Introduction

This document provides detailed instructions to complete the Fiscal Year (FY) 2025 Continuum of Care (CoC) Builds project application for funding available through the Notice of Funding Opportunity (NOFO). Through this NOFO, HUD will award funding to a project(s) to create new units of permanent supportive housing (PSH) for individuals and families experiencing homelessness where at least one member of the household has a disability.

HUD expects applicants to partner with housing, health, and service agencies to leverage mainstream housing and healthcare resources as authorized by section 231 of the Department of Housing and Urban Development Appropriations Act, 2020 (42 U.S.C. 11364a, Public Law 116-94, approved December 20, 2019).

These instructions provide information for each question within new project applications in the electronic grants management system, *e-snaps*. Additional CoC Program resources are located on the [CoC Builds Notice of Funding Opportunity](#) page on HUD’s website. Technical resources, created by HUD-approved technical assistance providers, such as [How to Access the Project Application](#) and an *e-snaps* technical walkthrough, are located on the [HUD Exchange](#).

The following documents provide information regarding CoC Builds requirements for projects awarded in this NOFO:

- [FY 2025 Continuum of Care \(CoC\) Builds NOFO](#),
- [24 CFR part 578 \(the Rule\)](#),
- [The McKinney-Vento Act, as amended by the HEARTH Act \(the Act\)](#), and
- [Your local CoC Program policy guidelines for submitting a project application to the CoC for review and selection](#).

If you have a question, submit it to one of the following two email addresses based on the question:

FY 2024 CoC Program New Projects Detailed Instructions

- Questions regarding information in these instructions may be submitted to CoCBuilds@hud.gov. HUD cannot assist you with answering specific application questions.
- Questions related to *e-snaps* functionality (e.g., password lockout, access to user's application account, updating Applicant Profile, other technical issues with submitting the application) must be submitted to e-snaps@hud.gov.

Important Reminders

- 1. Capital Costs (new construction, acquisition, and rehabilitation) must be requested.** This NOFO specifically provides funding to create new units of PSH, and you may also request:
 - a. No more than 20 percent of the total budget for eligible CoC Program Costs identified in the NOFO; and
 - b. No more than 10 percent of the total budget for project administrative costs.
- 2. HUD cannot correct project application errors.** Your project application must demonstrate compliance with the NOFO and the Rule.
- 3. VAWA Budget Line.** The Violence Against Women Act (VAWA) Reauthorization Act of 2022 amended the HEARTH statute to clarify eligible costs for facilitating and coordinating activities to comply with the VAWA emergency transfer plan requirement and monitoring compliance with the protections of VAWA confidentiality requirements. The VAWA budget line is not exclusive to victim service providers.
- 4. Rural Cost Budget Line.** You may request a rural budget line for the following activities only if the project is in an eligible rural geographic area:
 - a. Short-term emergency lodging to include housing in motels or shelters, either by providing direct funding or through vouchers.
 - b. Repairs to housing units where individuals and families experiencing homelessness will be housed, including housing units currently not fit for human habitation.
 - c. Staff training to include professional development, skill development, and staff retention activities.
- 5. FMR tables in *e-snaps*.** The FMR amounts in *e-snaps* are accurate FY 2025 FMRs based on the FMR area you select.
- 6. System for Award Management (SAM.gov) Registration.** Your organization must have an active SAM.gov registration at the time of project application submission and conditional award. SAM.gov registration must be renewed annually so long as you receive and use CoC Builds funds. HUD verifies active SAM.gov registration prior to release of awarded funds, if your project is selected for conditional award HUD will withhold processing funds if your organization's SAM.gov registration is expired. You must also confirm your organization's Tax Identification Number (TIN), and Unique Entity Identifier (UEI) information is correct in both SAM.gov and the *e-snaps* Project Applicant Profile.

Project Applicant Profile

You must first access the **Project Applicant Profile** to review and complete or update information for your organizational contacts before you will have access to the application screens.

FY 2024 CoC Program New Projects Detailed Instructions

All requirements outlined in Section IV.F.4 of the NOFO and 24 CFR 578.35(b) must be followed.

Screen 6B. Submission Summary

Screen 6B provides a summary of all project application screens and the 'Submit' button. The 'Last Updated' column provides the status of each screen listed, and the date the screen was completed. The 'Mandatory' column indicates whether a screen must be fully completed to submit the project application to the Collaborative Applicant in *e-snaps*. After the **Project Applicant Profile** is confirmed accurate, all required project application screens are completed, and all appropriate attachments are uploaded, the project application can be submitted in *e-snaps*. All submitted project applications are sent to the CoC identified on Screen 3A. If 'No CoC' is selected on Screen 3A, the project application will be sent directly to HUD for consideration.

The following table explains the columns on the Submission Summary page.
