New FSRS Training Available

The recording of the FFATA Sub-award Reporting System (FSRS) training session held in August 2021 is now available to view. This training is relevant for all CPD grantees (including HOPWA grantees), and covers the Federal Funding and Transparency Act (FFATA) reporting requirements for grantees, and how to use the FSRS system for FFATA reporting. Grantees that receive federal awards equal to or greater than \$30,000 are required to report their FFATA data into FSRS by the end of the month following the month that the award was given.

The link to the training video and more information can be found on the FSRS landing page on HUD.gov here: [Federal Funding Accountability and Transparency Act of 2006 Reporting Requirements | HUD.gov / U.S. Department of Housing and Urban Development \(HUD\)](https://www.hud.gov/ffata).

Housing is a structural intervention in ending the AIDS epidemic in the United States. Each year, HOPWA ensures housing stability for more than 100,000 American households that are low-income and living with HIV.
