Introduction

Welcome to the Special Notice of Funding Opportunity (NOFO) to Address Unsheltered and Rural Homelessness (Special NOFO) New Project Application Navigational Guide. This guide is for projects applying under the Unsheltered Set Aside Project Application FY 2022 and/or the Rural Set Aside Project Application FY 2022, and covers important information about accessing and completing the Project Application for new projects.

The organization submitting the Project Application for funding is the Project Applicant. Project Applications are submitted to the Continuum of Care (CoC) Collaborative Applicant, which submits the entire funding application to HUD on or before the Special NOFO to Address Unsheltered and Rural Homelessness Program Competition deadline.

Prior to using this guide, Project Applicants must have completed the Project Applicant Profile. In order to meet that requirement, the Project Applicant Profile’s "Complete" button must be selected during the competition period. A separate Project Applicant Profile Navigational Guide is available at:

All Project Applicants are strongly encouraged to read the Special NOFO to Address Unsheltered and Rural Homelessness at:

- https://www.hud.gov/program_offices/comm_planning/coc/specialCoCNOFO

This navigational guide supplements the Special NOFO to Address Unsheltered and Rural Homelessness New Project Application Detailed Instructions provided at:

- https://www.hud.gov/program_offices/comm_planning/coc/specialCoCNOFO

Important!

The Special NOFO to Address Unsheltered and Rural Homelessness and the annual CoC Program NOFO competition are open at the same time. BOTH of these applications are visible in e-snaps.

This Navigational Guide is for applicants who are registering for one or both of these Funding Opportunities:

- **Unsheltered Homelessness Set Aside Project Application FY2022**
- **Rural Set Aside Project Application FY2022**

You must ensure you register for the correct Funding Opportunity. If you have not, you must abandon this project application and begin again by registering for the correct Funding Opportunity you are choosing for this project application.
Objectives

By the end of this module, you will be able to do the following:

- Access e-snaps
- Register for the Special NOFO to Address Unsheltered and/or Rural Homelessness New Project Application FY2022 funding opportunity
- Create a New Project Application under the funding opportunity
- Enter a New Project Application from the “Submissions” screen
- Complete and submit a New Project Application to the Collaborative Applicant
- Only if needed, coordinate with the Collaborative Applicant prior to the submission deadline to make changes to a Project Application in e-snaps

Posted Resources

HUD has determined that some Special NOFO and e-snaps-related resources need to be posted to HUD.gov as HUD’s official website, rather than to the HUD Exchange, which focuses on technical resources for communities and grant recipients. Special NOFO information (e.g., detailed instructions), including the Special NOFO e-snaps Navigational Guides, will be published and updated on HUD.gov. Many of the other Special NOFO and e-snaps-related technical resources will remain on the HUD Exchange.

Have a question?

The e-snaps AAQ on HUD Exchange is no longer active. Submit questions related to the Special NOFO or navigating e-snaps to the appropriate HUD.gov email address:

- SpecialCoCNOFO@hud.gov for questions about the NOFO, competition, and applications.
- e-snaps@hud.gov for questions about e-snaps technical issues such as creating an individual user profile, lockouts/password resets, requesting access to a CoC’s or Project Applicant’s e-snaps account, navigating e-snaps, updating the Applicant Profile, identifying the funding opportunity, creating a project, and accessing the application on the “Submissions” screen.

In your email, please provide:

- The specific details regarding the issue you are encountering;
- The steps you have taken up to the point the issue occurs; and
- Any error messages.

You may also want to provide a screenshot.
Overview of the Project Application Process

Special NOFO Project Applicants must complete a Project Applicant Profile and Project Application using e-snaps, a web-based portal accessible at:

Each Project Applicant must complete a Project Applicant Profile and submit its Project Application(s) to the applicable CoC in e-snaps by the local submission deadline established by the CoC.

The CoCs will do the following:

1. Review and either rank or reject properly submitted Project Applications received, and
2. Submit the Special NOFO Priority Listing with all approved and ranked or rejected Project Applications as part of the Special NOFO Consolidated Application to HUD.
Overview of this Navigational Guide

The organization of material in this navigational guide corresponds with the different parts of the Project Application process, and the navigational steps follow the progression of screens in e-snaps.

- **Accessing e-snaps.** All e-snaps users need usernames and passwords to log in to e-snaps. In order to see an organization’s Project Applicant Profile and Project Applications, the e-snaps user needs to be associated as a "registrant" with the organization's e-snaps account. This section identifies the steps required to create user profiles and add/delete registrants.

- **Project Applicant Profile.** Project Applicants must review the Project Applicant Profile, update the information as needed, and select the "Complete" button in order to proceed with the Project Application process.
  
  a. The Project Applicant Profile section of this guide briefly highlights key information for Project Applicants that are getting ready to complete their Project Applications.
  
  b. For instructions on completing the Project Applicant Profile, go to the Project Applicant Profile navigational guide at:

    - [https://files.hudexchange.info/resources/documents/Project-Applicant-Profile-Navigational-Guide.pdf](https://files.hudexchange.info/resources/documents/Project-Applicant-Profile-Navigational-Guide.pdf)

- **Accessing the Special NOFO to Address Unsheltered and Rural Homelessness New Project Application FY2022.** After the Project Applicant Profile is complete, Project Applicants need to follow a series of steps in order to access the Project Application screens. The steps discussed in this section include registering the Project Applicant for the Special NOFO to Address Unsheltered and Rural Homelessness funding opportunity, creating a new project, and accessing the Project Application screens.

- **Completing the Special NOFO to Address Unsheltered and Rural Homelessness New Project Application FY2022.** After accessing the Special NOFO to Address Unsheltered and Rural Homelessness New Project Application FY2022, Project Applicants will complete a series of screens asking for information about the project for which they are applying for funding. This section provides instructions on how to complete each screen. After providing all of the required information, the Project Applicant will submit the Special NOFO to Address Unsheltered and Rural Homelessness New Project Application FY2022 to the Collaborative Applicant via e-snaps.

- **Submitting the Special NOFO to Address Unsheltered and Rural Homelessness New Project Application FY2022.** This section discusses what occurs after the Project Applicant submits the Special NOFO to Address Unsheltered and Rural Homelessness New Project Application FY2022 in e-snaps to the Collaborative Applicant. The Collaborative Applicant will review and either approve and rank or reject the Project Application.

- **Amending the Special NOFO to Address Unsheltered and Rural Homelessness New Project Application FY2022.** If changes need to be made to the Special NOFO to Address Unsheltered and Rural Homelessness New Project Application FY2022, the Collaborative Applicant will amend the project back to the Project Applicant. The Project Applicant will make the necessary changes and then resubmit it to the Collaborative Applicant.

  Note: Notification for amending a project back to the applicant occurs outside of e-snaps.
Amending a Project Application

If the CoC amends the project application back to the Project Applicant for revision or correction, it is the Project Applicant’s and Collaborative Applicant’s responsibility to ensure the Project Application is resubmitted in e-snaps to the CoC and either approved and ranked (or re-ranked) or rejected before the Special NOFO Priority Listing is submitted to HUD.

*If a Project Application does not appear on the Priority Listing, it will not be reviewed or considered for conditional award.*
Highlights for the Special NOFO Program Competition

This section highlights several items in the Special NOFO Program Competition.

- **Special NOFO Funding Sources and Limitations.** CoCs will have the opportunity to submit projects for two funding opportunities through this Special NOFO: (1) Unsheltered Homelessness Set Aside Project Application FY2022, and (2) Rural Set Aside Project Application FY2022. CoCs may apply for projects under one or both funding opportunities as follows:

  a. **Unsheltered Homelessness Set Aside.** Projects included in this funding opportunity may serve any geographic area within the CoC and must meet all eligibility and quality threshold requirements established in this Special NOFO. A CoC’s maximum award amount for this funding opportunity is described in Section III.J of the NOFO and included in Appendix A of the Special NOFO.

  b. **Rural Set Aside.** Projects included in this funding opportunity must serve geographic areas that meet the definition of “rural area” as defined in Section III.C.2.k of the NOFO and meet all eligibility and quality threshold requirements established in this Special NOFO. CoCs whose geographic areas do not include any rural areas are not eligible for funding under this funding opportunity. A CoC’s maximum award amount for this funding opportunity is described in Section III.J of the NOFO and included in Appendix A of the Special NOFO.

- **Three Year Funding.** Unlike the annual CoC Program Competition funding, Special NOFO funds for new projects will have a grant term of three years.

- **Rural Set Aside Only.** There are a few project application opportunities unique to the Rural Set Aside. They include:

  1. Projects may request acquisition, new construction, or rehabilitation funds as part of their Permanent Supportive Housing (PSH) projects.

  2. Projects can request funding for eligible costs under Section 491 of the McKinney-Vento Homeless Assistance Act, as amended by the HARTH Act (42 USC 11408) as provided in Section V.B.3.e.(2) of the Special NOFO.

  3. Projects must serve rural areas as defined in Section III.C.2.k. A list of rural areas can be found in Appendix B of the NOFO. Project applicants will be required to identify the rural areas being served by the project in their project application.

  4. Projects that propose to serve “structurally disadvantaged areas” — meaning those geographic areas that have high levels of homelessness, housing distress, or poverty, and are located where CoC services have until now been entirely unavailable — may earn 10 points towards their project application score. Projects committing to do this will be required to identify the structurally disadvantaged area and describe why it meets the criteria as part of their project application. See Section II.B.2.b.(3) of the Special NOFO for more information.

- **Rural Set Aside Only questions.** Projects applying for the Rural Set Aside will have some additional questions to answer on certain e-snaps screens. These questions will be noted with “Rural Set Aside only.”
CoC Program Components. 24 CFR 578.37 states that CoC funds may be used for projects under five program components: permanent housing (including rapid rehousing and permanent supportive housing); transitional housing; Supportive Services Only; HMIS; and in some cases, homelessness prevention. Only designated High Performing Communities (HPCs) may carry out homelessness prevention activities through the CoC Program. Although CoCs were able to apply for HPC designation during the FY 2022 CoC Program Registration process, HUD did not receive any requests for HPC designation; therefore, no CoCs may request funds for homelessness prevention. Under this Special NOFO, HUD will fund projects in these components:

1. Permanent Housing
2. Supportive Services Only; and
3. HMIS.

In addition to funding projects that use these components, Collaborative Applicants may apply for projects that include the Transitional Housing and Permanent Housing-Rapid Re-Housing components in a single project, a Joint TH, and PH-RRH component project.

Special NOFO Webinars. HUD hosted two Special NOFO webinars in June 2022. The slides, chat logs, audio recordings, and transcripts are available at:

Helpful Reminders

This section highlights several items that are not new if you normally submit a project application to the annual CoC Program Competition, but are included as useful reminders.

- **HUD 2880 (Applicant/Recipient Disclosure/Initial Report).** As with prior years, the HUD Form 2880 is no longer uploaded as an attachment. This form is related to the Project Applicant Profile and the fields are not editable in the forms in the Project Applications. For instructions on completing the HUD Form 2880 in both the Project Applicant Profile and the Project Applications, refer to the following resource:

- **Prepopulating Data from the Project Applicant Profile.** Some data will automatically populate fields on several screens from the information entered into your Project Applicant Profile. If this information is incorrect, changes can be made by exiting the application and returning to the Project Applicant Profile.

- **The "Project Application" and "CoC Priority Listing."**
  a. The Project Application includes the information submitted by new Project Applicants for funding consideration.
  b. The CoC Priority Listing includes four separate project listing forms:
     - Unsheltered Homelessness Set Aside Project Application FY2022,
     - Rural Set Aside Project Application FY2022,
     - CoC Planning Unsheltered Homelessness Set Aside Project Application FY2022, and
     - UFA Costs Unsheltered Homelessness Set Aside Project Application FY2022 (if designated by HUD as a Unified Funding Agency (UFA)).

- **Applicant Field and Dropdown Menu.** When e-snaps users log into the system, they will see an "Applicant" field at the top of the screen. This field identifies the organization's account in which the user is working.

  Users with e-snaps access to more than one organization's account will see a dropdown menu listing two or more organizations. This group of e-snaps users includes staff persons who work on multiple applications (e.g., a staff person at an agency that serves as the Collaborative Applicant as well as a Project Applicant submitting one or more Project Applications).

  This feature appears when working on the “Applicants,” “Funding Opportunity,” “Projects,” and “Submissions” screens. Only the items (e.g., Projects) pertaining to the Applicant listed in the field appear on the screen. Users must ensure they are working in the correct Applicant account.

- **Collaborative Applicant.** During the Special NOFO to Address Unsheltered and Rural Homelessness Program Competition, Project Applicants will see references to the "Collaborative Applicant." The Collaborative Applicant is the entity designated by the CoC to submit the CoC Program Registration and CoC Consolidated Application in the Special NOFO Program Competition on behalf of the CoC.
Accessing e-snaps

The Project Application is submitted electronically in e-snaps during the competition under the Special NOFO to Address Unsheltered and Rural Homelessness.

Existing Users

1. Direct your Internet browser to https://esnaps.hud.gov.
2. On the left menu bar, enter your username and password. You will then enter e-snaps and arrive at the "Welcome" screen.
3. If you forgot your password, select "Forgot your password?" under the "Login" button.

New e-snaps Users

1. Create an e-snaps username and password by selecting the "Create Profile" link.
2. Log in as instructed under Existing Users above.

NOTE: Each e-snaps user must have his or her unique log-in credentials. Preferably, each organization will have at least two people with access to e-snaps: the Authorized Representative and one or more additional staff.
**Give Staff Access to Your Organization’s e-snaps Account**

Having a user profile enables a person to access e-snaps. However, only individuals who have been associated with the organization as a registrant (also referred to as registered users) have the ability to enter information in the Applicant Profile and Project Applications associated with the organization.

For information on how to add and delete users, refer to the “Give Staff Access to Your Organization’s e-snaps Account” resource at:

Project Applicant Profile

Project Applicants must complete the Project Applicant Profile before moving forward in the Special NOFO to Address Unsheltered and Rural Homelessness New Project Application FY2022 process. To complete the Project Applicant Profile, the Project Applicant needs to ensure the data entered in the profile screens is accurate and must select the “Complete” button on the “Submission Summary” screen.

This section in the Special NOFO to Address Unsheltered and Rural Homelessness New Project Application FY2022 Navigational Guide highlights key information needed to successfully complete this step. It does NOT provide detailed instructions.

For detailed instructions, see the Project Applicant Profile navigational guide at:

- [https://files.hudexchange.info/resources/documents/Project-Applicant-Profile-Navigational-Guide.pdf](https://files.hudexchange.info/resources/documents/Project-Applicant-Profile-Navigational-Guide.pdf)

- **Access the Project Applicant Profile.** To access the Project Applicant Profile, log into e-snaps, select "Applicants" on the left menu bar, ensure that the correct Project Applicant name in the "Applicants" field at the top left side of the screen is selected, and select the orange folder to the left of the Project Applicant name on the screen.

- **Organizations that are Collaborative Applicants and Project Applicants.** If the organization applying for funding as a Project Applicant is also serving as the Collaborative Applicant, the organization will have two Applicant Profiles—one for the Project Applicant and one for the Collaborative Applicant.

  The "Applicant" field drop-down menu at the top left side of the screen contains the list of Applicants that a user can access. If you have issues with finding the correct Project Applicant, contact the HUD e-snaps Help Desk at e-snaps@hud.gov.

- **First-time Applicant.** If an organization is new to e-snaps (i.e., submitting a Project Application for the first time), the organization must establish itself as a Project Applicant in e-snaps. Review the Project Applicant Profile Navigational Guide at:
  
  - [https://files.hudexchange.info/resources/documents/Project-Applicant-Profile-Navigational-Guide.pdf](https://files.hudexchange.info/resources/documents/Project-Applicant-Profile-Navigational-Guide.pdf)

  An organization will establish itself as a Project Applicant in e-snaps one time only.

  If you are a Collaborative Applicant and a Project Applicant applying for the Unsheltered Set Aside, Rural Set Aside, CoC planning, or UFA costs project funds, you must have **two separate Applicant Profiles**—a Collaborative Applicant Profile and a Project Applicant Profile.

  If you need assistance with this issue, contact the HUD Exchange e-snaps Help Desk at:

  - e-snaps@hud.gov.
Accessing the Special NOFO to Address Unsheltered and Rural Homelessness New Project Application

4. Select the “Register” icon next to the Funding Opportunity. You must choose the correct Funding Opportunity. If you do not, you must abandon this project application and begin again by registering for the correct Funding Opportunity you are choosing for this project application.
5. The "Funding Opportunity Details" screen will appear.
**Steps**

1. When the question appears asking if you want to register the Project Applicant for the funding opportunity, select "Yes" to confirm that you want to register your organization.

2. The screen will then indicate that the Project Applicant has been registered.

3. Select the "Back" button to return to the "Funding Opportunity Registrations" screen.

---

> **Remember, the "Applicant" field with the drop-down menu located at the top left side of the screen identifies the Applicant Profile under which you are working.**

> **Please ensure you are working under the correct one.**

The following image shows the screen that appears when the organization has successfully registered for the Special NOFO to Address Unsheltered and Rural Homelessness New Project Application FY2022 New Project Application funding opportunity. In the example below, the applicant has successfully registered for the Unsheltered Homelessness Set Aside Project Application FY2022 funding opportunity.
Special NOFO New Project Application

Creating the Special NOFO to Address Unsheltered and Rural Homelessness New Project Application Project

Project Applicants must create a project for the Special NOFO to Address Unsheltered and Rural Homelessness New Project Application FY2022 in e-snaps on the "Projects" screen. Creating a project is an intermediate step. Organizations do NOT enter the Application from the "Projects" screen to complete the Application screens; instead, they access the application from the "Submissions" screen.

Once the Project Applicant "creates" the project, it will appear on this screen and the term "New Project Application" will appear under the "Funding Opportunity Name" column.

Terminology

"Creating a Project" means "giving the project application a name."

Steps

1. Select "Projects" on the left menu bar. The "Projects" screen will appear.
2. Confirm the correct Project Applicant.
3. In the "Funding Opportunity Name" drop-down menu, select "Unsheltered Homelessness Set Aside Project Application FY2022" or "Rural Set Aside Project Application FY2022."
4. The screen refreshes and an "Add" icon appears on the left side of the screen above the column headings.
5. Select the "Add" icon.
6. The "Create a Project" screen will appear.

Remember, the "Applicant" field with the drop-down menu located at the top of the screen identifies the Applicant Profile under which you are working.

Please ensure you are working under the correct Project Applicant.
Steps

1. On the "Create a Project" screen, the Project Applicant Name will be pre-populated.
2. Confirm the correct Project Applicant.
3. In the "Applicant Project Name" field, enter the name of the project.
   - You should enter the name that you want to appear in the grant award letter.
4. Select "Save & Back" to return to the "Projects" screen.
5. The project name is listed in the menu.
6. Select the “View” icon to view project details; however, it is not necessary to enter any notes on that page.
Submissions

After completing the Project Applicant Profile, registering for the Funding Opportunity, and creating the Special NOFO to Address Unsheltered and Rural Homelessness New Project Application FY2022 project, Project Applicants may now enter the Project Application and complete the screens. You must access the Project Application from the "Submissions" screen.

Terminology

"Submissions" refers to both submitted project applications and project applications that are in progress of being submitted.

This screen also includes applications that are created by mistake and are not intended to be submitted.

Once you have created a project on the “Projects” screen and it appears here, you cannot delete it. You can only rename it.

Steps

1. Select "Submissions" on the left menu bar. The “Submissions” screen will appear.
2. Confirm the correct Project Applicant.
3. Locate the Project Application project you established.
   - Option: Use the "Submissions Filters." Select the project name in the “Project Name” field. Then select the "Filter" button to single out your project(s).
   - Option: Select "Clear Filters" on the top left of the "Submissions Filters" box. Then, review the "Funding Opportunity Name / Step Name" column for "Unsheltered Homelessness Set Aside Project Application FY2022" or “Rural Set Aside Project Application FY2022.”
4. Continue with the instructions in the next section for completing the Special NOFO to Address Unsheltered and Rural Homelessness New Project Application FY2022.
This section identifies the steps for completing the "New Project Application" screens in e-snaps.

**NOTE:** Some data may pre-populate from the Project Applicant Profile (i.e., e-snaps will bring it forward). Review the pre-populated data. If any information is incorrect, you must go back and correct it in the Project Applicant Profile.

If you are in the Project Application and you need to update the Project Applicant Profile, do not use the "View Applicant Profile" link on the left menu bar. Instead:

- Select "Back to Submissions List." Select "Applicants" on the left menu bar, and select the orange folder next to the Applicant name.
- Ensure that the Applicant Profile is in "edit" mode.
- Make the appropriate corrections as needed, and select “Save” at the bottom of the screen after you make each revision.
- Once you have made all of the necessary corrections to your Project Applicant Profile, continue to the “Submission Summary” screen and select “Complete.”
- When you return to the Project Application, the screen will show the corrected information.

If the corrected information does not populate the Project Application, do the following:

- Log out of e-snaps.
- Log back in and navigate to the screen in the Applicant Profile where information needs to be corrected. If the information is incorrect, correct it and Save. If the information is correct, then edit it to something that is incorrect, save it, then change it back, and save it.
- Navigate to the “Submission Summary” and select “Complete.”
- Log out of e-snaps.
- Log in again. Navigate to your Project Application. The information should be updated.

Select “Save” at the bottom of the screen after you make each revision. Once you have made all of the necessary corrections to your Project Applicant Profile, proceed to the “Submission Summary” screen and select “Complete.” When you return to the Project Application, the screen will show the corrected information.

Review the instructions in the Submitting the Project Application section in this guide.
Accessing the New Project Application

Access the New Project Application through the "Submissions" screen.

**Steps**

1. Select "Submissions" on the left menu bar. The "Submissions" screen will appear.
2. Confirm the correct Project Applicant.
3. Locate the Project Application you established.
4. Select the "Folder" icon 📁 to the left of the Project Application Name you established with the Funding Opportunity Name "Unsheltered Homelessness Set Aside Project Application FY2022" or “Rural Set Aside Project Application FY2022.”
   
   **Note:** If you have registered for both the Unsheltered Homelessness Set Aside and the Rural Set Aside funding opportunities, you must select the correct orange folder. The fields on certain e-snaps screens are slightly different depending on the Set Aside.
5. The "Before Starting" screen will appear.
Before Starting the New Project Application

   - Single Room Occupancy (SRO) units
   - Clustered apartments
   - Scattered-site apartments (including efficiencies)
   - Single-family homes/townhouses/duplexes.

Select "Save & Add Another" to add additional sites

Select "Save & Back to List" when complete
3. In field 3, enter the funding source for the units and beds. If multiple sources, select “Mixed” from the drop-down menu.

4. In field 4, enter the maximum number of units and beds available for project participants at the selected housing site.
   - The number entered should be based on the number of units and beds that will be available at the point-in-time and used for housing program participants in this project.
   - Select “Save.”
   - **Note:** A zero bedroom or efficiency must be indicated as 1 unit, 1 bedroom, and 1 bed. In addition, the number of units and beds listed on Screen 4B must be equal to or greater than the total number of units requested in the budget, Part 6 in this guide, and the number of beds should correlate to the number and characteristics of persons that the project is expected to serve as recorded on Screens 5A and 5B.

5. In field 5, enter the physical address for this proposed project.
   - For scattered-site housing, enter the address where the majority of beds are located, where most beds are located as of the date you submit the application, or an administrative address.
   - If the project uses tenant based rental assistance, or if the address for scattered-site or single-family home housing cannot be identified at the time of application, enter the address for the administration office.
   - Projects serving victims of domestic violence, including human trafficking, must use a PO Box or other anonymous address to ensure the safety of participants.

6. In field 6, select the geographic area(s) in which the project is located.
   - Highlight one geographic area, or hold the CTRL Key to make more than one selection.
   - Using the single arrow, move your selection from the left box to the right box.

7. To add additional housing sites, select “Save & Add Another” and repeat steps 1 through 6.

8. When you have entered all of the types of housing for the project, select “Save & Back to List” to return to the “4B. Housing Type and Location” screen.
4B. HMIS Training

The following screen, 4B. HMIS Training, applies to HMIS projects (the component selected on screen 3A. Project Detail).

**Steps**

1. For each type of activity listed, indicate the last training date or proposed training date for each HMIS training, as applicable.

   **Note:** If there has been no training, enter 00/0000.

2. Enter up to 3 additional HMIS trainings that apply to the implementation of the proposed project, and enter the implementation date for each additional training.

3. Select "Save & Next" to continue to the next screen.
Preface to Part 5: Participant Screens

The upcoming pages contain instructions for the two “Project Participants” screens—one for “Households” and the other for “Subpopulations.”

NOTE: Part 5 is applicable only to PH-PSH, PH-RRH, and Joint TH and PH-RRH Projects.

If you selected "HMIS" or "SSO" as the component on screen 3A, you will not see the Part 5 screens as these screens do not apply to HMIS or SSO projects.

Before continuing to the instructions, please review the following notes, which provide information regarding gathering and entering data for these two populations.

NOTE: (1) The data gathered on these “Project Participants” screens consists of the number of participants in the program when the program is at full capacity (at a single point in time, not over the course of a year or term of the grant).

For a new project, you will not have historical data on persons served, so you will need to use estimates at the time of application. The data describes the number of households as well as the number of persons in households.

NOTE: (2) Dark grey cells are not applicable and light grey cells will be totaled by e-snaps automatically.

NOTE: (3) For homeless assistance programs, chronic substance abuse, by itself, may constitute a disability.

NOTE: See also the Guidelines for 5A. Project Participants – Households and 5B. Project Participants - Subpopulations subsection on the next page

Reminder: Detailed Instructions

This Navigational Guide provides instruction on how to complete the Special NOFO to Address Unsheltered and Rural Homelessness New Project Application in e-snaps.

For more information on the details of the application itself, refer to the Special NOFO New Project Application Detailed Instructions at:

Guidelines for 5A. Project Participants – Households and 5B. Project Participants - Subpopulations

This section provides some guidelines to clarify the way in which the fields on 5A. Project Participants – Households and 5B. Project Participants - Subpopulations work together. The example applies to the Household Type: Households with at least one adult and one child, which is the first fillable column on screen 5A and the first chart at the top of screen 5B.

These guidelines also apply to the other two Household Types—Adult Households without children and Households with Only Children.

Example:
Household Type: HHs with at least 1 adult and 1 child
# Households = 10
# Adults over age 24 = 16
# Accompanied Children under age 18 = 12
The “Total Persons” field on screen 5A will not necessarily be the sum of the 10 column totals for the corresponding household type on screen 5B (see image below).

While the first three columns on screen 5B are mutually exclusive, people might be listed in more than one subpopulation category in the final seven columns of the chart. For example, a participant can only be either a non-CH veteran, a CH veteran, or a CH non-veteran, but a participant may be any one of these three and dually-diagnosed, fitting into more than one subpopulation. Therefore, an HIV positive and chronic substance abusing CH non-veteran could be included in one subpopulation from the first three columns and in both subpopulations in the final seven columns.

The total number of persons in a particular subpopulation column (e.g., non-CH veterans, chronic substance abuse, etc.) on screen 5B cannot exceed the total number entered in the “Total Persons” column on screen 5A.
5A. **Project Participants - Households**

The following steps provide instructions on completing the "Project Participants – Households" screen for **Part 5: Participants and Outreach Information** to indicate the total number of households and number of persons by demographic served at maximum program capacity at a single point in time by household type.

**Estimations:**

*For a new project, you will not have historical data on persons served, so you will need to use estimates at the time of application.*

*The data describes the number of households as well as the number of persons in households.*

**Steps**

1. In the "Number of Households" row, enter the total number of households for each household type.
2. Select “Save” and the system will calculate the total for the "Total Number of Households" field.
3. In the "Characteristics" section, enter the number of persons by household type for each demographic row.
4. Select “Save” and the system will calculate the remaining four fields in the columns and the totals for each demographic based on the values you entered.
5. Select “Save & Next” at the bottom of the screen once all information is complete on this screen.
5B. Project Participants - Subpopulations

The following steps provide instructions on completing the “Project Participants – Subpopulations” screen for Part 5: Participants and Outreach Information to indicate the number of persons served at maximum program capacity at a single point in time, as well as the characteristics/disabilities, according to their respective household types.

**Estimations:**

For a new project, you will not have historical data on persons served, so you will need to use estimates at the time of application.

The data describes the number of households as well as the number of persons in households.

When filling out this table, applicants should think of it as follows:

- For each row, the first three columns that are in dark gray, along with column 10 "Persons not represented by listed subpopulations," are mutually exclusive (i.e., for each row, you cannot count the same person in more than one of these columns).

- Columns 4 through 9 are not mutually exclusive (i.e., in each row, you may include the same person in multiple columns if they have multiple characteristics). However, for each row, if you list a person in column 10, you cannot include the person in columns 4 through 9.

For each household type included on the previous screen, 5A, applicants must fill in at least one cell on the corresponding chart on for screen 5B. On the previous screen, the household types were displayed as columns; on 5B, the household types are shown in individual tables.
**Steps**

1. For each household type included from screen 5A, enter the appropriate subpopulation on this screen based on capacity at a single point in time, as well as the characteristics/disabilities, according to their respective household types.

2. Select “Save” and the system will calculate all totals based on the values you entered for each subpopulation.

3. Select “Save & Next” once all information is complete on this screen.

**Subpopulations**

- **Chronically Homeless** includes disabled adults in households with or without children.

- **Veterans** must be adults; therefore, no entry is allowed for accompanied or unaccompanied children under age 18 for the “Chronically Homeless Veterans” column.
Preface to Part 6: Budget Information

The upcoming pages contain instructions for completing budgets for the New Project component types and activities. Before continuing to the instructions, please review the following information:

- **Budget Detail screens.** New Project Applications have "Detail" project screens for each budget category: acquisition/rehabilitation/new construction; leased units; leased structures; rental assistance; supportive services; operating, and HMIS.

- **Rental Assistance.** There is only one rental assistance screen to use for short/medium-term or long-term. The user will select from the drop-down menu which type of rental assistance is applicable to the project.

- **FMRs.** Project Applicants will apply for projects in the Special NOFO to Address Unsheltered and Rural Homelessness Program Competition using the FY 2022 FMRs. Project applications that are selected for a conditional award will be adjusted and awarded based on the FMRs that are in effect at time of the Special NOFO application submission deadline.

24 CFR 578.51(f) provides the following information regarding when updates to the FMR will be made for rental assistance projects, "The amount of rental assistance in each project will be calculated by multiplying the number and size of units proposed by the FMR of each unit on the date the application is submitted to HUD, by the term of the grant."

Project Applicants will need to complete the budget screens that appear on the left menu bar after completing the following:

- "Part 1 – SF-424"
- "Part 3 - Project Information, 3A. Project Detail" screen
- "Part 6 – Budget Information, 6A. Funding Request" screen

Throughout the e-snaps budget screens, there are gray-shaded cells in which you will not be able to enter or revise data. These cells are typically "Totals" with amounts that are automatically calculated within e-snaps when you select the "Save" button. There are a handful of places where the gray-shaded cells contain other information (e.g., "Numbers of Months"), but the information is always populated by e-snaps. You must fill in or revise the data in the white cells, except in certain situations (e.g., you would fill in a white cell for "Other" only if it is applicable).
Part 6: Budget Information

In e-snaps, the budget screens that appear for Part 6: Budget Information in the left menu bar of the Project Application are determined by all of the following:

- Whether your project is for the Unsheltered Set Aside, Rural Set Aside, CoC Planning (Unsheltered Set Aside only), or UFA Costs (Unsheltered Set Aside only), as reflected on screen 1A. Application Type.
- The component type selected on screen 3A. Project Detail.
  - If you have a Permanent Housing (PH) project, the budget screens you will be eligible to complete are also dependent upon how you respond to questions on screen 3B. Project Description. Specifically, Project Applicants must indicate whether they are a PSH or RRH project.
- Your selections on the 6A. Funding Request screen. Project Applicants must carefully choose the correct funding request as you will only see the budget screen(s) chosen.

Below is a table that shows the eligible activities for New Projects by Component Type.

**NOTE:** Project Applicants may NOT have any of the following combinations in a single structure or housing unit, although some of these budgets may be combined in a single Project Application because the funding is not used in the same structure or unit, such as in a Joint TH and PH-RRH Project:

- Acquisition and/or rehabilitation with new construction
6A. Funding Request for New Projects

This screen has six questions. The navigational steps in this section go through the questions in order. The options available in Question 5 are determined by your selections on screen 3A. Project Detail. Once you select the activities in Question 5, the appropriate budget screens will populate in the left menu bar.

**Important!**

Unlike the annual CoC Program NOFO competition, all Special NOFO to Address Unsheltered and Rural Homelessness will have a grant term of three years.

If the Funding Request screens in e-snaps are not pre-populated with “3 Years”, then you are working in the wrong application, i.e., you are working in the annual CoC Program NOFO, not the Special NOFO to Address Unsheltered and Rural Homelessness.

If that is the case, you must abandon this project application and begin again by registering for the correct Funding Opportunity.

This Navigational Guide is for applicants who are registering for one or both of these Funding Opportunities:

- Unsheltered Homelessness Set Aside Project Application FY2022
- Rural Set Aside Project Application FY2022

**All Projects: Questions 1 and 2: Readiness and Funding Source**

**Steps**

1. In field 1, select “Yes” or “No” to indicate the Project Applicant’s readiness to initiate the project by September 15, 2024.
   - If you select “No,” you will not be able to submit the Project Application.

2. In field 2, the response automatically pulls forward the selected Funding Opportunity when you registered for this specific application (either Unsheltered Homelessness Set Aside or Rural Set Aside).
   - **Note:** If field 2 is incorrect, you must abandon this project application and begin again by registering the correct Funding Opportunity you are choosing for this project application.
Steps (continued)

3. In field 3, select "Yes" or "No" to indicate if this project proposes to allocate funds according to an indirect cost rate.
   - If "Yes", fields 3a will appear.
     In field 3a, complete the indirect cost rate schedule; list the cognizant agency, record the indirect cost rate and the direct cost rate, and select whether you plan to use the approved rate or the 10 percent de minimis rate.

Note: If you select "Yes," indirect cost rate proposals should be submitted as soon as HUD notifies the applicant of a conditional award and no later than three months after the award. HUD will ask conditional award recipients to submit the proposal or approved rate during the e-snaps post-award process. Applicants with an approved indirect cost rate must submit a copy of the approval with this application.

4. In field 4, the “Select a grant term” drop-down menu is pre-populated with “3 Years” and cannot be edited.

Note: If the screen in e-snaps is not pre-populated with “3 Years”, then you are working in the wrong application, i.e., you are working in the annual CoC Program NOFO, not the Special NOFO to Address Unsheltered and Rural Homelessness. You must abandon this project application and begin again by registering for the correct Funding Opportunity you are choosing for this project application.

NOTE: Review the Special NOFO Program Competition for more information on grant terms at:

- [https://www.hud.gov/program_offices/comm_planning/coc/specialCoCNOFO](https://www.hud.gov/program_offices/comm_planning/coc/specialCoCNOFO)
NOTE: *For new projects, the number of eligible costs listed in Question 5 depends on the project component selected on screen 3A. Project Detail.*

**Steps (continued)**

5. In field 5, select all the costs for which you are requesting funds for the project. After you select the “Save” button, the left menu bar will populate with a complete list of budget screens that you will need to complete.

**PH-PSH Projects**

* 5. Select the costs for which funding is requested:
  (Rural Set Aside ONLY) Acquisition/Rehabilitation/New Construction
  Leased Units
  Leased Structures
  Rental Assistance
  Supportive Services
  Operating
  HMIS

**PH-RRH Projects**

* 5. Select the costs for which funding is requested:
  Rental Assistance
  Supportive Services
  HMIS
Joint TH-RRH Projects

For new SSO-CE and SSO-Other projects, the only expense categories listed in Question 5 are Supportive Services and HMIS.

Dedicated HMIS Projects

New Dedicated HMIS project costs can only be carried out by the HMIS Lead, which is the project applicant or subrecipient for HMIS dedicated funds and that is listed on the HMIS Lead form in the CoC Applicant Profile in e-snaps.

Steps (continued)

6. Select "Save & Next" to continue.
6B. Acquisition/Rehabilitation/New Construction Budget

The following steps provide instruction on completing the "Acquisition/Rehabilitation/New Construction Budget" screen for new projects with a PH-PSH component.

**Steps**

1. To add information to this list, select the "Add" icon to open the "Acquisition/Rehabilitation/New Construction Detail" screen.
2. The "Acquisition/Rehabilitation/New Construction Budget Detail" screen will appear.
Steps

1. Enter the name, street address, city, state, and zip code of the structure.
   - The name of the structure can be as simple as "Structure 1" or something that is descriptive of the project's use of the structure. It does not have to be the legal name of the structure.

2. Enter the amount of grant funds requested for acquisition, rehabilitation, and new construction.
   - Select "Save" and the screen will automatically calculate the Total Assistance Requested.

3. If you are requesting project funds for acquisition, rehabilitation, or new construction for one location only:
   - Select “Save & Back to List” to go back to the "Acquisition/Rehabilitation/New Construction Budget" screen.

   If you are requesting project funds for acquisition, rehabilitation, or new construction for another location:
   - Select “Save & Add Another.” Follow the directions for completing another "Acquisition/Rehabilitation/New Construction Budget Detail" screen as described above.

   After you have entered all of the “Acquisition/Rehabilitation/New Construction Budget Detail” screens that your project requires, select “Save & Back to List” to return to the "Acquisition/Rehabilitation/New Construction Budget" screen.

4. After completing all of the “Acquisition/Rehabilitation/New Construction Budget Detail” screens, the “Acquisition/Rehabilitation/New Construction Budget” screen will auto-populate with the budget information you entered.
   - Note: Acquisition can be combined with Rehabilitation. However, New Construction cannot be combined with Acquisition.
Completion of the Acquisition/Rehabilitation/New Construction Budget Screen

After completing all of the “Acquisition/Rehabilitation/New Construction Budget Detail” screens, the “Leased Unit Budget” screen will auto-populate with the budget information you entered.

**Steps**

1. Review the following items on the “Acquisition/Rehabilitation/New Construction Budget” screen.
   - The “Acquisition/Rehabilitation/New Construction Budget” screen should have been auto-calculated with your total acquisition/rehabilitation/new construction budget amount.
   - Each "Acquisition/Rehabilitation/New Construction Budget Detail" screen you entered for each location will appear as a separate entry under the “View” header.

2. If changed are needed, please follow the following guidance:
   - If you want to view and edit any of the “Leased Units Budget Detail” screens, select the "View" icon next to the appropriate entry.
   - If you have created a "Leased Units Budget Detail" screen in error and want to delete it, select the "Delete" icon next to the appropriate entry.
   - If the list seems to be missing one or more items select the “Add” icon and complete additional "Leased Units Budget Detail" screen(s), as discussed previously.

3. If the list is complete, select “Next” at the bottom of the screen. You will proceed to the next budget screen.
6C. Leased Units Budget

Project Applicants must complete the "Leased Units Budget" screen and relevant detail screens if the Project Applicant is applying for leased units funds, and the recipient has entered or is entering into leases directly with the property owner for units to house program participants. If the lease will be between the landowner and the participant, the Project Applicant must complete the rental assistance budget, not the leased units budget.

The following steps provide instruction on completing the "Leased Units Budget" screen.

**Steps**

1. To add information to this list, select the "Add" icon to open the "Leased Units Budget Detail" screen.

2. The "Leased Units Budget Detail" screen will appear.

**FMR**

The Budget Detail screens use the FY 2022 FMRs.

Project applications that are selected for a conditional award will be adjusted and awarded based on the FMRs that are in effect at time of the Special NOFO application submission deadline (i.e., the FY 2023 FMRs).
Leased Units Budget Detail

Steps

1. Select the FY 2022 Fair Market Rent (FMR) area in which the project is located. The list is sorted by state abbreviation. The selected FMR area will be used to populate the rents in the FMR Area column in the chart below.

2. Enter the number of units of each bedroom size for which the project is requesting leased units assistance.

3. In the "HUD Paid Rent" column, for each unit size, enter the rent to be paid by the CoC Program grant. This rent can be equal to or below the FMR amount in the previous column - it cannot exceed the FMR amount. Once HUD awards funds to the project, recipients must document compliance with the rent reasonableness requirement explained in section 578.51 of the CoC Program interim rule.

4. The 12-month column is fixed. The amount of "HUD Paid Rent" multiplied by the number of units per unit type, multiplied by 12, automatically populates in the "Total Request (Applicant)" column per unit type.

5. The "Grant Term" field is populated with the grant term pre-populated on the "6A Funding Request" screen.

6. Once you enter figures in each column for the relevant fields, select the "Save" button at the bottom of the screen. The sum of each column will be auto-calculated.

7. If the project is housed in one structure, select "Save & Back to List" to go back to the "Leased Units Budget" screen.
Special NOFO New Project Application

- If the project is housed in more than one FMR Area, select “Save & Add Another” and repeat steps 1 through 6 for each structure in the project for which you are requesting leased units funds.

- Once you have completed all of the “Leased Units Budget Detail” screens that your project requires, select “Save & Back to List.”

Completion of Leased Units Budget

After completing all of the “Leased Unit Budget Detail” screens, the “Leased Unit Budget” screen will auto-populate with the budget information you entered.

Steps

1. Review the following items on the “Leased Units Budget” screen.

   - If the list seems to be missing one or more items select the “Add” icon and complete additional "Leased Units Budget Detail" screen(s), as discussed previously.

3. If the list is complete, select “Next” at the bottom of the screen. You will proceed to the next budget screen.
6D. Leased Structures Budget

Project Applicants that plan to lease structures or portions of structures for housing or supportive services as part of a new project must complete the "Leased Structures Budget" screen.

The following steps provide instructions to complete the “Leased Structures Budget” screen of the Project Application and are relevant for new projects seeking funds for leased structures.

**Steps**

1. To add information to this list, select the "Add" icon to open the “Leased Structures Budget Detail” screen.

2. The "Leased Structures Budget Detail" screen will appear.
Leased Structures Budget Detail

2. In the "HUD Paid Rent (per Month)" field, enter the monthly leasing amount. The amount entered must not exceed the monthly rent for comparable structures.

3. The screen will automatically calculate the HUD paid rent multiplied by 12 months to show the "Total Annual Assistance Request."

4. Select “Save” and the screen will automatically calculate the "Total Annual Assistance Request" multiplied by the "Grant Term." The "Grant Term" field is populated from screen "6A: Funding Request."

5. If the project will lease one structure only, select “Save & Back to List” to go back to the "Leased Structures Budget" screen.
   - If the project will lease more than one structure, select “Save & Add Another.”
   - Follow the directions for completing another “Leased Structures Budget Detail” screen as described in the preceding steps.

The following steps provide instruction on completing the “Rental Assistance Budget” screen of the Special NOFO to Address Unsheltered and Rural Homelessness New Project Application FY2022.

Steps

1. To add information to this list, select the "Add" icon to open the “Rental Assistance Budget Detail” screen.

2. The “Rental Assistance Budget Detail” screen will appear.

FMR

The Budget Detail screens use the FY 2022 FMRs.

Project applications that are selected for a conditional award will be adjusted and awarded based on the FMRs that are in effect at time of the Special NOFO application submission deadline (i.e., the FY 2023 FMRs).
**Steps**

1. Select the “Type of Rental Assistance:”—PRA, TRA, or SRA. (project-based rental assistance, tenant-based rental assistance, or sponsor-based rental assistance).

2. Select the FY 2022 FMR area in which the project is located. The list is sorted by state abbreviation. The selected FMR area will be used to populate the rents in the FMR Area column in the chart below.

3. Enter the number of units of each bedroom size for which the project is requesting rental assistance.

4. The 12-month column is fixed. The amount shown in the FMR column is multiplied by the number of units per unit type and multiplied by 12 to automatically populate the “Total Request (Applicant)” column per unit type.

5. After you enter figures in the "# of Units" column for the relevant fields, select the "Save" button at the bottom. The sum of each column will be auto-calculated.

6. The "Grant Term" field is populated based on the grant term pre-populated on the "Funding Request" screen and will be read only.

6J. Summary Budget

The "Summary Budget" screen summarizes the funding requested for each year of the grant term. You will see all of the possible activities for which you can request new project funding, but amounts will show only for those activities for which you completed individual budgets.

You will not enter any information in the gray-shaded fields, as these fields will be automatically populated from the information you entered into the individual budget screens; however, the appropriate amount of administrative costs must be entered in the applicable field. Additionally, for Rural Set Aside project applications must be entered in the applicable field.

The following screenshot is for the Special NOFO to Address Unsheltered and Rural Homelessness New Project Application FY2022 "Summary Budget" screen.

Steps

1. Review the funding amounts in the gray-shaded fields. If they are not correct, navigate to the individual budget screens and update them. You cannot edit gray-shaded fields on the Summary Budget screen.

2. In the "Admin." field (line 8 for new projects), enter the amount of administrative costs for which you are applying. Administrative costs may not exceed 10 percent of the line "Sub-total Costs Requested."

3. **Field 14 is for Rural Set Aside projects only.** Enter an amount up to 20 percent of subtotal of all Budget Line Items plus Admin for capacity building activities. A list of eligible capacity building activities can be found in Section V.B.3.e.(2)(b)(iv) of the Special NOFO.
4. Select “Save” to automatically calculate the totals.
5. Select "Save & Next" to continue.

**NOTE:**
The total value of the sum of "Cash Match" and "In-Kind Match" must equal 25 percent of the total amount requested for all activities, *except for leased units and leased structures, but including administration costs*. 
7A. Attachments

Depending on the Applicant, the "Attachment" screen has three potential items:

- Subrecipient Nonprofit Documentation. On the "Project Subrecipients" screen, if the subrecipient is a nonprofit (i.e., either "M" or "N" was selected from the "Organization Type" drop-down menu), then proof of the subrecipient's nonprofit status is required.

- Other Attachment(s). Attach any additional information supporting the project funding request. Use a zip file to attach multiple documents.
  
  a. Consolidated Plan Certification. For Project Applicants that selected "No CoC" on Screen 3A, and are thus applying as Solo Applicants, a form HUD-2991 must be obtained and signed by the certifying official for the applicable jurisdiction, indicating that the proposed project will be consistent with the Consolidated Plan. If the Solo Applicant is a state or unit of local government, the jurisdiction must certify that it is following its HUD-approved Consolidated Plan.

**Steps**

1. Select the document name under “Document Type.”

Steps

1. Select the document name under “Document Type.”

2. The "Attachment Details" screen will appear. Follow the instructions for uploading attachments under 7A. Attachments.
7D. Certification

The Project Applicant must certify that the proposed program will comply with the various laws as outlined in the CoC Program Competition NOFO. The Project Applicant should carefully review all of the items carefully.

8B. Submission Summary

Once the required information has been entered and the required attachments have been uploaded, the Project Applicant needs to select the "Submit" button on the "Submission Summary" screen.

The "Submission Summary" screen shows the Project Application screens. In the "Last Updated" column, the system will identify the following:

- A date if the screen is complete
- "No Input Required" if there is no input required
- "Please Complete" if more information is needed

Users can go back to any screen by clicking on the screen name on the left menu or on the screen name in the Submissions list itself. Remember to select "Save" after making any changes.

NOTE: The "No Input Required" status on the Submission Summary indicates that additional information for that screen is not required for the Project Applicant to continue to the next step in e-snaps.

In the context of this navigational guide, the Project Applicant may continue to the next steps in the Project Application process.

HUD, however, may require you to address the particular item prior to entering into a grant agreement if conditionally awarded.

The "Submit" button is located at the bottom of the screen under the navigation buttons. The "Submit" button will be active if all parts of the Project Application are complete (and have a date) or state "No Input Required."

After submitting the Project Application, Project Applicants should notify the Collaborative Applicant. Notification is recommended to provide a heads-up to the Collaborative Applicant that the application is ready for their review and ranking.

Troubleshooting when you cannot submit the Project Application

Applicants may encounter issues when trying to submit the Project Application. If the “Submit” button is gray (i.e., “grayed-out”), it is not active and you cannot select it. You will not be permitted to complete your form at this time. The “Submit” button will appear gray if information is missing on any of the required Project Application forms or in the Applicant Profile.

The following partial image shows the New Project Application “Submission Summary” screen with items that still need to be completed. Note that the “Submit” button is gray-shaded, and you cannot select it.
Special NOFO New Project Application

Steps

1. Review your Submission Summary screen to determine which Project Application form needs to be completed. For the item(s) that state "Please Complete," either select the link under the "Page" column or select the item on the left menu bar.

2. Complete the screen, saving the information on each screen.

3. Return to the Submission Summary screen and select the "Submit" button.

What the “Last Updated” column tells you. A date identifies a form with complete information for all required fields. It is the most recent date on which the completed form was saved.

- "Please Complete" identifies a form with information missing in one or more required fields.
- "No Input Required" identifies the forms that are not required for completion by all projects. You are strongly encouraged to double-check these forms to ensure that all appropriate project information is completed.

What the “Notes” section at the bottom of the screen tells you. Notes are not a standard section on the “Submission Summary” screen, so you will not see this section all the time.

- If Notes appear on the screen, they are located under the two-column list and above the navigational buttons.
- The Notes provide information on the errors in the Project Application. Some Notes include a link to the applicable form and error(s).

NOTE: If you are still unable to submit the New Project Application after following these instructions, please submit a question to the HUD Exchange Ask A Question, at: https://www.hudexchange.info/get-assistance/my-question/, under the e-snap Reporting System.

In the question field, please provide specific details regarding the issue you are encountering while trying to submit and provide a screenshot whenever possible.
