combined version of the application.
 - Consolidations will be required to **ONLY** submit a Survivor grant and a terminating grant. Up to 10 grants may be involved in a consolidation (Survivor + 9 Terminating grants)
- Since no combined version will be submitted for the Consolidation, the combining of data will occur at Post-Award. HUD HQ will combine all units, beds and budgets prior to the Post-Award process. The field office and applicant will then be required to combine remaining project data at C1.9a (recipient step). HUD HQ will provide a data report with the data all combined. All that will be required for applicants to do is a simple copy and paste.

We hope this process will simplify and reduce any confusion with consolidations or terminations. If you have any questions, please contact your field office.

If you are unsure, you can look up your geographic area on the HUD Exchange and contact the CoC that claims your area or one that is close to your area. Preface to Part 5: Participant Screens

The upcoming pages contain instructions for the two “Project Participants” screens—one for “Households” and the other for “Subpopulations.”

Review the FY 2023 CoC Program Competition NOFO and the FY 2023 YHDP Renewal Project Application Detailed Instructions for information on accurately responding to the application questions.

Before continuing to the instructions, please review the following notes, which provide information regarding gathering and entering data for these two populations.

|------------------|--|
| NOTE: (1) | <i>The data gathered on these “Project Participants” screens consists of the number of participants in the program when the program is at full capacity (at a single point in time, not over the course of a year or term of the grant).</i> |
| NOTE: (2) | <i>Dark grey cells are not applicable and light grey cells will be totaled by e-snaps automatically.</i> |
| NOTE: (3) | <i>For homeless assistance programs, chronic substance abuse, by itself, may constitute a disability.</i> |

Additional Guidelines for 5A. Program Participants—Households and 5B. Project Participants—Subpopulations

This section provides some guidelines to clarify the way in which the fields on “5A. Program Participants—Households” and “5B. Program Participants—Subpopulations” screens work together. The example applies to the Household Type: Households with at least one adult and one child, which is the first fillable column on screen 5A and the first chart at the top of screen 5B.

These guidelines also apply to the other two Household Types—Adult Households Without Children and Households With Only Children.

Review the FY 2023 CoC Program Competition NOFO and the FY 2023 YHDP Renewal Project Application Detailed Instructions for information on accurately responding to the application questions.

Total persons per household type

Save & Back Save Save & Next Back Next

The "Total Persons" field on screen 5A will not necessarily be the sum of the ten column totals for the corresponding household type on screen 5B.

While the first three columns on screen 5B are mutually exclusive, people may be listed in more than one subpopulation category in the final seven columns of the chart. For example, a participant can only be either a non-chronically homeless (CH) veteran, a CH veteran, or a CH non-veteran, but a participant may be any one of these three and dually diagnosed, fitting into more than one subpopulation. Therefore, an HIV-positive and chronic substance-abusing CH non-veteran could be included in one subpopulation from the first three columns and in both subpopulations in the final seven columns.

The total number of persons in a particular subpopulation column (e.g., non-CH veterans, chronic substance abuse, etc.) on screen 5B cannot exceed the total number entered in the "Total Persons" column on screen 5A.

Field Calculations

These 3 columns are mutually exclusive.

Total of these 3 columns cannot exceed the "Total Persons" field on 5A for the corresponding Household type (example: cannot exceed 2).

Columns 4 – 9 are not mutually exclusive. People can be in more than one subpopulation.

People counted in column 10 cannot be counted in columns 1-9. See Note: Field Calculations below.

Field Calculations

Refer to the following guidance about the calculations in the rows and columns:

- While individuals may be shown under more than one sub-population—in addition to being either a CH non-veteran, a CH veteran, or a non-CH veteran—column 10, "Persons not represented by listed sub-populations," is mutually exclusive. If someone is listed in column 10, the person cannot be listed in any of columns 1 through 9.

For example, in a project with 15 adults, if one adult is listed under column 10, the column total for each individual column (for columns 1 through 9) cannot exceed 14 individuals.

Part 5. Program Participants

5A. Program Participants—Households

The following steps provide instructions on completing the “Program Participants—Households” screen for **Part 5: Program Participants** to indicate the total number of households and the number of persons by demographic served at maximum program capacity at a single point in time by household type.

Review the FY 2023 CoC Program Competition NOFO and the FY 2023 YHDP Renewal Project Application Detailed Instructions for information on accurately responding to the application questions.

The screenshot shows the '5A. Project Participants - Households' form. It is divided into two main sections: 'Households' and 'Persons'. The 'Households' section has three columns: 'Households with at Least One Adult and One Child', 'Adult Households without Children', and 'Households with Only Children'. The 'Persons' section has three columns: 'Persons in Households with at Least One Adult and One Child', 'Adult Persons in Households without Children', and 'Persons in Households with Only Children'. Each section has a 'Total' column. The 'Households' section has a 'Number of Households' field with a value of 10. The 'Persons' section has fields for 'Persons over age 24' (16), 'Persons ages 18-24' (0), 'Accompanied Children under age 18' (12), and 'Unaccompanied Children under age 18' (0). The 'Total Persons' field shows 28. Callouts explain the input fields and buttons: 'Enter the number of households per household type' points to the 'Number of Households' field; 'Enter number of persons in households per characteristic' points to the 'Persons' section; 'Total persons per household type' points to the 'Total Persons' field; 'Click Save to automatically calculate' points to the 'Save' button; 'Select "Save" to auto-calculate' points to the 'Save' button; and 'Select "Save & Next" to proceed' points to the 'Save & Next' button. The form also includes 'Save & Back', 'Back', and 'Next' buttons.

5B. Program Participants—Subpopulations

The following steps provide instructions on completing the “Program Participants—Subpopulations” screen for **Part 5: Program Participants** to indicate the number of persons served at maximum program capacity at a single point in time as well as the characteristics/status, according to their respective household types.

When filling out this table, applicants should think of it as follows:

- The first three columns that are in dark gray, along with column 10 "Persons not represented by listed subpopulations," are mutually exclusive (i.e., for each row, you cannot count the same person in more than one of these columns).
- Columns 4 through 9 are not mutually exclusive (i.e., in each row, you may include the same person in multiple columns if they have multiple characteristics). However, for each row, if you list a person in column 10, you cannot include the person in columns 4 through 9.

For each household type included on the previous screen, 5A, applicants must fill in at least one cell on the corresponding chart for screen 5B. On the previous screen, the household types were displayed as columns; on 5B, the household types are shown in individual tables.

Preface to Part 6: Budget Information

The upcoming pages contain instructions for completing budgets for the YHDP Renewal project component types and activities. Before continuing to the instructions, please review the following information:

- **Rental Assistance.** There is only one rental assistance screen to use for short-/medium-term or long-term. The user will select which type of rental assistance is applicable to the project from the dropdown provided.
- **Fair Market Rents (FMRs).** Project Applicants will apply for projects in the FY 2023 CoC Program Competition using the FY 2022 FMRs. To ensure consistency between the GIW and the FY 2023 application process, GIWs will also use FY 2022 FMRs. Project Applications that are selected for a conditional award will be adjusted and awarded based on the FMRs that are in effect at the time of the FY 2023 application submission deadline.

24 CFR 578.51(f) provides the following information regarding when updates to the FMR will be made for rental assistance projects: "The amount of rental assistance in each project will be calculated by multiplying the number and size of units proposed by the FMR of each unit on the date the application is submitted to HUD, by the term of the grant."

Project Applicants will need to complete the budget screens that appear on the left menu bar after completing the following screens:

- "Part 1—SF-424"
- "Part 3—Project Information, 3A. Project Detail"
- "Youth Homeless Demonstration Projects"
- "Special YHDP Activities"
- "Part 6—Budget Information, 6A. Funding Request"

Throughout the *e-snaps* budget screens, there are gray-shaded cells in which you will not be able to enter or revise data. These cells are typically "Totals," with amounts that are automatically calculated within *e-snaps* when you select the "Save" button. There are a handful of places where the gray-shaded cells contain other information (e.g., "Numbers of Months"), but the information is always populated by *e-snaps*. You must fill in or revise the data in the white cells, except in certain situations (e.g., you would fill in a white cell for "Other" only if it is applicable).

Review the FY 2023 CoC Program Competition NOFO and the FY 2023 YHDP Renewal Project Application Detailed Instructions for information on accurately responding to the application questions.

YHDP Renewal Project Application

Part 6: Budget Information

This section captures the budget information for the project application.

In *e-snaps*, generally, the budget screens that appear for **Part 6: Budget Information** in the left menu bar of the Project Application are determined by all of the following:

- Whether your project is a new or renewal project, as reflected on screen **1A. Application Type**.
- The component type selected on screen **3A. Project Detail**.
 - If you have a Permanent Housing (PH) project, the budget screens you will be eligible to complete are also dependent upon how you respond to questions on screen 3B. Project Description. Specifically, Project Applicants must indicate whether they are a PSH or RRH project.
- The items you select on the **Youth Homeless Demonstration Projects** screen.
- Your selections on the **6A. Funding Request** screen. Project Applicants must carefully choose the correct funding request as you will only see the budget screen(s) chosen.

Regardless of the items selected on the screens noted above, the only budget screens that will appear are:

- **6B. Leased Units Budget**, if you checked “Leased Units” on Screen 6A.
- **6C. Leased Structures Budget**, if you checked “Lease Structures” on Screen 6A.
- **6D. Rental Assistance Budget**, if you checked “Rental Assistance” on Screen 6A.
- **6E. Supportive Services Budget**, if you checked “Supportive Services” on Screen 6A.
- **6F. Operating Budget**, if you checked “Operating” on Screen 6A.
- **6H. HMIS Budget**, if you checked “HMIS” on Screen 6A.
- **VAWA Costs Budget Line Item**.

All projects will complete these budget screens:

- **Screen 6A. Funding Request.**
- **Screen 6H. Match.**
- **Screen 6I. Summary Budget.**

Note: The only item that can be entered on the Summary Budget is Admin (up to 10 percent). All other budget items are automatically populated from the other budget screens.

The information for your project application’s budget must match your current grant agreement or grant agreement as amended.

Review the FY 2023 CoC Program Competition NOFO and the FY 2023 YHDP Renewal Project Application Detailed Instructions for information on accurately responding to the application questions.

NOTE:

*You will only be able to enter a number in a category on **6I. Budget Summary** if you selected it on the **6A. Funding Request** screen.*

6A. Funding Request

This screen requests information on whether your renewal project intends to use indirect costs, the renewal grant term, and the BLIs for which funding is being requested.

The activities you select on this screen will determine the budget categories that *e-snaps* will require you to enter, which will then appear on the 6I. Summary Budget screen.

This screen shows only the eligible costs applicable for renewal projects, not including Admin (up to 10 percent). The cost selection must match your current grant agreement, or grant agreement as amended.

Review the FY 2023 CoC Program Competition NOFO and the FY 2023 YHDP Renewal Project Application Detailed Instructions for information on accurately responding to the application questions.

6A. Funding Request

* 1. Does this project propose to allocate funds according to an indirect cost rate?

If "Yes," complete the indirect cost rate schedule

Indirect cost rate proposals should be submitted as soon as the applicant is notified of a conditional award. Conditional award recipients will be asked to submit the proposal rate during the e-snaps post-award process.

Applicants with an approved indirect cost rate must submit a copy of the approval with this application.

* a. Please complete the indirect cost rate schedule below:

Cognizant Agency	Indirect Cost Rate	Direct Cost Base	Plan approved by cognizant agency or will use 10% de minimis rate
<input type="text"/>	<input type="text"/>	<input type="text"/>	-- select --

The applicant must complete the row in the indirect cost rate schedule.

2. Renewal Grant Term:

This field is pre-populated with a one-year grant term and cannot be edited:

3. Select the costs for which funding is requested:

- Leased Units ☐
- Leased Structures ☐
- Rental Assistance ☐
- Supportive Services ☐
- Operating ☐
- HMIS ☐
- VAWA ☒

Checked boxes determine which budget screens will appear in left menu bar

Select "Save & Next" to continue

The VAWA BLI is permanently checked. This allows any project to shift funds up to a 10% shift from another BLI if VAWA emergency transfer costs are needed.

Steps

1. In field 1, select "Yes" or "No" to indicate if the project proposes to allocate funds according to an indirect cost rate.
 - If you select "Yes," in field 1, then field 1a will appear.

YHDP Renewal Project Application

In field 1a, complete the indirect cost rate schedule.

Note: If you select “Yes,” indirect cost rate proposals should be submitted as soon as you are notified of a conditional award and no later than three months after the award. HUD will ask conditional award recipients to submit the proposal or approved rate during the *e-snaps* post-award process. Applicants with an approved indirect cost rate must submit a copy of the approval with this.

2. In field 2, the grant term field is gray-shaded, as renewal Project Applications may only request a 1-year term.
3. In field 3, select all of the eligible costs for which you are requesting funds for the project. After you select the “Save” button, the left menu bar will populate with a complete list of budget screens that you will need to complete.
4. Select “Save & Next” to continue.

6B. Leased Units Budget

The "Leased Units Budget" screen is applicable when **the recipient has entered or is entering into leases directly with the property owner** for units to house program participants. If the lease will be between the landowner and the participant, the Project Applicant must complete the Rental Assistance budget, not the Leased Units budget.

The following steps provide instructions on completing the "Leased Units Budget" screen. Note that the screen image below is the same for both new and renewal projects.

VAWA Costs Budget Line Item

New in FY 2023, the **Violence Against Women Act (VAWA)** has clarified the use of CoC Program funds for VAWA-eligible cost categories. These VAWA cost categories can be added to a new project application to create a CoC VAWA BLI in *e-snaps* and eLOCCS. The new BLI will be added to grant agreements and utilized the same as other CoC Program BLIs in *e-snaps* and eLOCCS. Eligible CoC VAWA costs can be identified in one or both of the following CoC VAWA categories. Examples of eligible costs in these cost categories are identified as follows:

1. **VAWA Emergency Transfer Facilitation**. Examples of eligible costs include the costs of assessing, coordinating, approving, denying, and implementing a survivor's emergency transfer(s). Additional details of eligible costs include:
 - **Moving Costs**. Assistance with reasonable moving costs to move survivors for an emergency transfer(s).
 - **Travel Costs**. Assistance with reasonable travel costs for survivors and their families to travel for an emergency transfer(s). This may include travel costs to locations outside of your CoC's geography.
 - **Security Deposits**. Grant funds can be used to pay for security deposits of the safe unit the survivor is transferring to via an emergency transfer(s).
 - **Utilities**. Grant funds can be used to pay for costs of establishing utility assistance in the safe unit the survivor is transferring to.
 - **Housing Fees**. Grant funds can be used to pay fees associated with getting survivors into a safe unit via emergency transfer(s), including but not limited to application fees, broker fees, holding fees, trash fees, pet fees where the person believes they need their pet to be safe, etc.
 - **Case Management**. Grant funds can be used to pay staff time necessary to assess, coordinate, and implement emergency transfer(s).
 - **Housing Navigation**. Grant funds can be used to pay staff time necessary to identify safe units and facilitate moves into housing for survivors through emergency transfer(s).
 - **Technology to Make an Available Unit Safe**. Grant funds can be used to pay for technology that the individual believes is needed to make the unit safe, including but not limited to doorbell cameras, security systems, phone, and internet service when necessary to support security systems for the unit, etc.
2. **VAWA Confidentiality Requirements**. Examples of eligible costs for ensuring compliance with VAWA confidentiality requirements include:
 - Monitoring and evaluating compliance.
 - Developing and implementing strategies for corrective actions and remedies to ensure compliance.
 - Program evaluation of confidentiality policies, practices, and procedures.
 - Training on compliance with VAWA confidentiality requirements.
 - Reporting to CoC Collaborative Applicant, HUD, and other interested parties on compliance with VAWA confidentiality requirements.

6I. Summary Budget

The following information summarizes the funding request for the total term of the project. Budget amounts from the Leased Units, Rental Assistance, and Match screens have been automatically imported and cannot be edited. However, applicants must confirm and correct, if necessary, the total budget amounts for Leased Structures, Supportive Services, Operating, HMIS, and Admin. Budget amounts must reflect the most accurate project information according to the most recent project grant agreement or project grant agreement amendment, the CoC's final HUD-approved FY 2017 GIW or the project budget as reduced due to CoC reallocation. Please note that, new for FY 2017, there are no detailed budget screens for Leased Structures, Supportive Services, Operating, or HMIS costs. HUD expects the original details of past approved budgets for these costs to be the basis for future expenses. However, any reasonable and eligible costs within each CoC cost category can be expended and will be verified during a HUD monitoring.

If your project has not been rejected, the CoC Reject Letter does not pertain to you.

If your project has been rejected and you have chosen to appeal to HUD by submitting a Solo Application prior to the HUD submission deadline, you must upload this attachment. Please visit the CoC Program Competition Resources page at https://www.hud.gov/program_offices/comm_planning/coc/competition.

You will find a resource for Project Applicants that are submitting an Appeal.

- **Consolidated Plan Certification.** Projects that are applying for CoC funds from a geographic area that is not claimed by a CoC and that has selected “No CoC” on Form 3A must upload the HUD-2991 Certification of Consistency with the Consolidated Plan signed by the authorized official from the local or regional government.

If a Project Applicant selects "In-Kind" as a source of match on screen 6D, before grant execution, services to be provided by a third party must be documented by an MOU between the recipient or subrecipient and the third party that will provide the services. The MOU can be uploaded as an attachment with your application or submitted to HUD prior to grant execution.

Part 8. Submission Summary

Once the required information has been entered and the required attachments have been uploaded, the Project Applicant needs to select the "Submit" button on the "Submission Summary" screen.

The "Submission Summary" screen shows the Project Application screens. In the "Last Updated" column, the system will identify the following:

- A date if the screen is complete.
- "No Input Required" if there is no input required.
- "Please Complete" if more information is needed.

Users can go back to any screen by selecting the screen name on the left menu or in the Submissions list itself. Remember to select "Save" after any changes.

NOTE:

The "No Input Required" status on the Submission Summary indicates that additional information for that screen is not required for the applicant to continue to the next step in the e-snaps system.

In the context of this navigational guide, the Project Applicant may continue to the next steps in the Project Application process.

HUD, however, may require that you submit the item prior to entering into a grant agreement if conditionally awarded.

The "Submit" button is located at the bottom of the screen under the navigation buttons. The "Submit" button will be active if all parts of the Project Application are complete (and have a date) or state "No Input Required."

After submitting the Project Application, Project Applicants should notify the Collaborative Applicant that the application is ready for their review.

Troubleshooting When You Cannot Submit the Project Application

Project Applicants may encounter issues when trying to submit the Project Application. If the “Submit” button is gray (i.e., “grayed-out”), it is not active and you cannot select it. You will not be permitted to complete your screen at this time. The “Submit” button will appear gray if information is missing on any of the required Project Application screens or in the Applicant Profile.

The following partial image shows the Renewal Project Application "Submission Summary" screen with items that still need to be completed. Note that the "Submit" button is gray-shaded and you cannot select it.

Steps

1. Review the Submission Summary screen to determine which Project Application screen needs to be completed.
2. Go back to the Project Application or Applicant Profile to update incomplete items. Remember to save your changes.
3. Return to the Submission Summary screen to select the "Submit" button.

What the “Last Updated” column tells you. A date identifies a screen with complete information for all required fields. It is the most recent date on which the completed screen was saved.

- "Please Complete" identifies a screen with information missing in one or more required fields.
- "No Input Required" identifies the screens that are not required for completion by all projects. You are strongly encouraged to double-check these screens to ensure that all appropriate project information is completed.

What the “Notes” section at the bottom of the screen tells you. Notes are not a standard section on the “Submission Summary” screen, so you will not see this section all the time.

- If Notes appear on the screen, they are located under the two-column list and above the navigational buttons.
- The Notes provide information on the errors in the Project Application. Some Notes include a link to the applicable screen and error(s).
