Fact Sheet on Naloxone (Narcan) for CoC, ESG, YHDP and HOPWA Grantees

In December, HUD, the White House Office of National Drug Control Policy (ONDCP), and the U.S. Department of Health and Human Services issued a [joint letter](#) to public health departments and health care systems to partner with housing providers, community development organizations, and other housing agencies to help expand access to naloxone and other life-saving overdose reversal medications in the communities they serve.

To support efforts in expanding access, HUD recently released a fact sheet to CoC, ESG, YHDP and HOPWA grantees on naloxone.

The fact sheets are posted here:
