

Accessing the Project Application in *e-snaps*

Introduction

This document provides step-by-step instructions on how to access the Project Application in *e-snaps*. It is organized into the following sections:

- [Access *e-snaps*](#)
- [Complete the Project Applicant Profile](#)
- [Establish the Project Application](#)
- [Access the Project Application](#)

These instructions are written with references to the Special NOFO Unsheltered Homelessness Set Aside Project Application as the example, but they are applicable to other Special NOFO Project Applications (Rural Set Aside, CoC Planning, and UFA Costs). When the steps are no longer applicable, this document will be revised and reposted on HUD.gov.

Posted Resources

HUD has determined that some Special NOFO and *e-snaps*-related resources need to be posted to HUD.gov as HUD's official website rather than to the HUD Exchange, which focuses on technical resources for communities and grant recipients. Special NOFO information (e.g., detailed instructions), including the Special NOFO *e-snaps* navigational guides, will be published and updated on HUD.gov. Many of the other Special NOFO and *e-snaps*-related technical resources will remain on the HUD Exchange.

Have a question?

The *e-snaps* AAQ on HUD Exchange is no longer active. Send questions related to the Special NOFO or navigating *e-snaps* to the appropriate HUD.gov email address:

- SpecialCoCNOFO@hud.gov for questions about the NOFO, competition, and applications.
- e-snaps@hud.gov for questions about *e-snaps* technical issues such as creating an individual user profile, lockouts/password resets, requesting access to a CoC's or Project Applicant's *e-snaps* account, navigating *e-snaps*, updating the Applicant Profile, identifying the funding opportunity, creating a project, and accessing the application on the "Submissions" screen.

Access e-snaps

The Project Application is submitted electronically in *e-snaps* during the competition under the Special NOFO to Address Unsheltered and Rural Homelessness (Special NOFO).

Technical Submission:

NOTE:

Each e-snaps user must have his or her unique login credentials. Preferably, each organization will have at least two people with access to e-snaps—the Authorized Representative and one or more additional staff.

Steps for Existing e-snaps Users

1. Direct your internet browser to <https://esnaps.hud.gov/>
2. On the left menu bar, enter your username and password. You will then enter the *e-snaps* system and arrive at the "Welcome" screen.
3. If you forgot your password, select "Forgot your password?" under the "Login" button.

Steps for New e-snaps Users

1. Create an *e-snaps* username and password by selecting the "Create Profile" link.
2. Log in as instructed under Existing Users above.

For a refresher on how to continue through the e-snaps system, visit the HUD Exchange e-snaps webpage at:

- <https://www.hudexchange.info/programs/e-snaps/>

Give Staff Access to Your Organization's e-snaps Account

Having a user profile enables a person to access *e-snaps*; however, only individuals who have been associated with the organization as a registrant (also referred to as registered users) are able to enter information in the Project Applicant Profile and Project Applications associated with the organization.

For information on how to add and delete users, refer to the “Give Staff Access to Your Organization’s e-snaps Account” resource at:

- <https://files.hudexchange.info/resources/documents/Give-Staff-Access-to-Your-Organizations-e-snaps-Account.pdf>

Complete the Project Applicant Profile

Project Applicants must complete the Project Applicant Profile before moving forward in the Project Application process. To complete the Project Applicant Profile, the Project Applicant needs to ensure the data entered in the profile screens are accurate and must select the “Complete” button on the “Submission Summary” screen.

This section highlights key information needed to successfully complete this step. It does NOT provide step-by-step instructions.

For detailed instructions, see the Project Applicant Profile Navigational Guide at:

- <https://files.hudexchange.info/resources/documents/Project-Applicant-Profile-Navigational-Guide.pdf>

- **Access the Applicant Profile.** To access the Project Applicant Profile, log in to *e-snaps*, select "Applicants" on the left menu bar, ensure that the correct Applicant name in the "Applicants" field at the top left side of the screen is selected, and select the orange folder to the left of the Applicant name on the screen.
- **Organizations That Are Collaborative Applicants and Project Applicants.** If the organization applying for funding as a Project Applicant is also serving as the Collaborative Applicant, the organization will have two Applicant Profiles—one for the Project Applicant and one for the Collaborative Applicant.

The "Applicant" field dropdown menu at the top left side of the screen contains the list of Applicants that a user can access. If you have issues with finding the correct Project Applicant, please email the *e-snaps* HUD Help Desk at e-snaps@hud.gov. The *e-snaps* AAQ at HUD Exchange is no longer active.

- **First-Time Applicant.** If an organization is new to *e-snaps* (i.e., submitting a Project Application for the first time), the organization must establish itself as a Project Applicant in *e-snaps*. Review the Project Applicant Profile Navigational Guide at:
 - <https://files.hudexchange.info/resources/documents/Project-Applicant-Profile-Navigational-Guide.pdf>

An organization will establish itself as a Project Applicant in *e-snaps* **one time only**.

*If you are a Collaborative Applicant and a Project Applicant applying for project funds, you must have **two separate Applicant Profiles**—a Collaborative Applicant Profile and a Project Applicant Profile.*

Contact the e-snaps HUD Help Desk if you need assistance at:

- e-snaps@hud.gov

Establish the Project Application

After the Project Applicant Profile is completed, Project Applicants can move to the next steps required to access the Project Application screens. This section covers the following:

- Funding Opportunity Registration
- Creating the Project Application Project
- Submissions

Important!

The Special NOFO to Address Unsheltered and Rural Homelessness and the annual CoC Program NOFO competition are open at the same time. BOTH of these NOFOs are visible in *e-snaps*.

You must ensure you register for the correct Funding Opportunity. If you have not, you must abandon your project application and begin again by registering for the correct Funding Opportunity you are choosing for the project application.

Funding Opportunity Registration

All Project Applicants must register the organization for the applicable Project Application Funding Opportunity. Registering for the funding opportunity enables Project Applicants to apply for funds during the associated Special NOFO Program Competition.

Terminology

"Registering" in this context means "indicating your intent to apply."

"Funding Opportunity" refers to "the type of grant." There are options when you select this screen. They include Unsheltered Homelessness Set Aside Project Application FY2022, Rural Set Aside Project Application FY2022, CoC Planning Unsheltered Homelessness Set Aside Project Application FY2022, and UFA Costs Unsheltered Homelessness Set Aside FY2022.

Note: CoC Planning funds and UFA costs are only eligible under the Unsheltered Homelessness Set Aside. No CoC Planning funds or UFA costs will be awarded under the Rural Set Aside.

On this screen, you are indicating your intent to apply for a specific type of grant.

Reminder

You MUST choose the correct Funding Opportunity. If you do not, you must abandon this project application and begin again by registering the correct Funding Opportunity you are choosing for this project application.

Creating the Project Application Project

Project Applicants must create a project for the Project Application in *e-snaps* on the "Projects" screen. Creating a project is an intermediate step; organizations do NOT enter the Application from the "Projects" screen to complete the Application screens (that step will occur on the "Submissions" screen).

Once the Applicant "creates" the Project, the Project will appear on this screen. In the example below, the term "Unsheltered Homelessness Set Aside Project Application FY2022" appears under the "Funding Opportunity Name" column.

Terminology

"Creating a Project" means "giving the project application a name."
