Federal Register Notice on NSPIRE Extension of Compliance Date

On September 18, 2023, HUD published [Federal Register Notice: Economic Growth Regulatory Relief and Consumer Protection Act: Implementation of National Standards for the Physical Inspection of Real Estate \(NSPIRE\); Extension of Compliance Date](#).

This notice extends the compliance date for HUD's National Standards for the Physical Inspection of Real Estate (NSPIRE) final rule for Community Planning and Development (CPD) programs. Specifically, HUD is extending the compliance date for the HOME Investment Partnerships Program (HOME) and Housing Trust Fund (HTF), Housing Opportunities for Persons With AIDS (HOPWA), Emergency Solution Grants (ESG) and Continuum of Care (COC) programs ("CPD programs") until October 1, 2024. HUD is taking this action to allow jurisdictions, participants, and grantees additional time to incorporate HUD's NSPIRE standards specific to their own programs and the flexibility to transition to NSPIRE under their own timelines.

Housing is an effective structural intervention in ending the HIV epidemic in the United States. Each year, HOPWA ensures housing stability for more than 100,000 American households that are low-income and living with HIV.
