**Register Today: HIV and Aging Webinar Series: Combating Social Isolation and Loneliness**

HUD's Office of HIV/AIDS Housing (OHH) is sponsoring a webinar series focused on HIV and Aging. The second webinar in the series, Combating Social Isolation and Loneliness, will take place on **May 1, 2023 from 1:00 - 2:30 PM EDT.**

Social isolation and loneliness can have detrimental effects on physical, emotional, and mental health, especially in older people. This webinar will focus on effective strategies and supports to prevent and address feelings of social isolation and loneliness among people aging with HIV.

**Register for the Webinar**

After registering, you will receive a confirmation email with joining information.

---

*Housing is a structural intervention in ending the HIV epidemic in the United States.  
Each year, HOPWA ensures housing stability for more than 100,000 American households that are low-income and living with HIV.*
