(b) PHASED TRANSFERS.—Transfers of project-based assistance under this section may be done in phases to accommodate the financing and other requirements related to rehabilitating or constructing the project or projects to which the assistance is transferred, to ensure that such project or projects meet the standards under subsection (c).

8. If the transferring project meets the requirements of subsection (d)(2), the owner or mortgagor of the receiving project or projects shall execute and record either a continuation of the existing use agreement or a new use agreement for the project where, in either case, any use restrictions in such agreement are of no lesser duration than the existing use restrictions.

SEC. 212. Notwithstanding any other provision of law, in fiscal year 2020, in managing and disposing of any multifamily property that is owned or has a mortgage held by the Secretary of Housing and Urban Development, and during the process of foreclosure on any property with a contract for rental assistance payments under section 8 of the United States Housing Act of 1937 (42 U.S.C. 1437f) or other Federal programs, the Secretary shall maintain any rental assistance payments under section 8 of the United States Housing Act of 1937 and other programs that are attached to any dwelling units in the property. To the extent the Secretary determines, in consultation with the tenants and the local government, that such a multifamily property owned or held by the Secretary is not feasible for continued rental assistance payments under such section 8 or other programs, based on consideration of (1) the costs of rehabilitating and operating the property and all available Federal, State, and local resources, including rent
adjustments under section 524 of the Multifamily Assisted Housing Reform and Affordability Act of 1997 ("MAHRAA") (42 U.S.C. 1437f note) and (2) environmental conditions that cannot be remedied in a cost-effective fashion, the Secretary may, in consultation with the tenants of that property, contract for project-based rental assistance payments with an owner or owners of other existing housing properties, or provide other rental assistance. The Secretary shall also take appropriate steps to ensure that project-based contracts remain in effect prior to foreclosure, subject to the exercise of contractual abatement remedies to assist relocation of tenants for imminent major threats to health and safety after written notice to and informed consent of the affected tenants and use of other available remedies, such as partial abatements or receivership. After disposition of any multifamily property described under this section, the contract and allowable rent levels on such properties shall be subject to the requirements under section 524 of MAHRAA.

SEC. 213. Public housing agencies that own and operate 400 or fewer public housing units may elect to be exempt from any asset management requirement imposed by the Secretary of Housing and Urban Development in connection with the operating fund rule: Provided, That an agency seeking a discontinuance of a reduction of subsidy under the operating fund formula shall not be exempt from asset management requirements.

SEC. 214. With respect to the use of amounts provided in this Act and in future Acts for the operation, capital improvement and management of public housing as authorized by sections 9(d) and 9(e) of the United States Housing Act of 1937 (42 U.S.C. 1437g(d) and (e)), the Secretary shall not impose any requirement or guideline relating to asset management that restricts or limits in any way the use of capital funds for central office costs pursuant to section 9(g)(1) or 9(g)(2) of the United States Housing Act of 1937 (42 U.S.C. 1437g(g)(1), (2): Provided, That a public housing agency may not use capital funds authorized under section 9(d) for activities that are eligible under section 9(e) for assistance with amounts from the operating fund in excess of the amounts permitted under section 9(g)(1) or 9(g)(2).

SEC. 215. No official or employee of the Department of Housing and Urban Development shall be designated as an allotment holder unless the Office of the Chief Financial Officer has determined that such allotment holder has implemented an adequate system of funds control and has received training in funds control procedures and directives. The Chief Financial Officer shall ensure that there is a trained allotment holder for each HUD appropriation under the accounts "Executive Offices", "Administrative Support Offices", "Program Offices", "Government National Mortgage Association—Guarantees of Mortgage-Backed Securities Loan Guarantee Program Account", and "Office of Inspector General" within the Department of Housing and Urban Development.

SEC. 216. The Secretary of the Department of Housing and Urban Development shall, for fiscal year 2020, notify the public through the Federal Register and other means, as determined appropriate, of the issuance of a notice of the availability of assistance or notice of funding availability (NOFA) for any program or discretionary fund administered by the Secretary that is to be competitively awarded. Notwithstanding any other provision of
law, for fiscal year 2020, the Secretary may make the NOFA available only on the Internet at the appropriate Government web site or through other electronic media, as determined by the Secretary.

Sec. 217. Payment of attorney fees in program-related litigation shall be paid from the individual program office and Office of General Counsel salaries and expenses appropriations. The annual budget submission for the program offices and the Office of General Counsel shall include any such projected litigation costs for attorney fees as a separate line item request. No funds provided in this title may be used to pay any such litigation costs for attorney fees until the Department submits for review a spending plan for such costs to the House and Senate Committees on Appropriations.

Sec. 218. The Secretary is authorized to transfer up to 10 percent or $5,000,000, whichever is less, of funds appropriated for any office under the headings “Administrative Support Offices” or “Program Offices” to any other such office or account: Provided, That no appropriation for any such office or account shall be increased or decreased by more than 10 percent or $5,000,000, whichever is less, without prior written approval of the House and Senate Committees on Appropriations: Provided further, That the Secretary shall provide notification to such Committees 3 business days in advance of any such transfers under this section up to 10 percent or $5,000,000, whichever is less.

Sec. 219. (a) Any entity receiving housing assistance payments shall maintain decent, safe, and sanitary conditions, as determined by the Secretary of Housing and Urban Development (in this section referred to as the “Secretary”), and comply with any standards under applicable State or local laws, rules, ordinances, or regulations relating to the physical condition of any property covered under a housing assistance payment contract.

(b) The Secretary shall take action under subsection (c) when a multifamily housing project with a section 8 contract or contract for similar project-based assistance—

(1) receives a Uniform Physical Condition Standards (UPCS) score of 60 or less; or

(2) fails to certify in writing to the Secretary within 3 days that all Exigent Health and Safety deficiencies identified by the inspector at the project have been corrected.

Such requirements shall apply to insured and noninsured projects with assistance attached to the units under section 8 of the United States Housing Act of 1937 (42 U.S.C. 1437f), but do not apply to such units assisted under section 8(o)(13) (42 U.S.C. 1437f(o)(13)) or to public housing units assisted with capital or operating funds under section 9 of the United States Housing Act of 1937 (42 U.S.C. 1437g).

(c)(1) Within 15 days of the issuance of the REAC inspection, the Secretary must provide the owner with a Notice of Default with a specified timetable, determined by the Secretary, for correcting all deficiencies. The Secretary must also provide a copy of the Notice of Default to the tenants, the local government, any mortgagees, and any contract administrator. If the owner’s appeal results in a UPCS score of 60 or above, the Secretary may withdraw the Notice of Default.

(2) At the end of the time period for correcting all deficiencies specified in the Notice of Default, if the owner fails to fully correct such deficiencies, the Secretary may—
(A) require immediate replacement of project manage-
ment with a management agent approved by the Secretary;
(B) impose civil money penalties, which shall be used
solely for the purpose of supporting safe and sanitary condi-
tions at applicable properties, as designated by the Sec-
retary, with priority given to the tenants of the property
affected by the penalty;
(C) abate the section 8 contract, including partial
abatement, as determined by the Secretary, until all defi-
ciciencies have been corrected;
(D) pursue transfer of the project to an owner, approved
by the Secretary under established procedures, which will
be obligated to promptly make all required repairs and
to accept renewal of the assistance contract as long as
such renewal is offered;
(E) transfer the existing section 8 contract to another
project or projects and owner or owners;
(F) pursue exclusionary sanctions, including suspen-
sions or debarments from Federal programs;
(G) seek judicial appointment of a receiver to manage
the property and cure all project deficiencies or seek a
judicial order of specific performance requiring the owner
to cure all project deficiencies;
(H) work with the owner, lender, or other related party
to stabilize the property in an attempt to preserve the
property through compliance, transfer of ownership, or an
infusion of capital provided by a third-party that requires
time to effectuate; or
(I) take any other regulatory or contractual remedies
available as deemed necessary and appropriate by the Sec-
retary.

(d) The Secretary shall also take appropriate steps to ensure
that project-based contracts remain in effect, subject to the exercise
of contractual abatement remedies to assist relocation of tenants
for major threats to health and safety after written notice to the
affected tenants. To the extent the Secretary determines, in con-
sultation with the tenants and the local government, that the
property is not feasible for continued rental assistance payments
under such section 8 or other programs, based on consideration of—

(1) the costs of rehabilitating and operating the property
and all available Federal, State, and local resources, including
rent adjustments under section 524 of the Multifamily Assisted
Housing Reform and Affordability Act of 1997 (“MAHRAA”);
and

(2) environmental conditions that cannot be remedied in
a cost-effective fashion, the Secretary may contract for project-
based rental assistance payments with an owner or owners
of other existing housing properties, or provide other rental
assistance.
