**ORDER GRANTING GOVERNMENT'S MOTION TO DISMISS**

On May 12, 2014, the Government filed a *Complaint for Imposition of Remedies* ("Complaint") seeking a determination that the Department's decision to impose a remedy against Respondent is supported by a preponderance of the evidence. The Department's proposed imposition of a remedy was based upon its determination that Respondent was "in substantial noncompliance" with requirements set forth by the Native American Housing Assistance and Self-Determination Act of 1996 and its implementing regulations.

On May 22, 2014, the Court granted a *Joint Motion for 60-Day Continuance*, to permit Respondent additional time to file the audit at issue. On July 18, 2014, the Government moved to dismissal its *Complaint* on the basis that, "Respondent has taken actions to come into compliance with HUD requirements, thereby obviating HUD's determination to impose remedies against Respondent."

Accordingly the Government's *Motion to Dismiss* will be **GRANTED** and the matter will be **DISMISSED** with prejudice.

So **ORDERED**,

  
J. Jeremiah Mahoney  
Chief Administrative Law Judge (Acting)
