## **Register Today: HOPWA NSPIRE Webinar Series: Implementation of NSPIRE**

HUD's Office of HIV/AIDS Housing (OHH) is sponsoring a webinar on **June 15, 2023 from 3:00 - 4:30 PM EDT** to provide an introductory overview of how HUD's new inspection framework, National Standards for the Physical Inspection of Real Estate (NSPIRE), applies to the Housing Opportunities for Persons With AIDS (HOPWA) Program. Under this new requirement, which takes effect on **October 1, 2023**, HOPWA programs must use the new NSPIRE inspection framework for all units assisted with acquisition, rehabilitation, conversion, lease, and repair of facilities to provide housing and services (24 CFR 574.300(b)(3)); new construction (24 CFR 574.300(b)(4)); project or tenant-based rental assistance (24 CFR 574.300(b)(5)); and operating costs (24 CFR 574.300(b)(8)).

This webinar, the first in a series, will include high-level background information about NSPIRE, its applicability to the HOPWA program, and general information about this new inspection framework.

OHH strongly recommends all HOPWA program staff who do or will conduct inspections attend this webinar.
